[57] **CLAIM**

The ornamental design for a right angle valve end connection, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the right angle valve end connection of the instant invention;
FIG. 2 is a top, plan view of the right angle valve end connection of the instant invention;
FIG. 3 is a bottom, plan view of the right angle valve end connection of the instant invention;
FIG. 4 is one side, elevational view of the right angle valve end connection of the instant invention. The opposite side, elevational view is the same;
FIG. 5 is one end, elevational view of the right angle valve end connection of the instant invention; and,
FIG. 6 is the opposite end, elevational view of the right angle valve end connection of the instant invention.

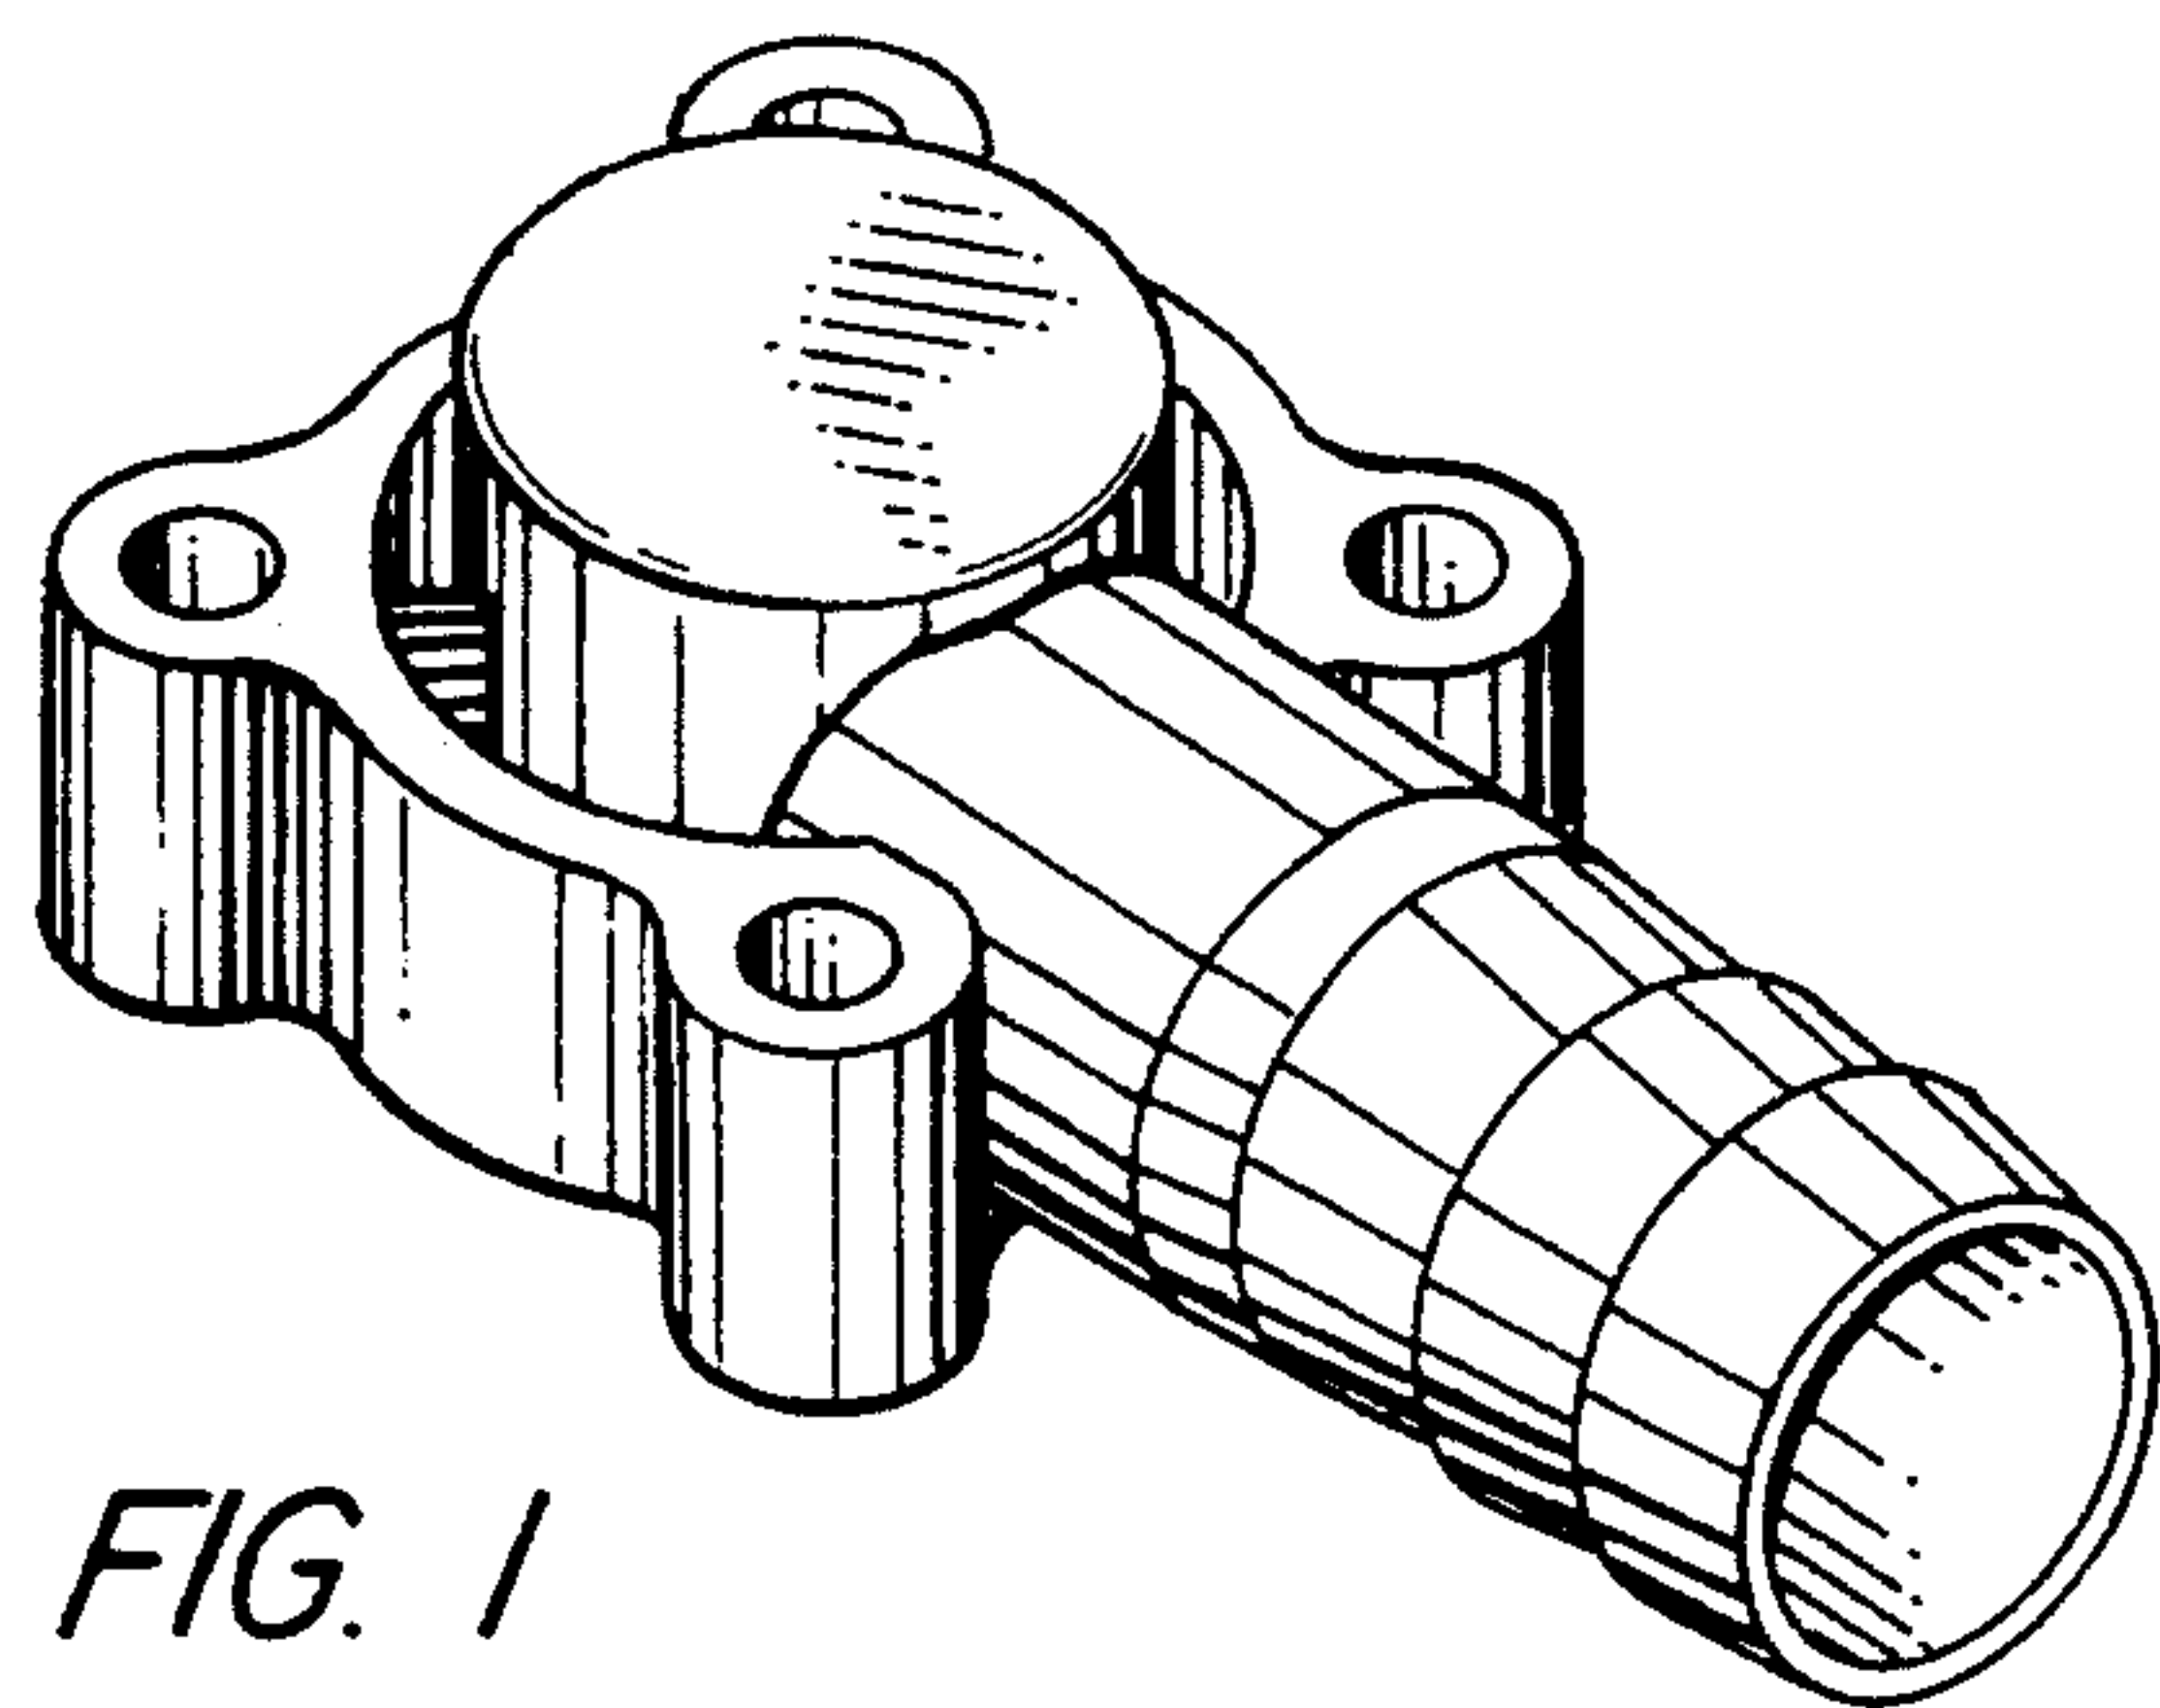

FIG. 1

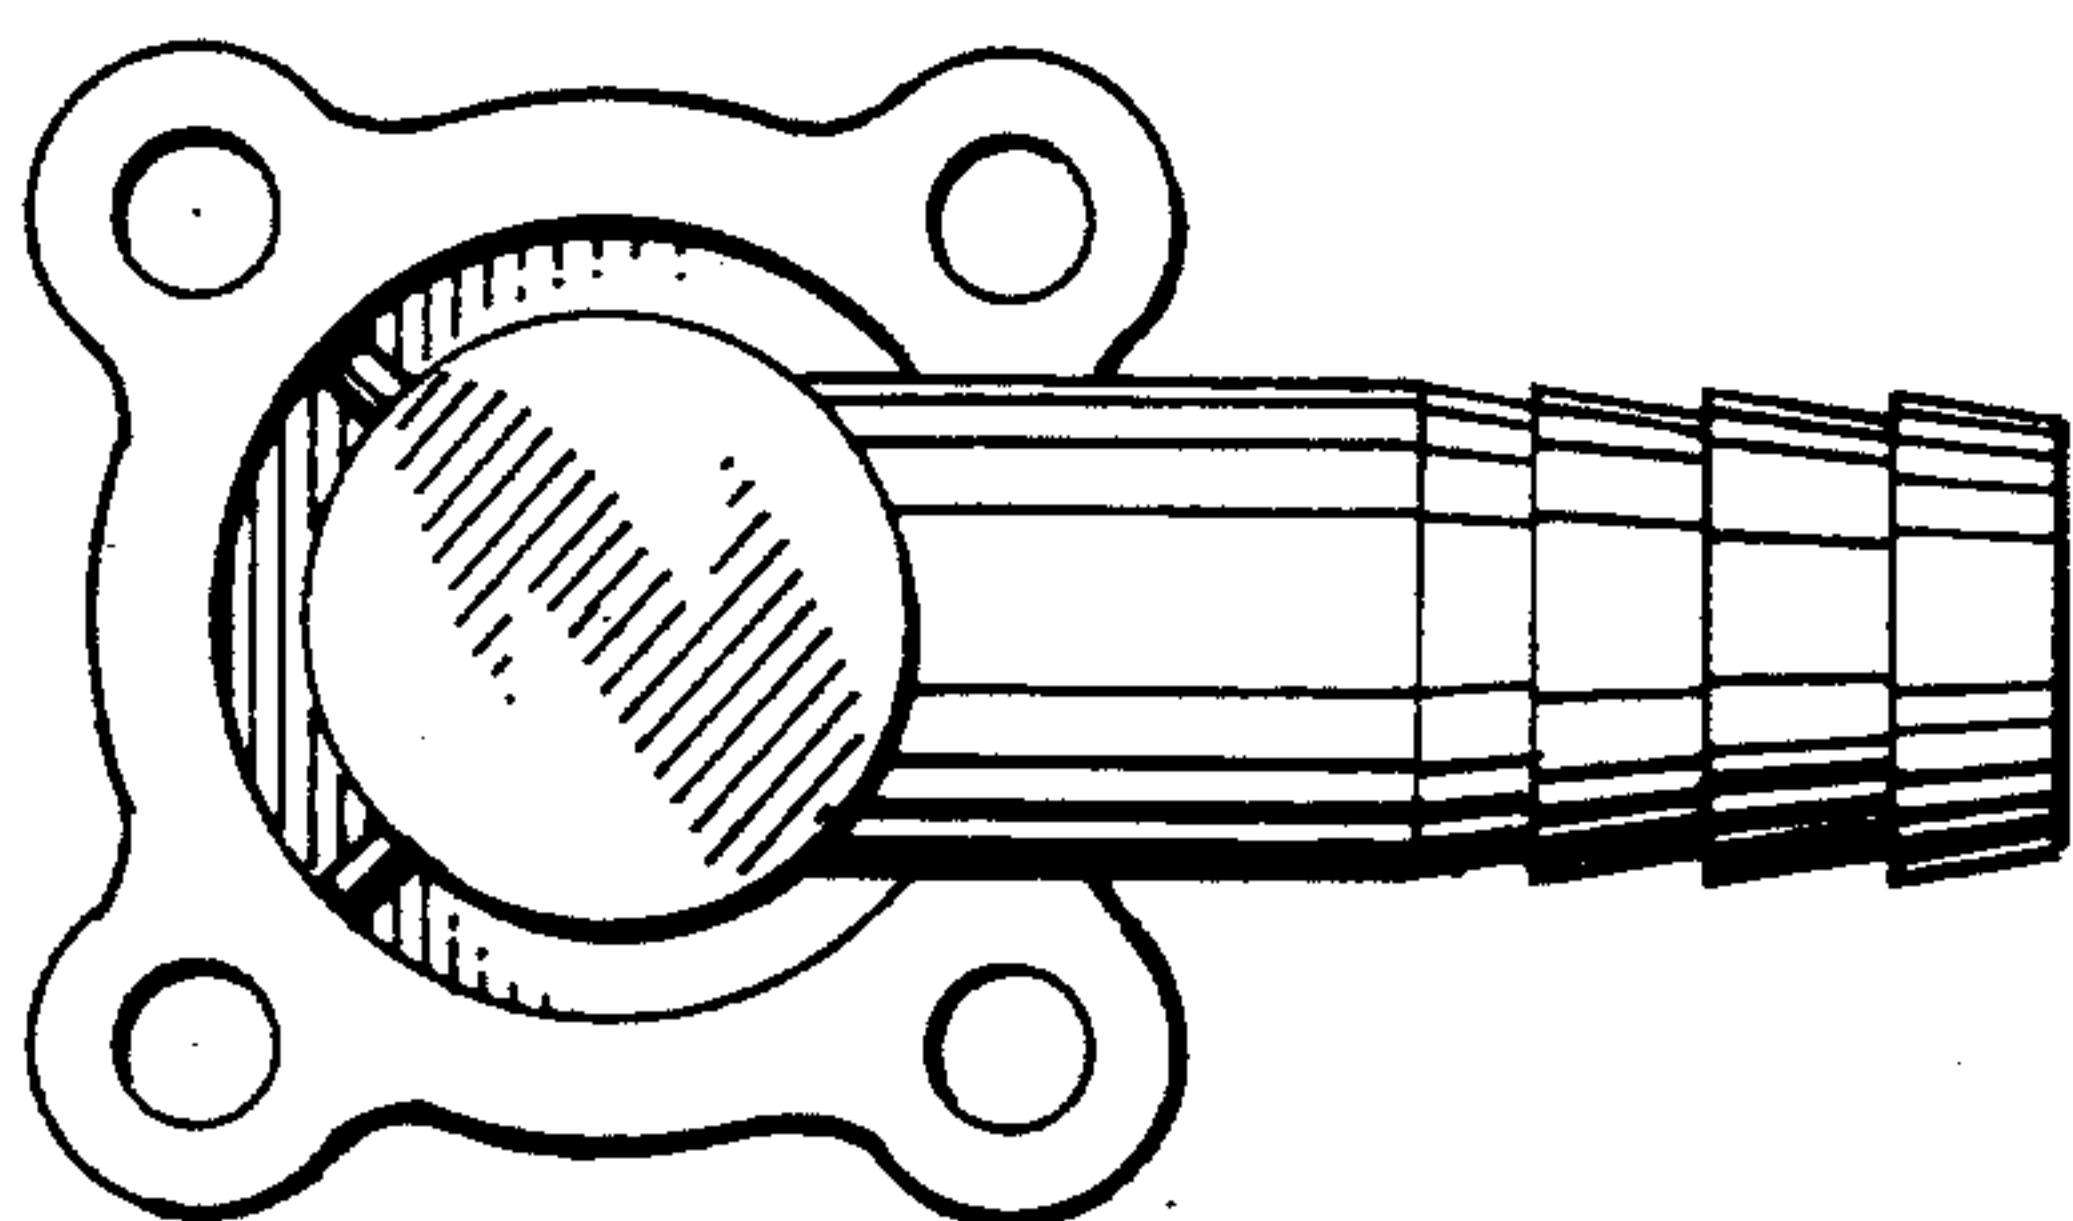

FIG. 2

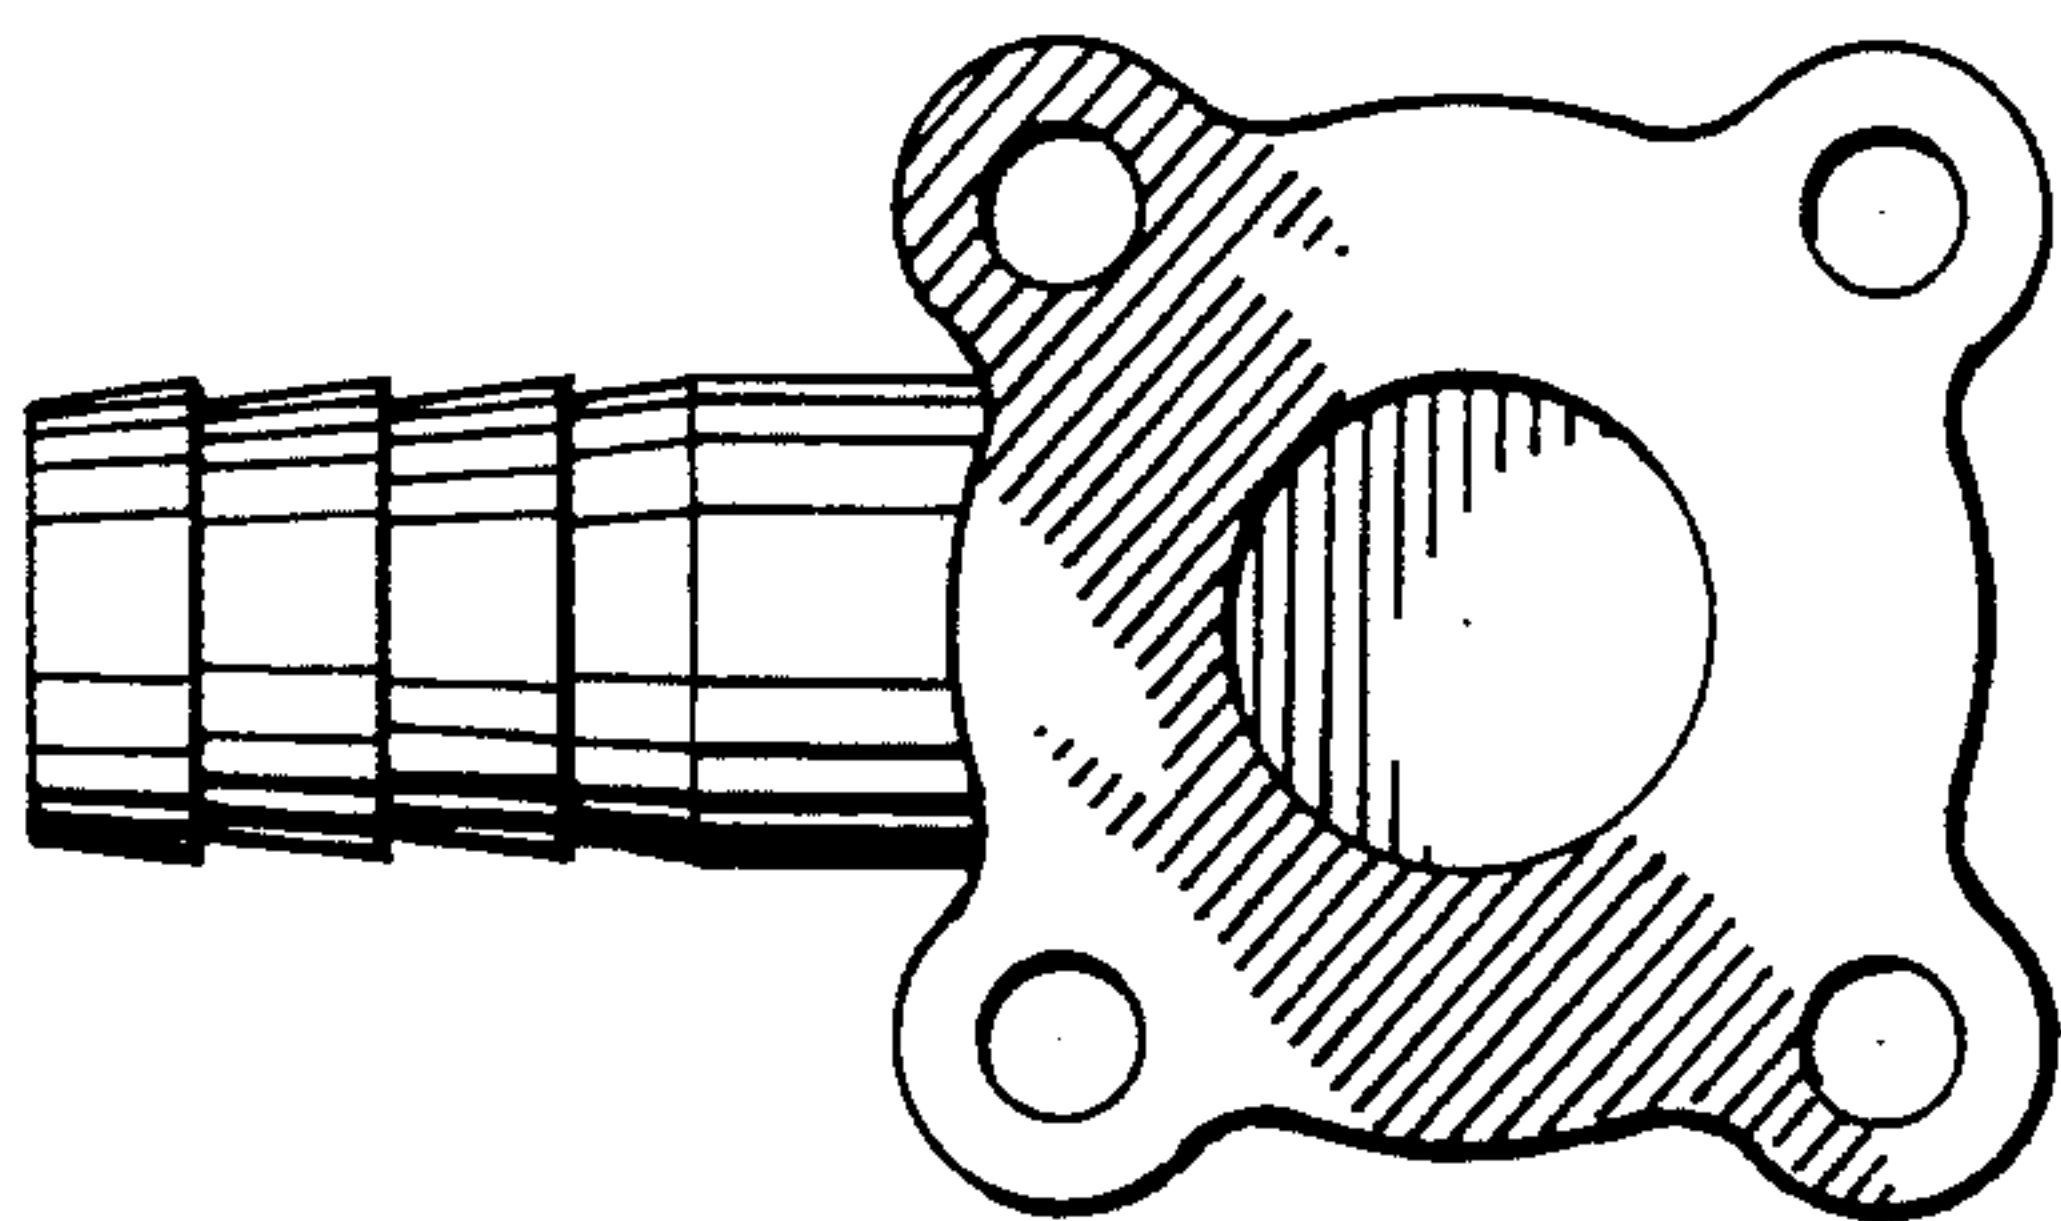

FIG. 3

FIG. 4

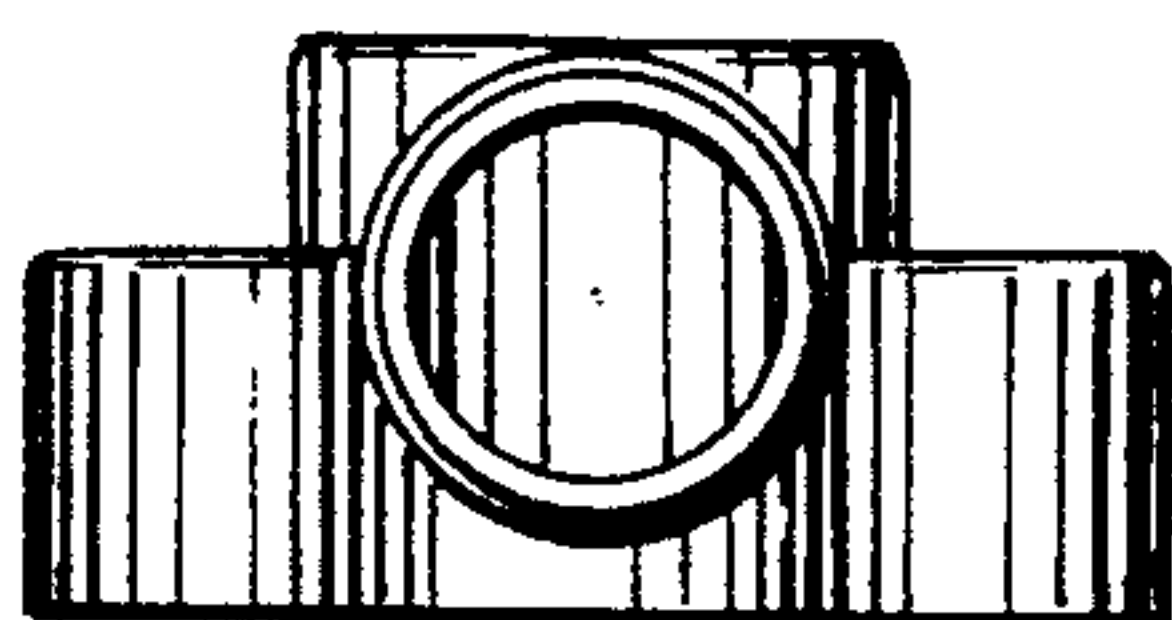

FIG. 5

FIG. 6
