[57] CLAIM

The ornamental design for a worker lift platform, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a worker lift platform showing my new design;

FIG. 2 is a front environmental elevational view thereof, the rear elevational view being a mirror image thereof;

FIG. 3 is a left side elevational view thereof, the right side elevational view being a mirror image thereof;

FIG. 4 is a top plan view thereof; and,

FIG. 5 is a bottom plan view thereof.

The broken line showing of the light fixture in FIGS. 1 and 2 and the human figure in FIG. 2 is for illustrative purposes only and forms no part of the claimed design.
