[57] CLAIM

The ornamental design for a fluid catch basin, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the fluid catch basin showing our new design;
FIG. 2 is a top view showing the lift lugs, mounting flange and the flush line opening;
FIG. 3 is a front elevational view showing the bottom of the mounting flange and the drain line;
FIG. 4 is a left-side elevational view in relation to FIG. 3;
FIG. 5 is a bottom view showing the relationship between the mounting flange and the drain line; and,
FIG. 6 is a cross-sectional view taken along the line 6—6 in FIG. 2 illustrating the relationship between the lifting lugs, the mounting flange, the mounting studs and the drain line.

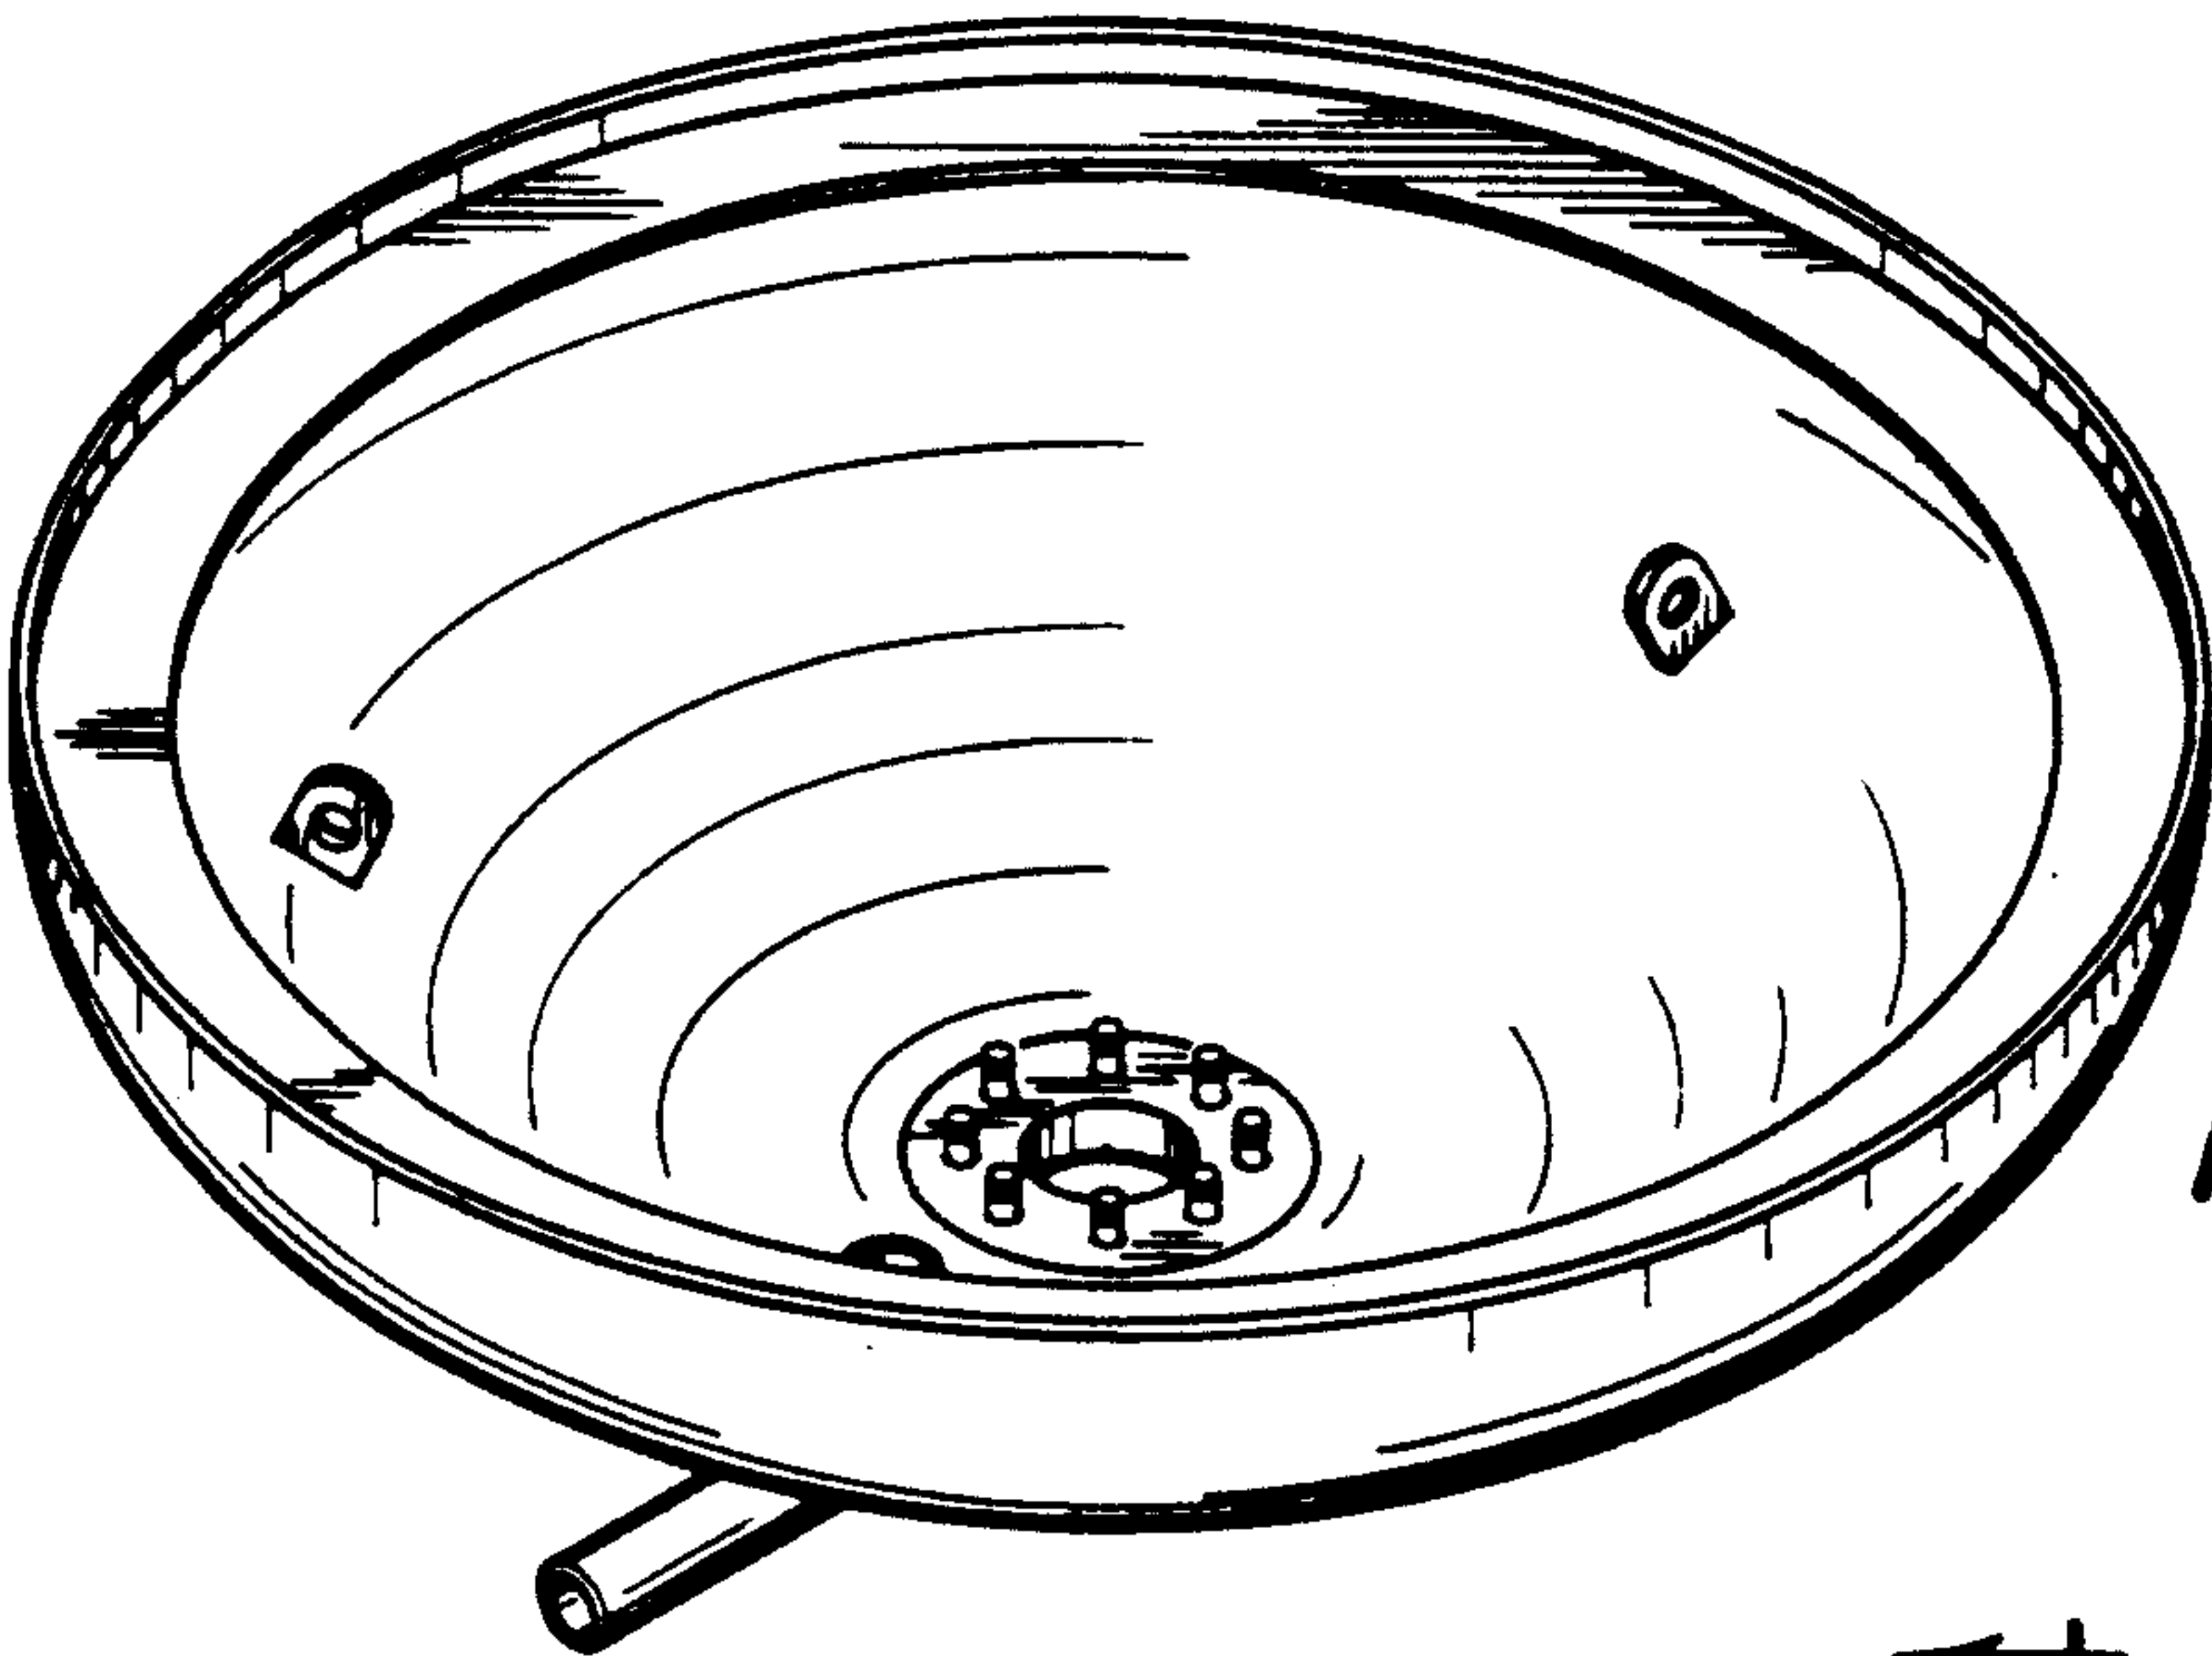

FIG. 1

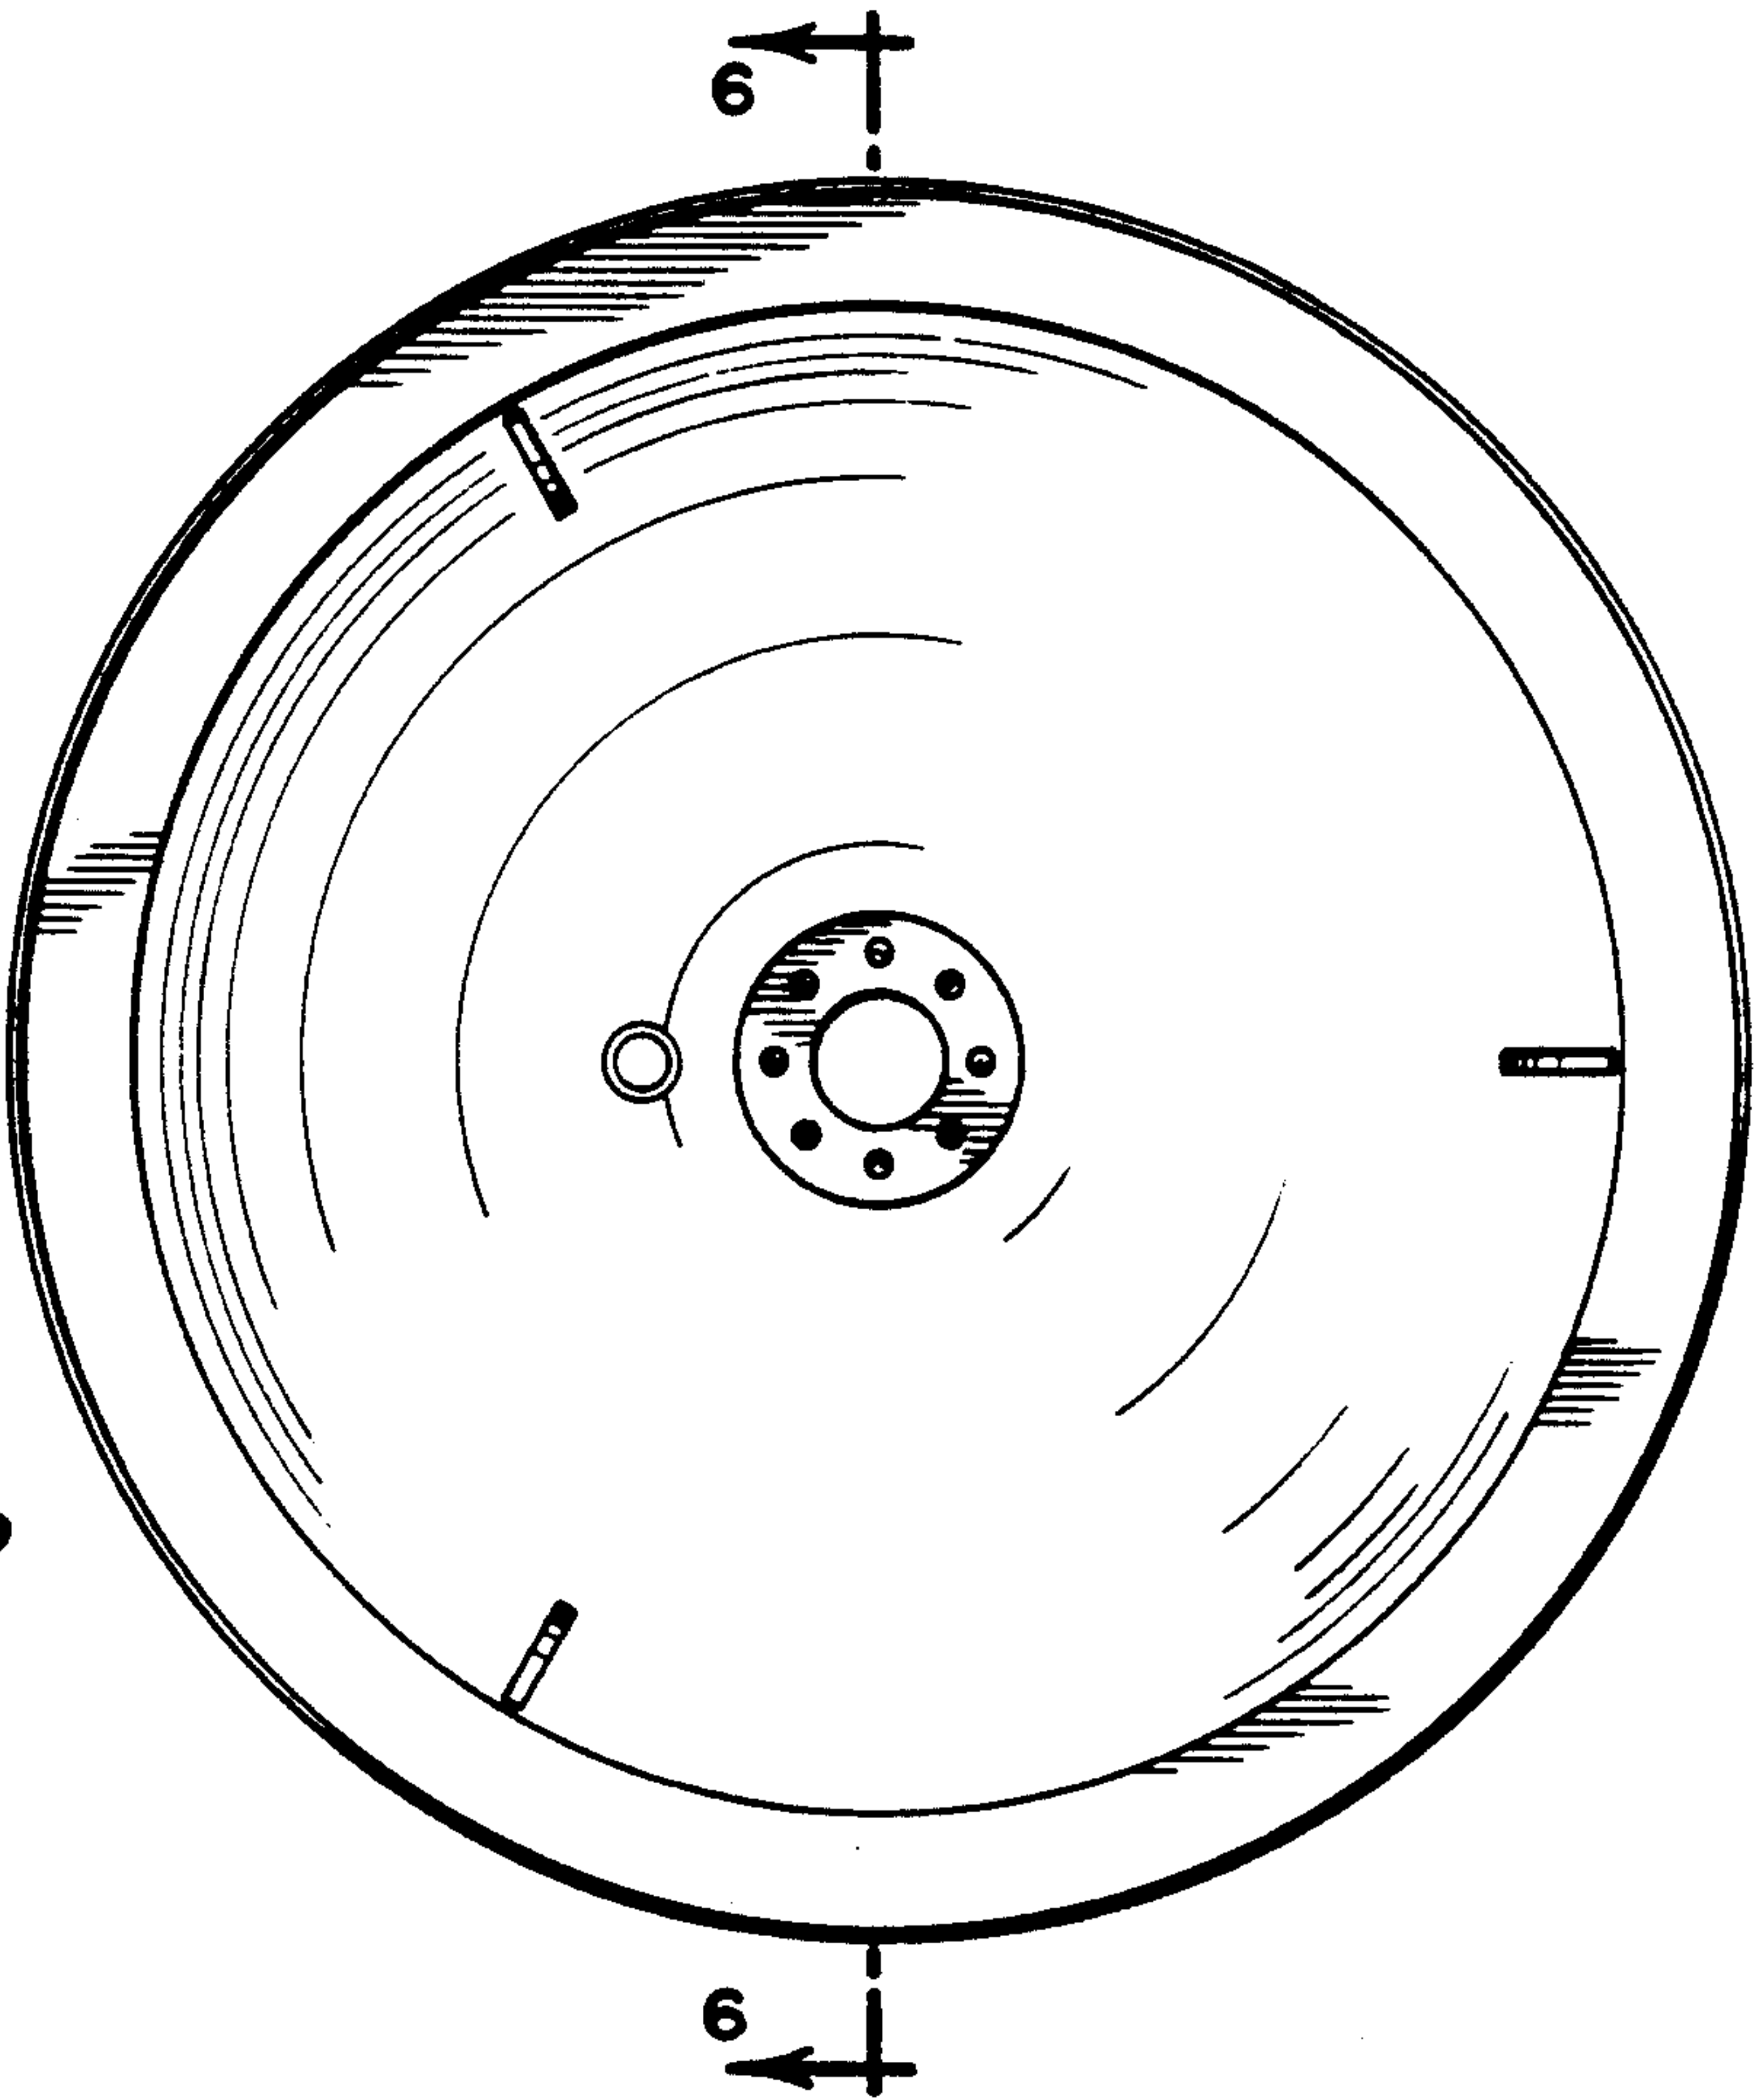

FIG. 2

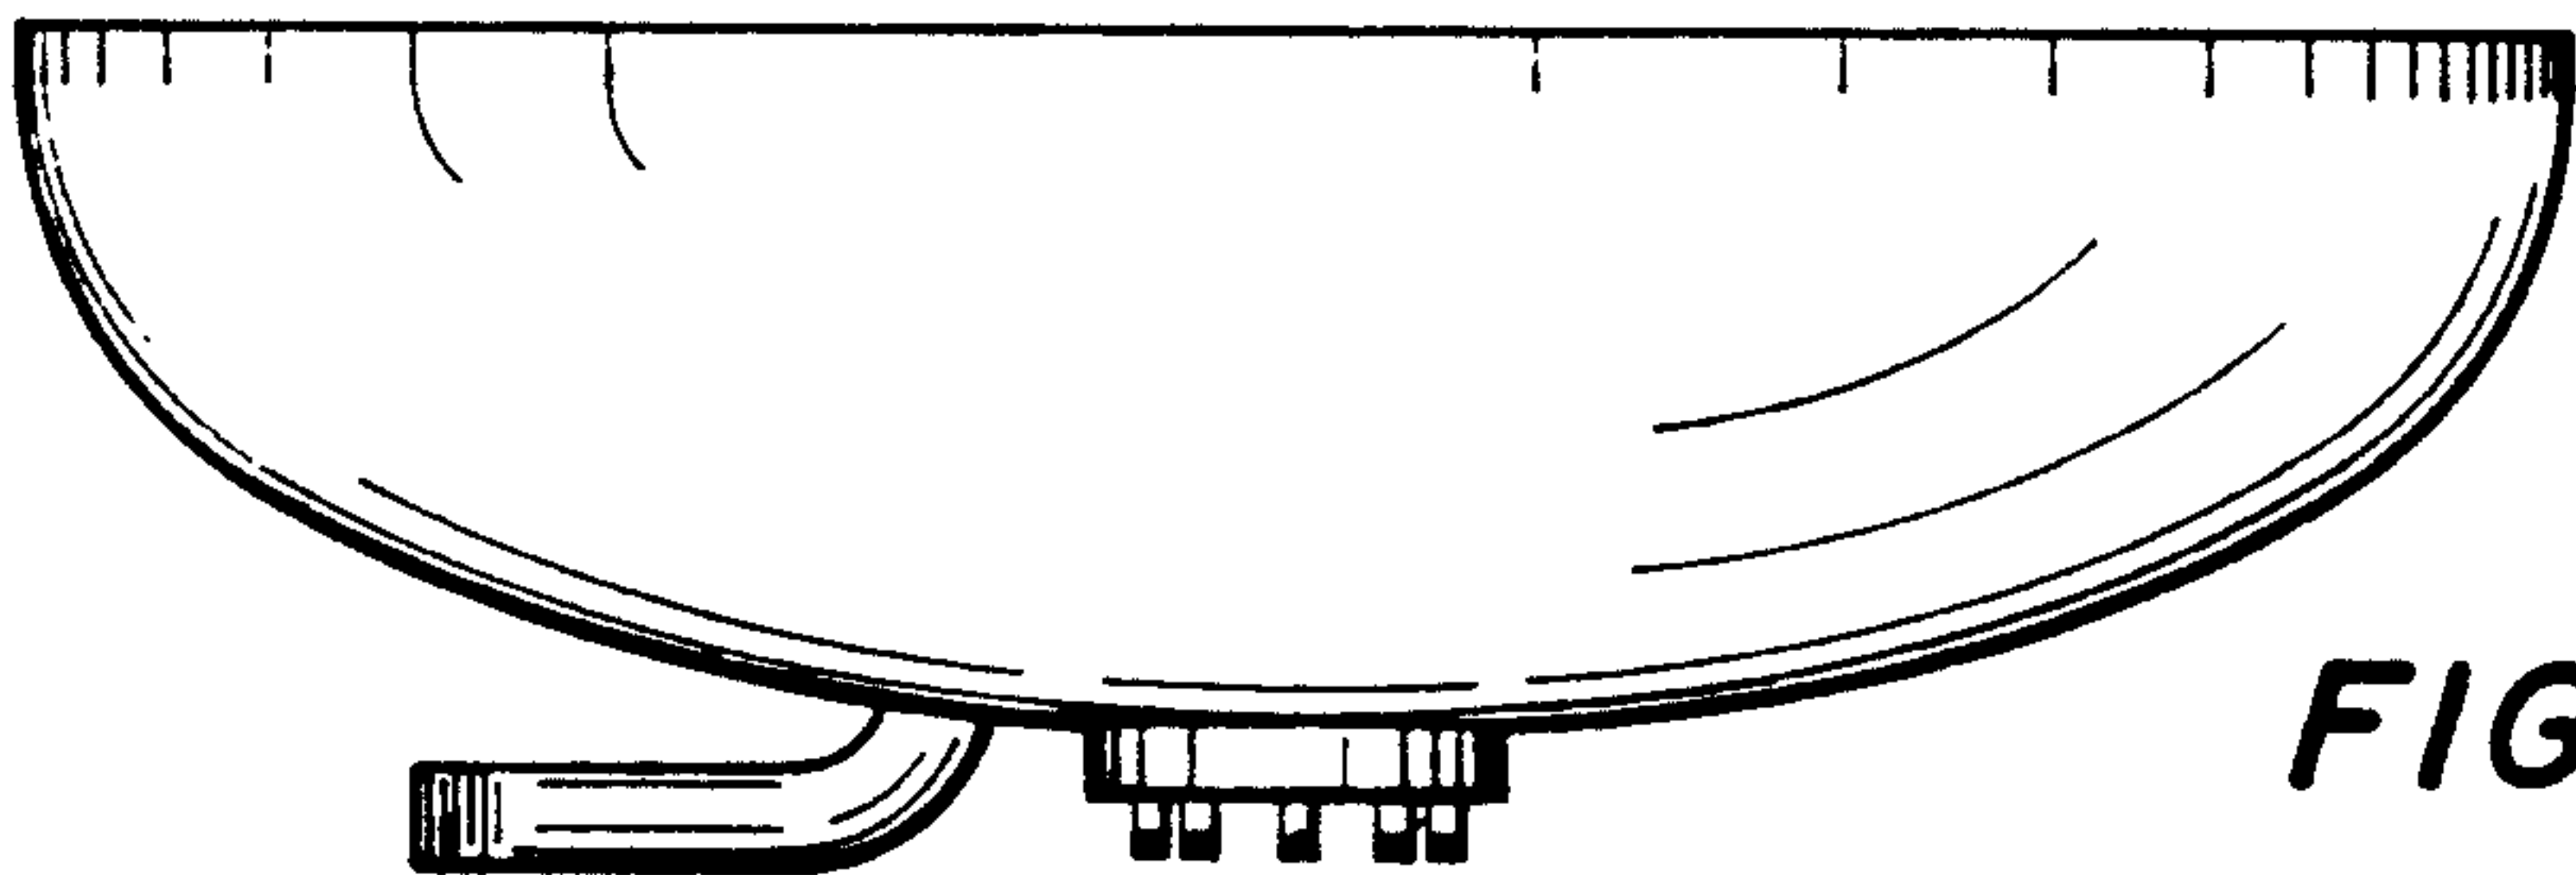

FIG. 3

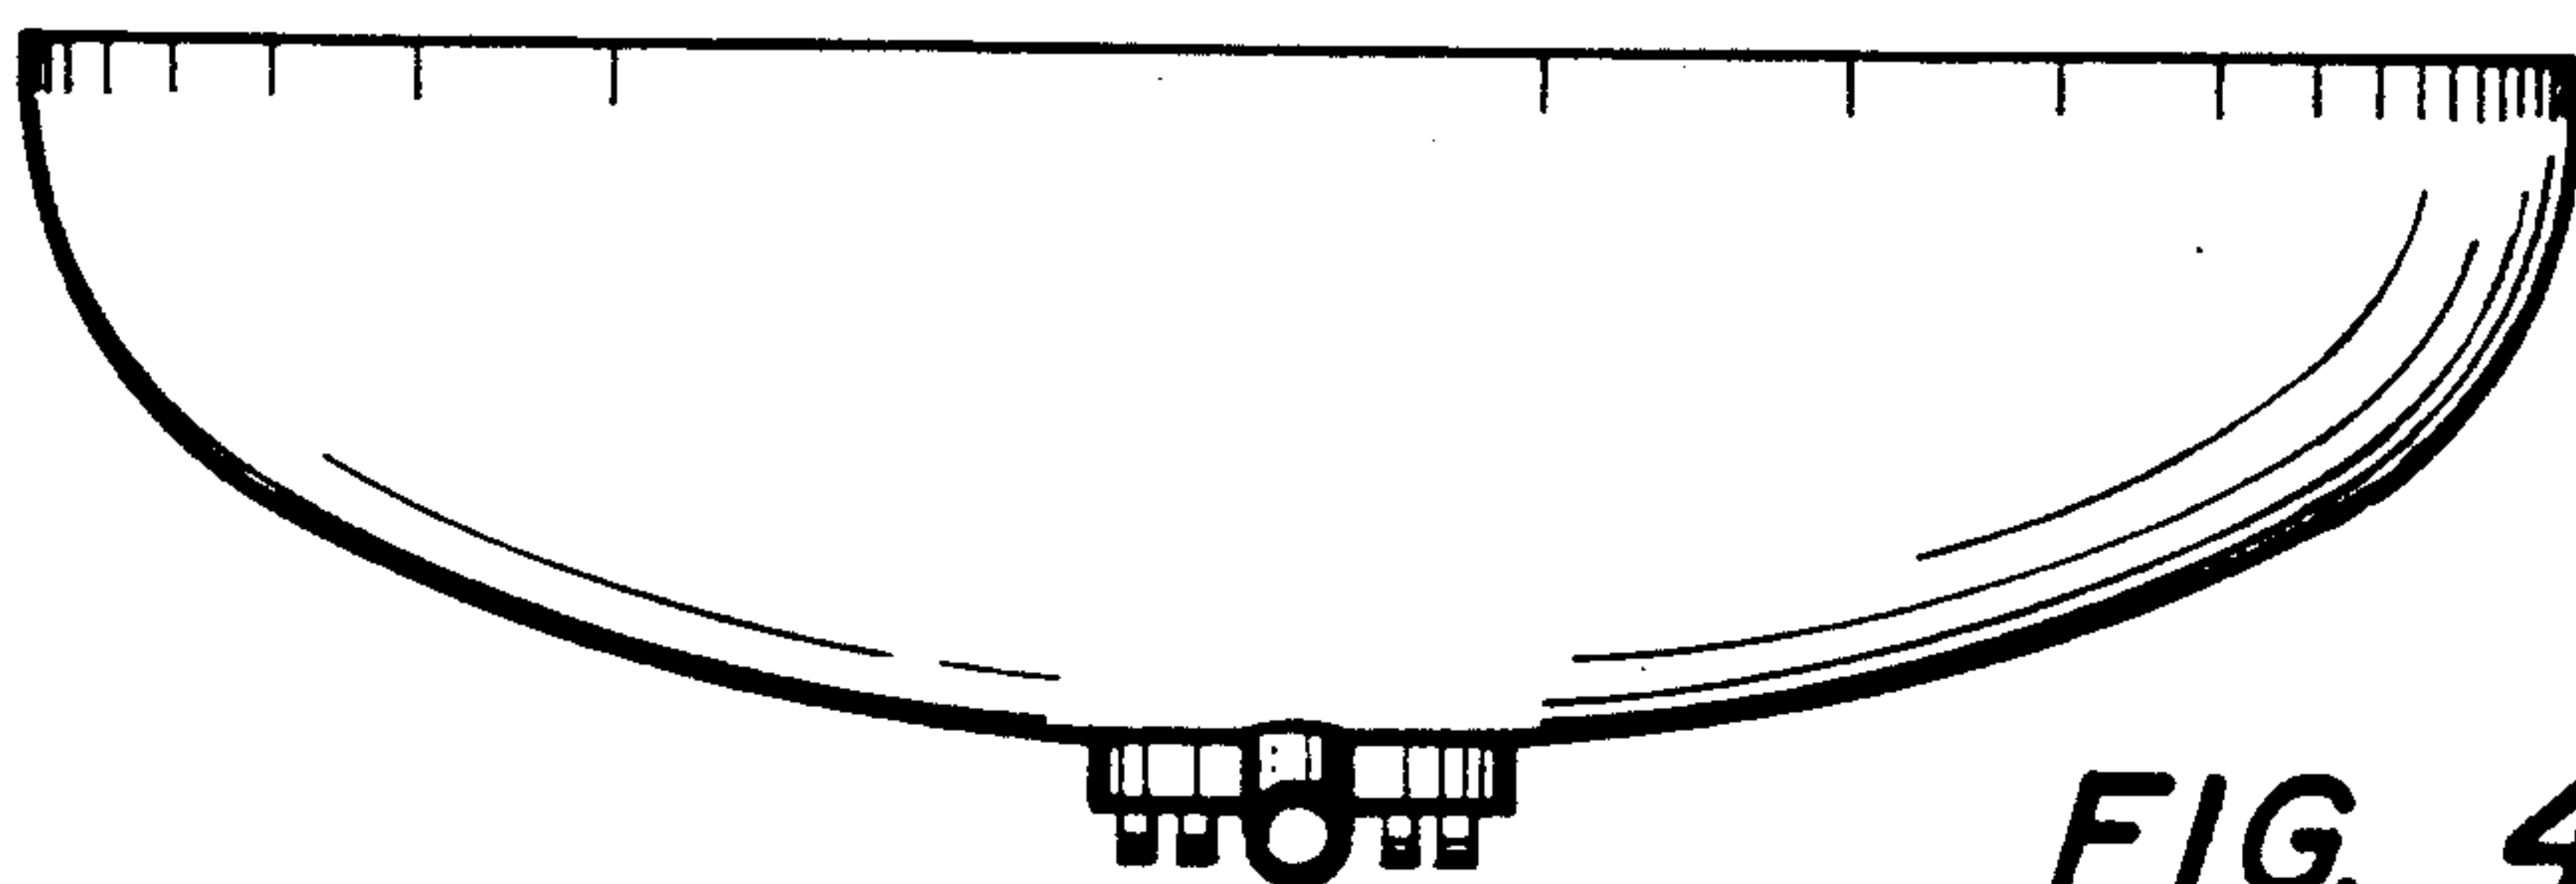

FIG. 4

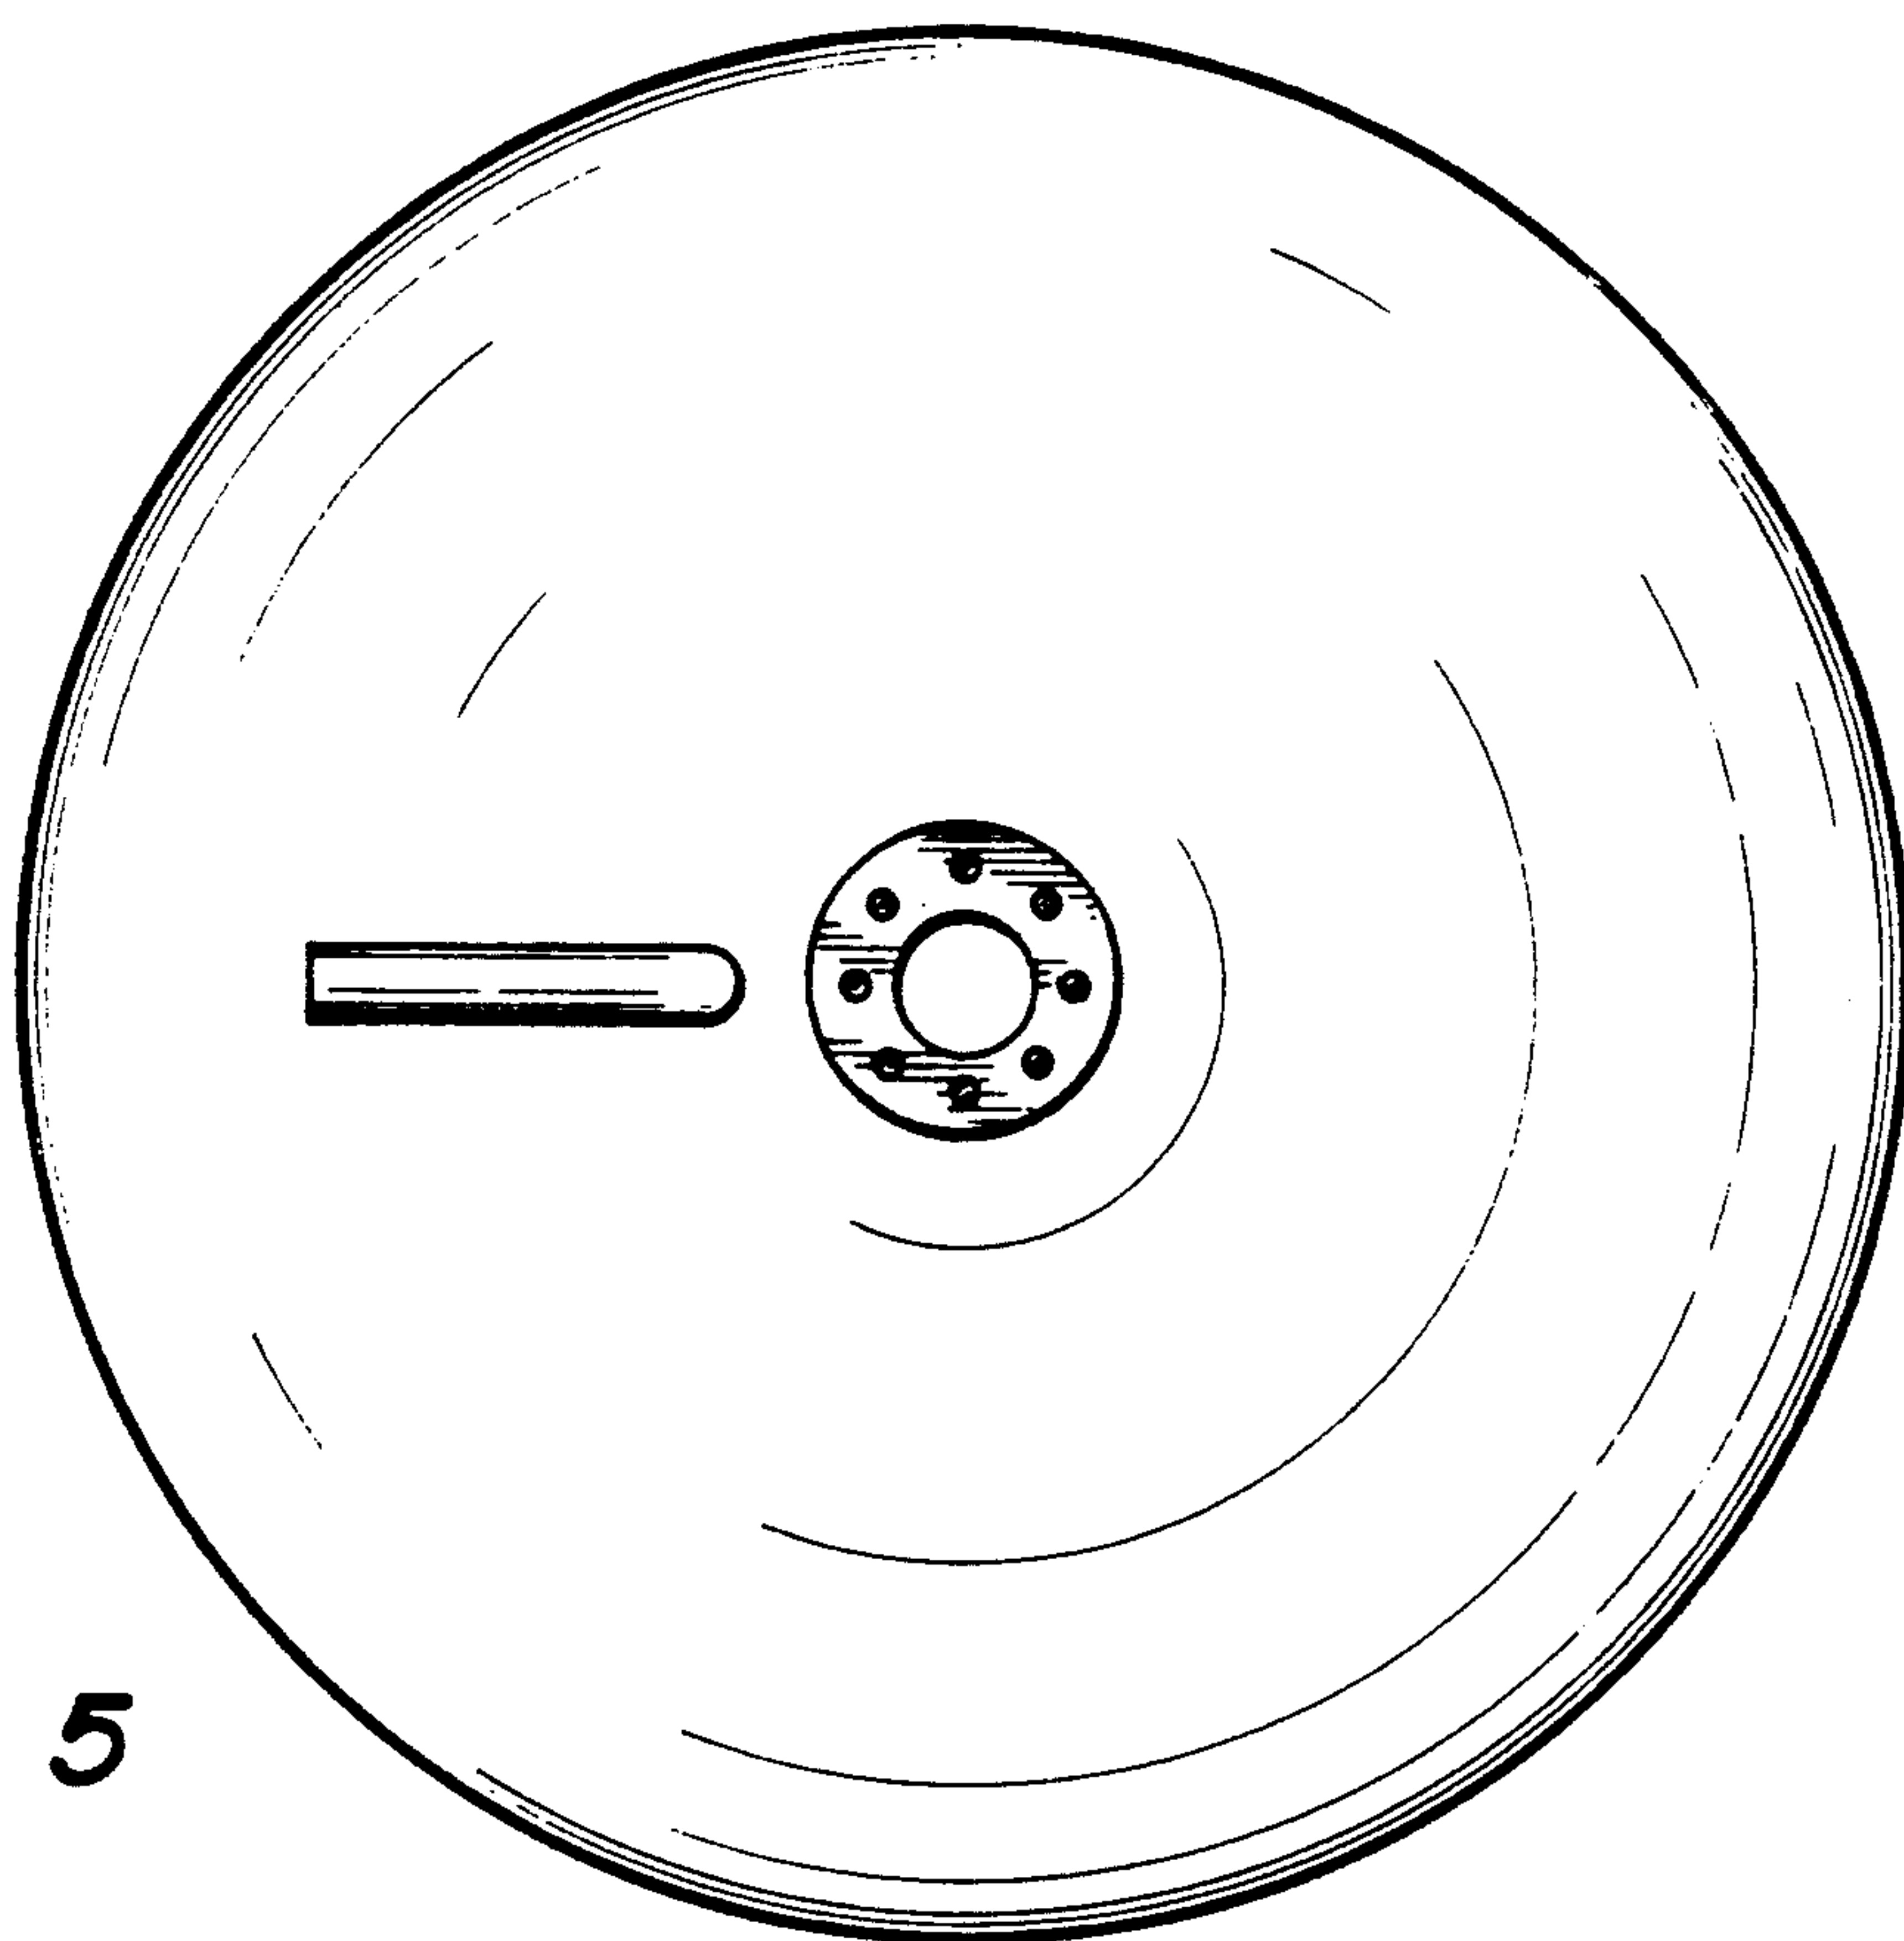

FIG. 5

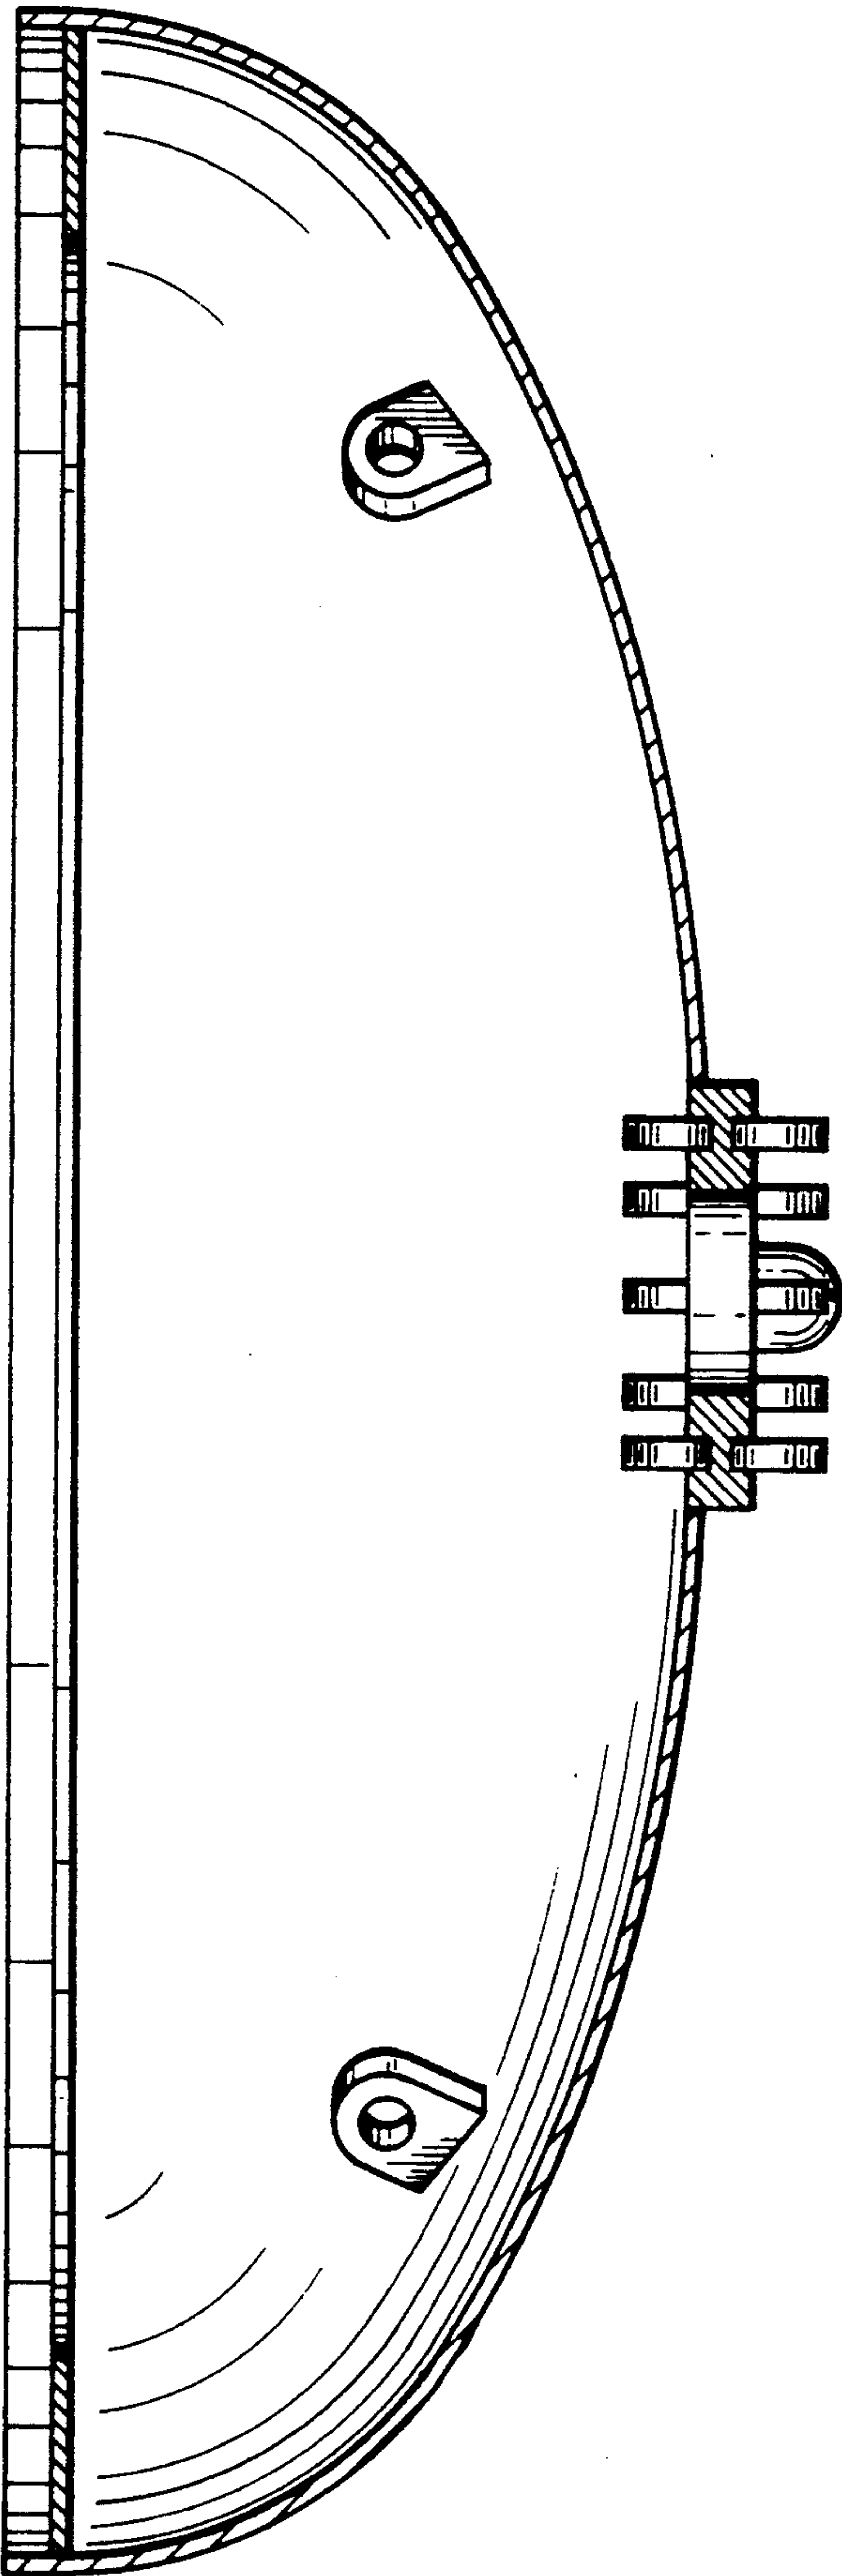

FIG. 6
