[57] **CLAIM**

The ornamental design for an automobile, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of an automobile constructed in accordance to the teachings of the present design, it being understood that the opposite side to that shown is a mirror image thereof;

FIG. 2 is a rear perspective view of the automobile shown in FIG. 1; and,

FIG. 3 is a front view of the automobile shown in FIG. 1.

The top or roof of the automobile is understood to be plain and unornamented.
