[57] **CLAIM**

The ornamental design for a multi-function survival tool, as shown and described.

DESCRIPTION

FIG. 1 is a top center front perspective view of a multi-function survival tool showing my new design;
FIG. 2 is a top plan view thereof;
FIG. 3 is a front elevational exploded view thereof showing components 1 and 2;
FIG. 4 is a right side elevational view of the first component of the design, the other component being omitted for clarity of illustration;
FIG. 5 is a left side elevational view of the first component of the design, the other component being omitted for clarity of illustration;
FIG. 6 is a right side elevational view of the second component of the design, the other component being omitted for clarity of illustration; and,
FIG. 7 is a left side elevational view of the second component of the design, the other component being omitted for clarity of illustration.
