[57] CLAIM

The ornamental design for a briefcase rain cover, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a briefcase rain cover showing my new design; FIG. 2 is a top plan view thereof, the strap is broken away for purposes of illustration; FIG. 3 is a bottom plan view thereof; FIG. 4 is a rear elevational view thereof; FIG. 5 is a right side elevational view thereof, the strap is broken away for purposes of illustration; FIG. 6 is a left side elevational view thereof, the strap is broken away for purposes of illustration; FIG. 7 is a cross-sectional view thereof taken along lines 7-7 of FIG. 1; and, FIG. 8 is a top plan view thereof, with the strap and top portion broken away for purposes of illustration. The broken line showing of the suitcase in FIG. 7 is for illustrative purposes only and forms no part of the claimed design.
