[57] CLAIM

The ornamental design for an industrial catalytic converter, as shown and described.

DESCRIPTION

FIG. 1 is an isometric projection view of my design showing my industrial catalytic converter; FIG. 2 is a front elevational view of my design; FIG. 3 is a top plan view thereof; FIG. 4 is a right-side elevational view thereof, the left-side elevational view being identical thereto; FIG. 5 is a rear elevational view thereof; and, FIG. 6 is a bottom plan view thereof.
