[57] **CLAIM**

The ornamental design of a combined neon ceiling fan motor housing and support rod, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the combined neon ceiling fan motor housing and support rod showing our new design;

FIG. 2 is a bottom view thereof;

FIG. 3 is a top view thereof; and,

FIG. 4 is a front side view thereof, the other side views being substantially identical except for the opening between the neon tube ends.

The broken line showing of wires connected to the neon tube in FIGS. 2-4, is for illustrative purposes only and forms no part of the claimed design. The support rod is shown broken away at the bottom in FIGS. 1 and 4 to indicate indeterminate length.
