[57] **CLAIM**

The ornamental design for a showerhead, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view taken from the bottom, rear and left side of a showerhead showing our new design;

FIG. 2 is a left side elevation view thereof, the right side elevation view being a mirror image of the left side shown;

FIG. 3 is a front elevation view thereof;

FIG. 4 is a rear elevation view thereof;

FIG. 5 is a left side elevation view of a second embodiment of the present invention, the right side elevation view being a mirror image of the left side shown, and the rear elevation being shown in FIG. 4;

FIG. 6 is a front elevation view of the showerhead shown in FIG. 5;

FIG. 7 is a left side elevation view of a third embodiment of the present invention, the right side elevation view being a mirror image of the left side shown, and the rear elevation being shown in FIG. 4; and,

FIG. 8 is a front elevation view of the showerhead shown in FIG. 7 with a patterned front surface.
