[57] CLAIM

The ornamental design for a hair band, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the hair band showing my new design in use;

FIG. 2 is a side elevational view showing in the non-use configuration, the side opposite being the same, a partially illustrated knit pattern being understood to continue throughout the region bounded by the broken lines;

FIG. 3 is a plan view, the side opposite being the same;

FIG. 4 is a perspective view of a second modified embodiment of the design shown in use;

FIG. 5 is a side elevational view shown in the non-use configuration, the side opposite being the same; the partially illustrated weave pattern being understood to continue throughout the region bounded by the broken lines; and,

FIG. 6 is a plan view thereof, the side opposite being the same.

The broken lines shown in the drawings of the human head form are for illustrative purposes only and form no part of the claimed design.
