CLAIM

The ornamental design for a upper housing of an electrical service pedestal, as shown and described.

DESCRIPTION

FIG. 1 is a left, front perspective view of an upper housing of an electrical service pedestal showing my new design. The broken line showing throughout the drawings is included for the purpose of illustrating environmental elements only and forms no part of the claimed design;

FIG. 2 is a right side elevational view;

FIG. 3 is a rear elevation view;

FIG. 4 is a top plan view thereof;

FIG. 5 is a bottom plan view thereof; and,

FIG. 6 is a close-up left front perspective view thereof shown with the covers of both portions in the open position.
