[57] **CLAIM**

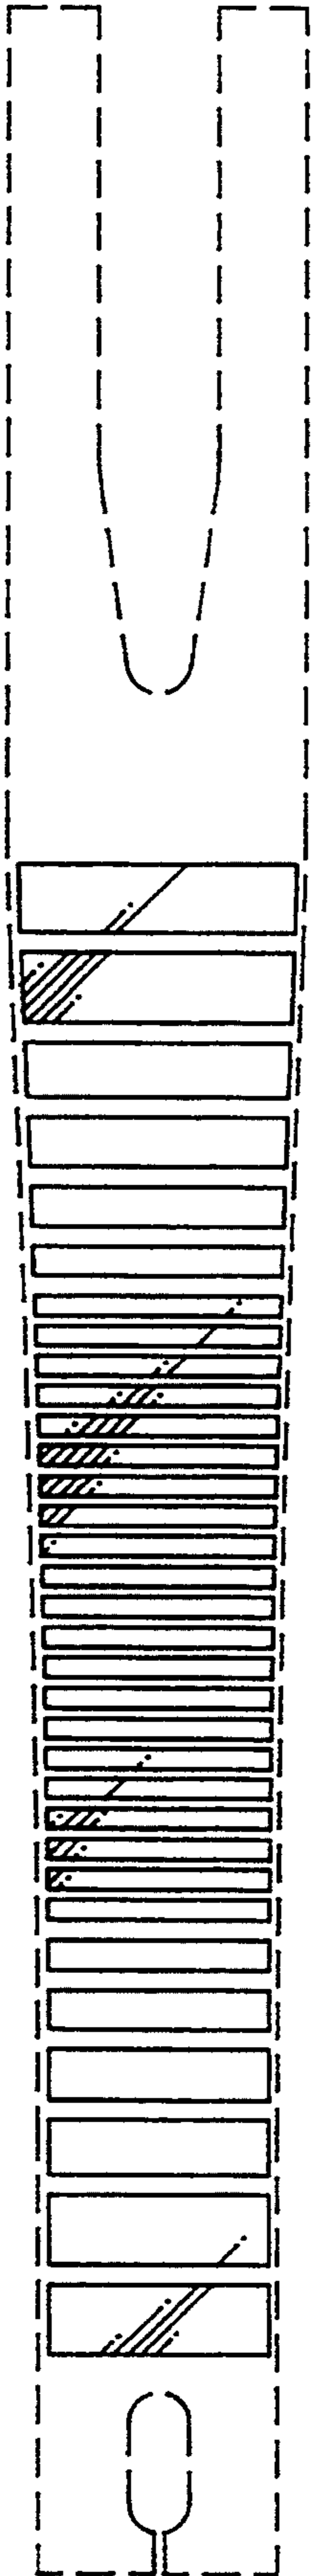

The ornamental design for a reflective sheet unit for archery bow limbs, as shown and described.

**DESCRIPTION**

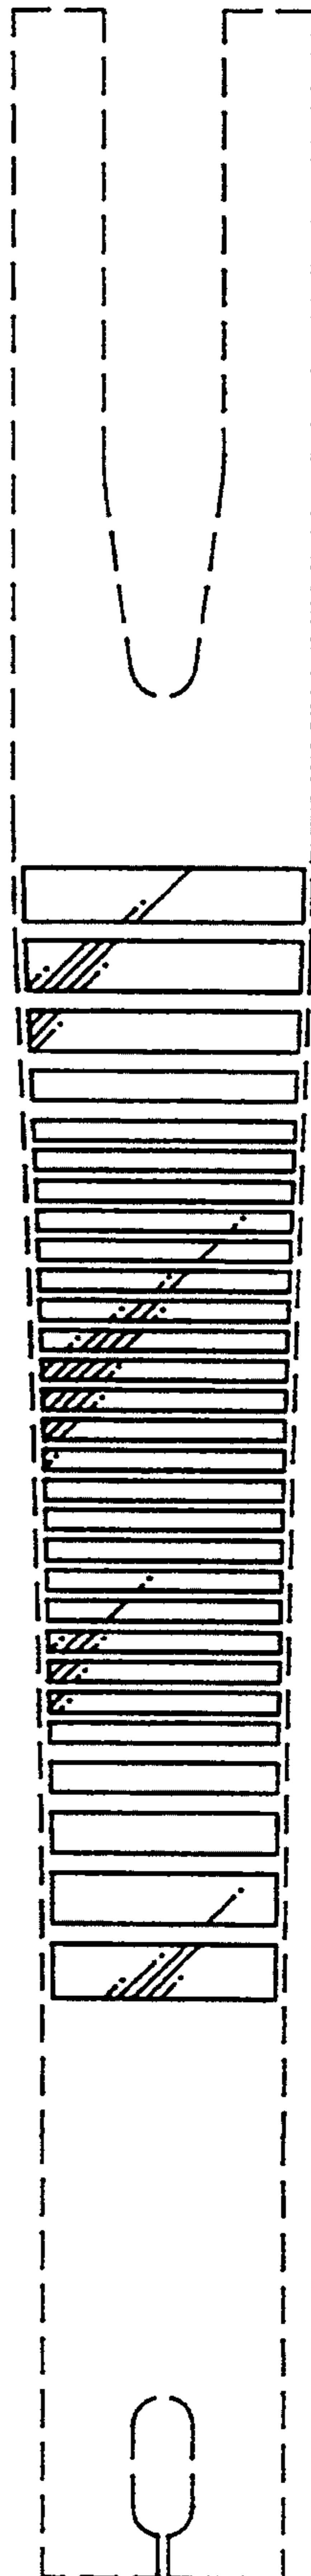

FIG. 1 is a front elevational view of a Reflective Sheet Unit for Archery Bow Limbs, showing my new design, the rear is plain and unadorned, and claimed design is of conventional thickness; and, FIG. 2 is a front elevational view of a second embodiment thereof.

The broken lines showing a bow limb are for illustrative purposes only to illustrate the environment in which the reflective sheets are used and form no part of the claimed design.

*Fig. 1*

*Fig. 2*
