[57] **CLAIM**

The ornamental design for a toy trains track bed, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a first embodiment of my design, namely a toy trains track bed which shows my new design of an alternating and repeating pattern of spaced single wide red stripes and multiple narrow red stripes located on a top surface thereof, the stripes on the drawing being lined for the color red and the balance of the circular roadbed segment preferably white in color;

FIG. 2 is a left side elevational view of the curved roadbed segment of FIG. 1;

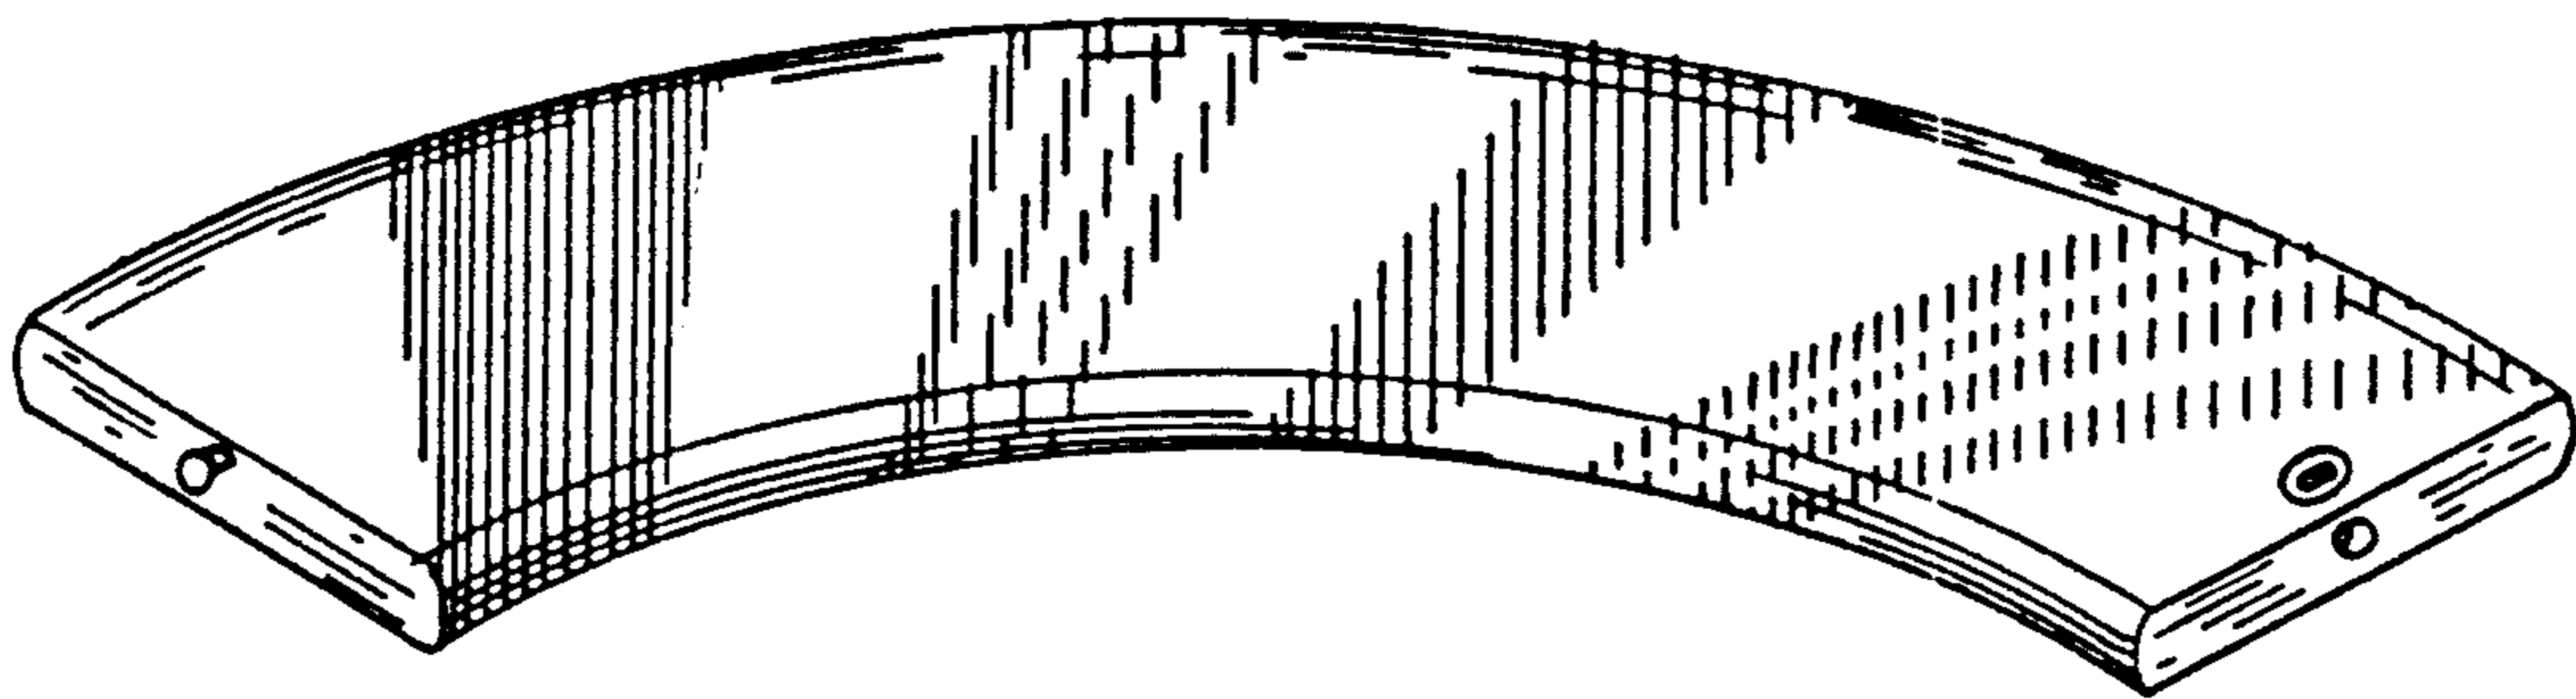

FIG. 3 is a front elevational view of the curved roadbed segment of FIG. 1;

FIG. 4 is a right side elevational view of the curved roadbed segment of FIG. 1;

FIG. 5 is a rear elevational view of the curved roadbed segment of FIG. 1;

FIG. 6 is a bottom plan view of the curved roadbed segment of FIG. 1; and,

FIG. 7 is an enlarged isometric view of the curved roadbed segment of FIG. 1.
