[57] CLAIM

The ornamental design for a combined post and cap, as shown and described.

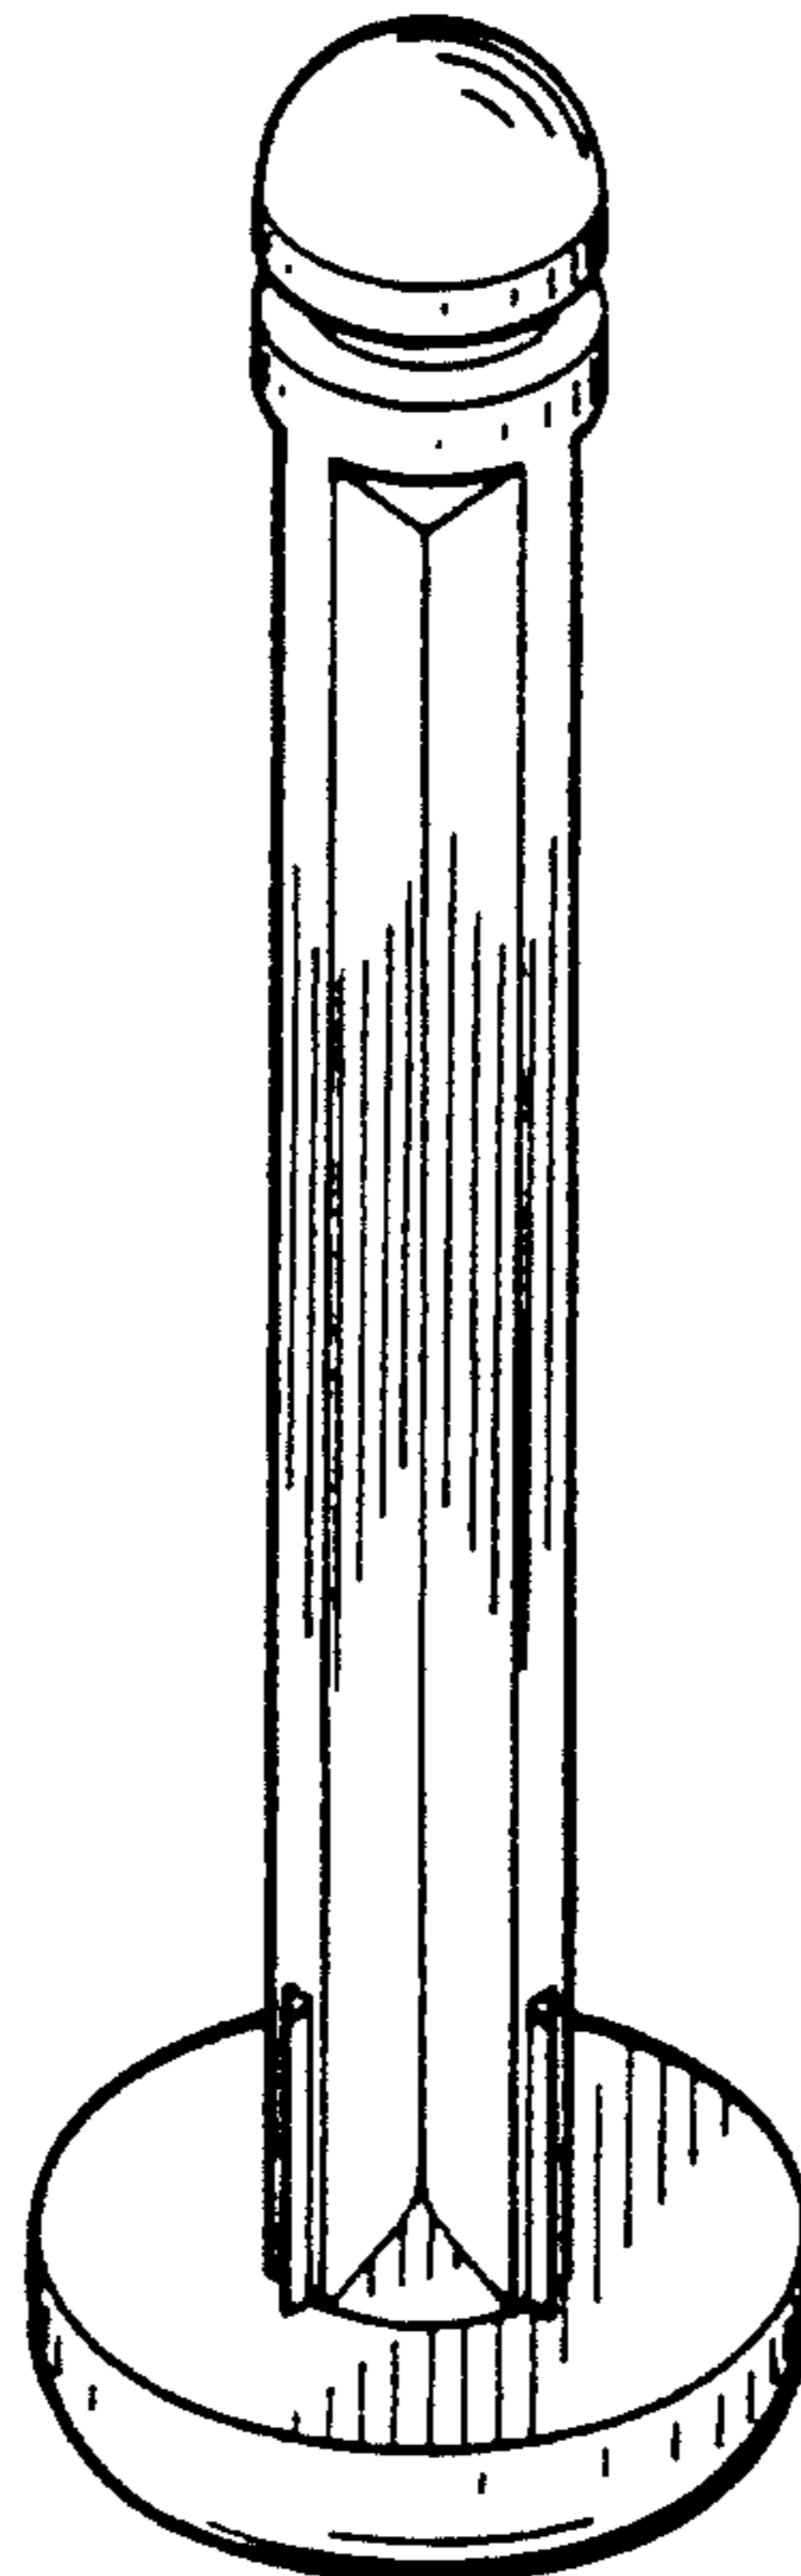

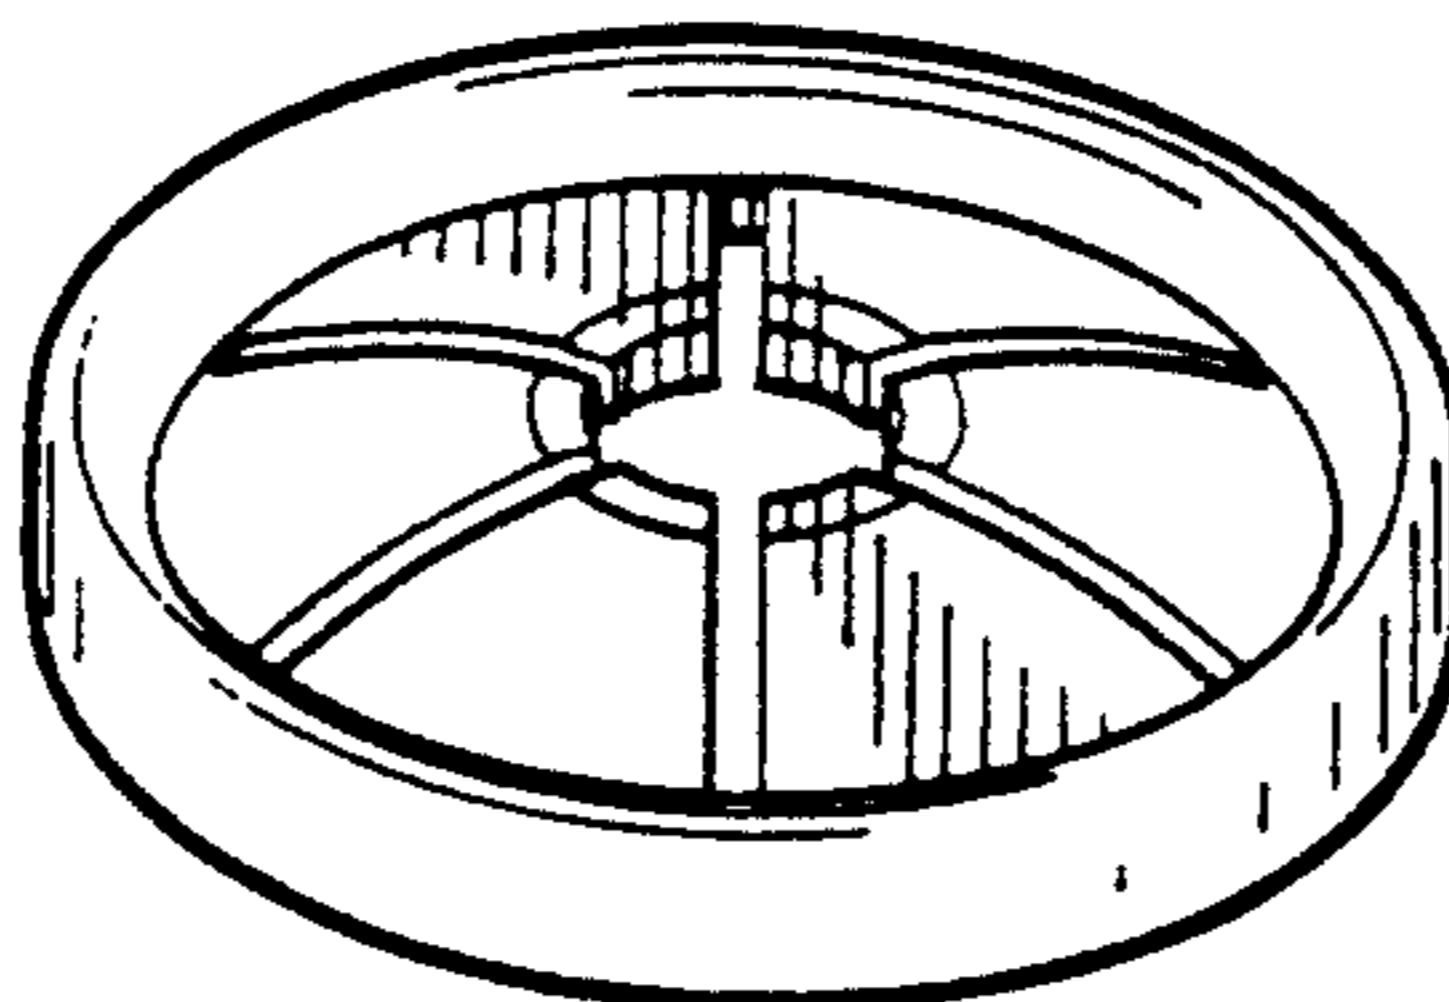

DESCRIPTION

FIG. 1 is a perspective view of the combined post and cap showing the top and side view of my new design; FIG. 2 is a side elevational view of the new design which is radially symmetric so that all sides are shown thereon;

FIG. 3 is a bottom plan view thereof; and, FIG. 4 is a bottom plan view of the cap portion alone, which is not otherwise shown in the other views.
