## [57] CLAIM

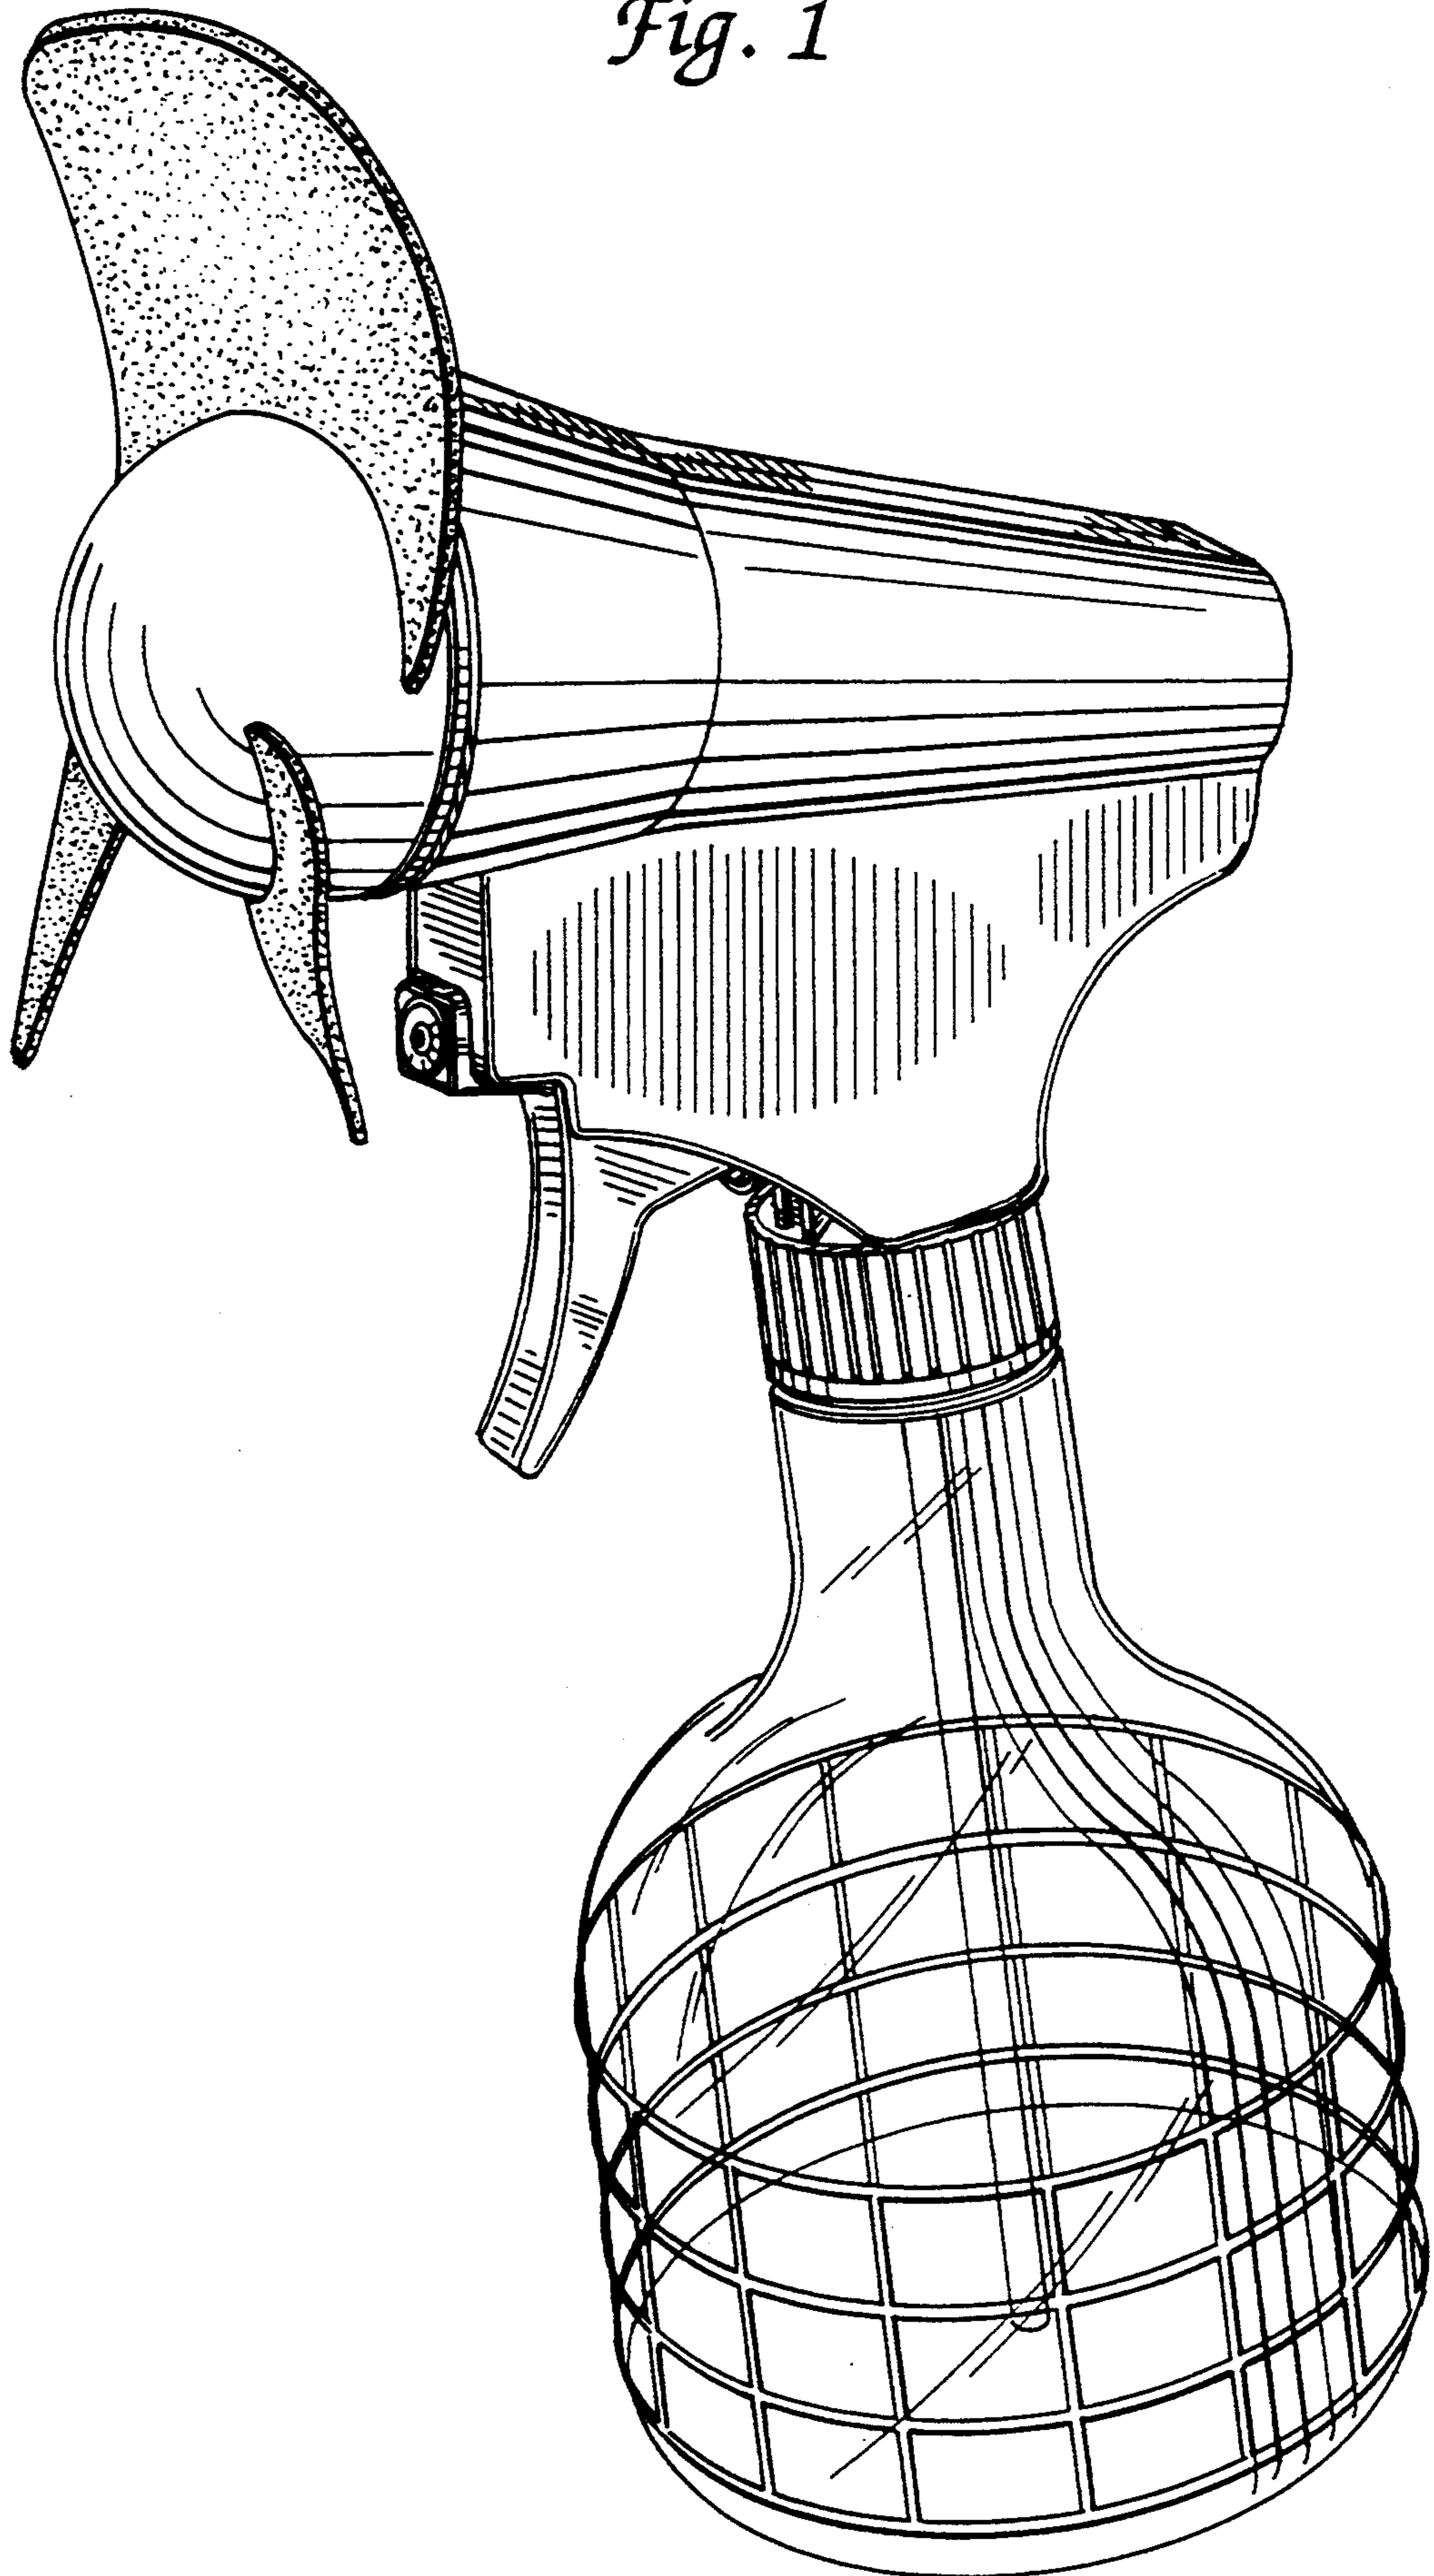

The ornamental design for a combined portable fan and spray bottle, as shown and described.

## DESCRIPTION

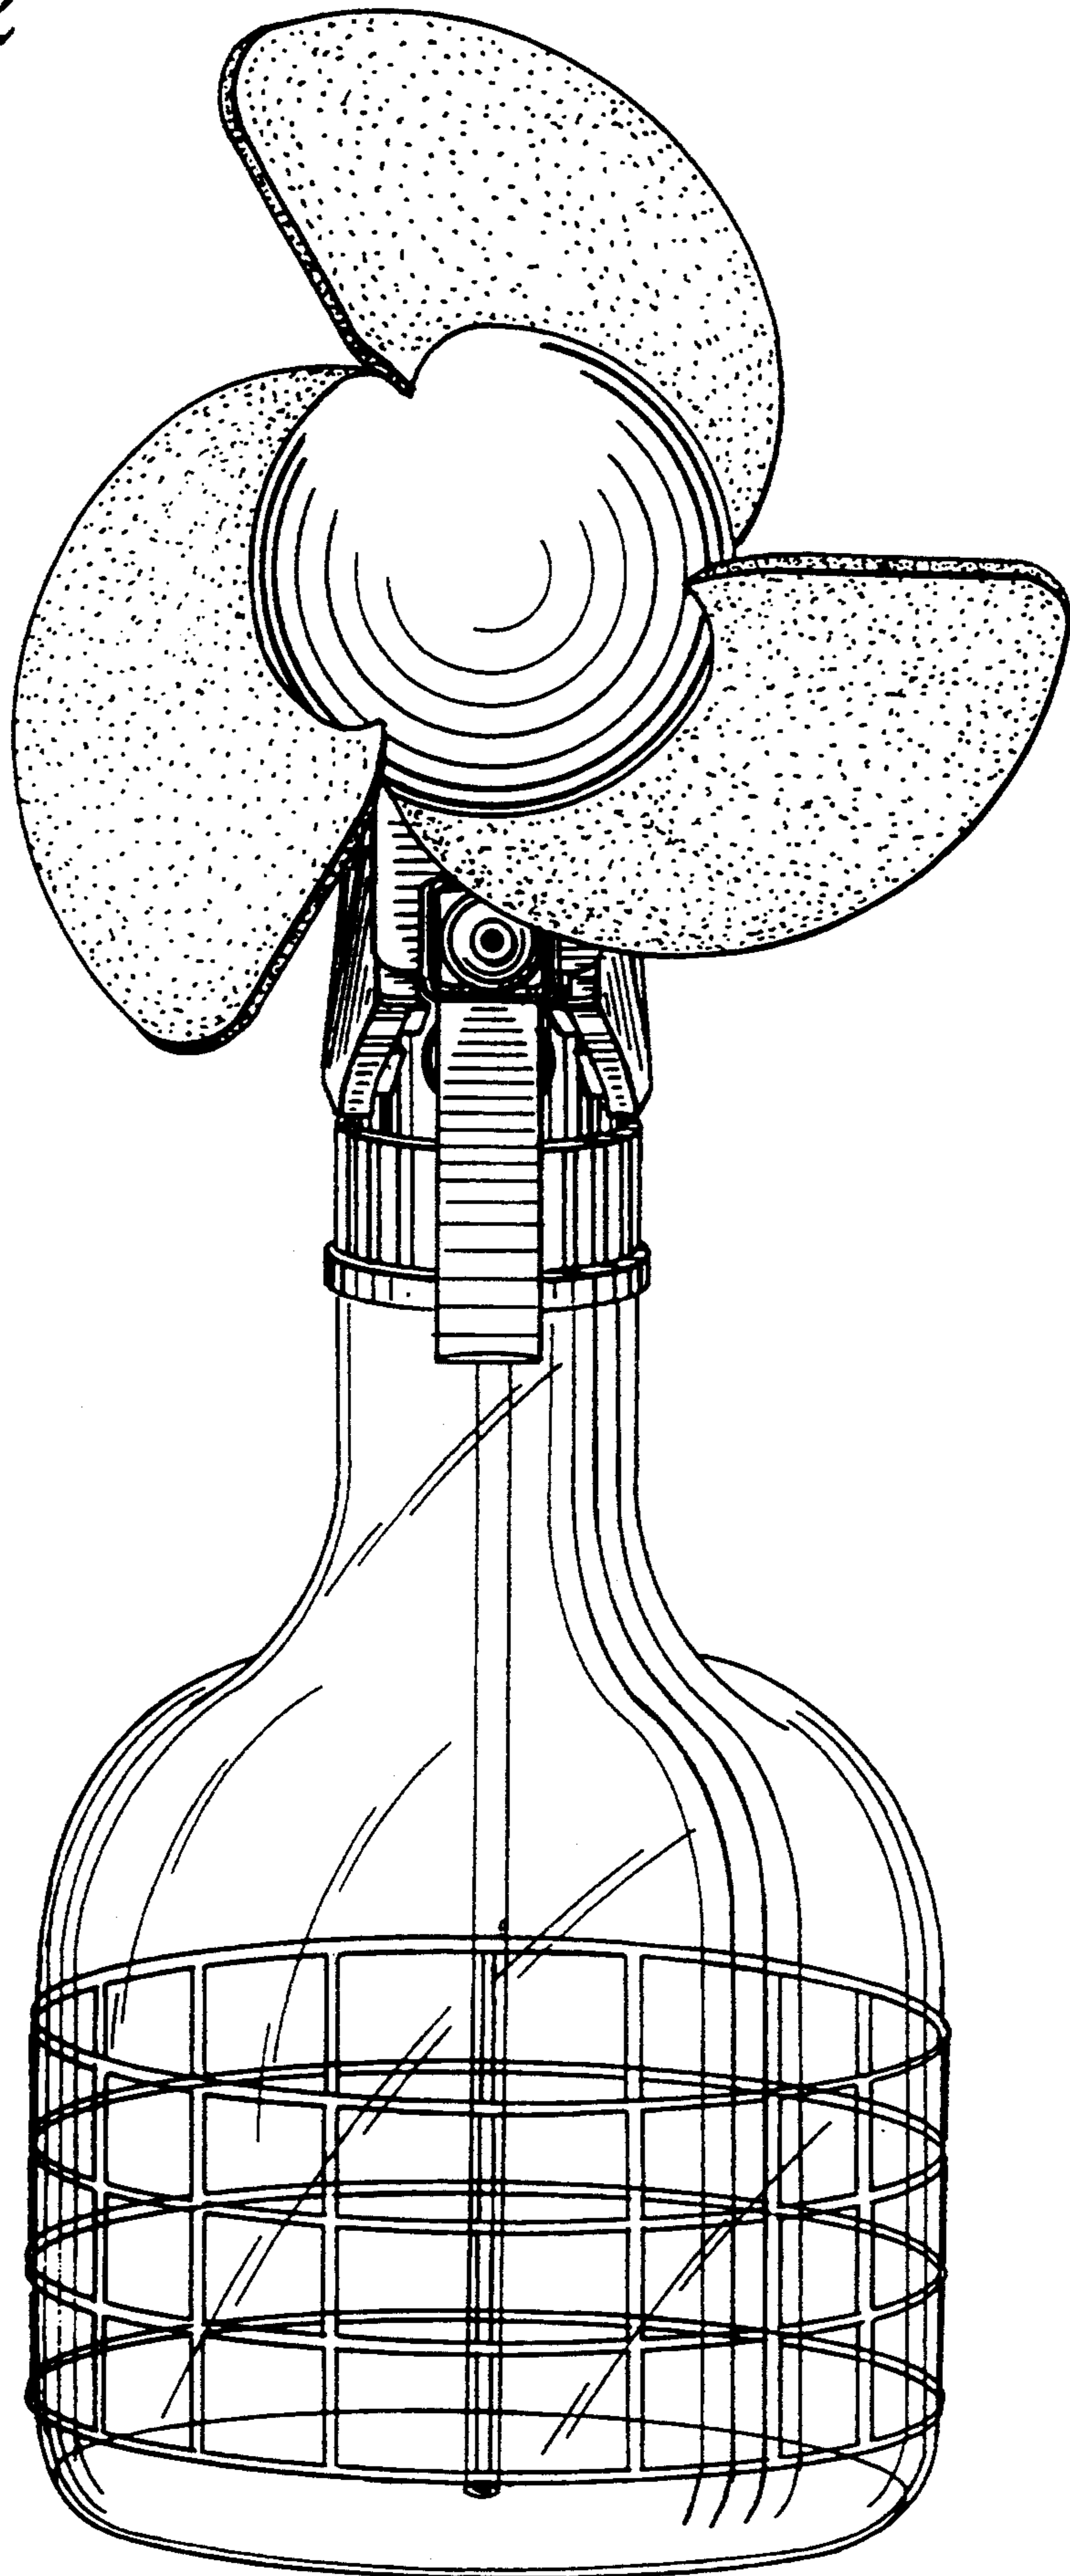

FIG. 1 is a front perspective view of the combined portable fan and spray bottle;  
FIG. 2 is a front elevational view of the combined portable fan and spray bottle of the present invention;  
FIG. 3 is a side elevational view of the portable misting fan of the present invention, the opposite side being a mirror of that shown;  
FIG. 4 is a rear elevational view of the combined portable fan and spray bottle of the present invention;  
FIG. 5 is a top view of the combined portable fan and spray bottle of the present invention; and,  
FIG. 6 is a bottom view of the combined portable fan and spray bottle of the present invention.
