[57] **CLAIM**

The ornamental design for a telephone handset, as shown and described.

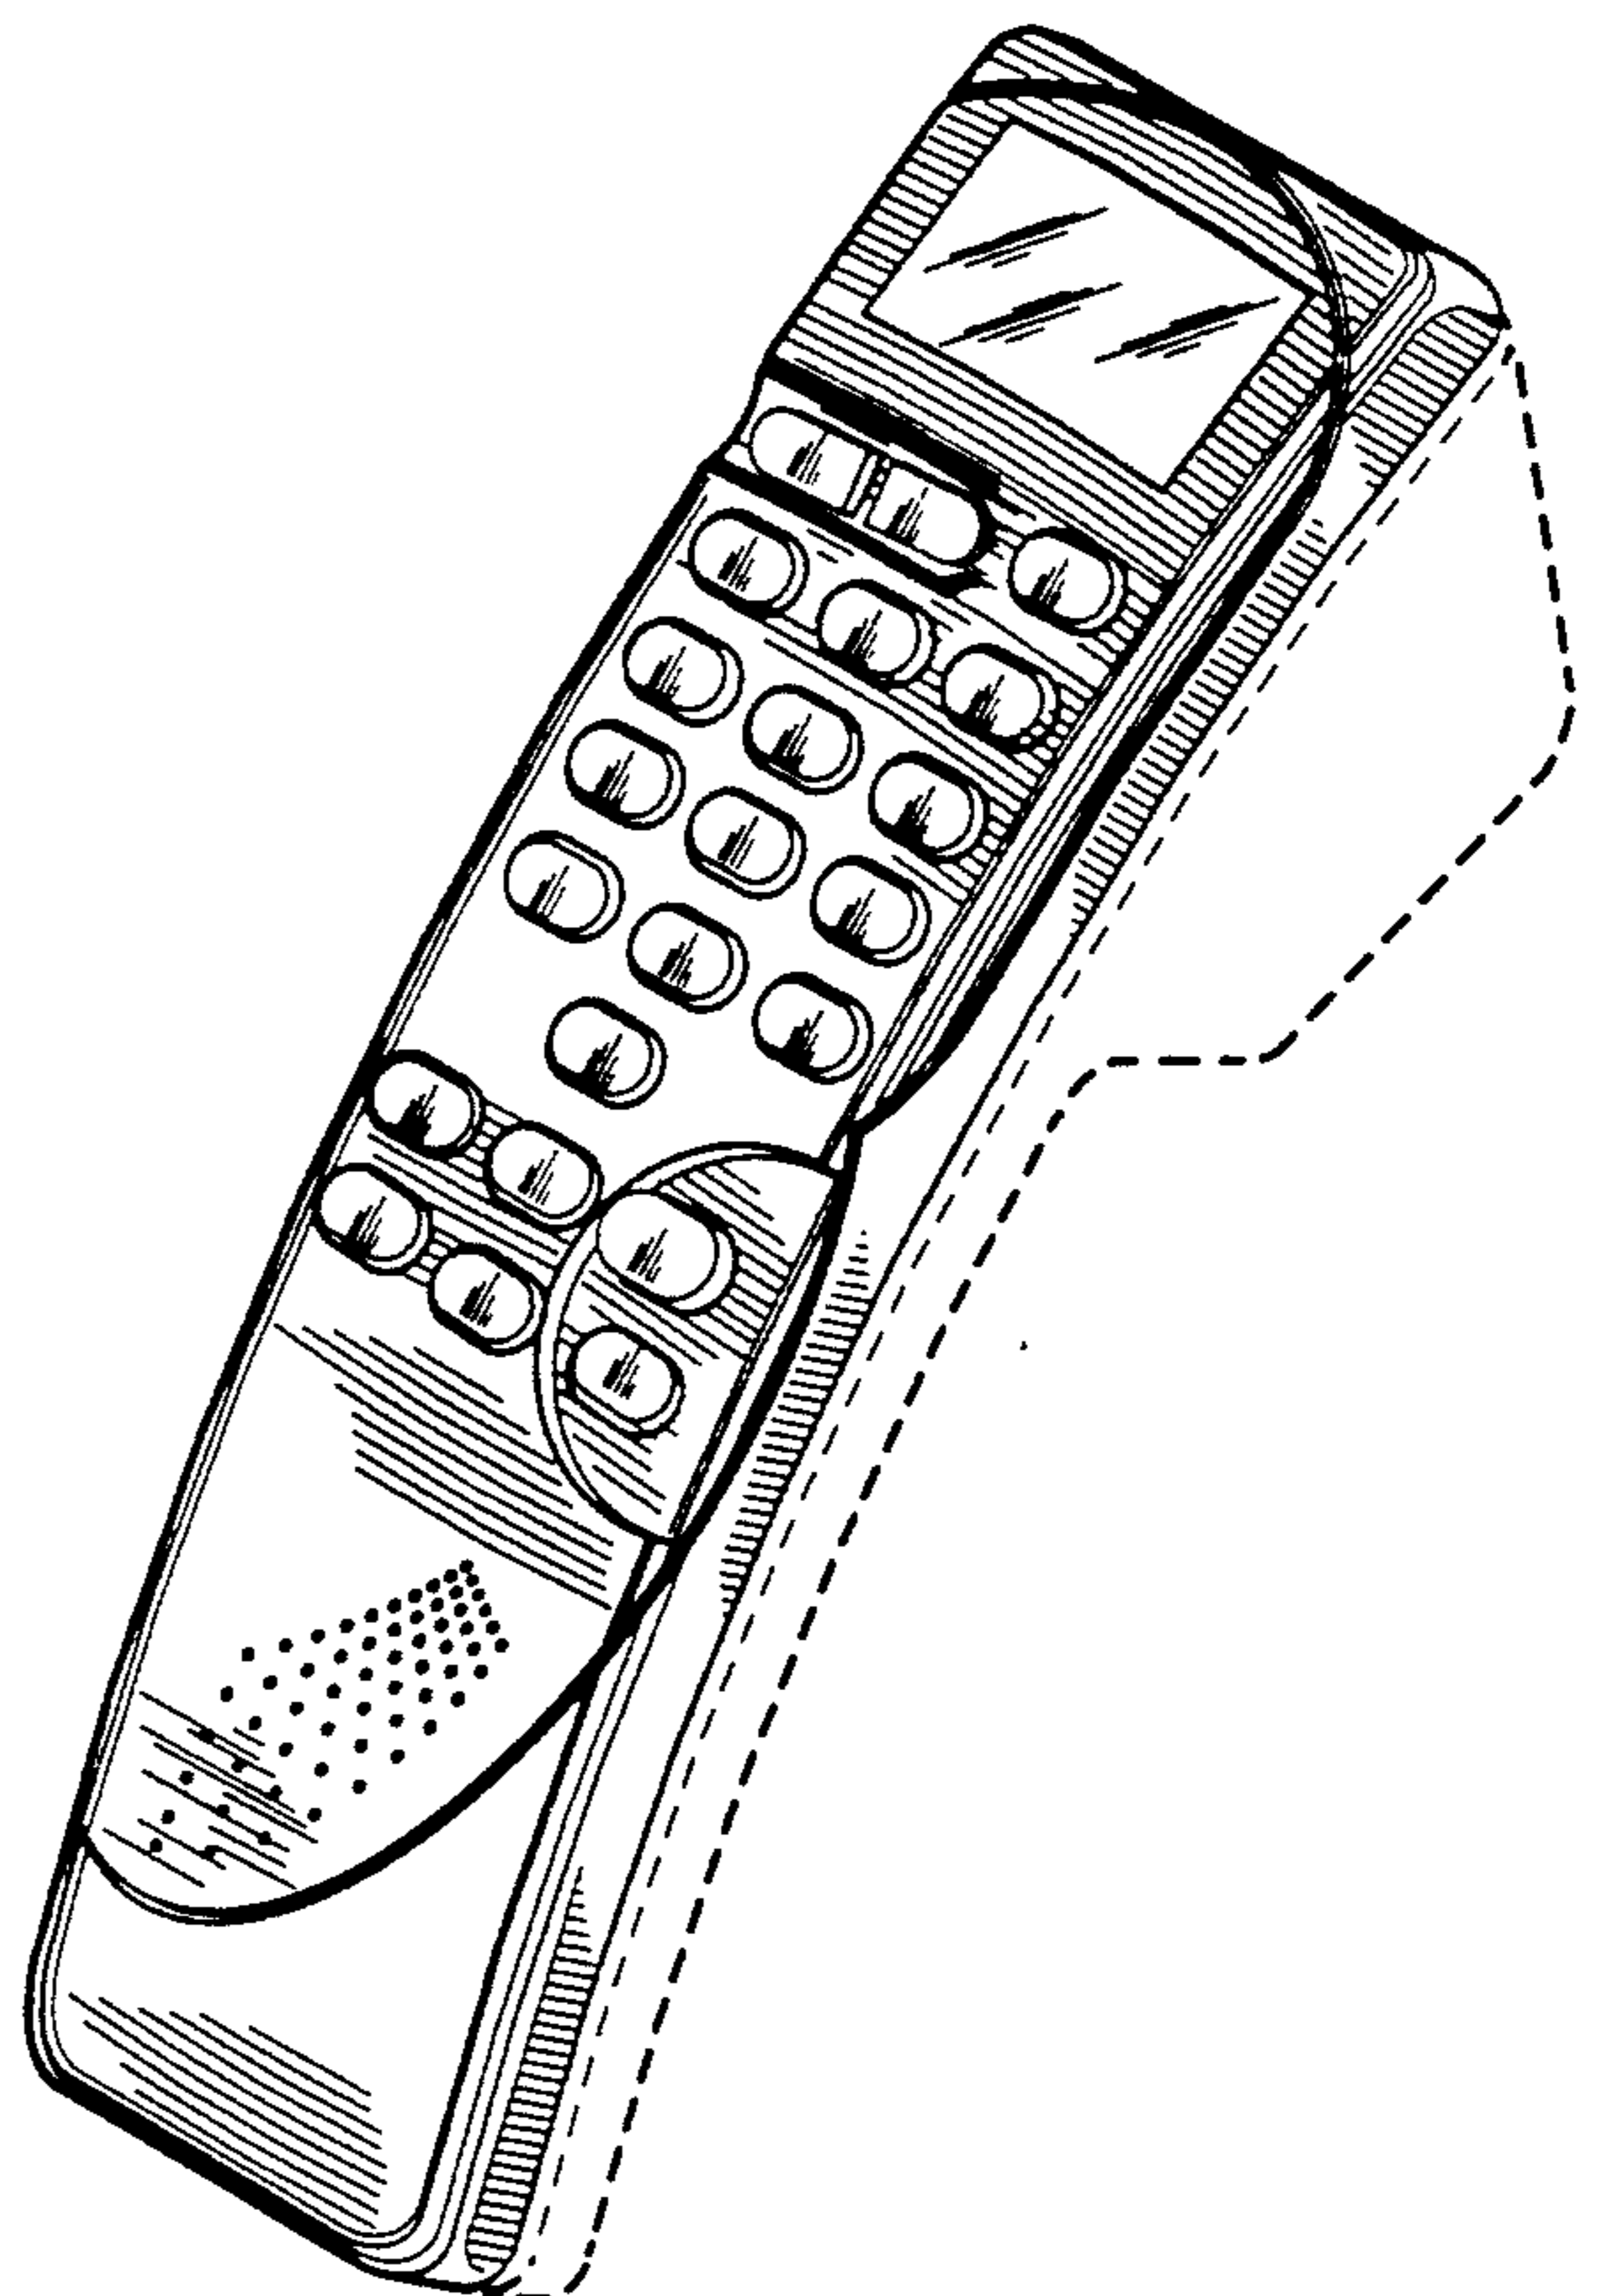

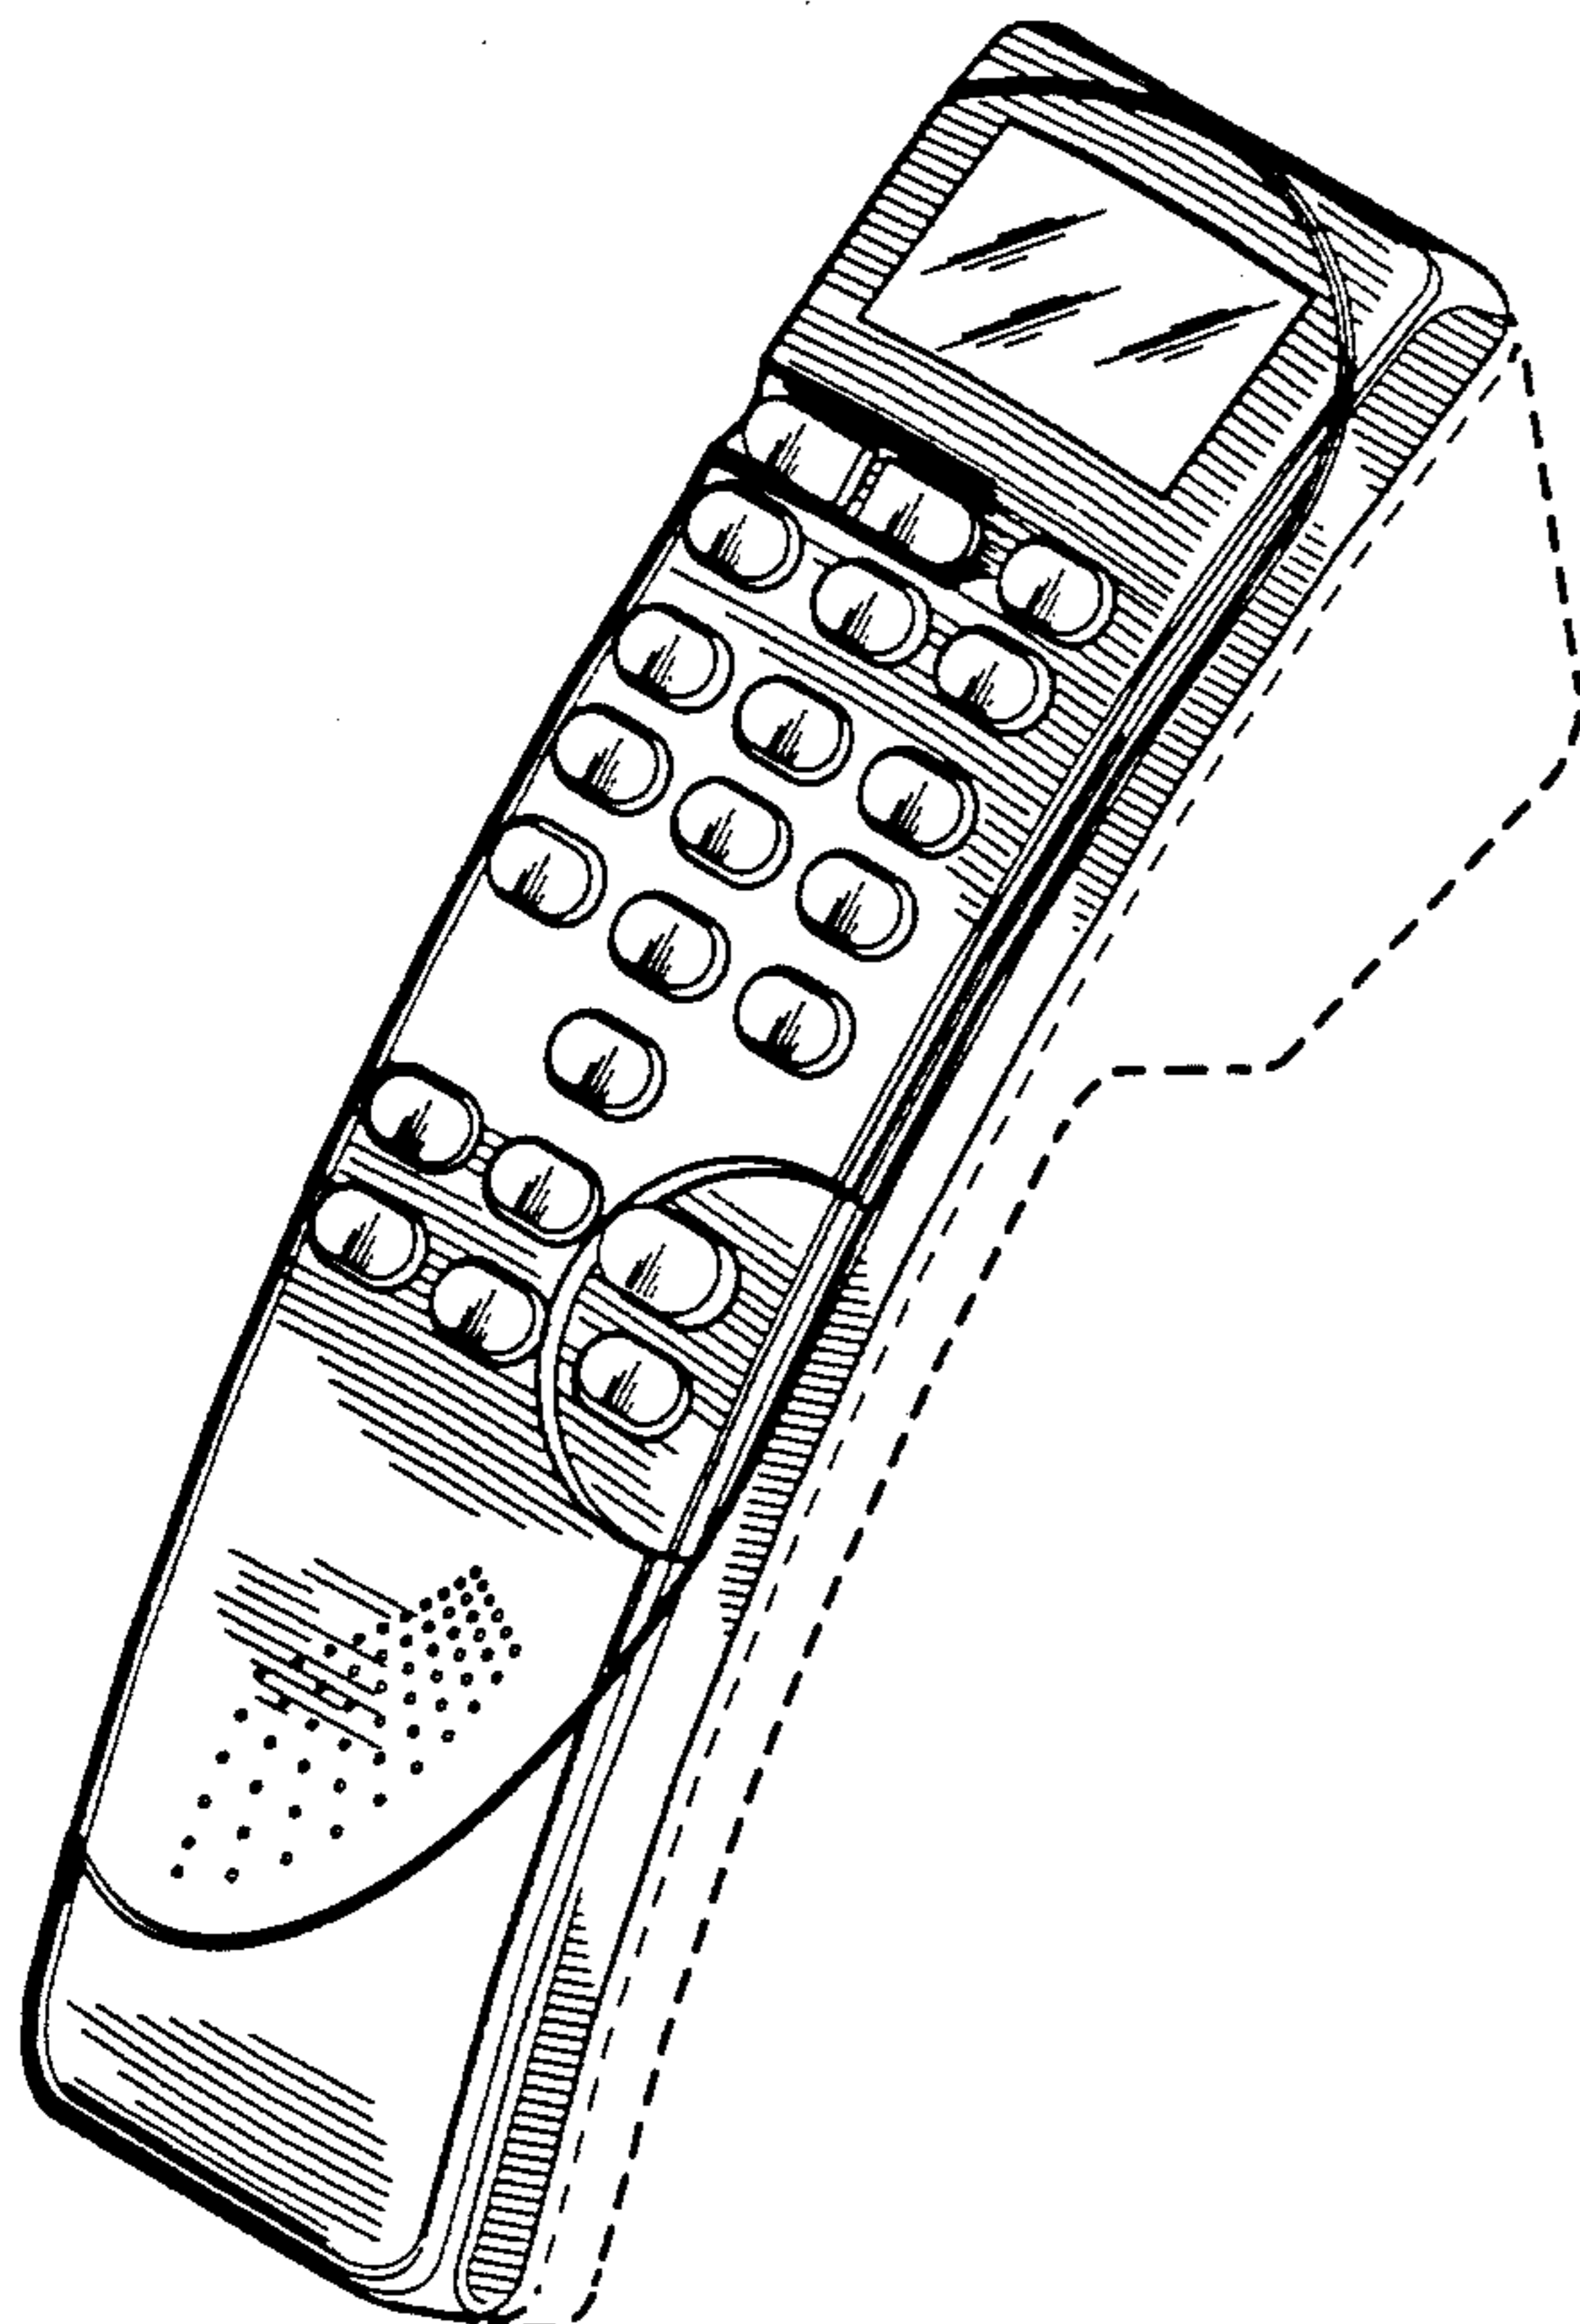

DESCRIPTION

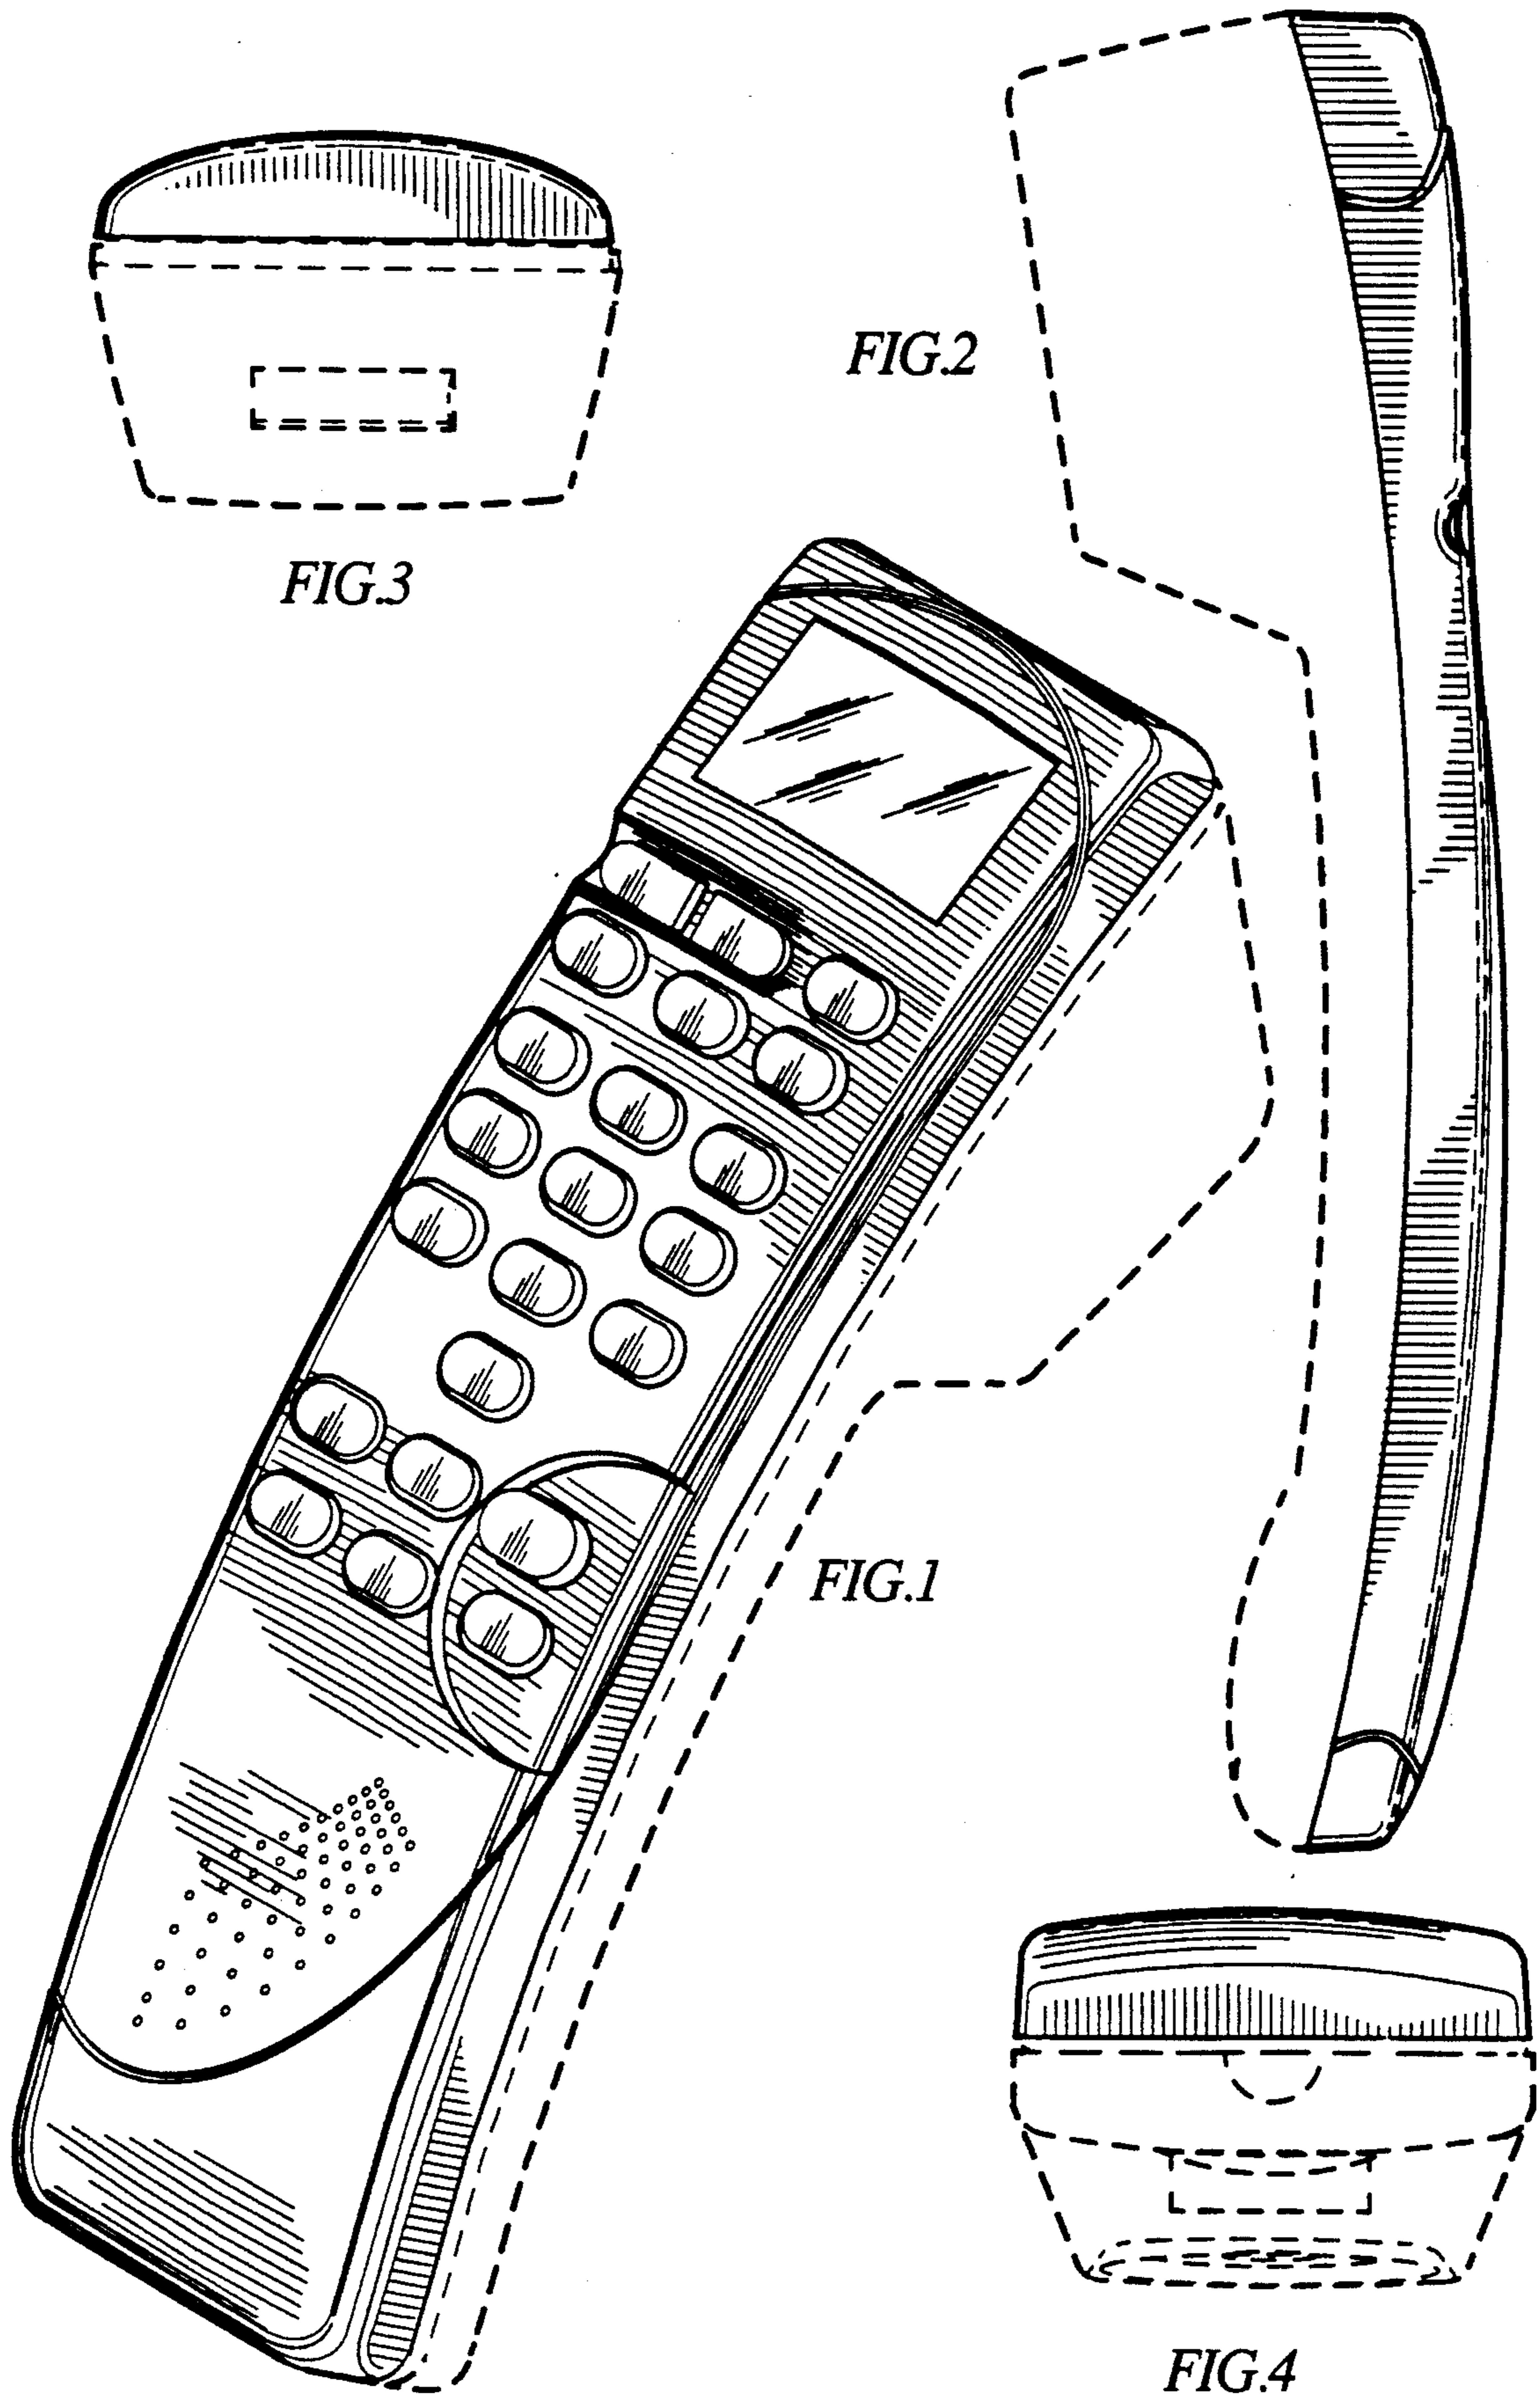

FIG. 1 is a front and right side perspective view of said telephone handset showing my new design, wherein the dotted line material is for reference purposes only and forms no part of the claimed invention; FIG. 2 is a left side elevational view of my new design, wherein the dotted line material is for reference purposes only and forms no part of the claimed invention; FIG. 3 is a top elevational view thereof, wherein the dotted line material is for reference purposes only and forms no part of the claimed invention; FIG. 4 is a bottom elevational view thereof, wherein the dotted line material is for reference purposes only and forms no part of the claimed invention; and, FIG. 5 is a front and right side perspective view of an alternative design of said telephone handset, wherein the dotted line material is for reference purposes only and forms no part of the claimed invention.
