[57] **CLAIM**

The ornamental design for a cartridge-carrying watch band, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a cartridge-carrying watch band showing my new design; FIG. 2 is a top plan view, the opposite bottom view being plain and unornamented; FIG. 3 is a side elevational view the opposite side view being a mirror image; and, FIG. 4 is a perspective view of a cartridge-carrying watch band showing a second embodiment of my new design, all undisclosed sides are essentially the same as FIGS. 1 through 3 except for the size of the cartridge loops. The broken line showing of a watch is for illustrative purposes only and forms no part of the claimed design.
