[57] CLAIM

The ornamental design for a lightning surge protector for satellite signal-receiving systems, as shown and described.

DESCRIPTION

FIG. 1 is a front and upper right perspective view of a lightning surge protector for satellite signal-receiving systems shown in my new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a left side elevational view thereof; and,

FIG. 5 is a rear elevational view thereof.

The broken lines showing in FIGS. 3, 4, and 5 are included for the purpose of illustrating environmental elements only and forms no part of the claimed design.
