## [57] CLAIM

The ornamental design for removable cartridge with a 2½ inch form factor for a disk drive, as shown and described.

## DESCRIPTION

FIG. 1 depicts a perspective view of the removable cartridge with a 2½ inch form factor for a disk drive of the invention, on a reduced scale;

FIG. 2 depicts a plan view of the removable cartridge with a 2½ inch form factor for a disk drive of the invention;

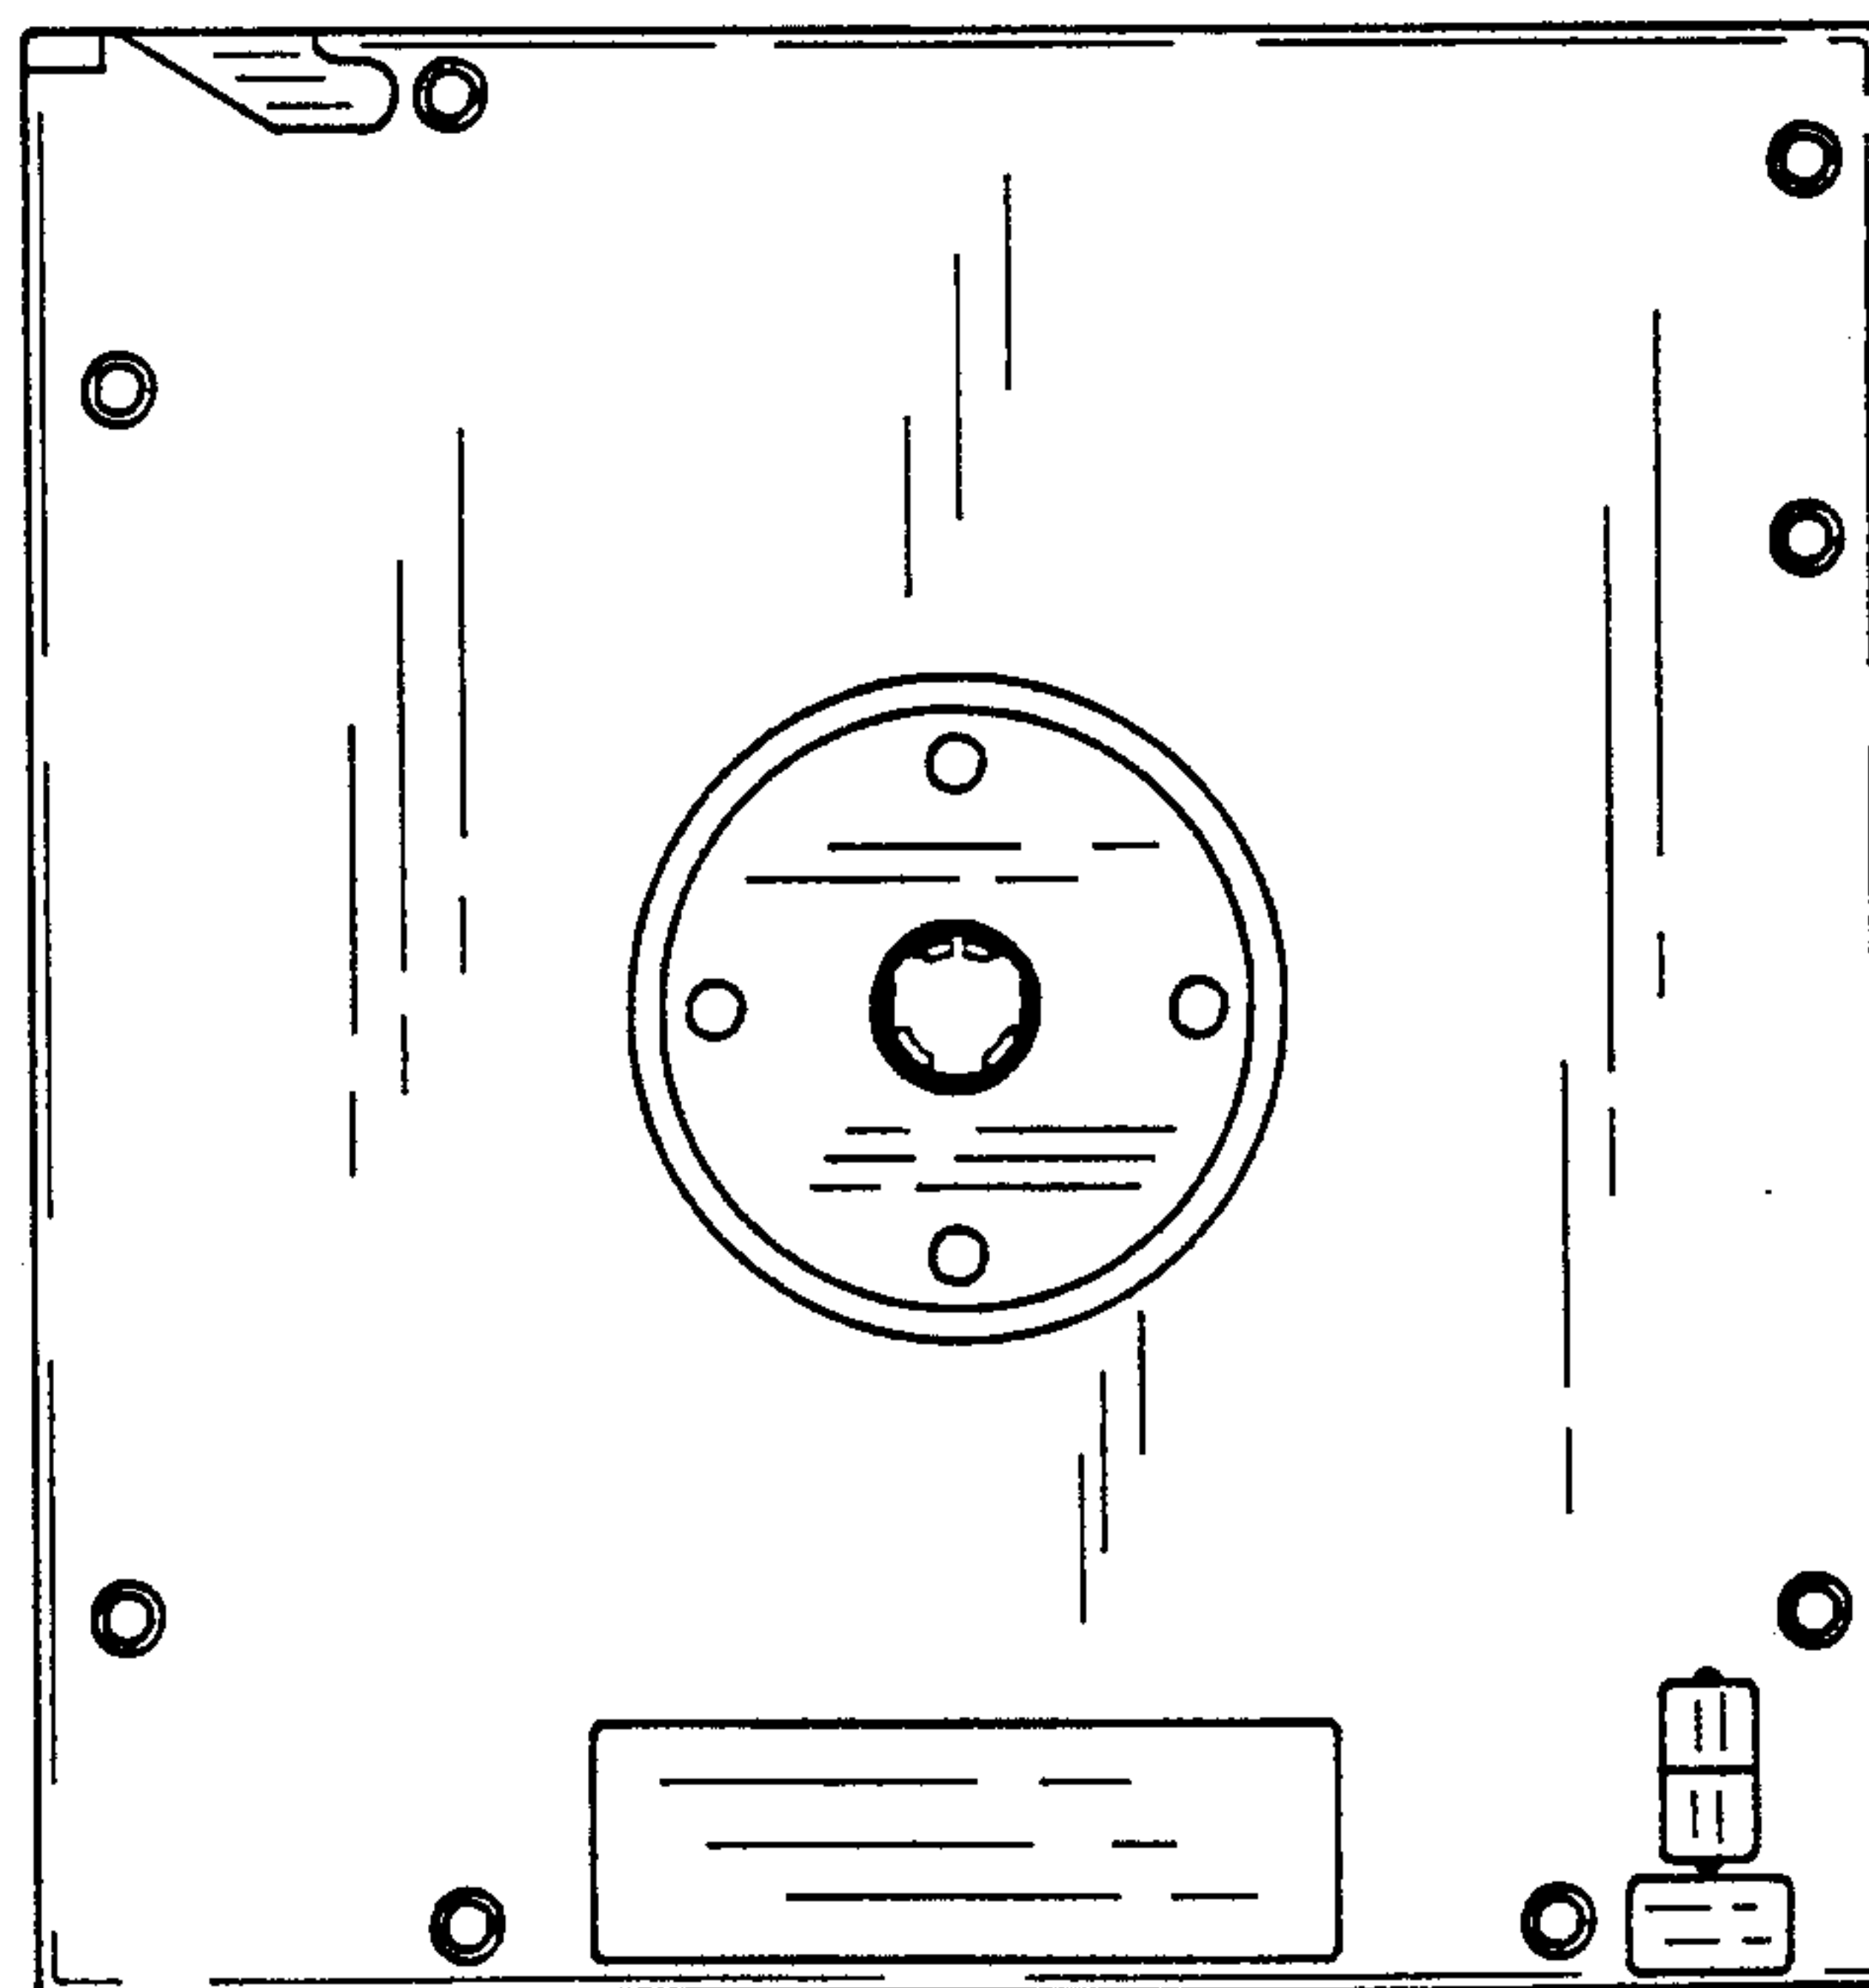

FIG. 3 depicts a front side view of the removable cartridge with a 2½ inch form factor for a disk drive of the invention;

FIG. 4 depicts a right side view of the removable cartridge with a 2½ inch form factor for a disk drive of the invention;

FIG. 5 depicts a left side view of the removable cartridge with a 2½ inch form factor for a disk drive of the invention;

FIG. 6 depicts a back side view of the removable cartridge with a 2½ inch form factor for a disk drive of the invention; and,

FIG. 7 depicts a bottom view of the removable cartridge with a 2½ inch form factor for a disk drive of the invention.
