[57] **CLAIM**

The ornamental design for an progressive can compactor, as shown and described.

**DESCRIPTION**

FIG. 1 is an upper perspective view of the progressive can compactor of the present invention showing my new design;

FIG. 2 is a rear bottom perspective view thereof; and, FIG. 3 is a front upper perspective view depicting the progressive can compactor in an operative orientation wherein the actuation handle is disposed in a downwardly orientation.
