[57] CLAIM

The ornamental design for housing for a surge suppressor, as shown and described.

DESCRIPTION

FIG. 1 is a front and upper right perspective view of a housing for a surge suppressor showing my new design. The broken lines shown are included to illustrate environmental elements only and form no part of the claimed design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a right side elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a left side elevational view thereof; and,

FIG. 7 is a front and upper right perspective view of a housing for a surge suppressor showing a second embodiment of my new design. All aspects of the second embodiment are the same as the first embodiment except for the length.
