[57]

The ornamental design for a refrigerator lock, as shown and described.

CLAIM

DESCRIPTION

FIG. 1 is a top, front, and right side perspective view of a refrigerator lock showing my new design, the broken-line disclosure of fragments of refrigerator doors being for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a right side elevational view thereof;

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a bottom plan view thereof;

FIG. 6 is a rear elevational view thereof;

FIG. 7 is a front elevational view of the bolt portion thereof;

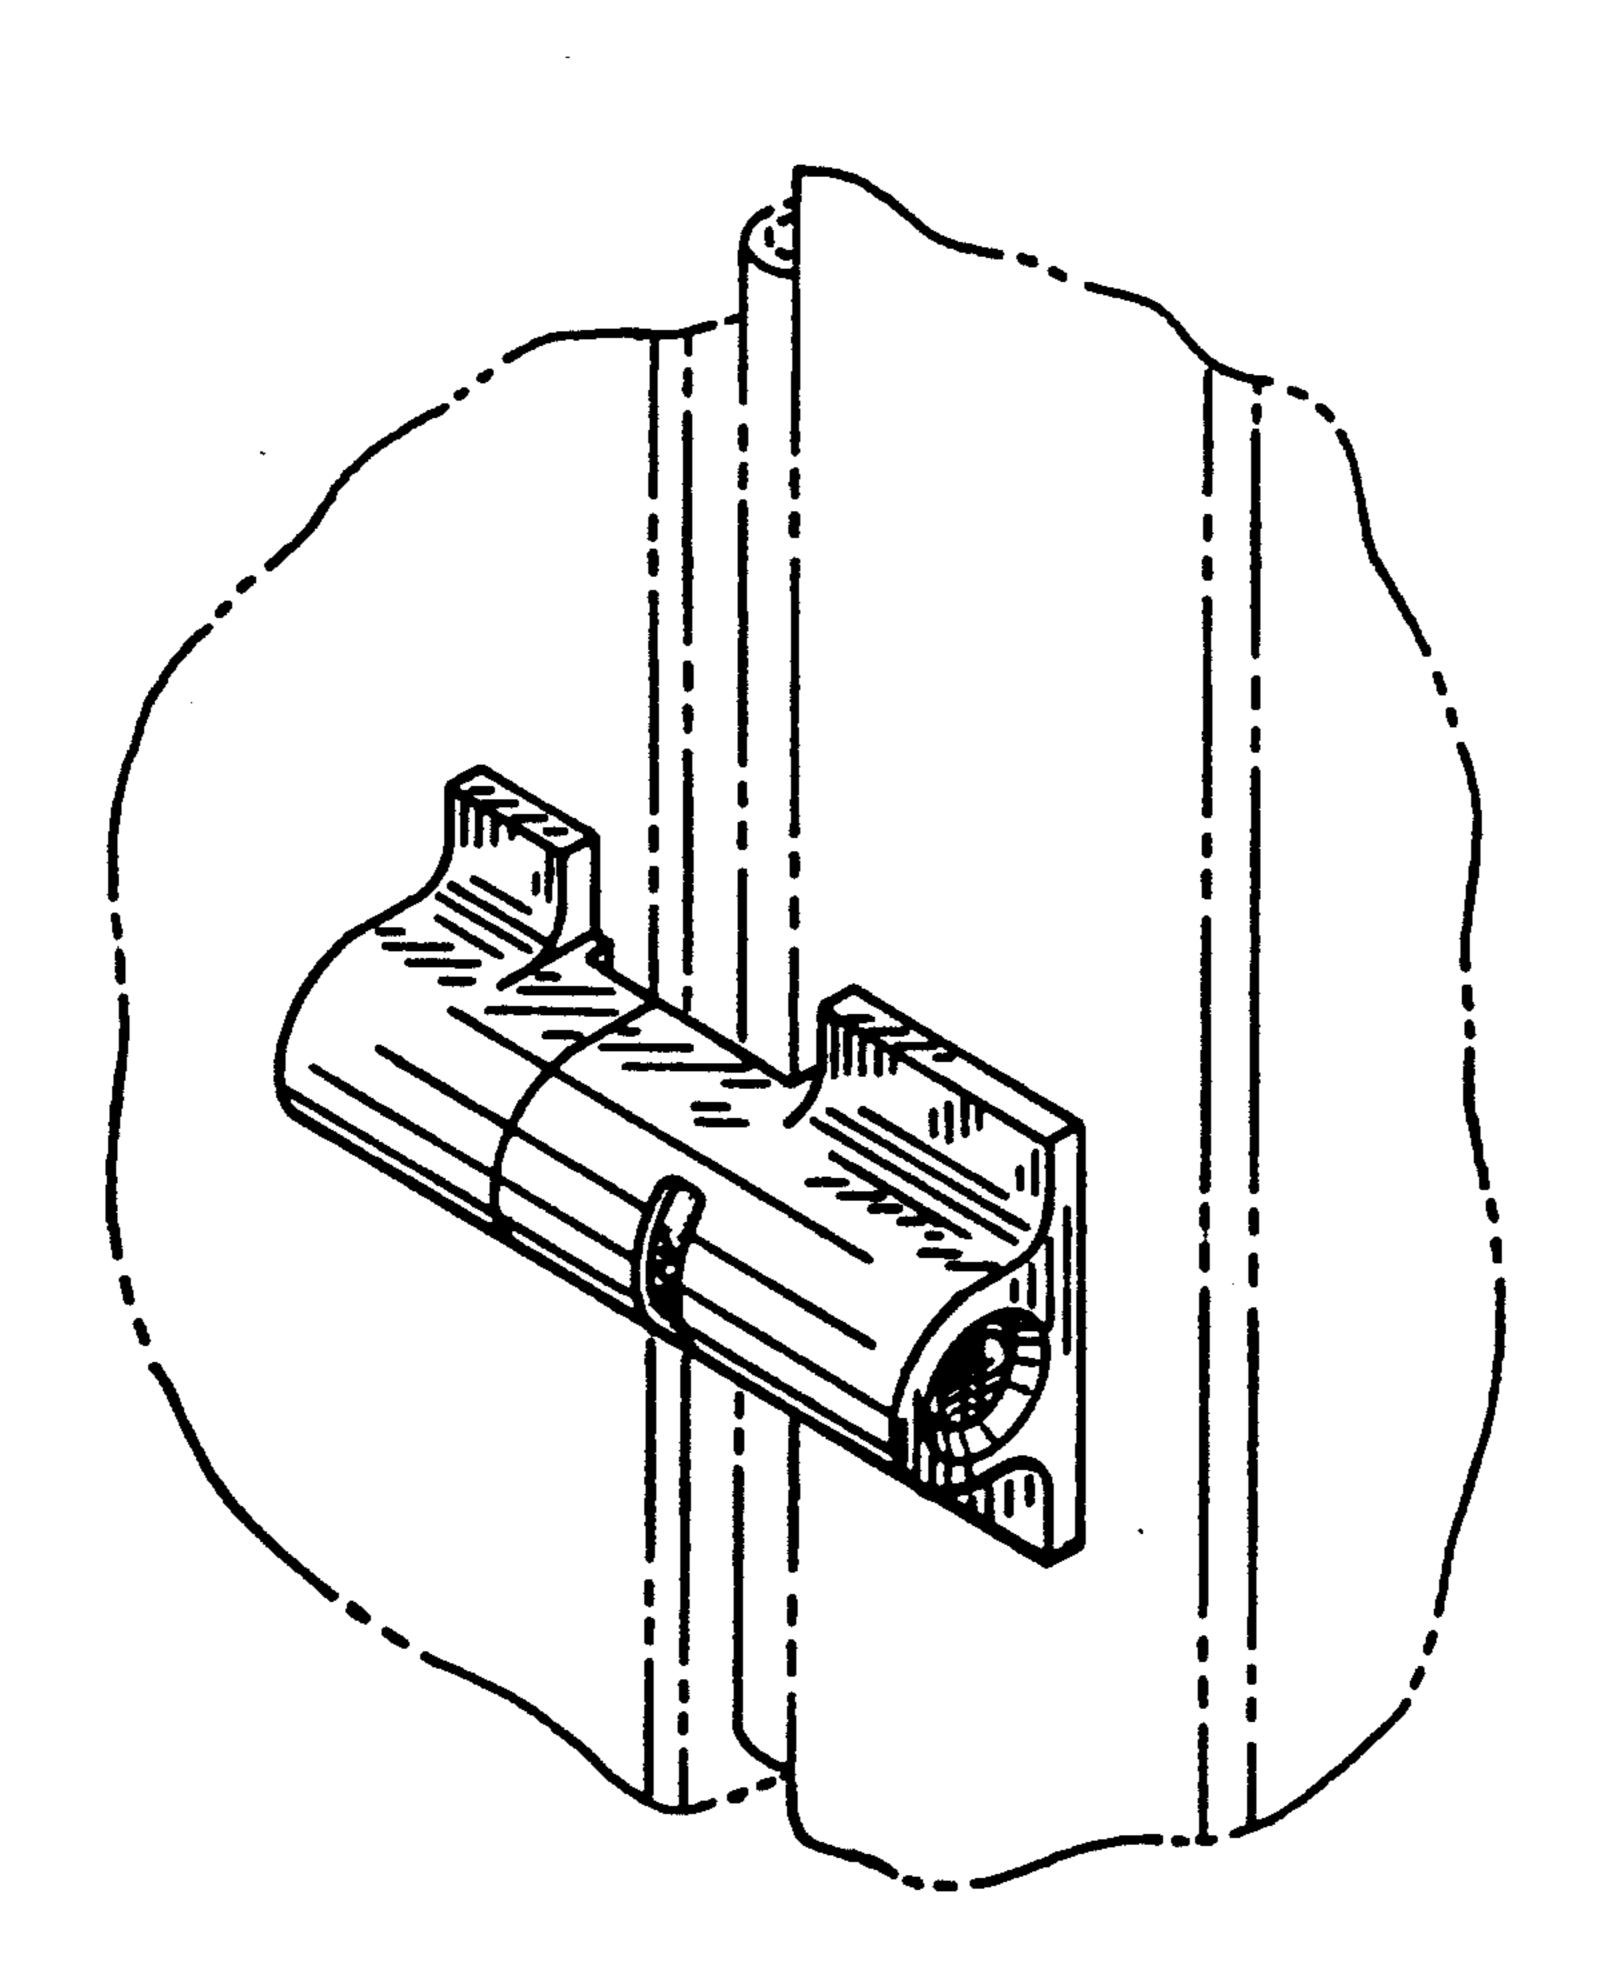

FIG. 8 is a left side elevational view of the bolt portion thereof;

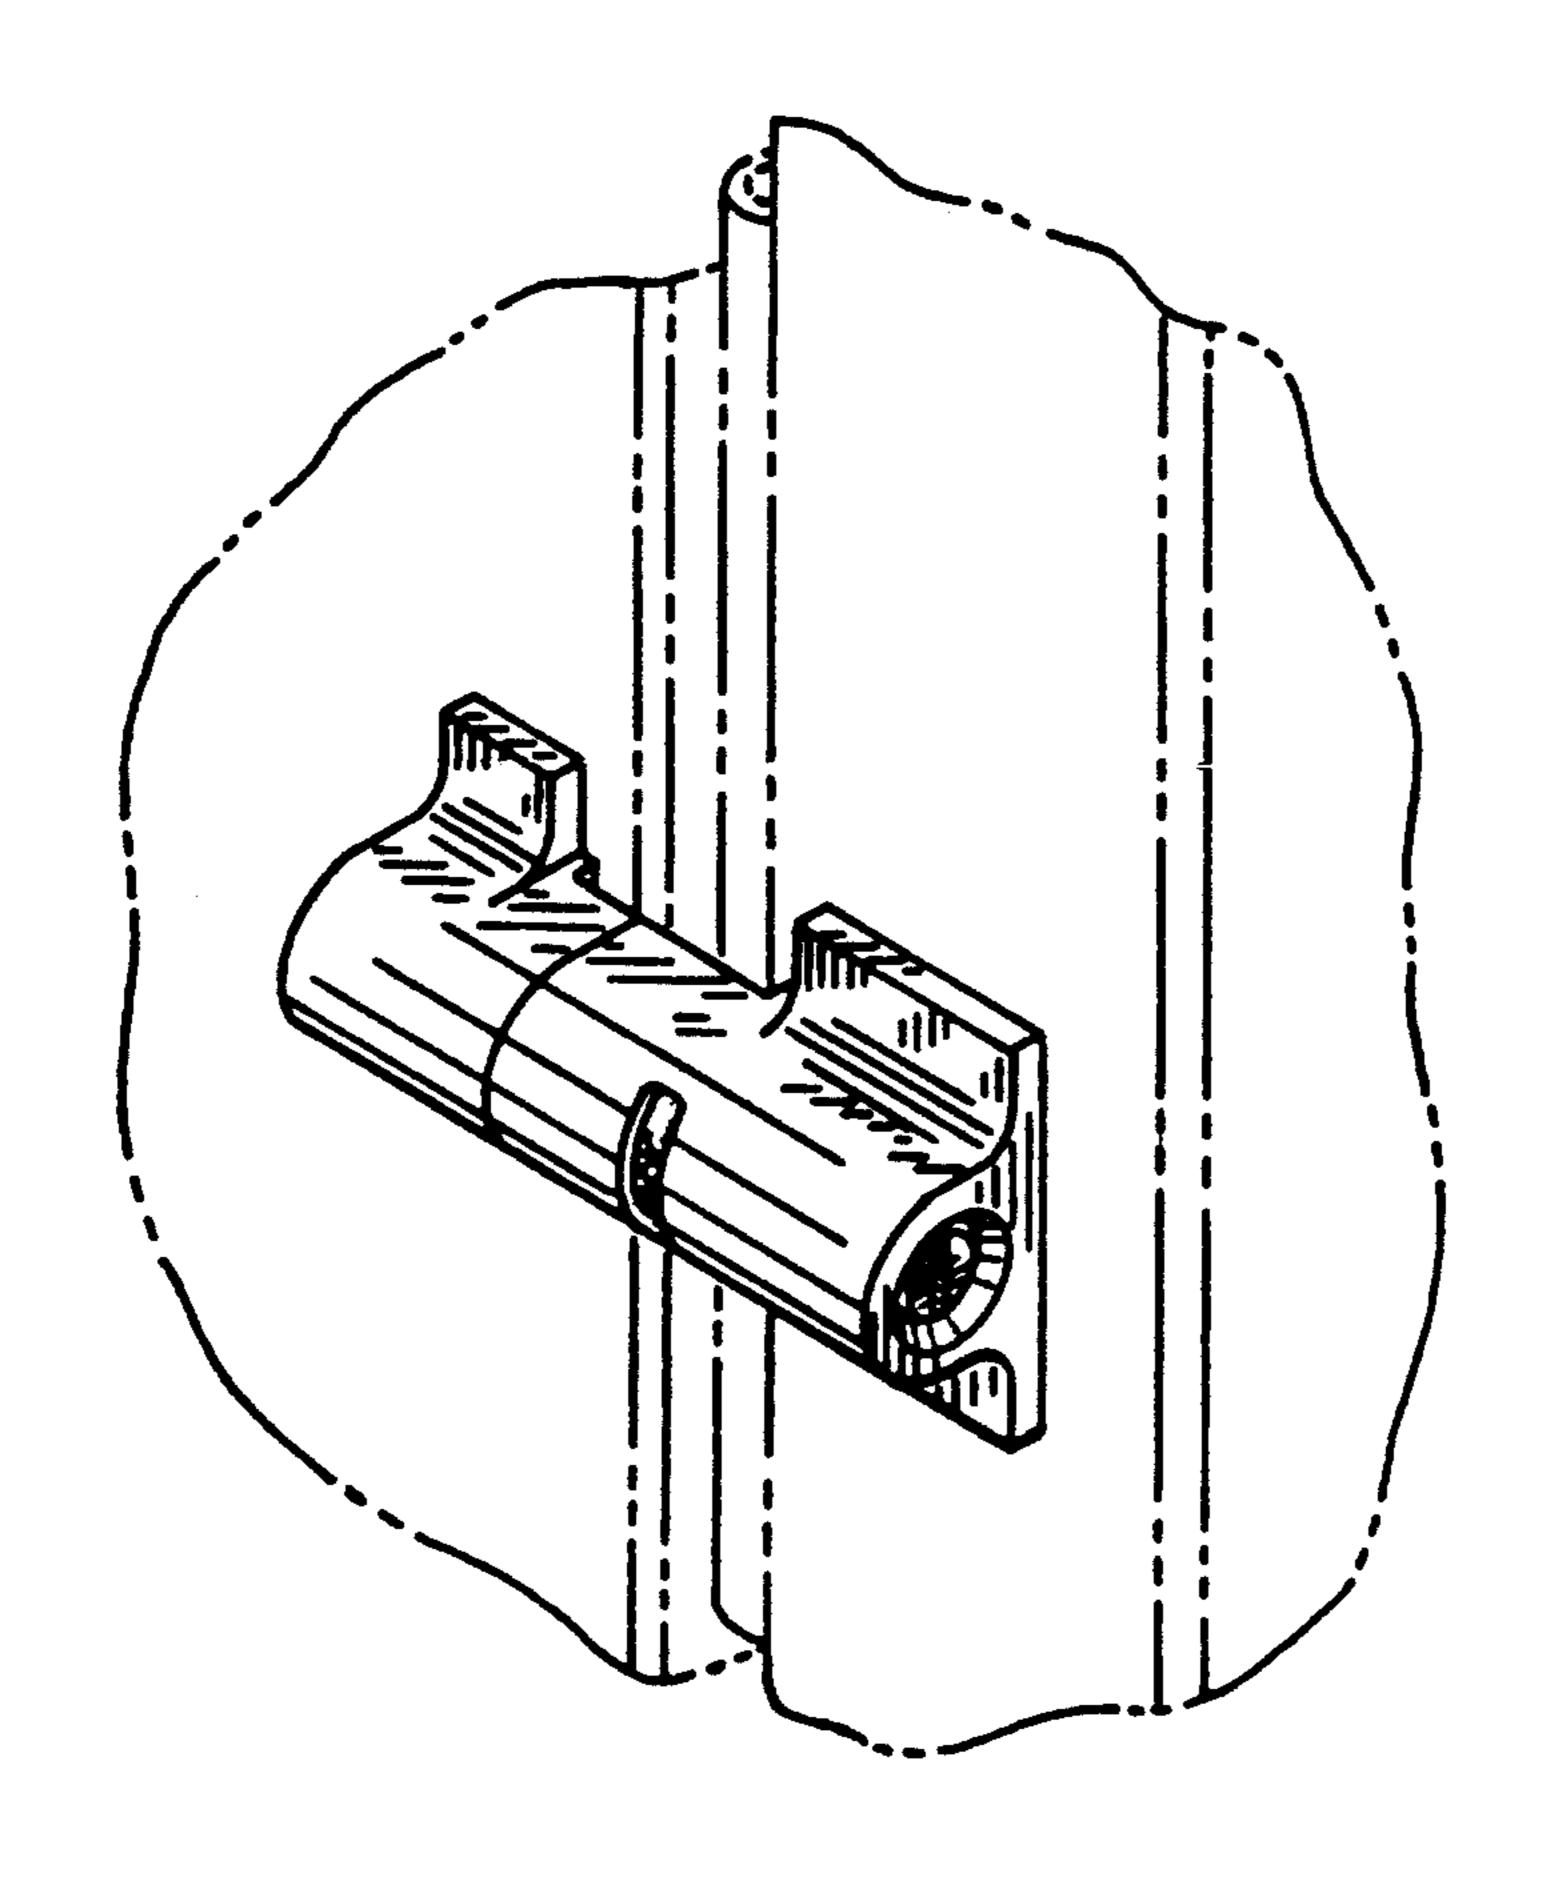

FIG. 9 is a rear elevational view of the bolt portion thereof;

FIG. 10 is a bottom plan view of the bolt portion thereof; and,

FIG. 11 is right side elevation of the catch portion thereof.

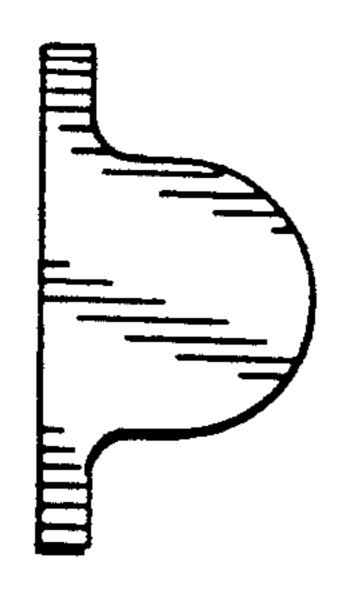

Portions of the lock are omitted in the views for clarity of illustration.
