## [57] CLAIM

The ornamental design for a cover and mating handle for window operators, as shown and described.

## DESCRIPTION

FIG. 1 is a front, top and right perspective view of the cover and mating handle for window operators showing my new design, the portion of the operator being shown in broken lines for illustrative purposes only; FIG. 2 is an enlarged front view thereof; FIG. 3 is an enlarged right side view thereof; FIG. 4 is an enlarged left side view thereof; FIG. 5 is an enlarged top view thereof, the bottom of the cover portion being unornamented; and, FIG. 6 is an enlarged rear view thereof.
