[57] CLAIM

The ornamental design for a printer for an electronic computer, as shown and described.

DESCRIPTION

FIG. 1 is a left side, top and front perspective view of a printer for an electronic computer showing our new design;

FIG. 2 is a right side, top and rear perspective view thereof;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a bottom view thereof;

FIG. 7 is a left side elevational view thereof;

FIG. 8 is a right side elevational view thereof;

FIG. 9 is a perspective view in which all movable parts are open/extended;

FIG. 10 is a front, bottom and right side perspective view of the printer as a sheet holder is extended; and,

FIG. 11 is a perspective view of a sheet holder to show the inside.
