[57] CLAIM

The ornamental design for a side panel, as shown and described.

DESCRIPTION

FIG. 1 is a rear perspective view of a side panel, showing our new design, the broken line showing of the mower is for illustrative purposes only, and forms no part of the claimed design;

FIG. 2 is a left side elevational view thereof, the other side being plain and unornamented;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a top plan view thereof, taken in the direction of line 4—4 of FIG. 2;

FIG. 5 is a left side perspective view thereof;

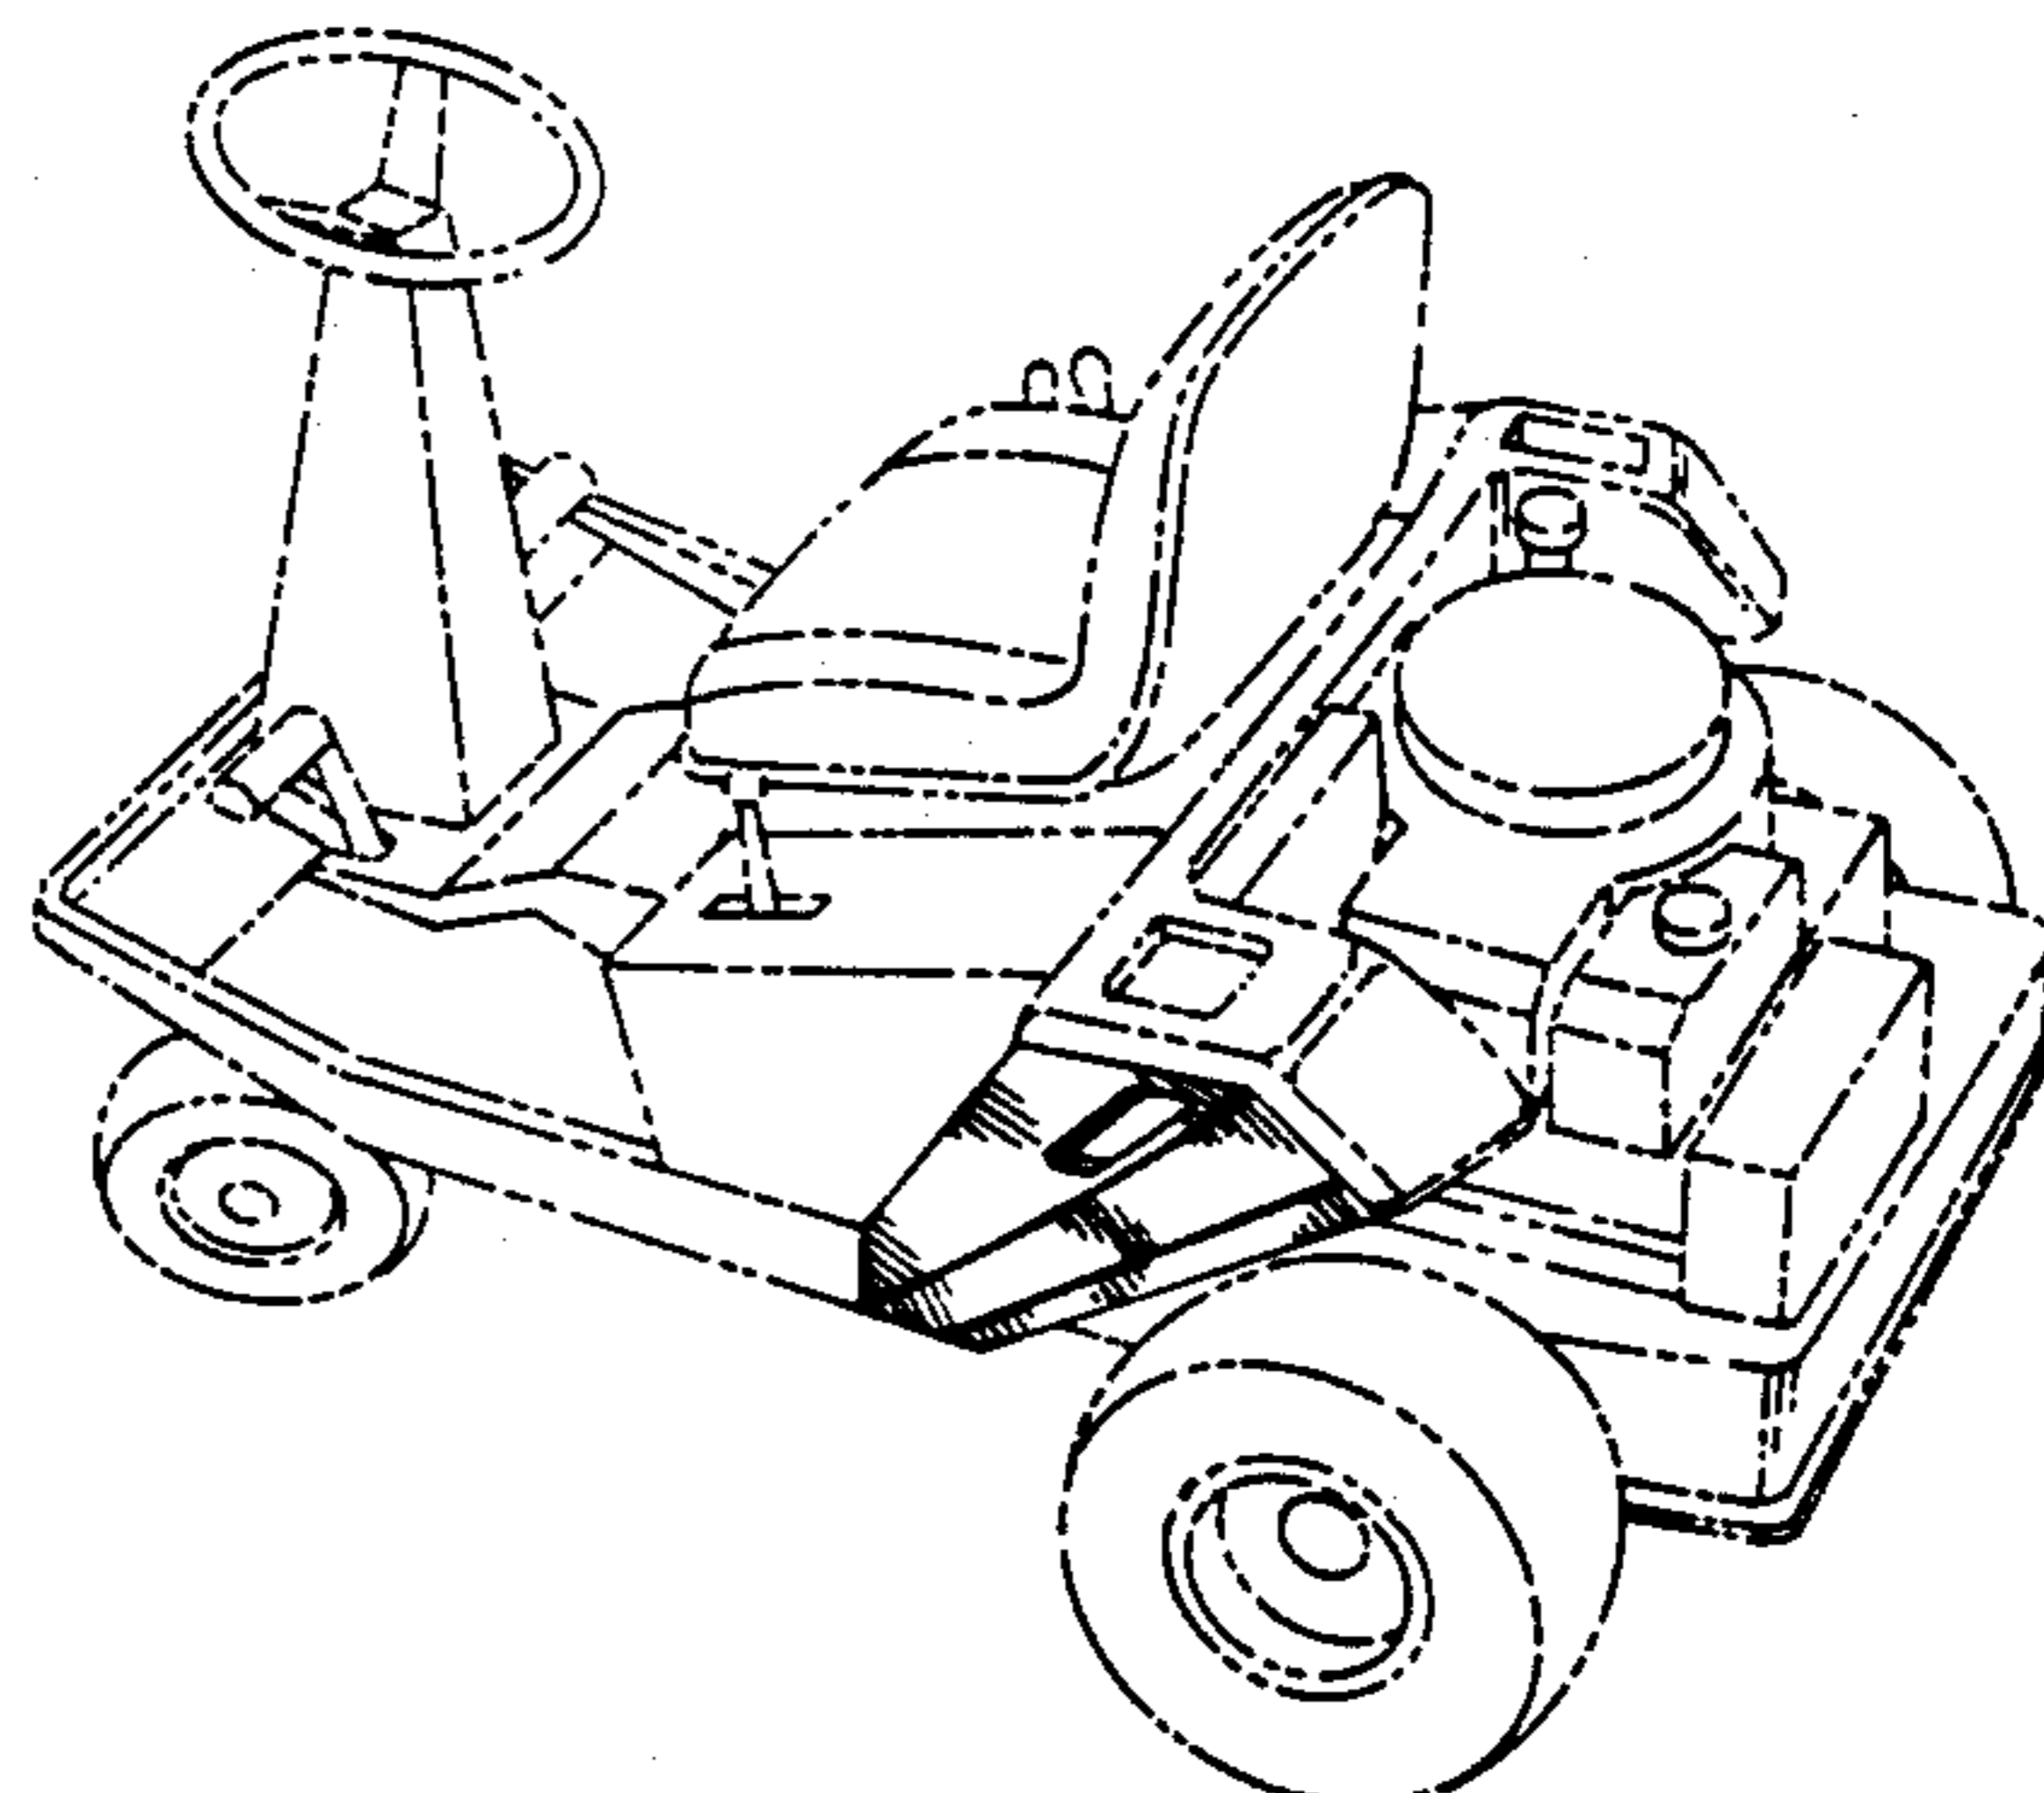

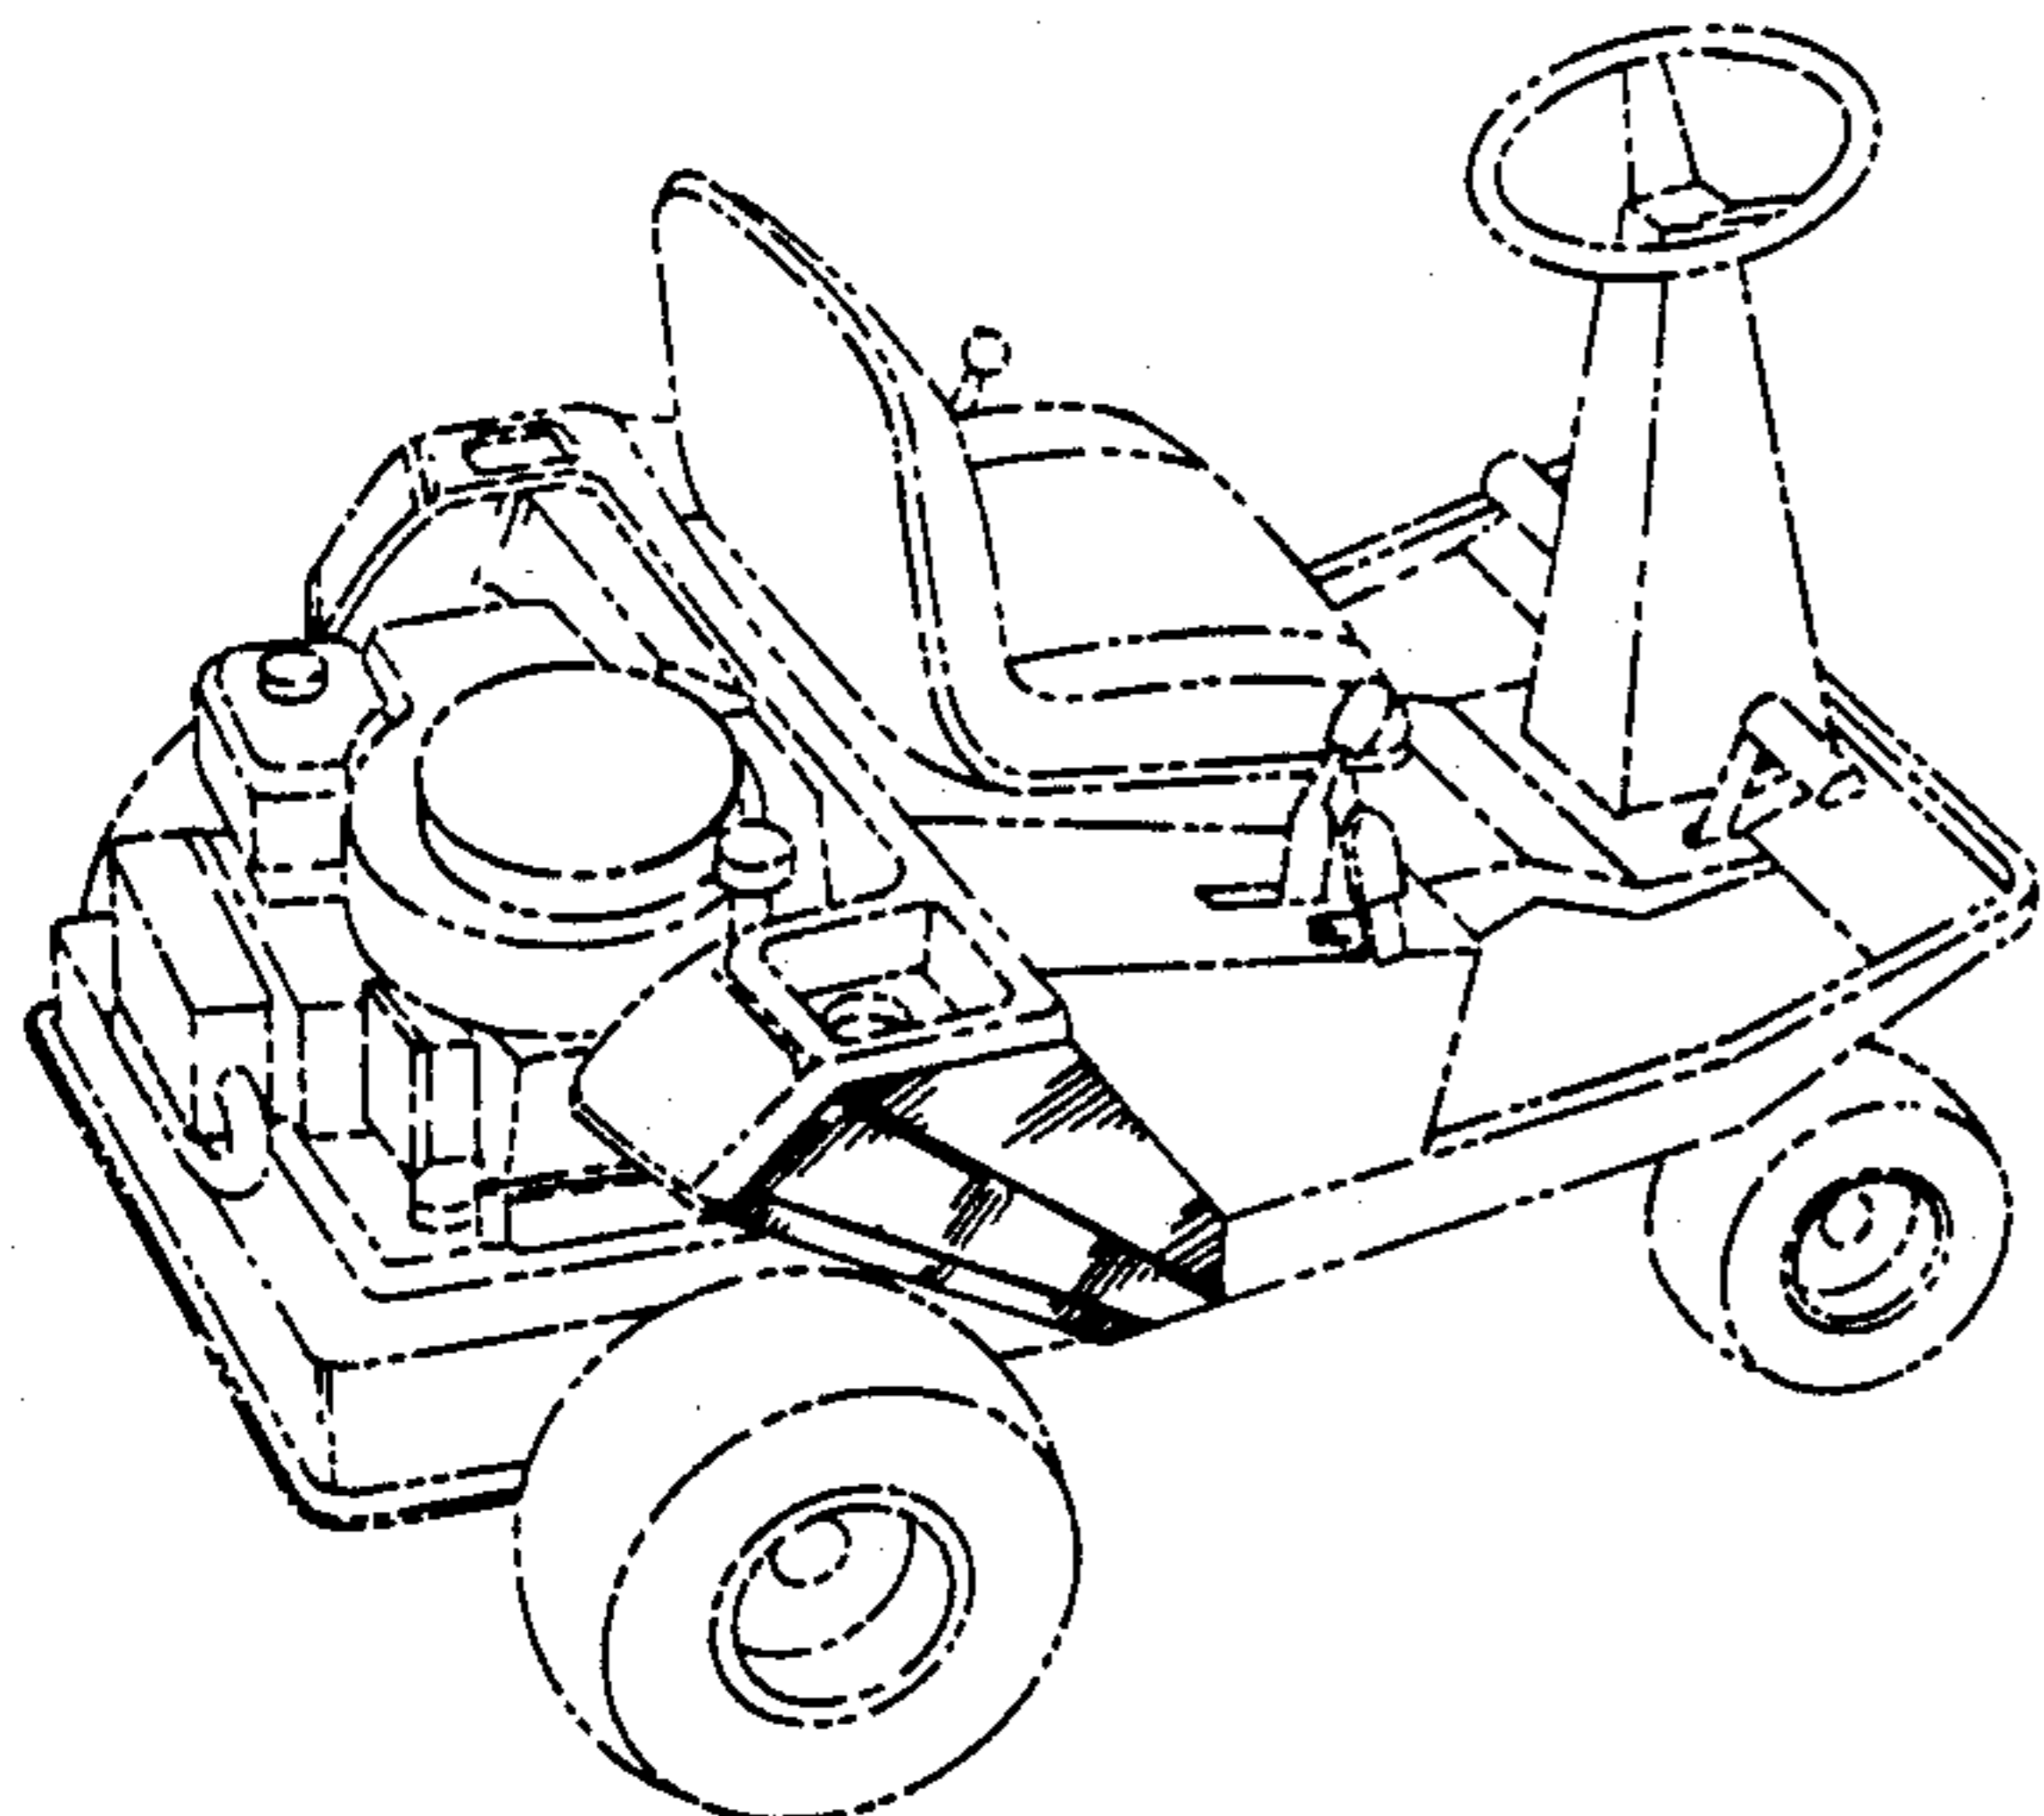

FIG. 6 is a rear perspective view of a second embodiment of the side panel;

FIG. 7 is a right side perspective view of FIG. 6;

FIG. 8 is a right side elevational view of FIG. 6, the other side being plain and unornamented;

FIG. 9 is a top plan view of FIG. 6; and,

FIG. 10 is a front elevational view of FIG. 6.
