[57] CLAIM  
The ornamental design for an extension for a trimmer, as shown.

DESCRIPTION  
FIG. 1 is a perspective view of an extension for a trimmer showing my new design in use with the broken line showing of a trimmer being for illustrative purposes only and forming no part of the claimed design; FIG. 2 is a right side perspective view thereof; FIG. 3 is a right side elevation thereof; FIG. 4 is a left side elevation thereof; FIG. 5 is a top plan view thereof; and, FIG. 6 is a bottom plan view thereof. The appearance of the undisclosed remaining portion of the shaft is of conventional shape and shown broken away for ease of illustration. The partially shown cross-hatched shading on the strap represents cloth and is understood to cover the entire surface of the strap. The constrasting shading on the strap represents an adhering material.
