[57] CLAIM

The ornamental design for a wall clock as shown and described.

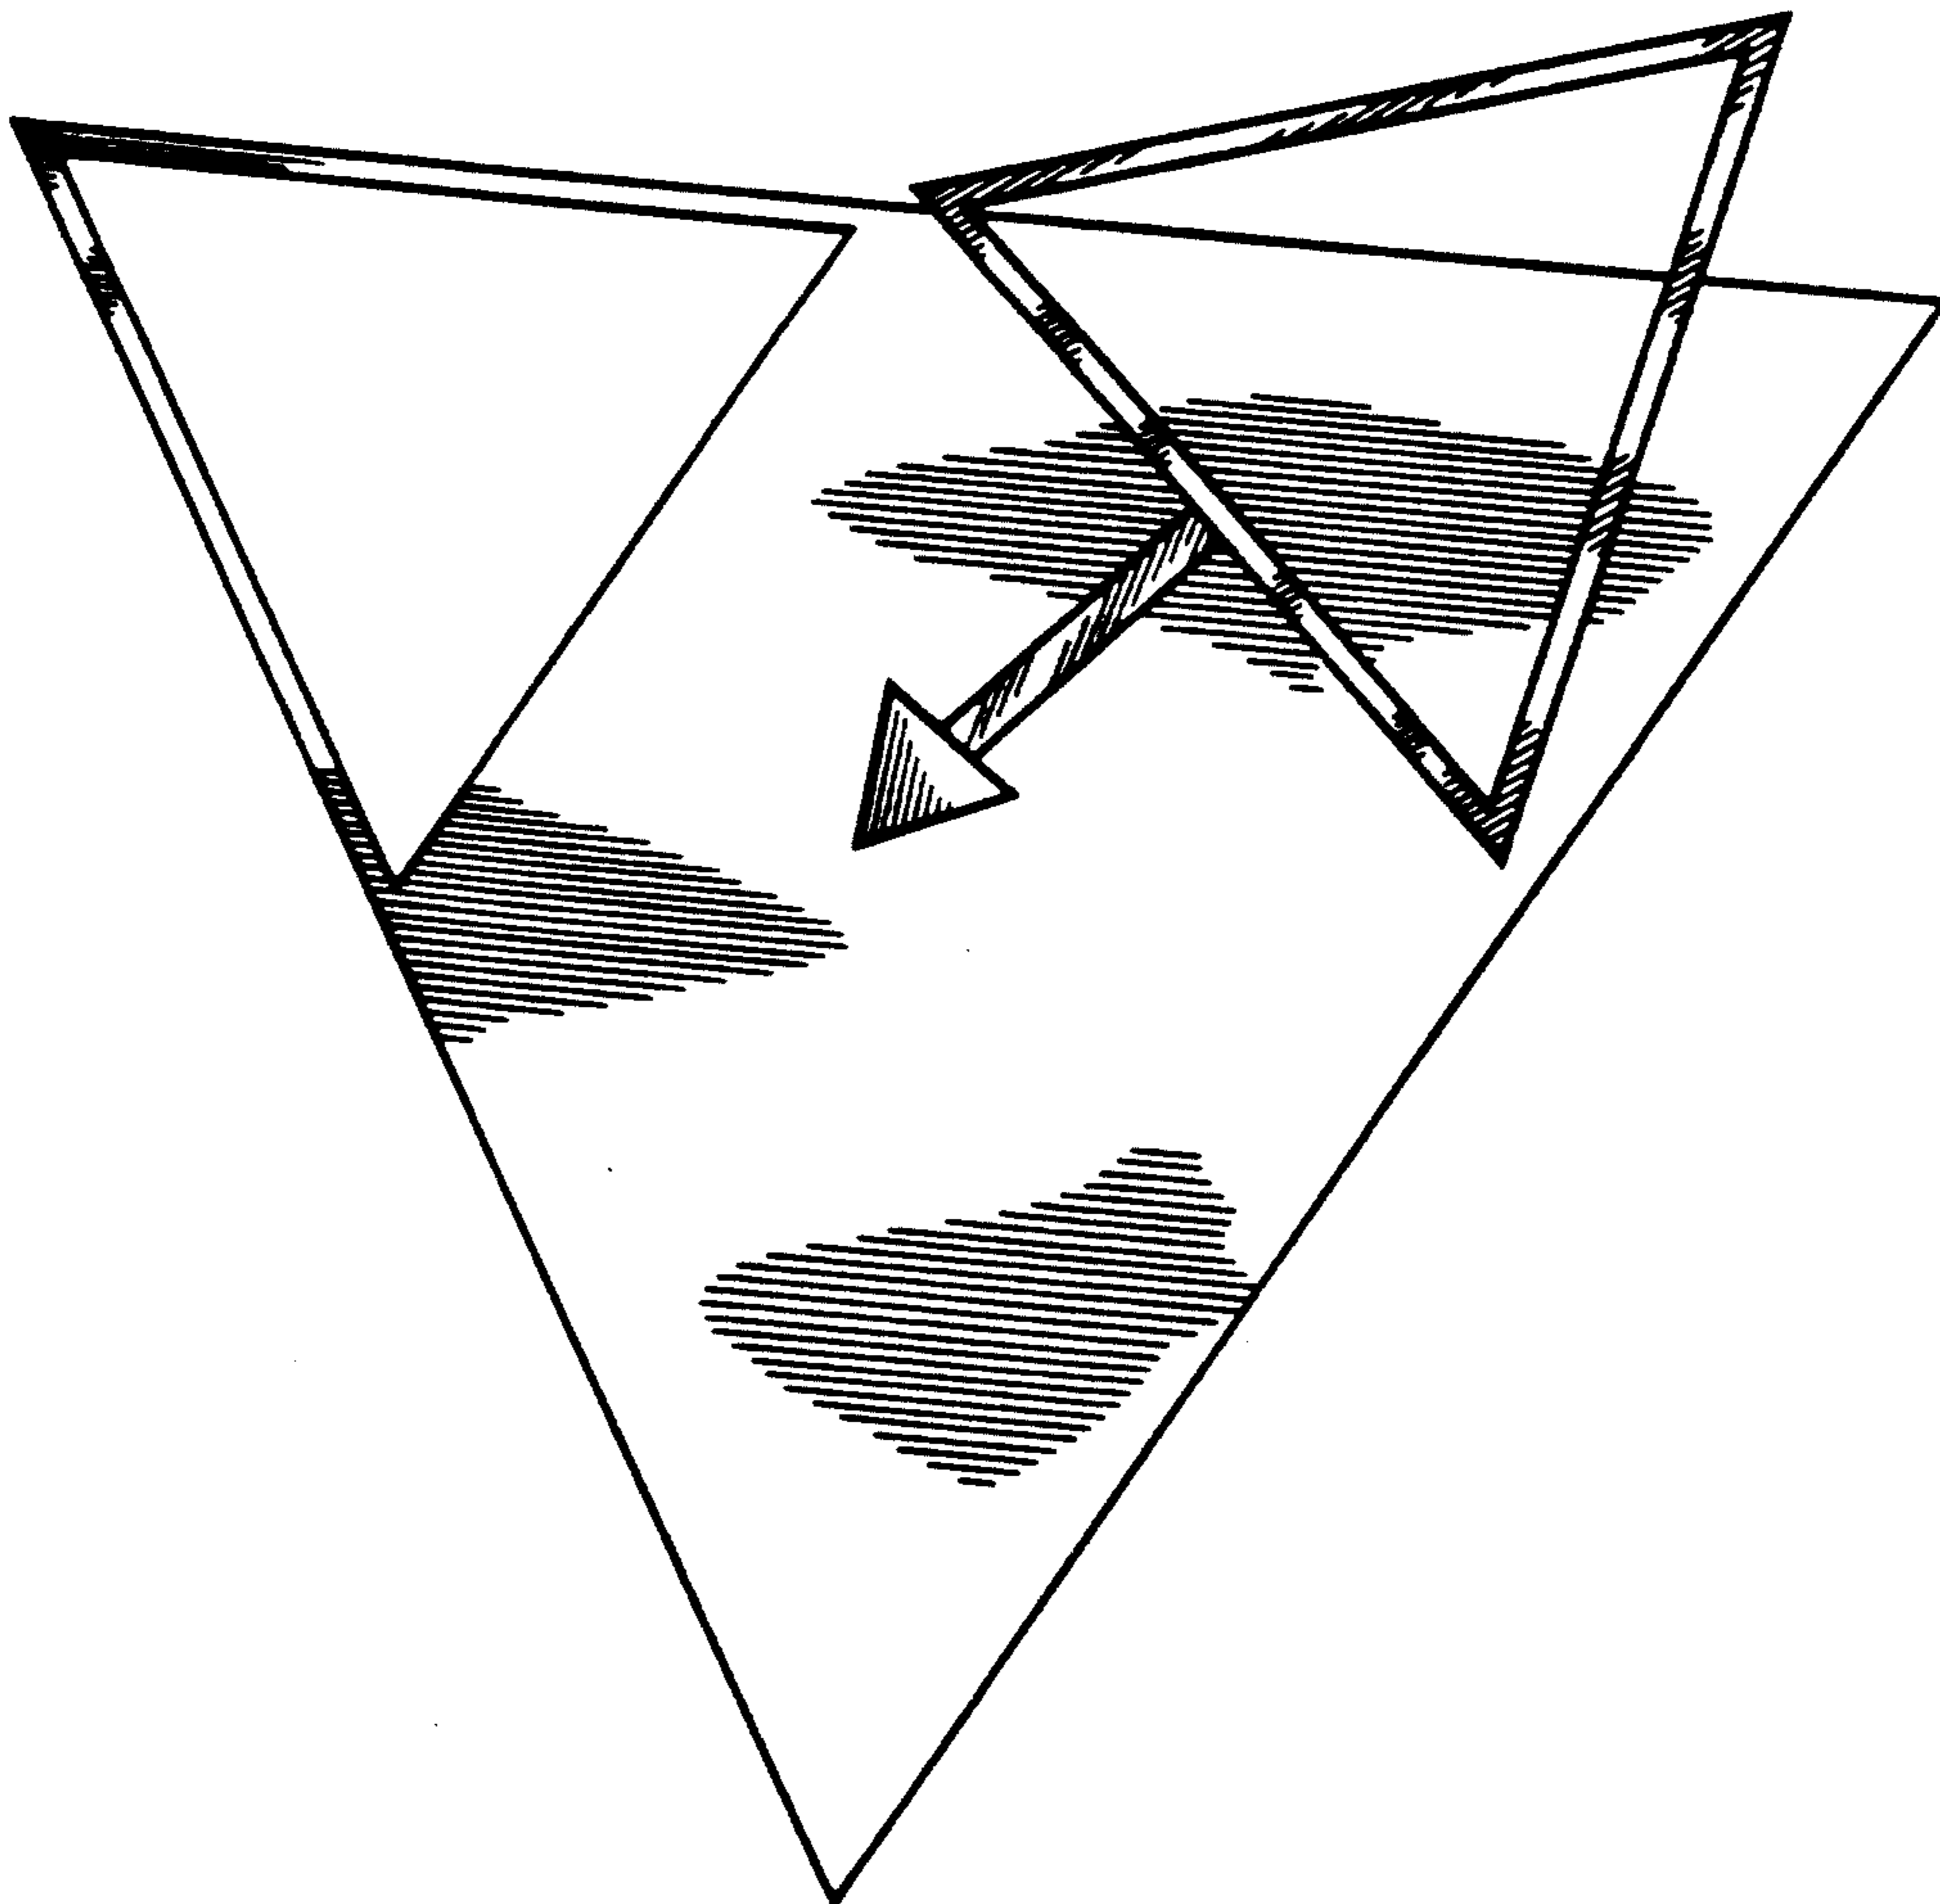

DESCRIPTION

FIG. 1 is a front elevational view of a wall clock showing my new design;

FIG. 2 is a right side elevational view thereof, the left side being substantially a mirror image thereto; and,

FIG. 3 is a right side elevational view of my new design, the top, bottom, and left side views being substantially similar thereto.

The rear of the claimed design is substantially plain and unornamented and has thereon a conventional clock mechanism.

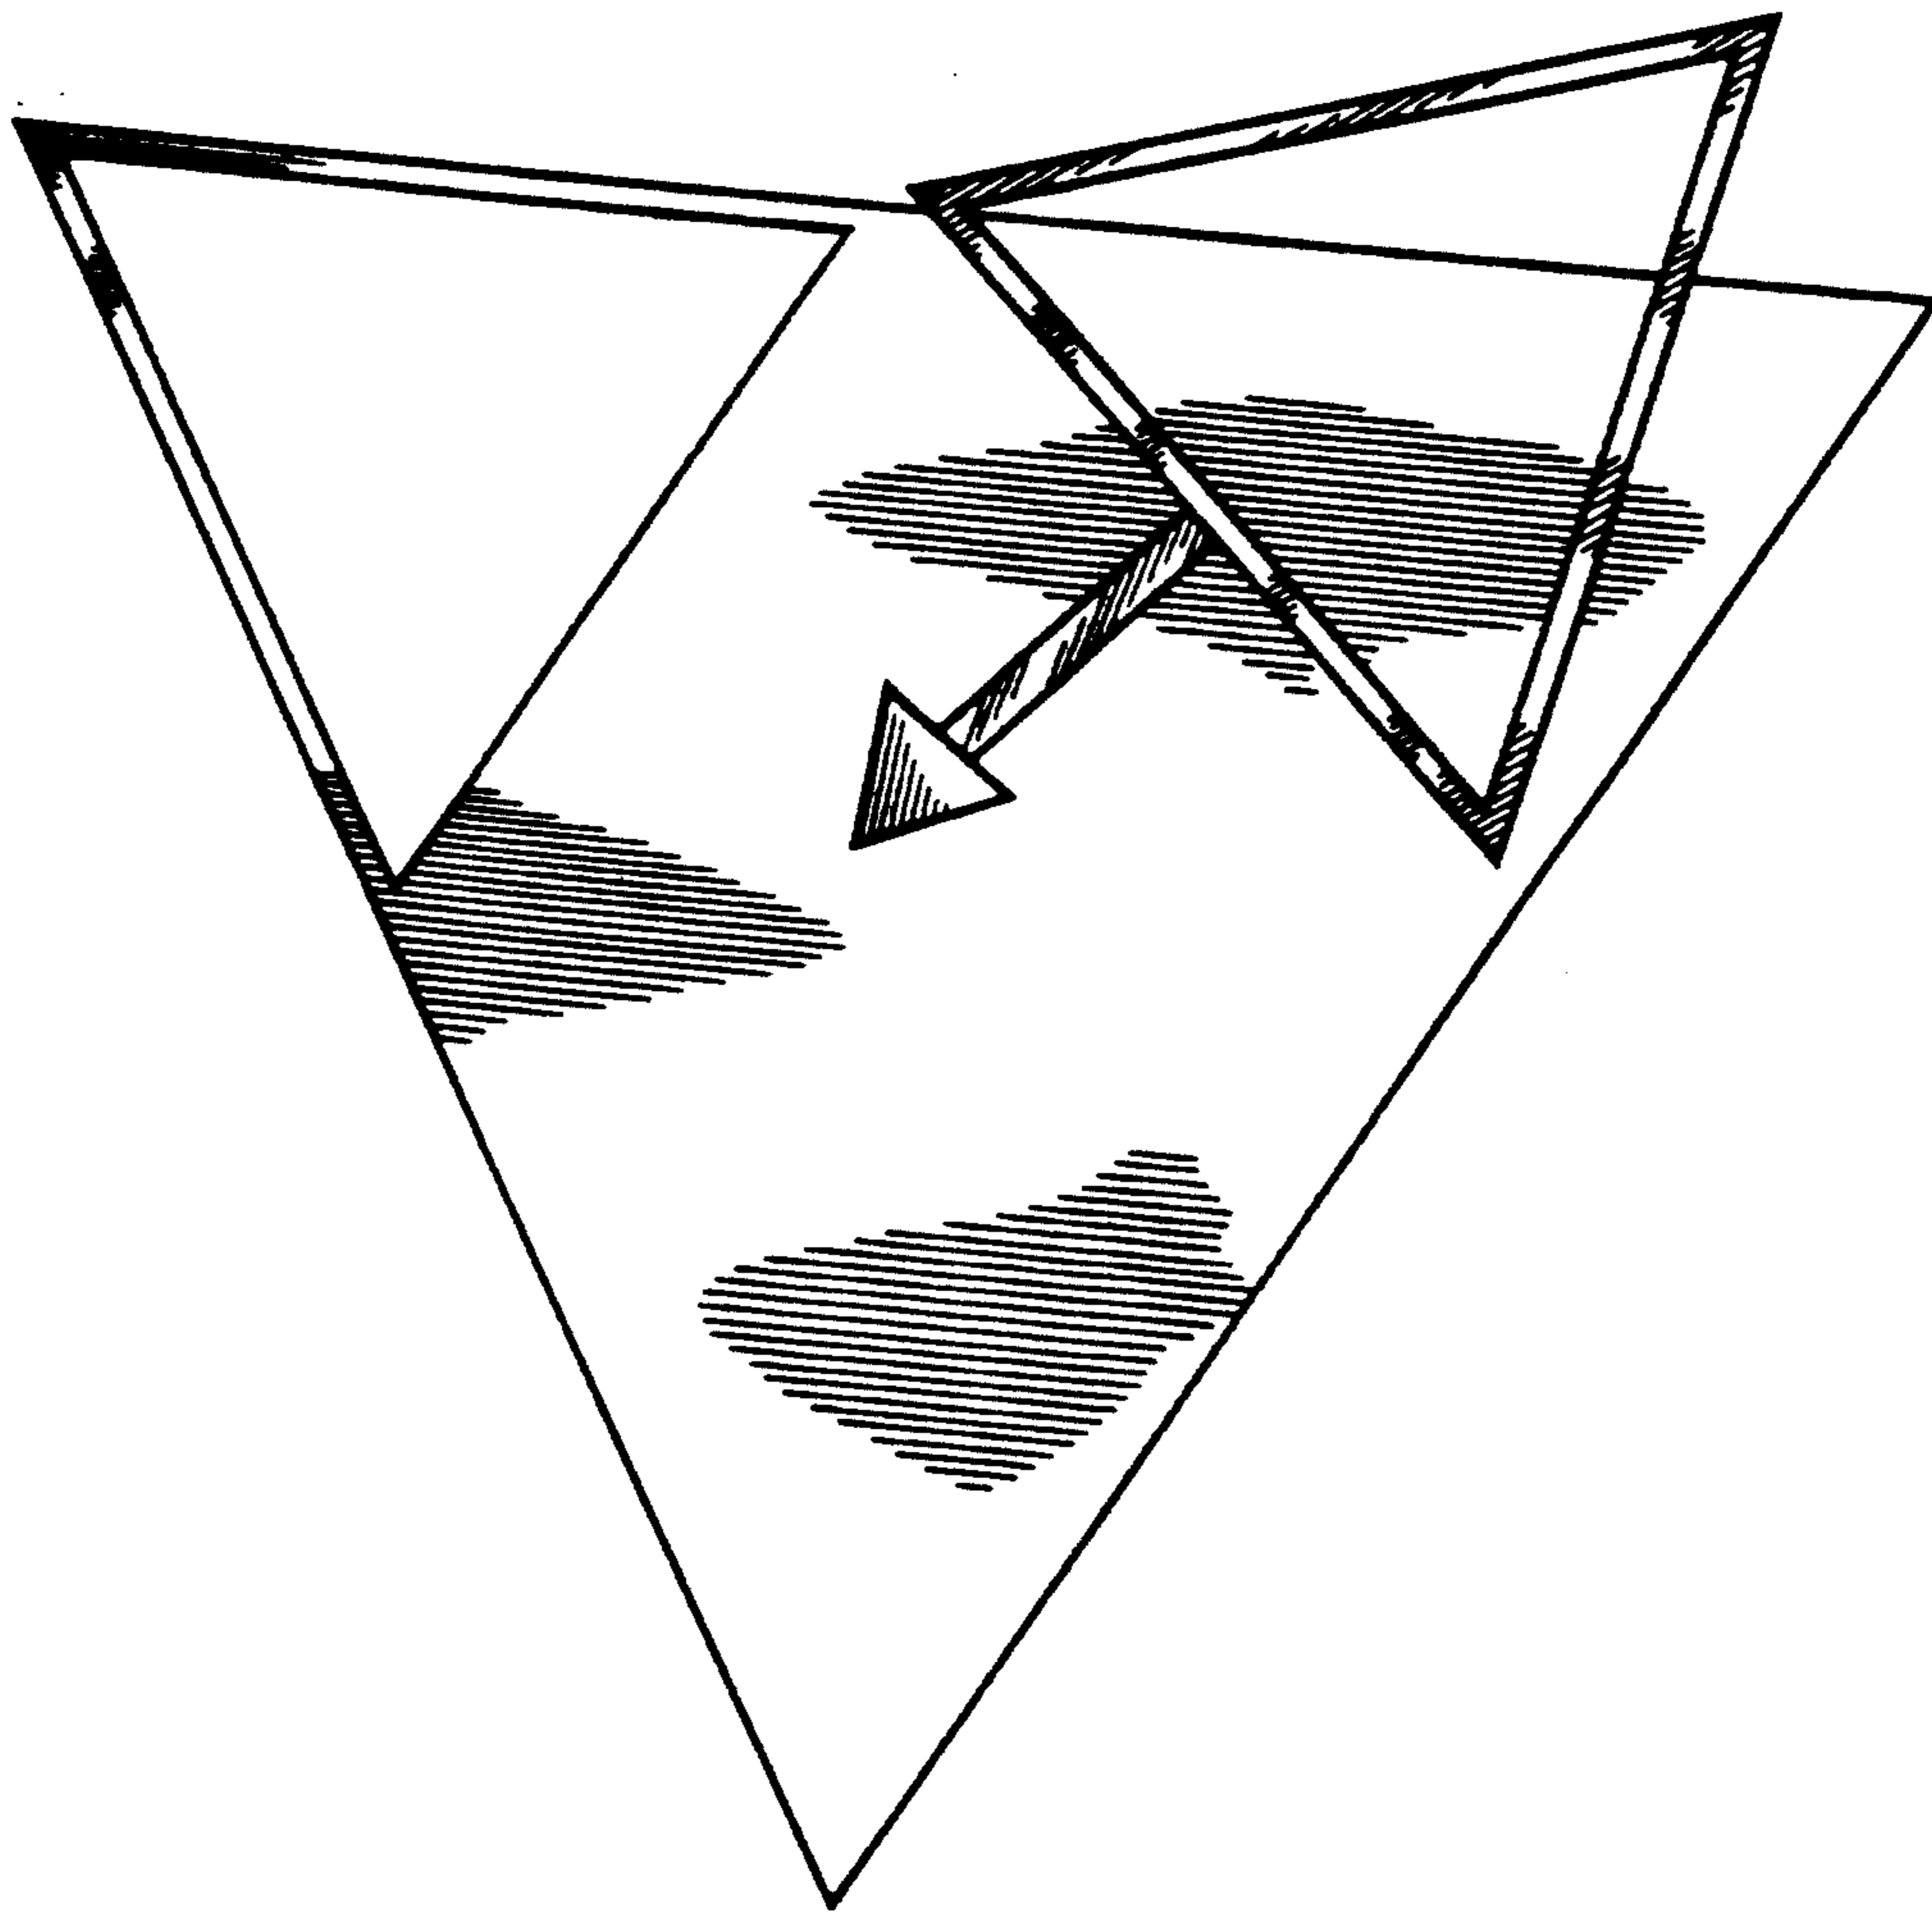

FIG. 1

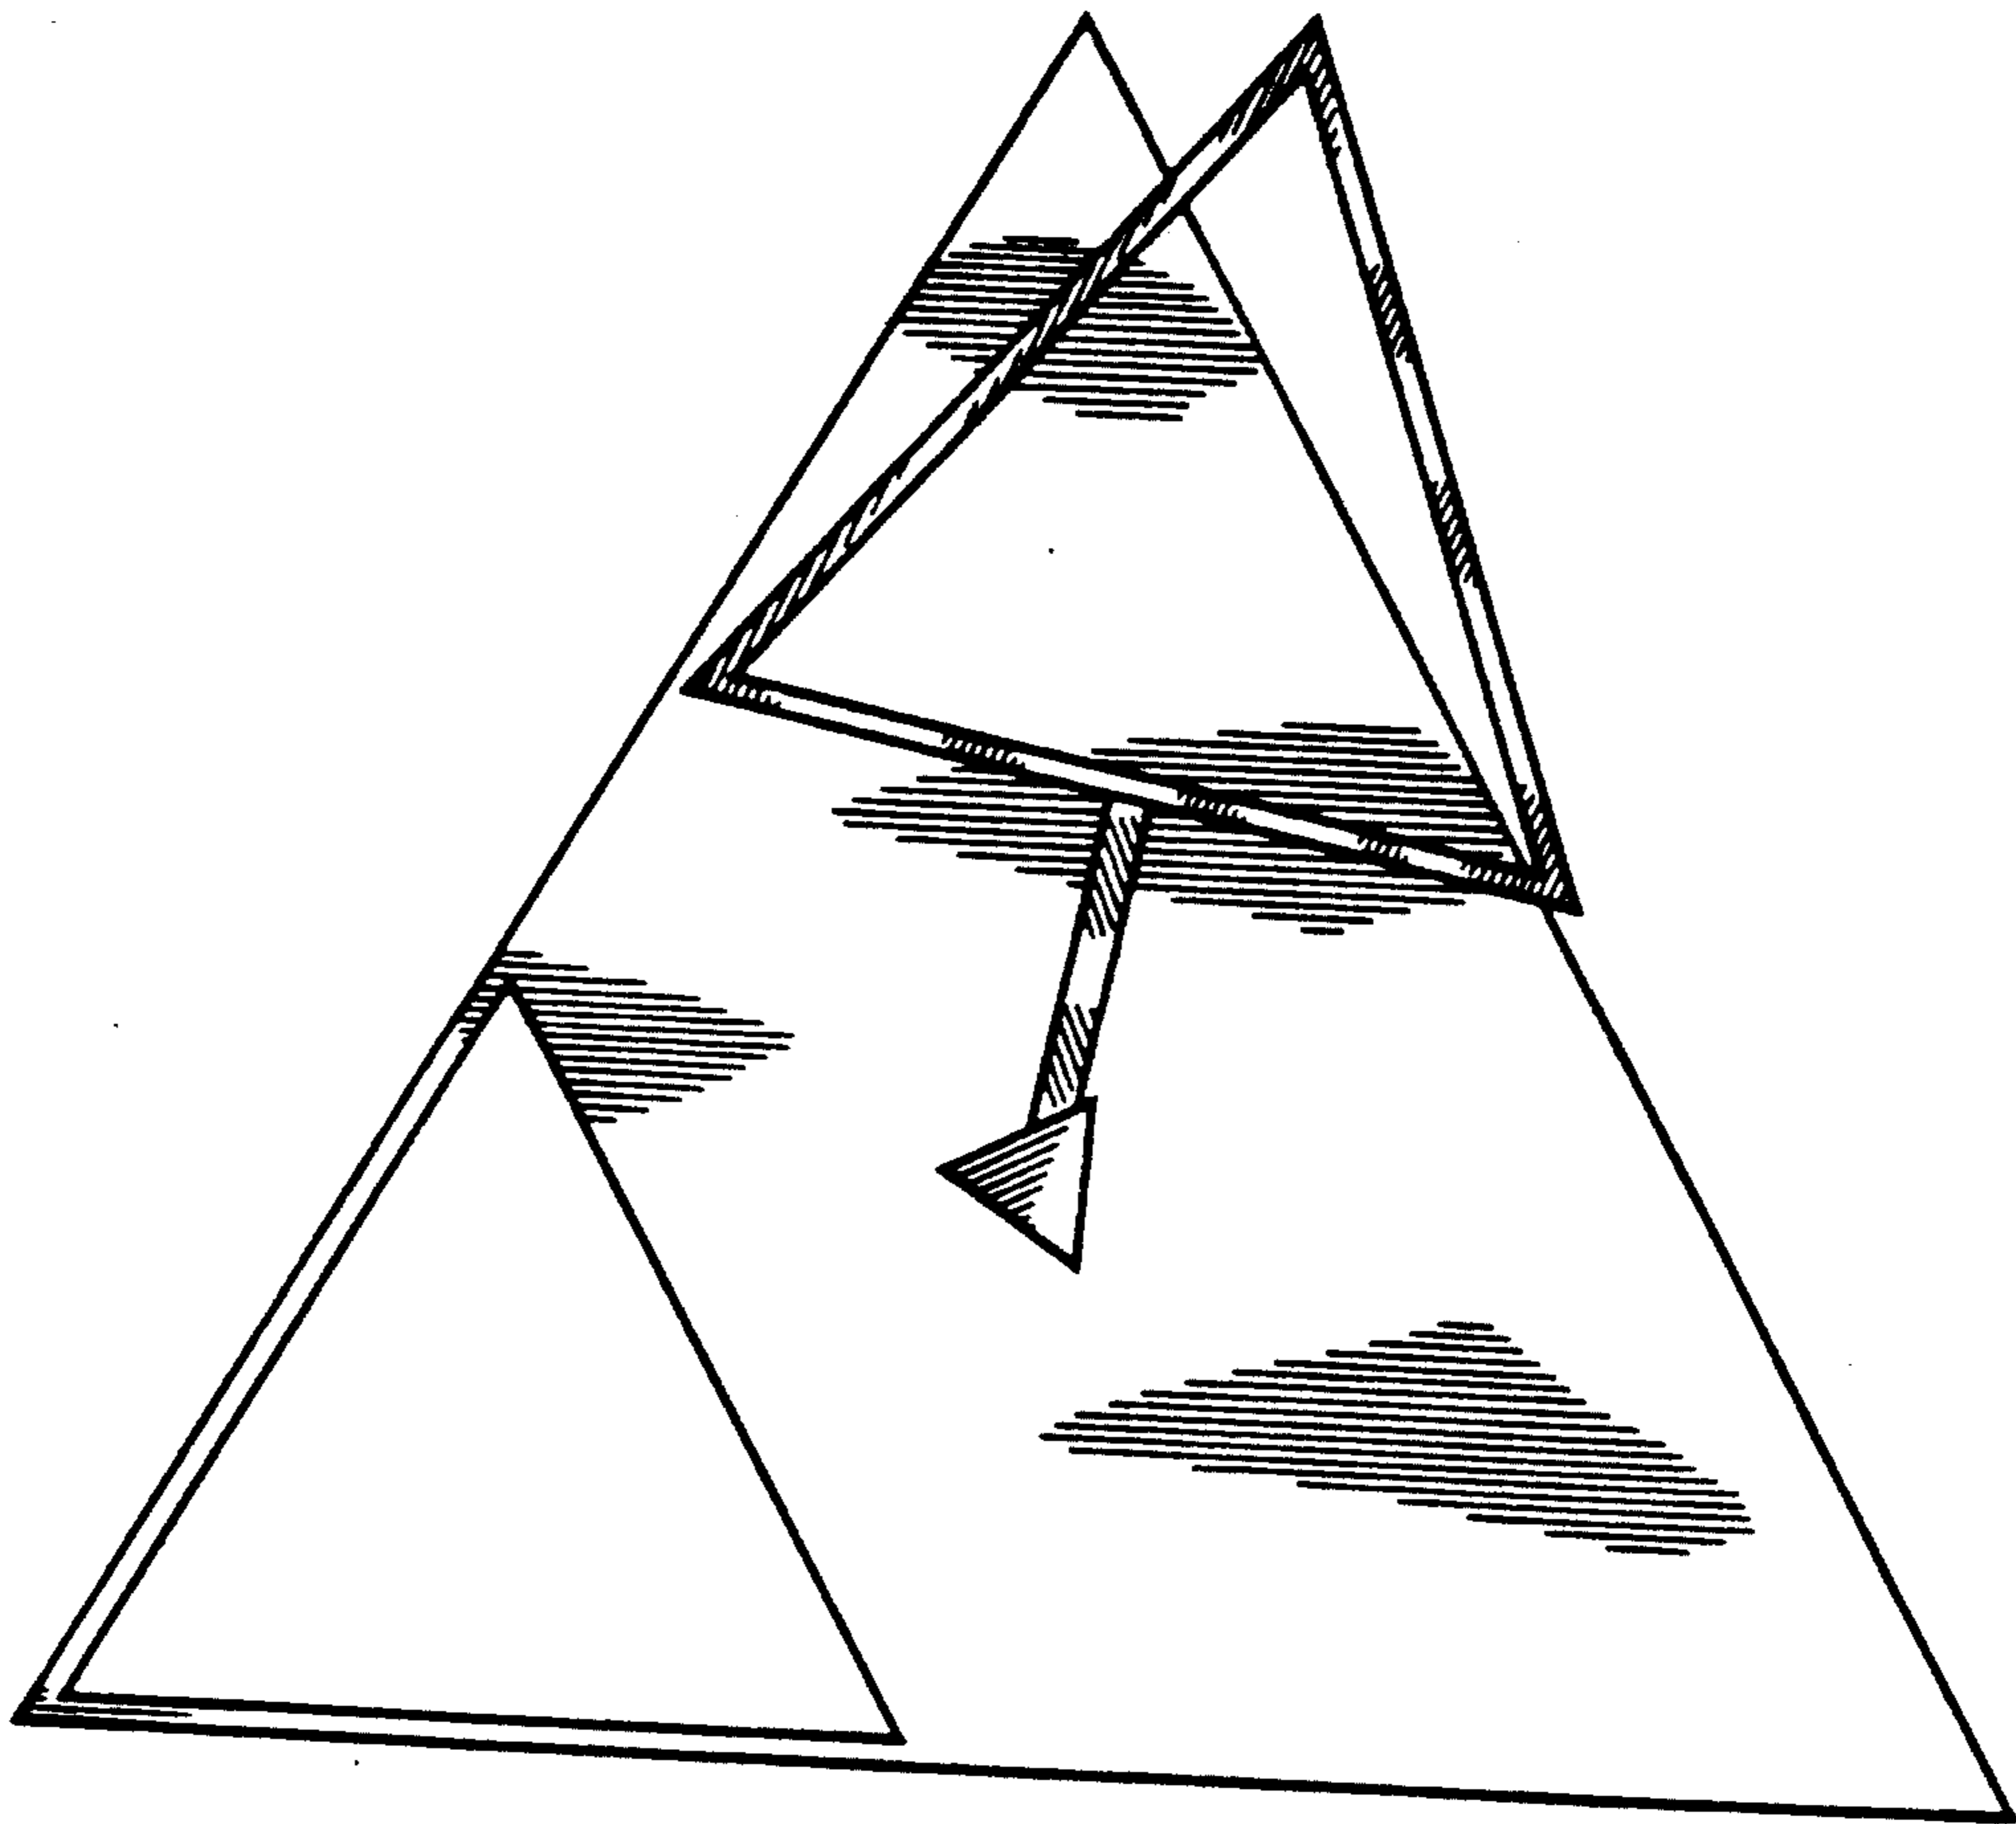

FIG. 2

FIG. 3
