[57] **CLAIM**

The ornamental design of a service station island, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a service station island, showing my new design;
FIG. 2 is a front elevational view thereof, the rear elevational view being a mirror image thereof;
FIG. 3 is a side elevational view thereof, the other side elevational view being a mirror image thereof; and,
FIG. 4 is a top plan view thereof, taken along line 4—4 of FIG. 3 the bottom being plain and unadorned.
The broken line disclosure of gasoline pumps in FIGS. 2 and 3 is for illustrative purposes only to show that gasoline pumps may be similarly positioned, and forms no part of the claimed design.
