[57] **CLAIM**

The ornamental design for a collapsible carrier frame for infant seats, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, and right side perspective view of a collapsible carrier frame for infant seats showing my new design, the broken-line depiction of a baby seat being for illustrative purposes only and forming no part of the claimed design;

FIG. 2 is a top, front, and right perspective view of the collapsible carrier frame of FIG. 1 without the broken-line depiction of a baby seat;

FIG. 3 is a right side elevational view thereof, the left side being a mirror image of that shown;

FIG. 4 is a front elevational view thereof; and,

FIG. 5 is a top, front and right side perspective view thereof in a collapsed state.
