[57] **CLAIM**

The ornamental design for a core drill for perforating stone, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of a core drill for perforating stone showing my new design;
FIG. 2 is a left side elevation view thereof;
FIG. 3 is a top plan view thereof;
FIG. 4 is a bottom plan view thereof;
FIG. 5 is a rear elevation view thereof; and,
FIG. 6 is a perspective view thereof.
A right side elevation view thereof is omitted since it is the same one as a left side elevation view.
