[57] **CLAIM**

The ornamental design for a bulk fluid containment unit with a removable access ramp, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the bulk fluid containment unit with a removable access ramp showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a top plan view thereof; and,

FIG. 7 is an exploded perspective view of the bulk fluid containment unit and the removable access ramp, the opposite perspective view being essentially the same.

In FIGS. 2-7, the bulk fluid containment unit and the removable access ramp are shown separately for ease of illustration.
