[57] CLAIM

The ornamental design for a purified water vending structure, as shown and described.

DESCRIPTION

FIG. 1 is an environmental perspective view of a purified water vending structure, showing my new design; FIG. 2 is a front elevational view thereof; FIG. 3 is a rear view thereof; FIG. 4 is a left side elevational view thereof; FIG. 5 is a right side elevational view thereof; and, FIG. 6 is a top plan view thereof.

The broken line showing of human figures in FIG. 1 and rectangular lighting fixtures in FIGS. 1-5 is for illustrative purposes only and forms no part of the claimed design.
