### [57] CLAIM

The ornamental design for a combined animal scratching pad and toy, as shown and described.

### DESCRIPTION

FIG. 1 is a top elevational view of an combined animal scratching pad and toy showing my new design;

FIG. 2 is a front elevational view thereof showing a partial cutaway view of the inside wall of the track;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a top plan view showing the scratching pad removed for convenience of illustration; and,

FIG. 5 is a sectional view taken along section line 5—5 of FIG. 1 with the scratching pad exploded or lifted away from the device.

The rear, left and right elevational view of the present invention is the same as the front elevational view shown in FIG. 2.
