[57] **CLAIM**

The ornamental design for a fruit and produce container, as shown and described.

DESCRIPTION

FIG. 1 is a front upper perspective view of the fruit and produce container of the present invention showing my new design;
FIG. 2 is a rear bottom perspective view thereof;
FIG. 3 is a front upper perspective view with the lid panels disposed in an open configuration; and,
FIG. 4 is an enlarged cutaway view of one of the internal corners of the fruit and produce container of the present invention.
