FIG. 1 is a top plan view of the musical director game board, showing my new design; and, FIG. 2 is an enlarged center plan view of FIG. 1, shown for clarity.

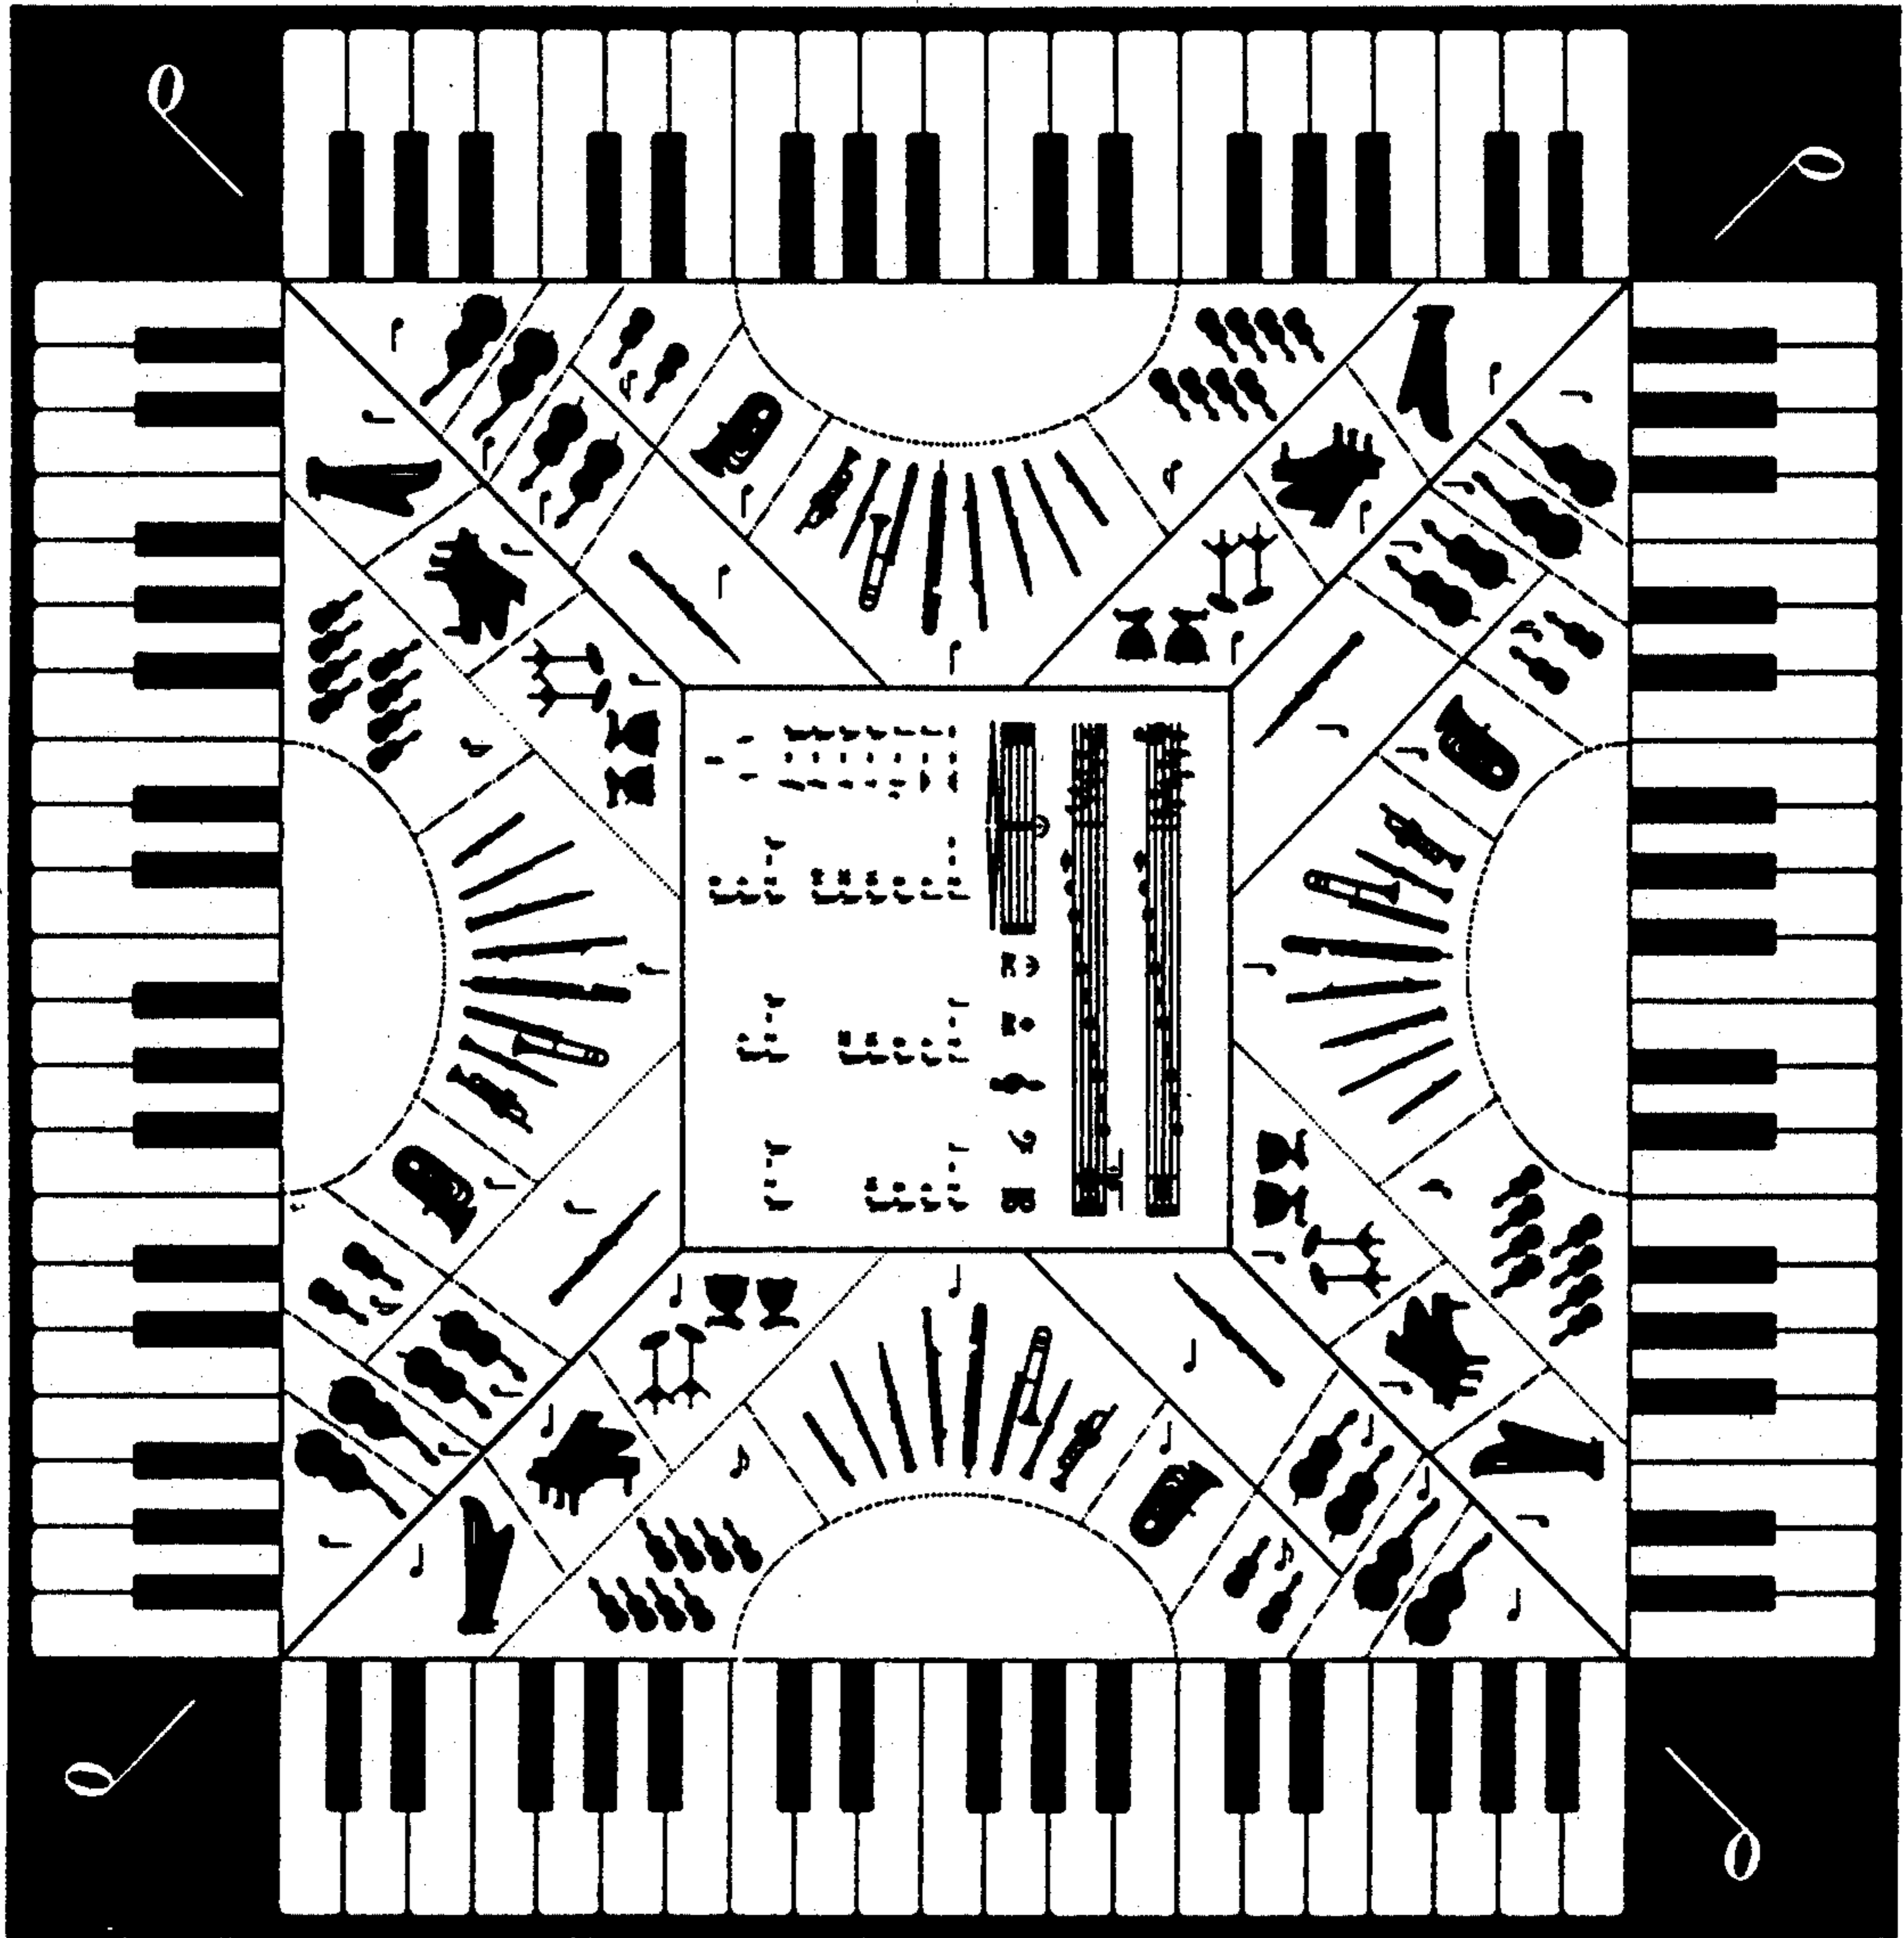

FIGURE 1

The figure displays a musical score within a rectangular border. It consists of two systems of notation. The top system features three staves: a treble clef staff with a key signature of two sharps (F# and C#), a bass clef staff with a key signature of two flats (Bb and Eb), and a grand staff with a bass clef. The middle system includes a grand staff with a bass clef, followed by dynamic markings 'DC' and 'DS', and a treble clef. The bottom system contains three columns of musical notation. The first column shows a series of notes with stems and beams, followed by a measure with a note and a 'J = 2' symbol. The second column shows notes with stems and beams, followed by a measure with a note and a 'J = 2' symbol. The third column shows notes with stems and beams, followed by a measure with a note and a 'J = 2' symbol. Various numerical values (4, 8, 16, 32, 64) are placed below the notes in the first two columns. The notation includes various musical symbols such as notes, stems, beams, and clefs.
