[57] **CLAIM**

The ornamental design for a friction yarn carrier, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of a friction yarn carrier showing my new design;  
FIG. 2 is a left end elevational view of the friction yarn carrier of FIG. 1, the right end view being a mirror image; and,  
FIG. 3 is a front elevational view of the friction yarn carrier of FIGS. 1 and 2, the top, bottom, and rear views being identical.
