[57] CLAIM

The ornamental design of a telescoping inhalator with vertical intake, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a telescoping inhalator with vertical intake showing my new design; FIG. 2 is a top plan view thereof; FIG. 3 is a front elevational view thereof; FIG. 4 is a left side elevational view thereof; FIG. 5 is a right side elevational view thereof; and, FIG. 6 is a perspective view of a second embodiment of the telescoping inhalator with vertical intake shown in FIG. 1; the only difference being the round inlet.

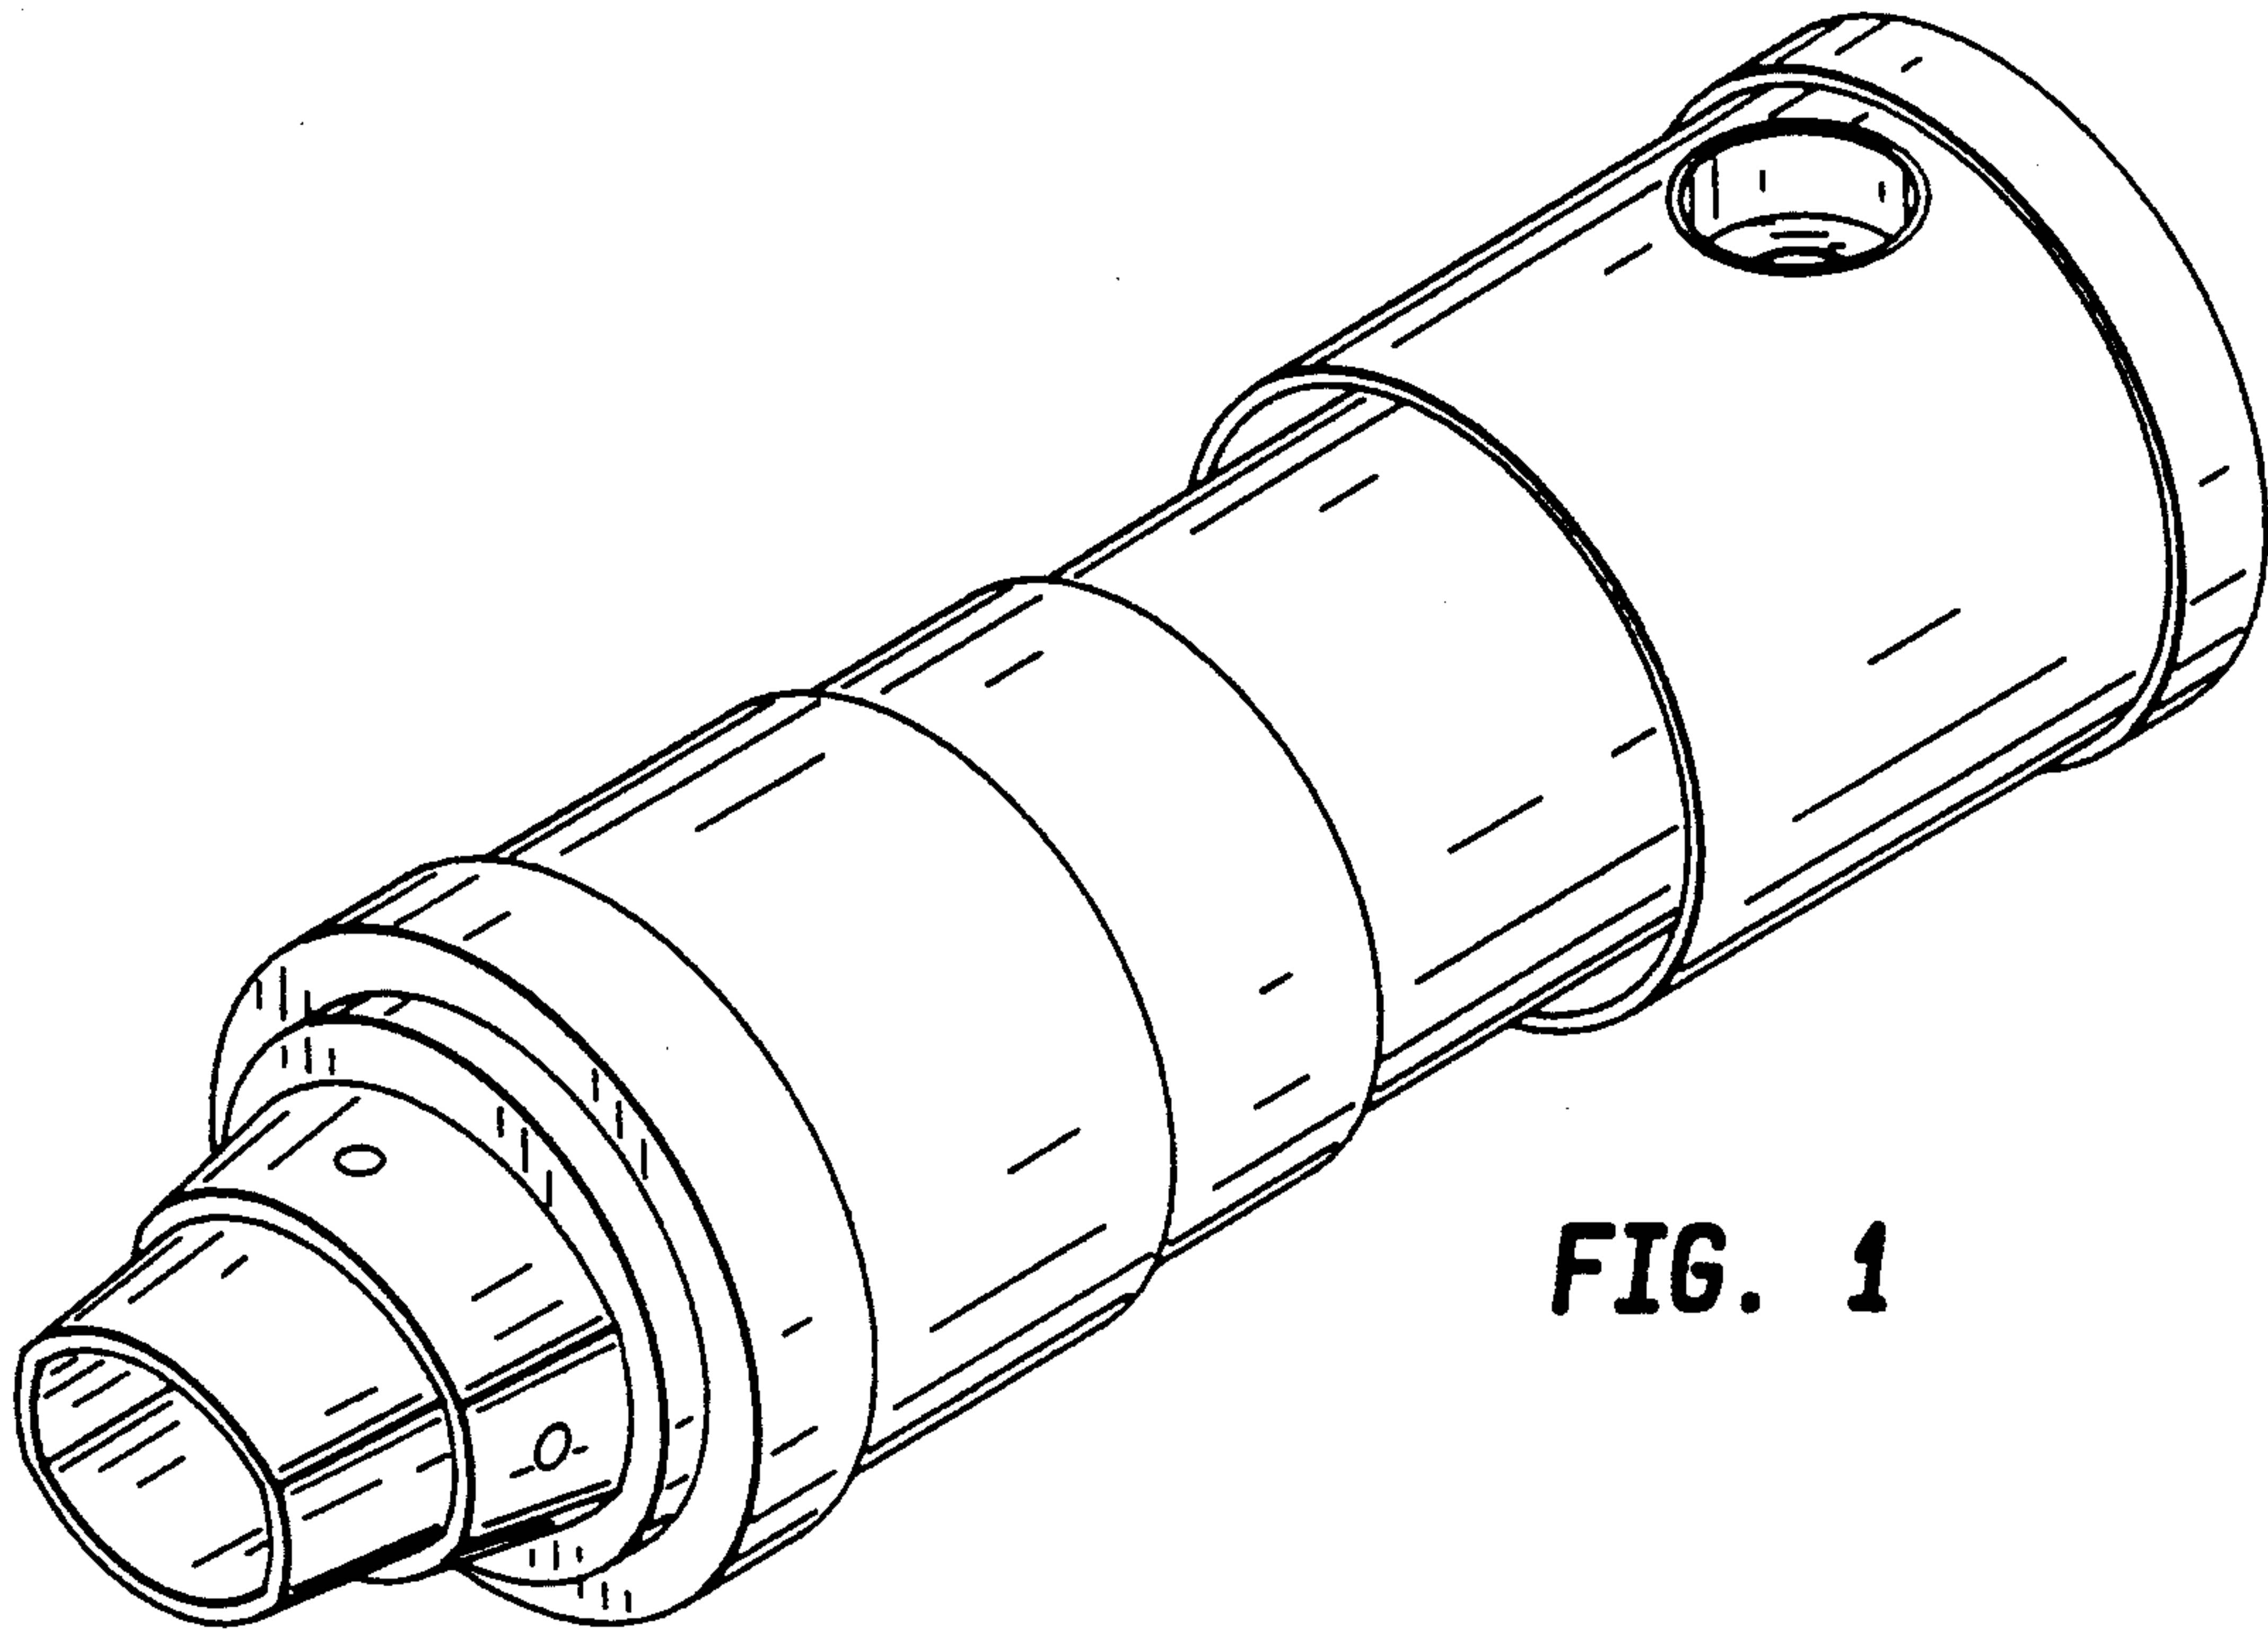

FIG. 1

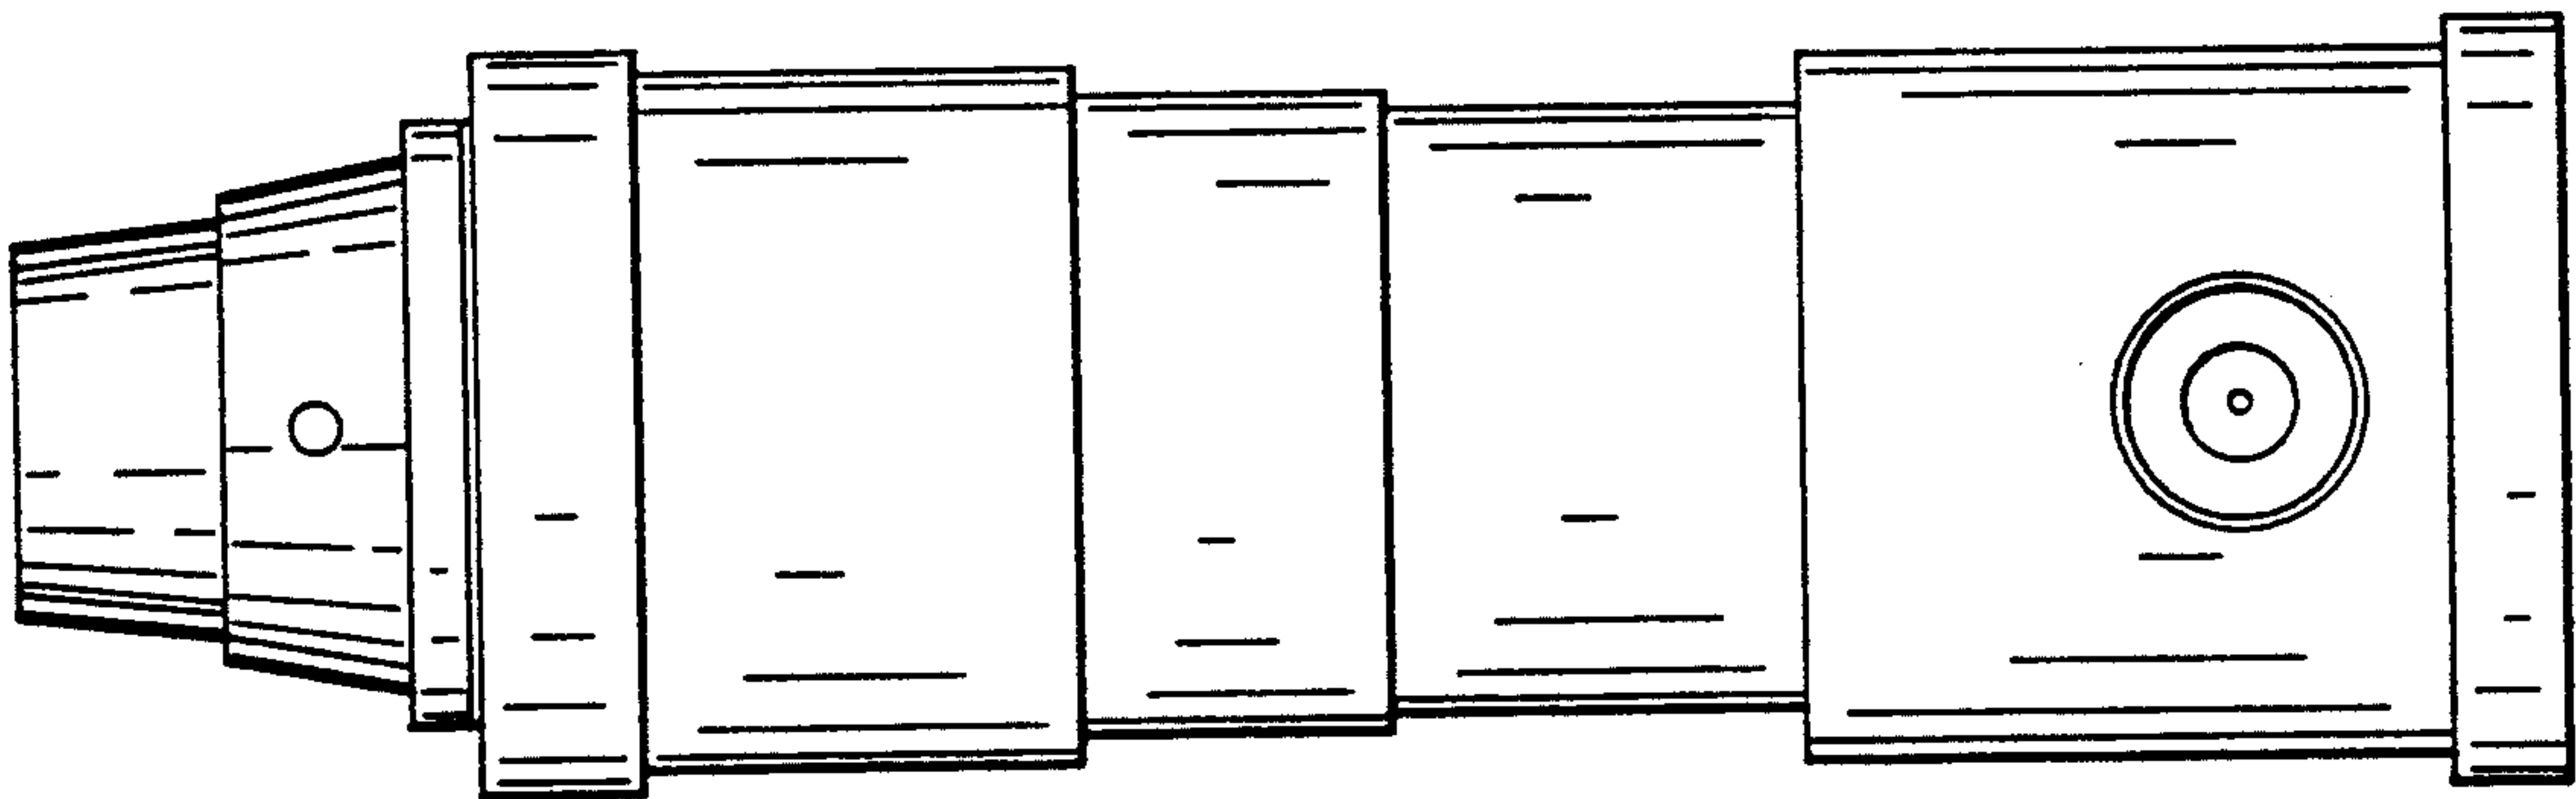

FIG. 2

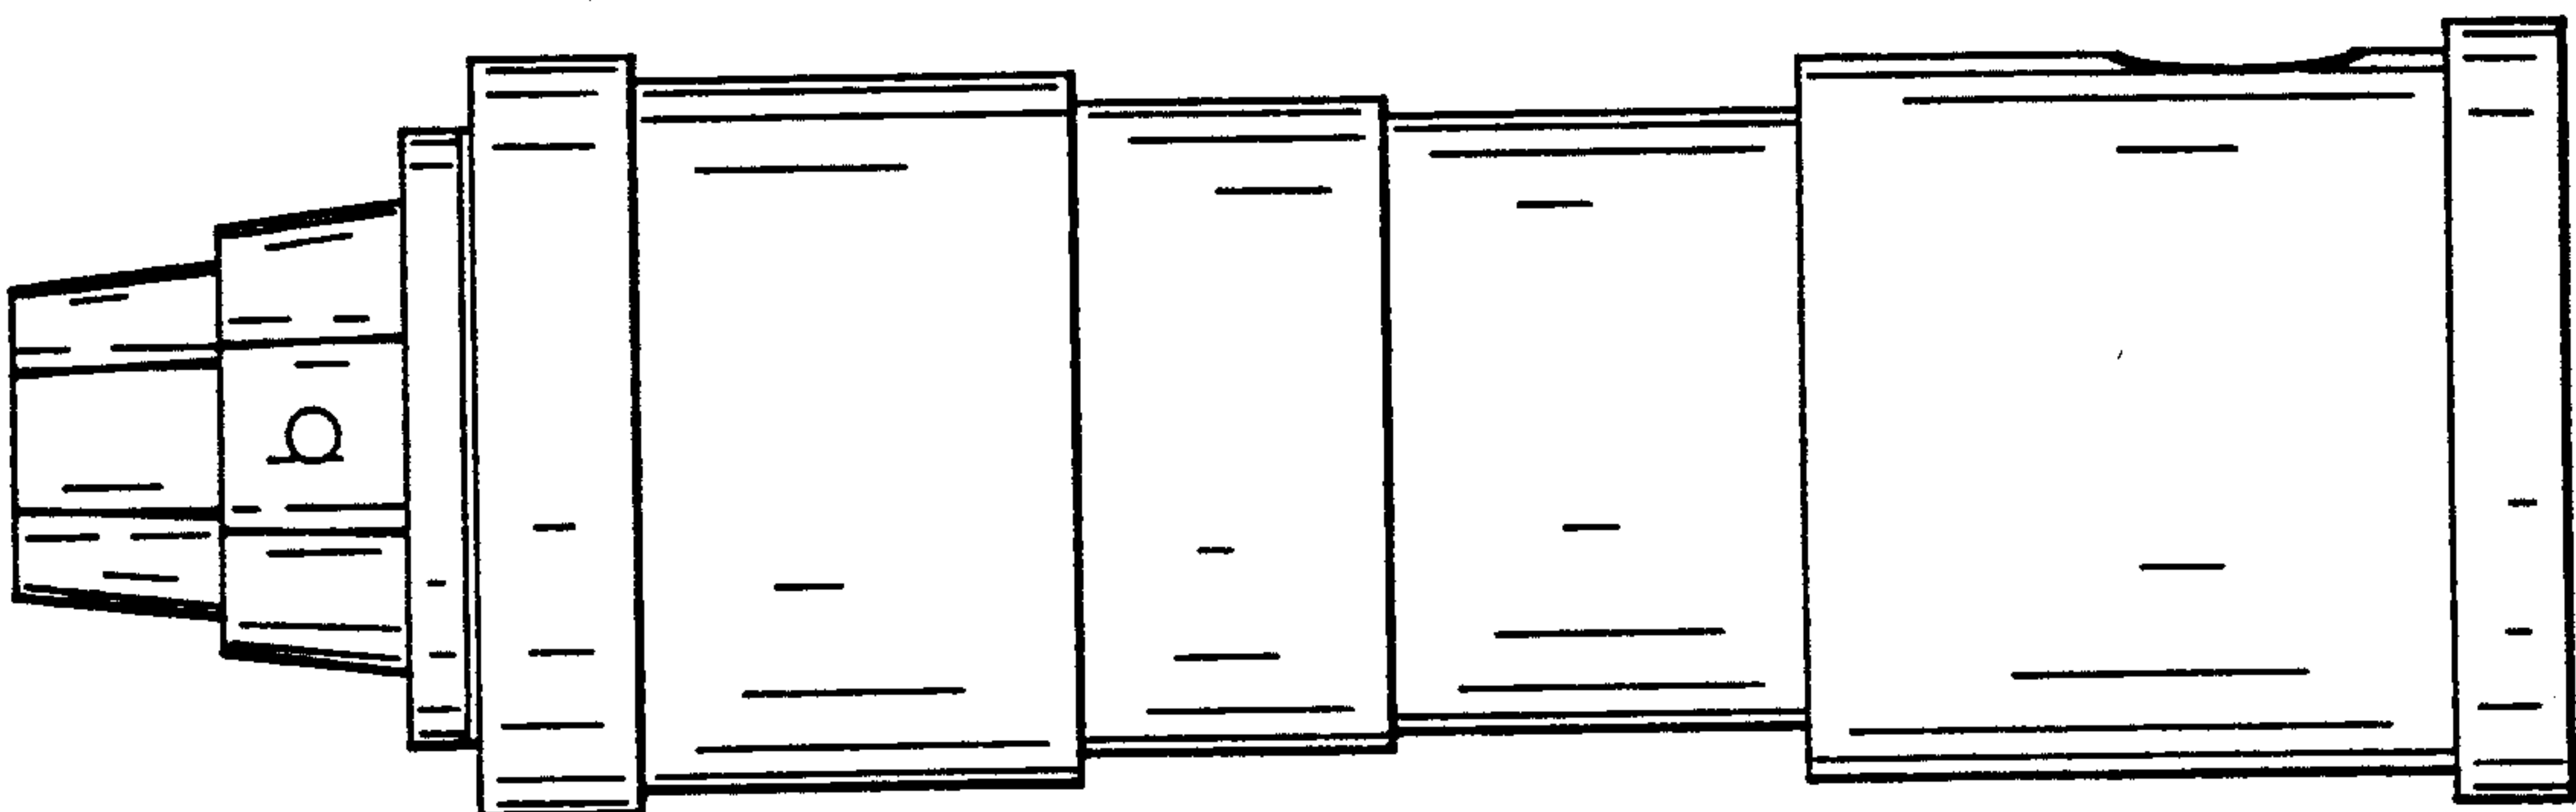

FIG. 3

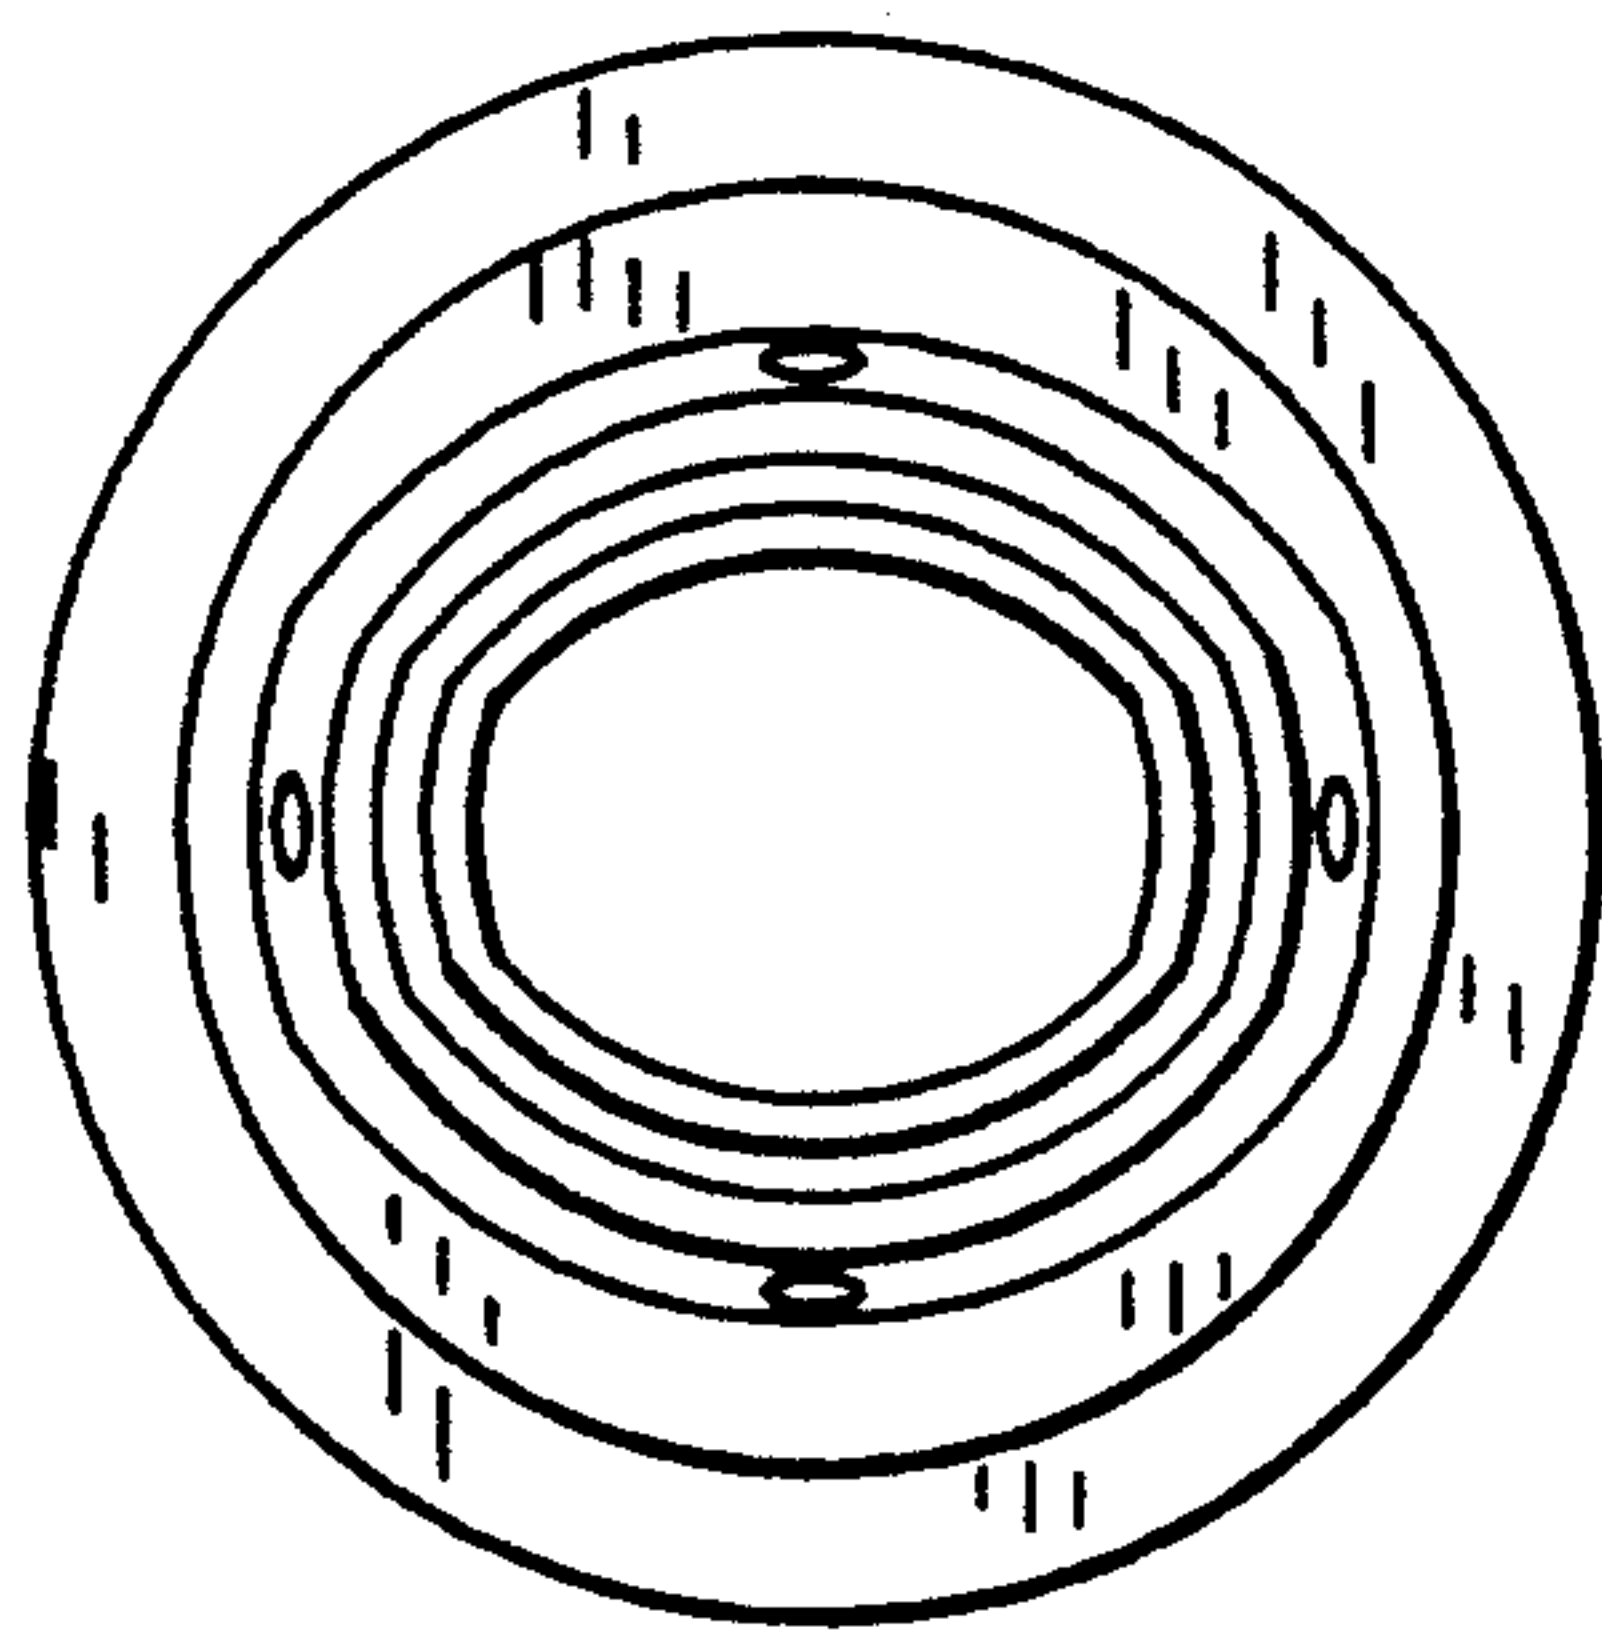

FIG. 4

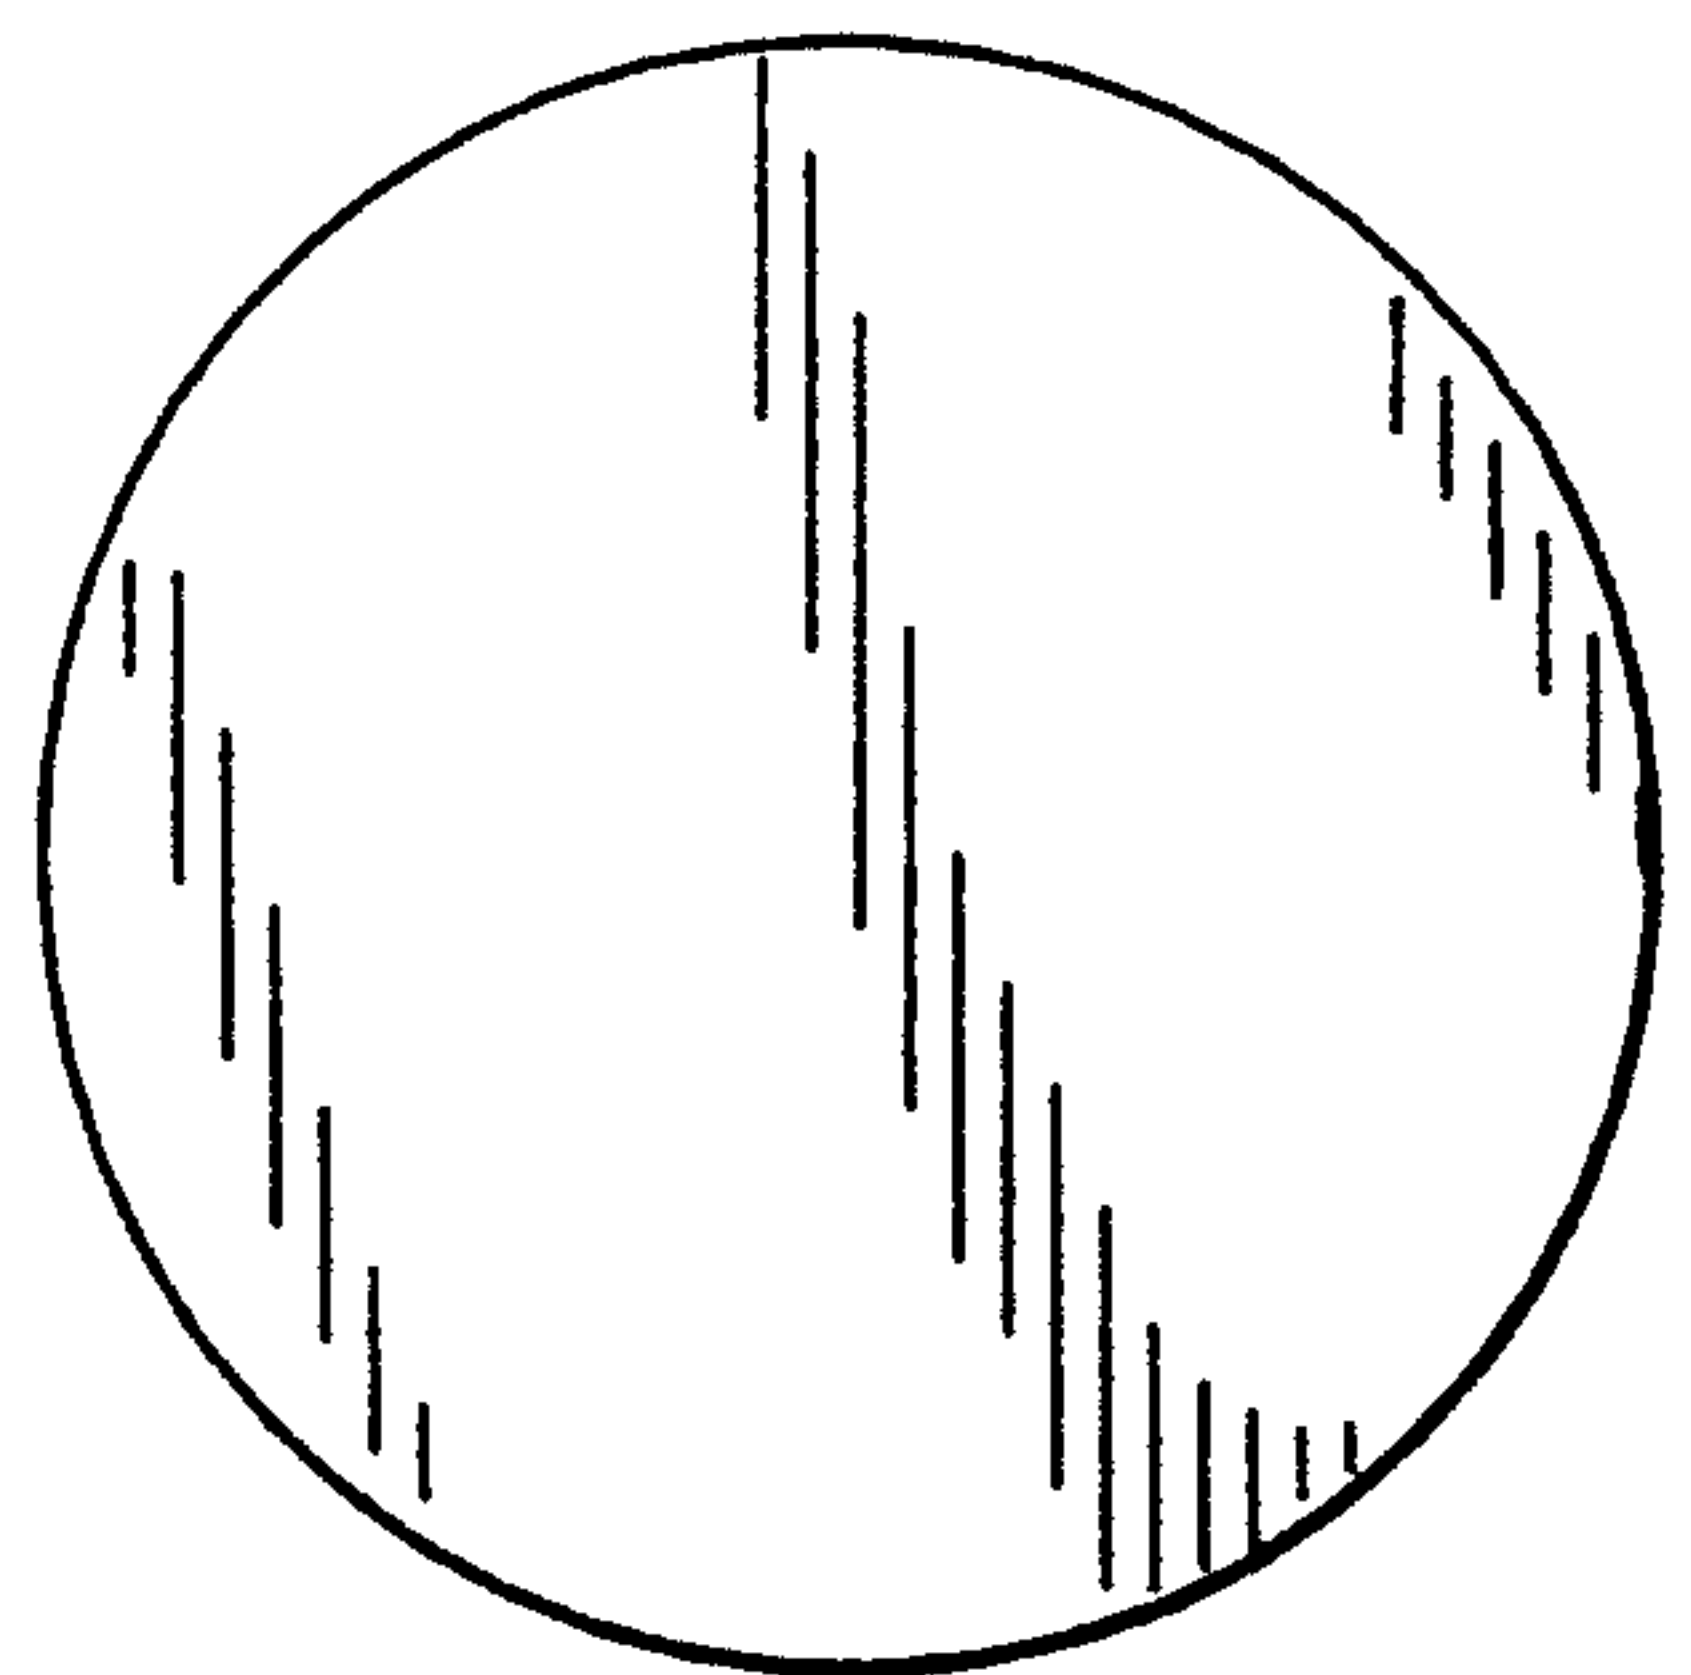

FIG. 5

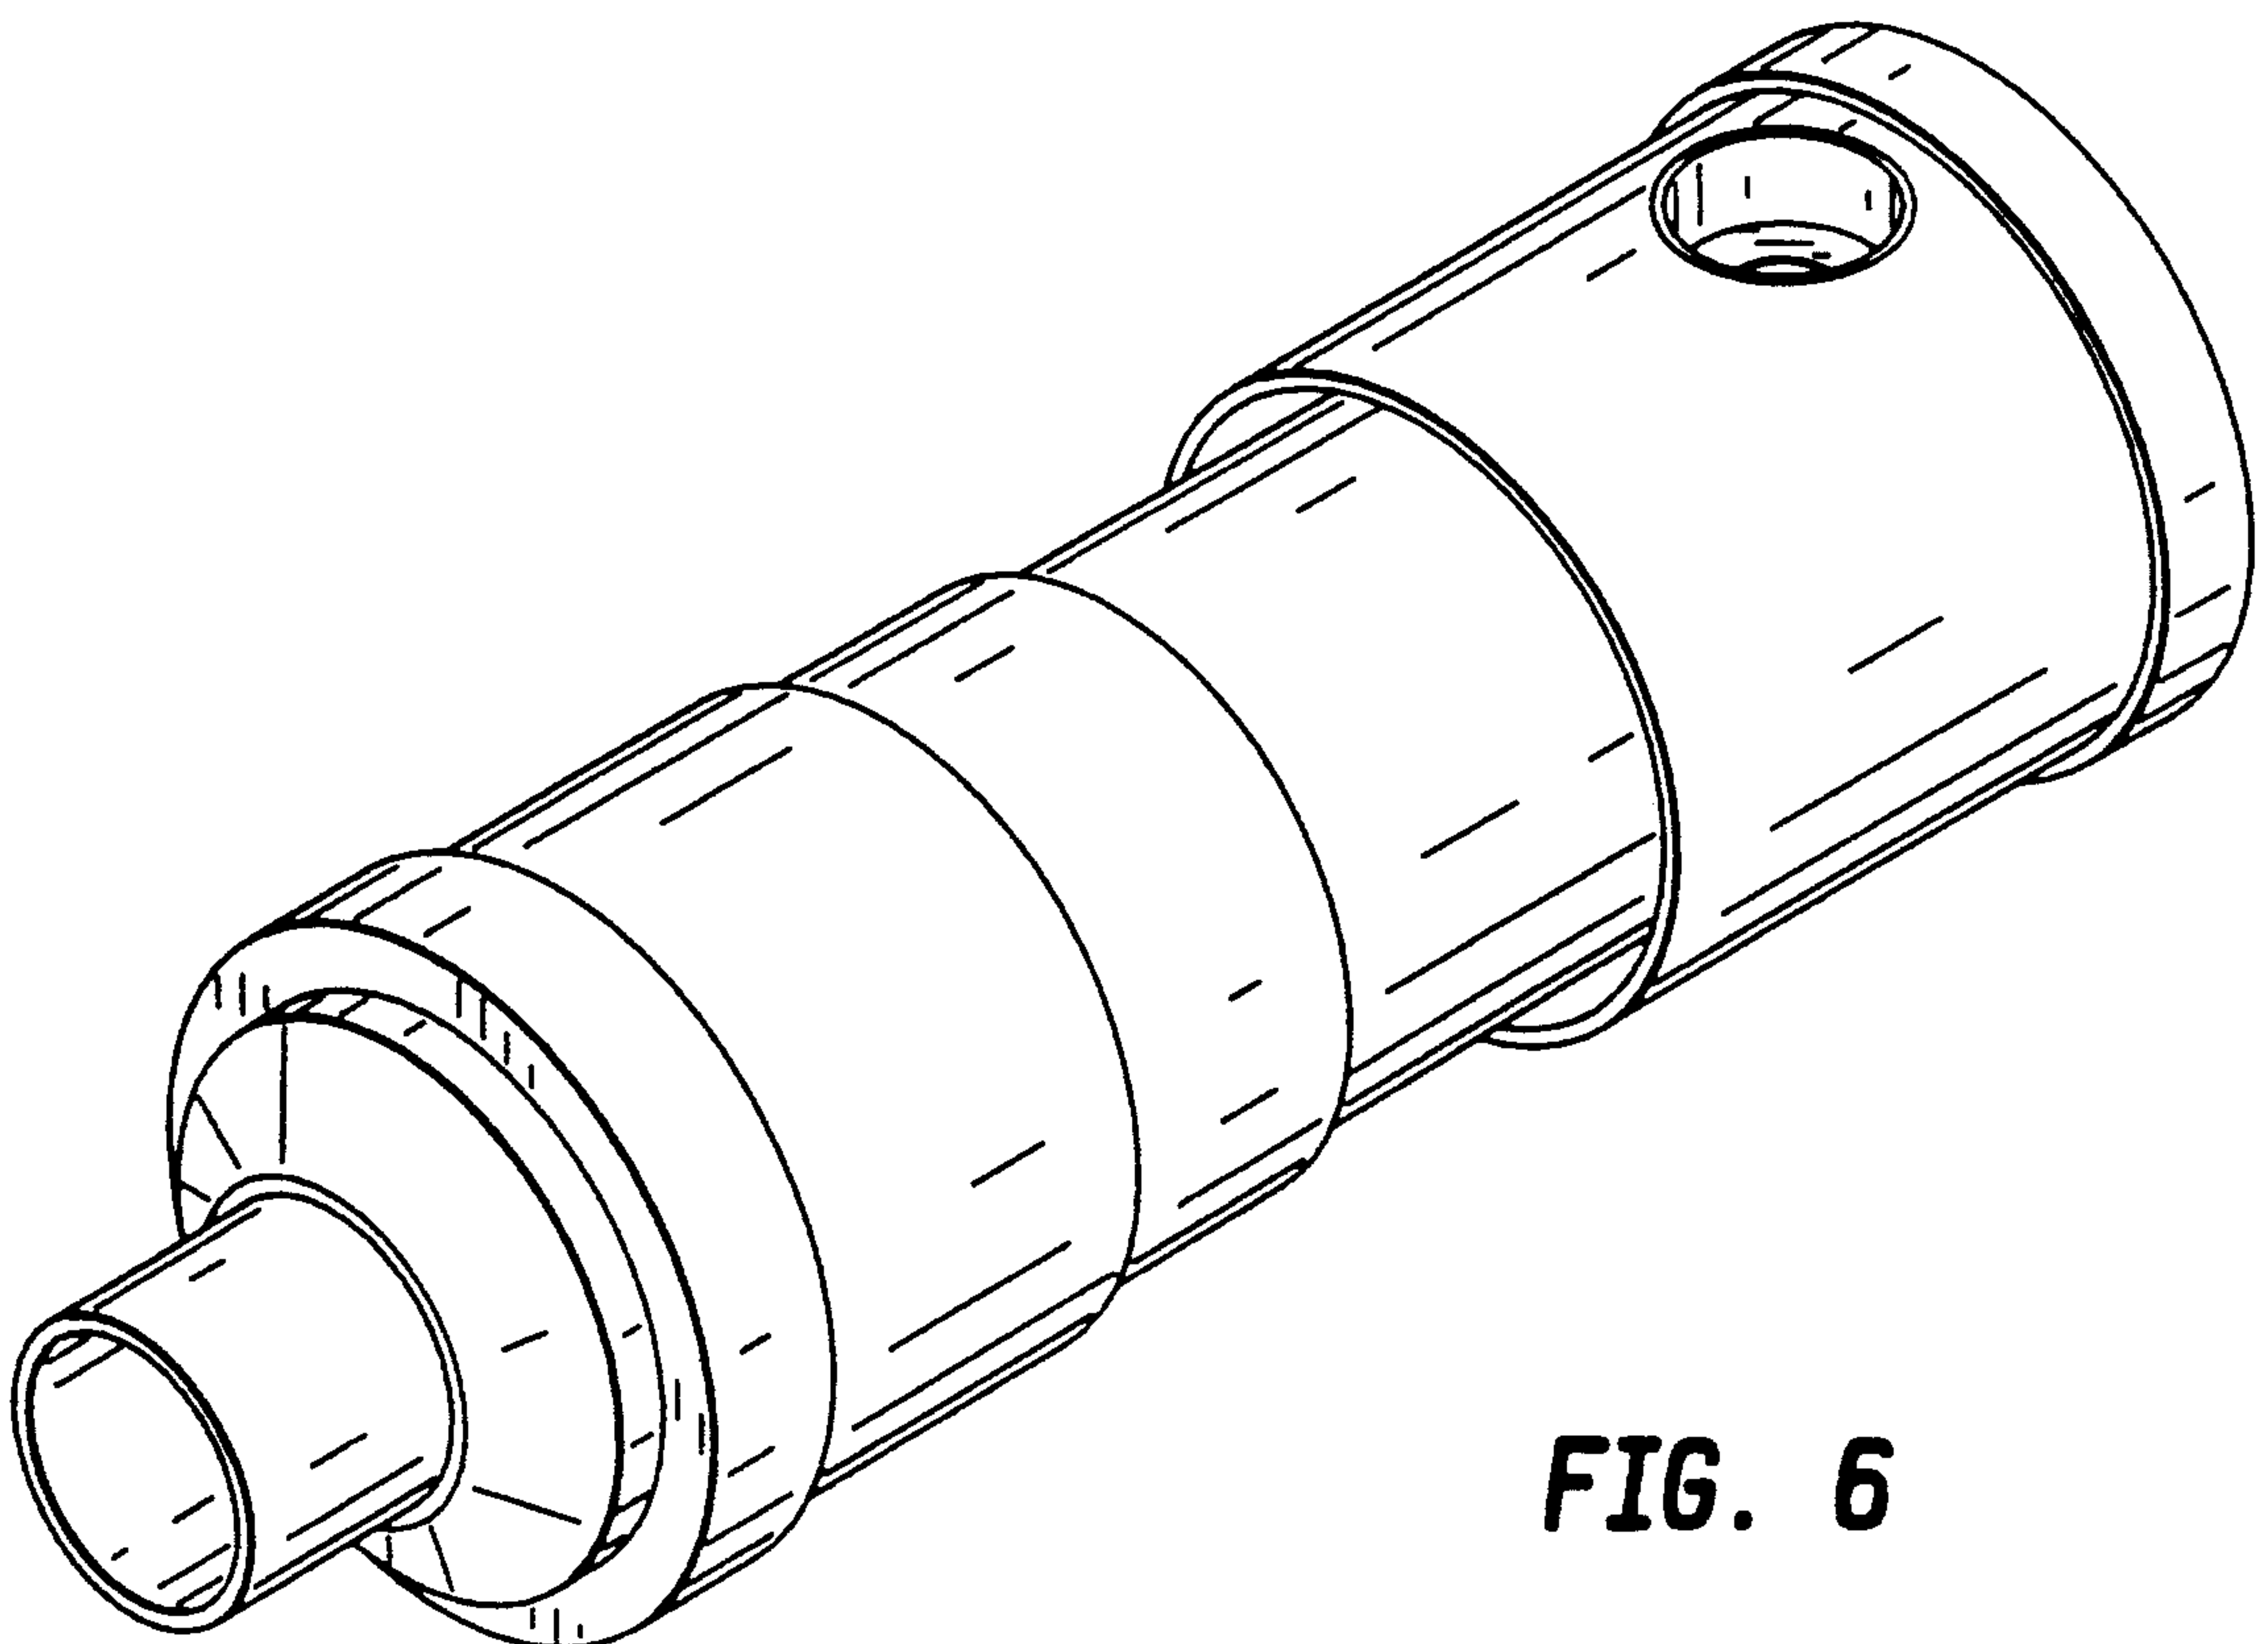

FIG. 6
