[57] **CLAIM**

The ornamental design for a keyboard panel for an information system terminal, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a keyboard panel for an information system terminal showing my new design the keyboard housing being shown in broken lines for illustrative purposes only and forms no part of the claimed design;

FIG. 2 is a top plan view thereof drawn on an enlarged scale to illustrate the lettering on individual keys; and, FIG. 3 is a front elevational view thereof on an enlarged scale the rear and side edges being similarly flat and plain.
