[57] CLAIM

The ornamental design for a dual in-line package reset switch tool, as shown.

DESCRIPTION

FIG. 1 is a right side, top and front perspective view of a dual in-line package reset switch tool showing my new design;
FIG. 2 is the front elevational view, the back elevational view, the left and right side elevational views being identical to the front elevational view thereof;
FIG. 3 is the top plan thereof; and,
FIG. 4 is the bottom plan view thereof.
