[57] CLAIM

The ornamental design for figure skating legging, as shown and described.

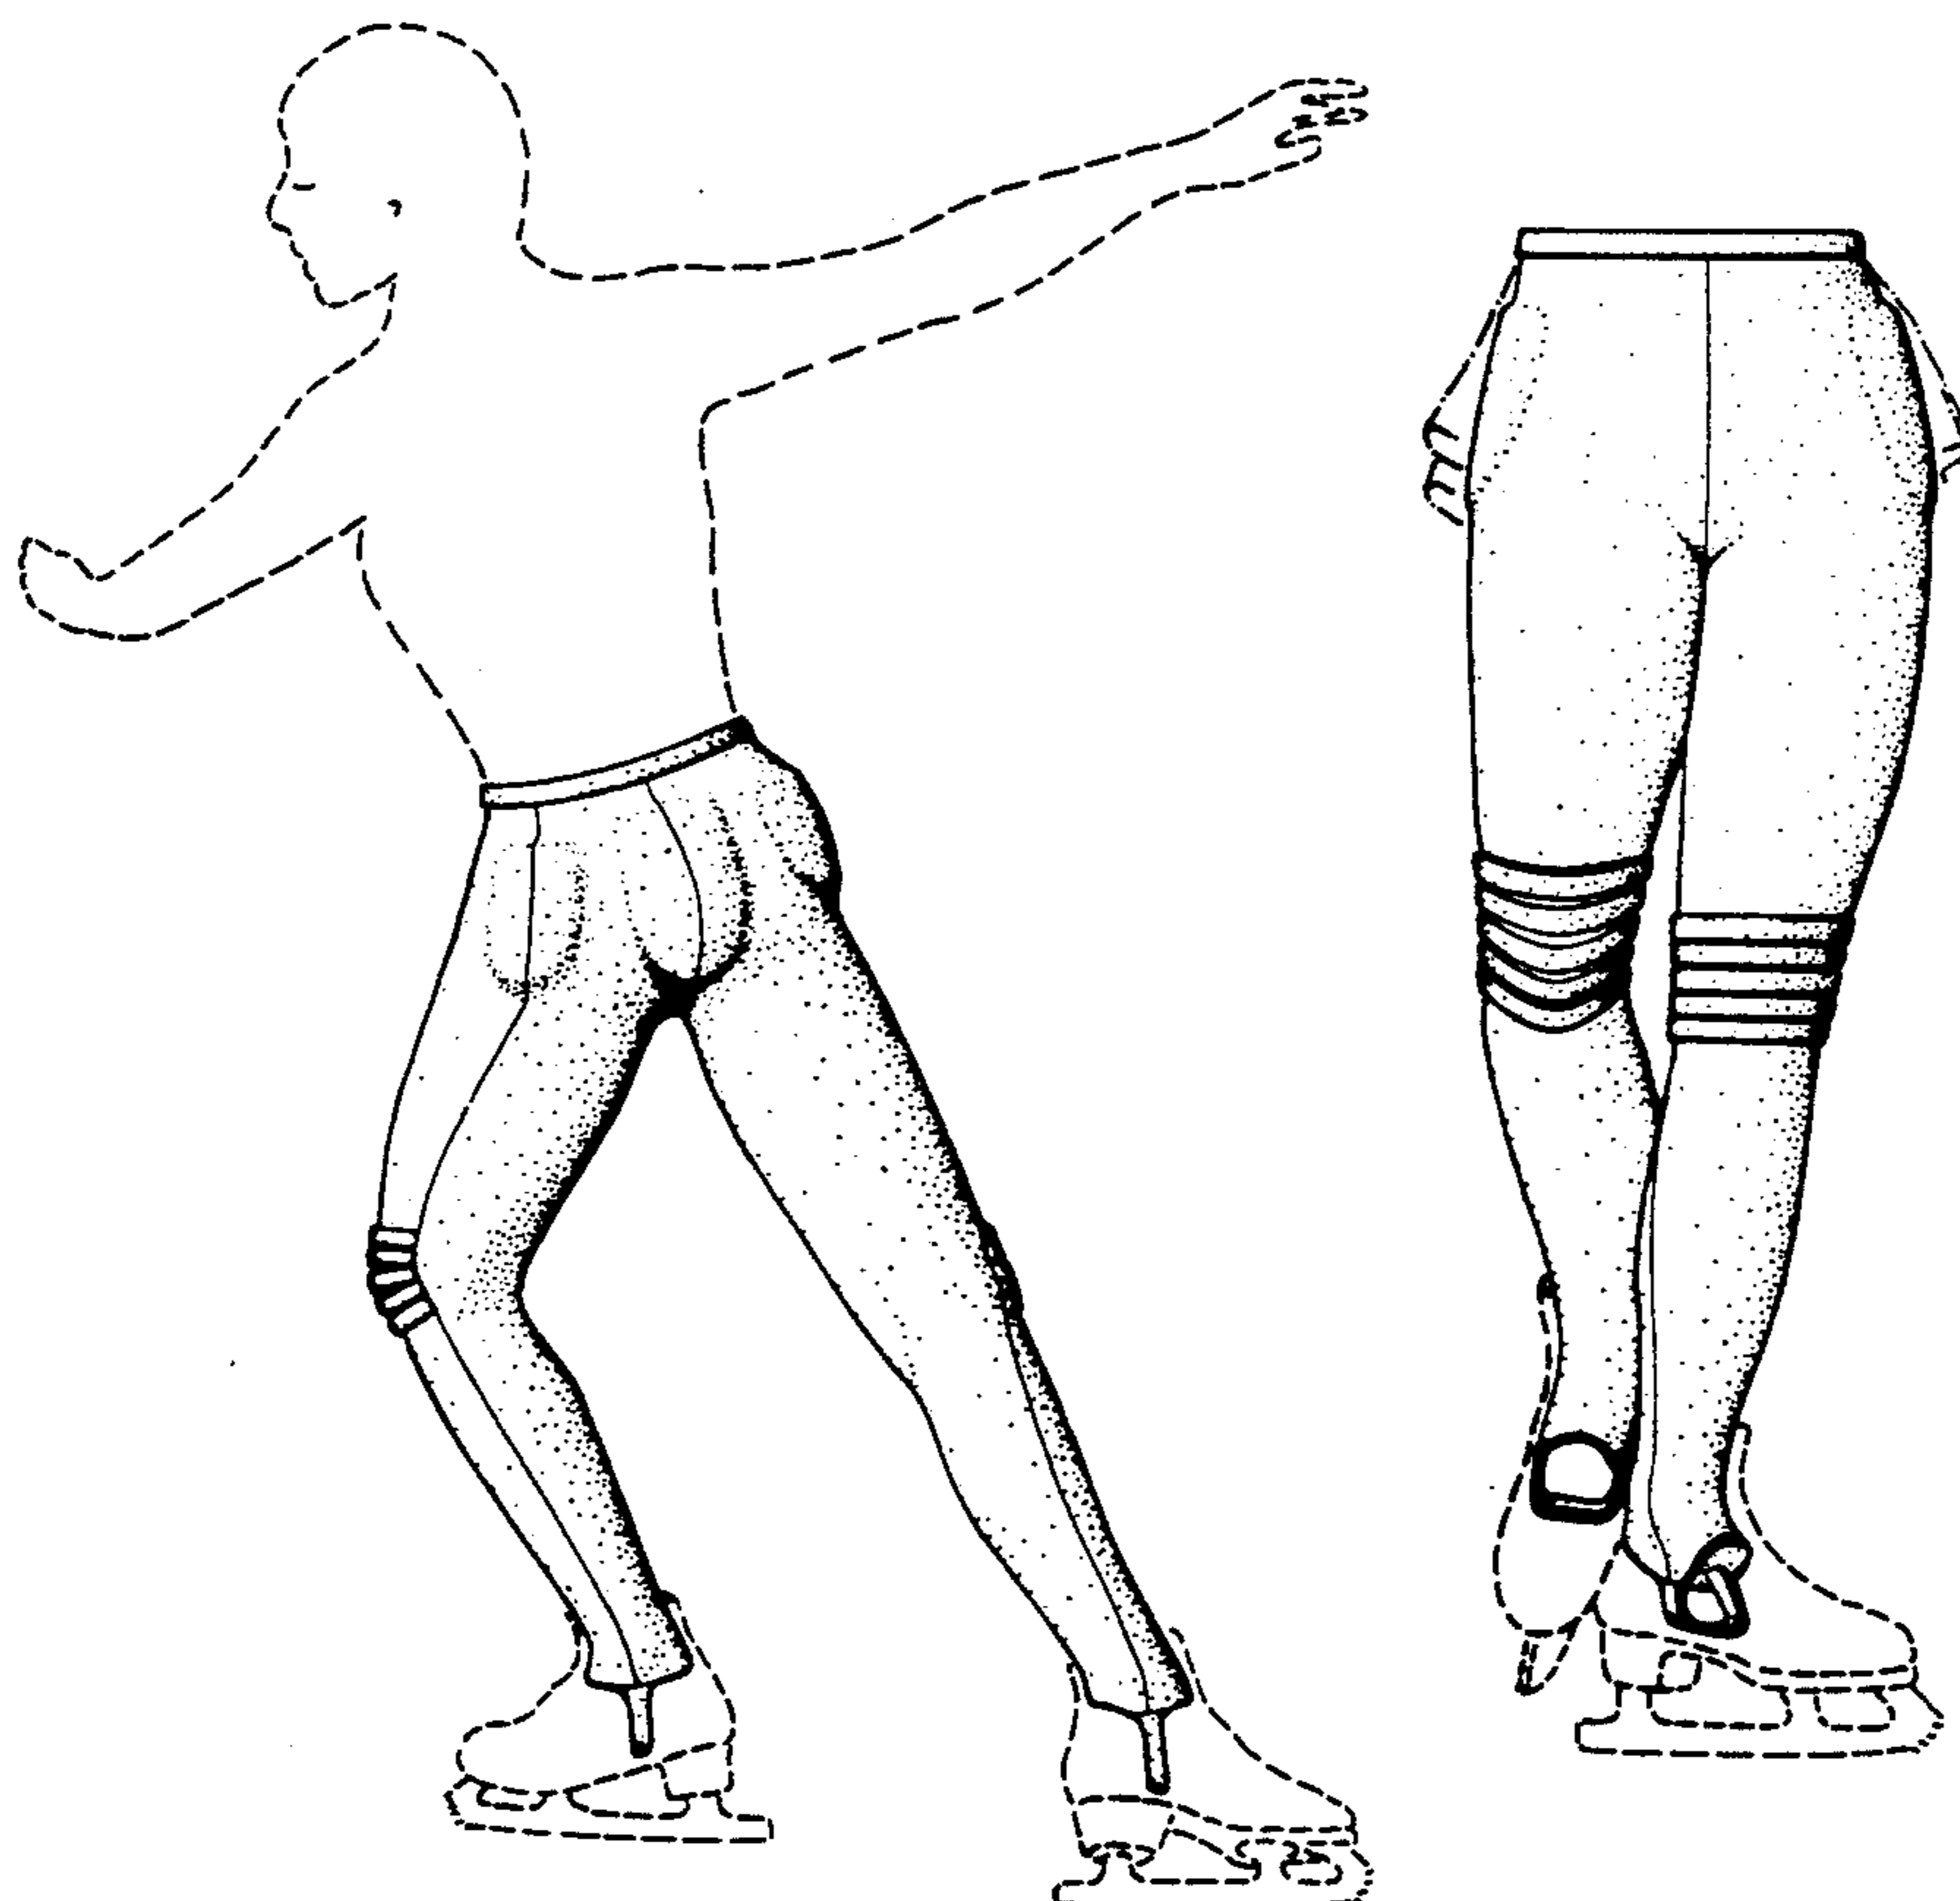

DESCRIPTION

FIG. 1 is a rear perspective view of a figure skating legging showing our new design in use; FIG. 2 is a right side elevational view of FIG. 1 shown in an alternate position of use; FIG. 3 is a front elevational view of FIG. 2; FIG. 4 is a top plan view of FIG. 2; FIG. 5 is a rear elevational view of FIG. 2; FIG. 6 is a right rear perspective view of FIG. 3 shown in a second position of use; and, FIG. 7 is a front perspective view shown in a third position of use. The broken lines partially showing a human form in FIG. 1, and the broken lines partially showing a skirt and skates in FIGS. 1, 2, 3, 6, and 7 are for illustrative purposes only and claim no part of the claimed design.
