[57] **CLAIM**

The ornamental design for a directional compass, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a directional compass showing my new design; FIG. 2 is a perspective view of the compass of FIG. 1 from a different angle than in FIG. 1; and, FIG. 3 is a top plan view of the directional compass of FIG. 1.

The broken line showing of indicia on the face of the compass face are for illustrative purposes only and forms no part of the claimed design. The bottom of the compass, not shown in the drawings, is a plain, flat, and unadorned surface.
