[57] CLAIM

The ornamental design for the plug for an electrical cord, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a plug for an electrical cord showing our new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a left side elevational view thereof with the right side being a mirror image of the illustrated left side;

FIG. 5 is a front elevational view thereof; and,

FIG. 6 is a bottom plan view thereof.

The broken line showing of the strain reliever and cord in FIGS. 1, 2, 4 and 6 is included for the purpose of illustrating environmental structure only and forms no part of the claimed design.
