FIG. 1 is a front plan view of the Ace, King, Queen, and Jack of the four suits in a deck of coded playing cards for the card game of bridge, showing my new design; FIG. 2 is a front plan view of the numerical rank of the spade cards thereof; FIG. 3 is a fragmentary front plan view showing the top edge parts of the numerical ranks of the heart, diamond, and club cards thereof; and, FIG. 4 is a conventional rear elevational view thereof shown in broken lines for illustration purposes only. The characteristic feature of the design resides in the coded markings on the top and bottom of each card.
