[57] CLAIM

The ornamental design for a suspended luminaire, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a suspended luminaire showing our new design;

FIG. 2 is a side elevational view thereof, all sides being identical;

FIG. 3 is a top plan view thereof, and,

FIG. 4 is a bottom plan view thereof.

Cross hatching is shown partially on the globe surface for convenience of illustration, but it is continuous on all surfaces where it appears.
