[57] **CLAIM**

The ornamental design for a disposable medical gown, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a disposable medical gown showing my new design; FIG. 2 is a rear elevational view thereof; FIG. 3 is a right side elevational view thereof, the left side being a mirror image; and, FIG. 4 is a perspective view thereof shown in the condition of use, the broken lines partially showing a human figure being for illustrative purposes only and forming no part of the claimed design.
