CLAIM

The ornamental design for an battery post clamp, as shown and described.

DESCRIPTION

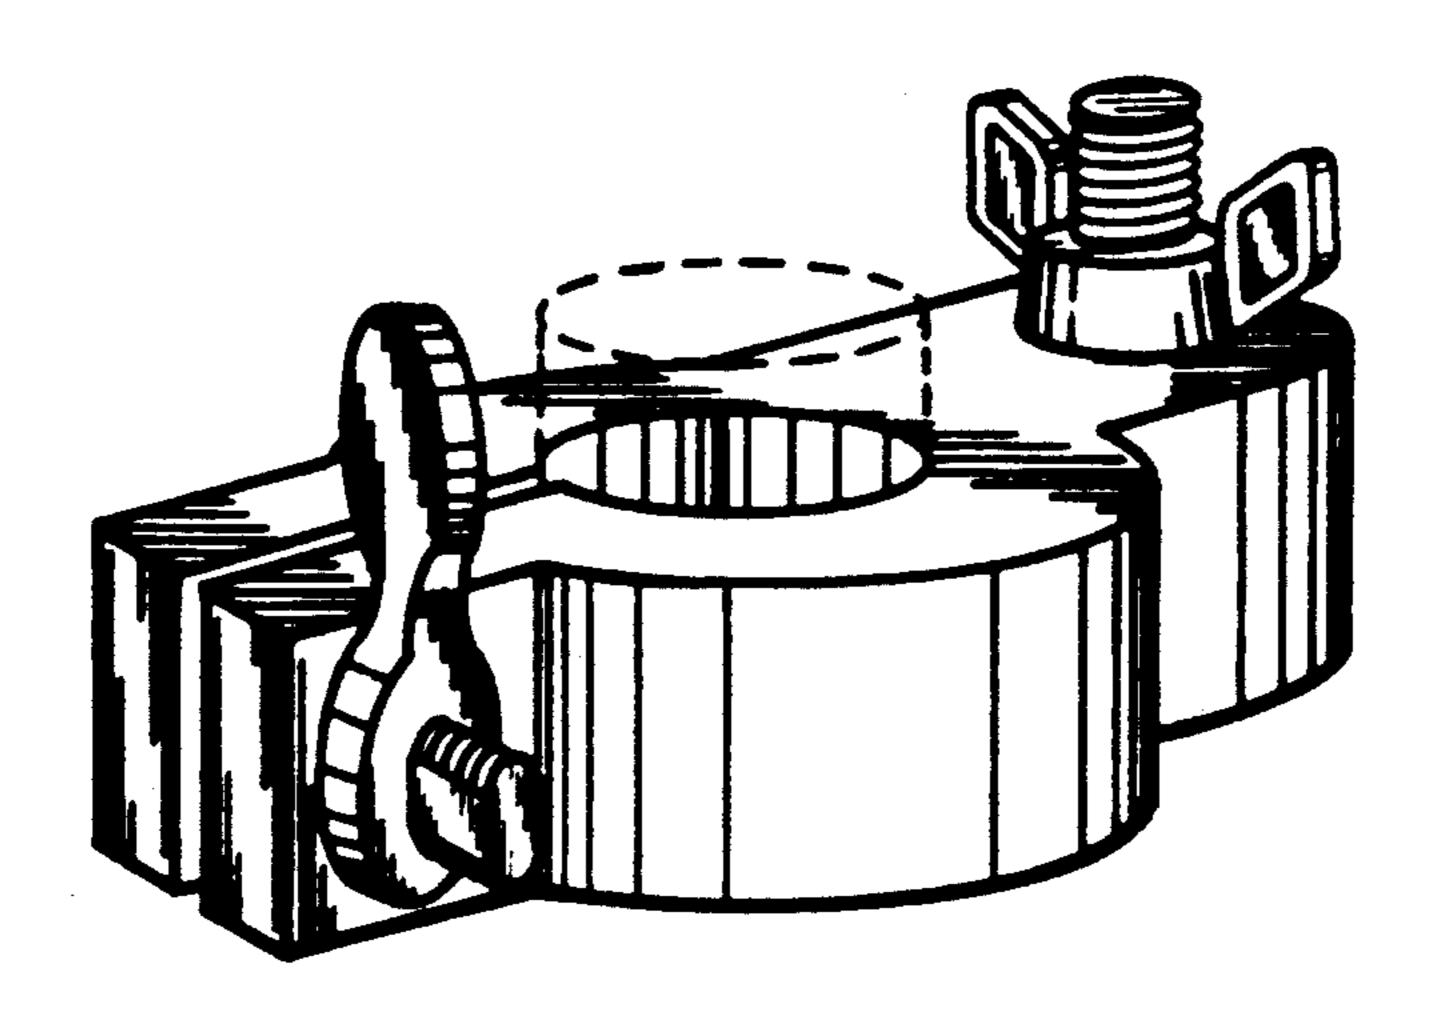

FIG. 1 is a perspective view of a battery post clamp showing my new design. The broken line showing of the battery, cables and additional clamp is included for the purpose of illustrating environmental elements only and forms no part of the claimed design;

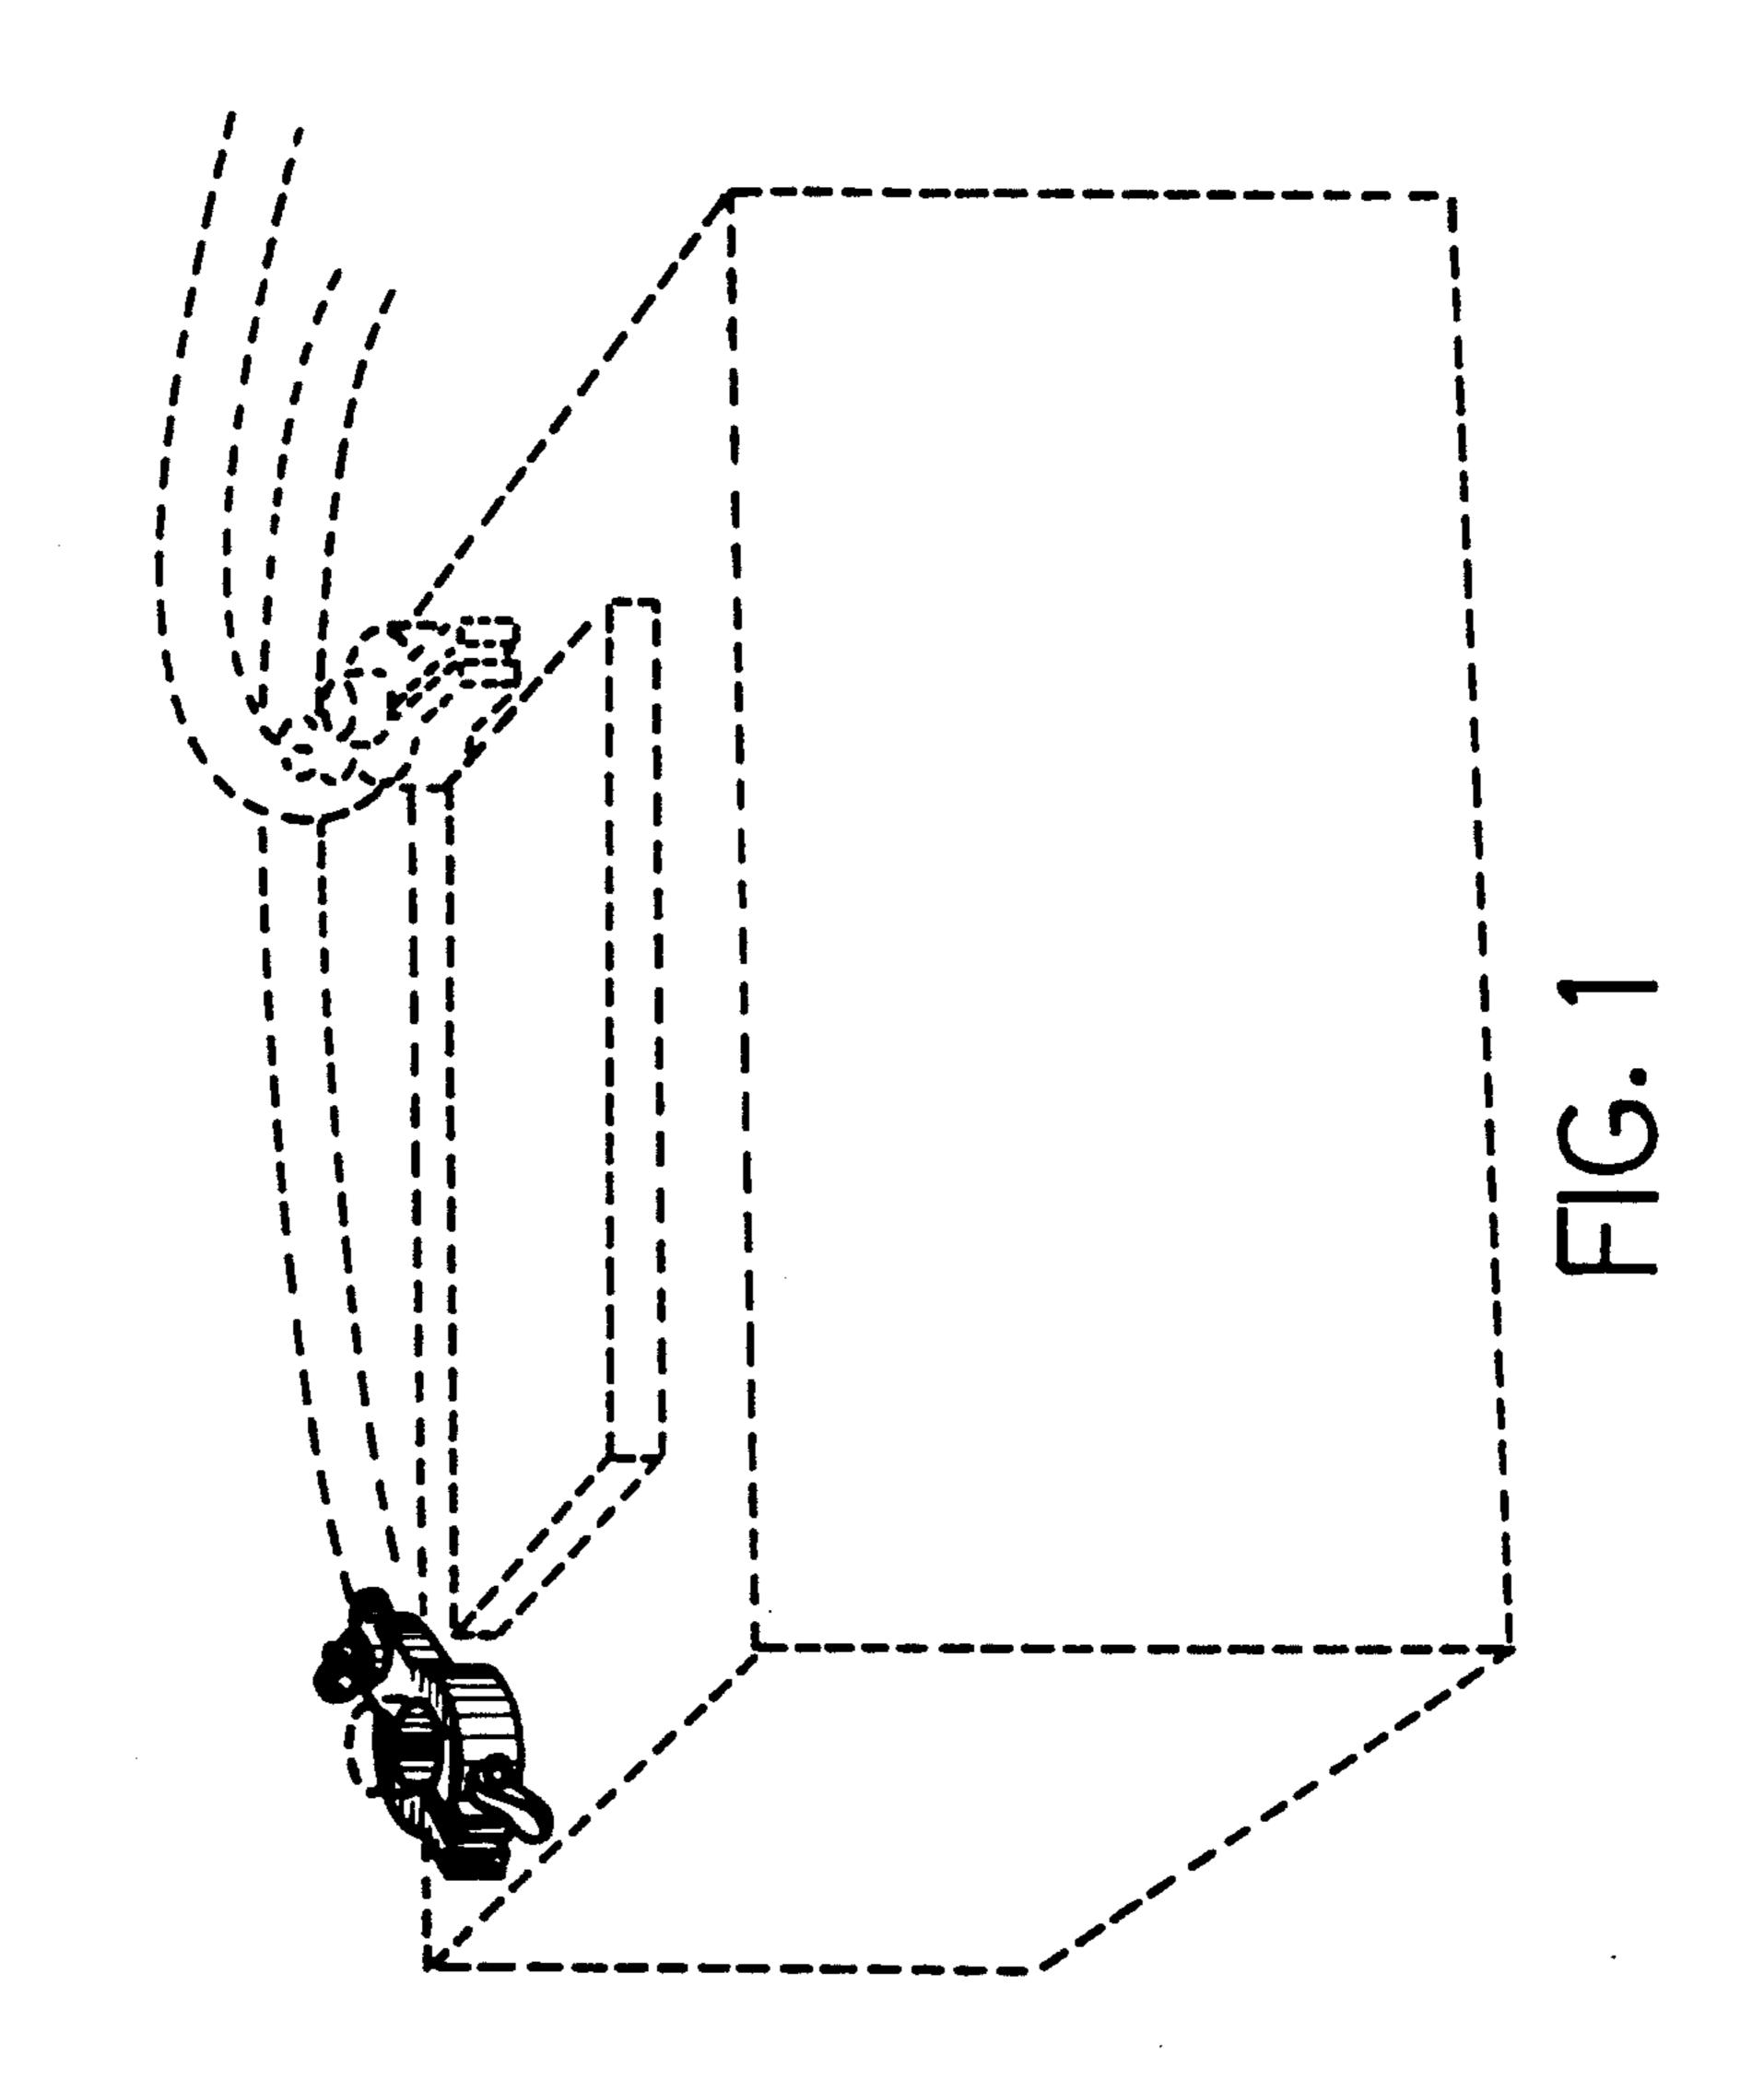

FIG. 2 is a close-up perspective view of a battery post clamp showing my new design. The broken line showing of the battery post is included for the purpose of illustrating environmental elements only and forms no part of the claimed design;

FIG. 3 is one side view of my battery post clamp design; FIG. 4 is the other side view of my battery post clamp design;

FIG. 5 is the back end (for connecting to the cable) view of my battery post clamp design; and,

FIG. 6 is the front end (for connecting to the post) view of my battery post clamp design.
