## [57] CLAIM

The ornamental design for a footwear insole, as shown.

## DESCRIPTION

FIG. 1 is an isometric view of a footwear insole embodying my design showing the bottom surface, the second end, and the second edge;

FIG. 2 is a top plan view showing the top surface of the insole of FIG. 1;

FIG. 3 is a side elevational view showing the second edge of the insole of FIG. 1;

FIG. 4 is an end elevational view showing the first end of the insole of FIG. 1;

FIG. 5 is a side elevational view showing the first edge of the insole of FIG. 1;

FIG. 6 is a bottom plan view showing the bottom surface of the insole of FIG. 1; and,

FIG. 7 is an end elevational view showing the first end of the insole of FIG. 1.

FIG. 1.

FIG. 2.

FIG. 3.

FIG. 4.

FIG. 5.

FIG. 6.

FIG. 7.
