[57] **CLAIM**

The ornamental design for a hand held computer housing, as shown and described.

### DESCRIPTION

FIG. 1 is a top front and right side perspective view of a hand held computer housing showing our new design; FIG. 2 is a top view thereof; FIG. 3 is a bottom view thereof; FIG. 4 is a left side view thereof; FIG. 5 is a right side view thereof; FIG. 6 is a rear view thereof; and, FIG. 7 is a front view thereof.

The pattern partially shown in the figures for ease of illustration represents a conventional material and it is understood to continue uniformly across each of the indicated surfaces.

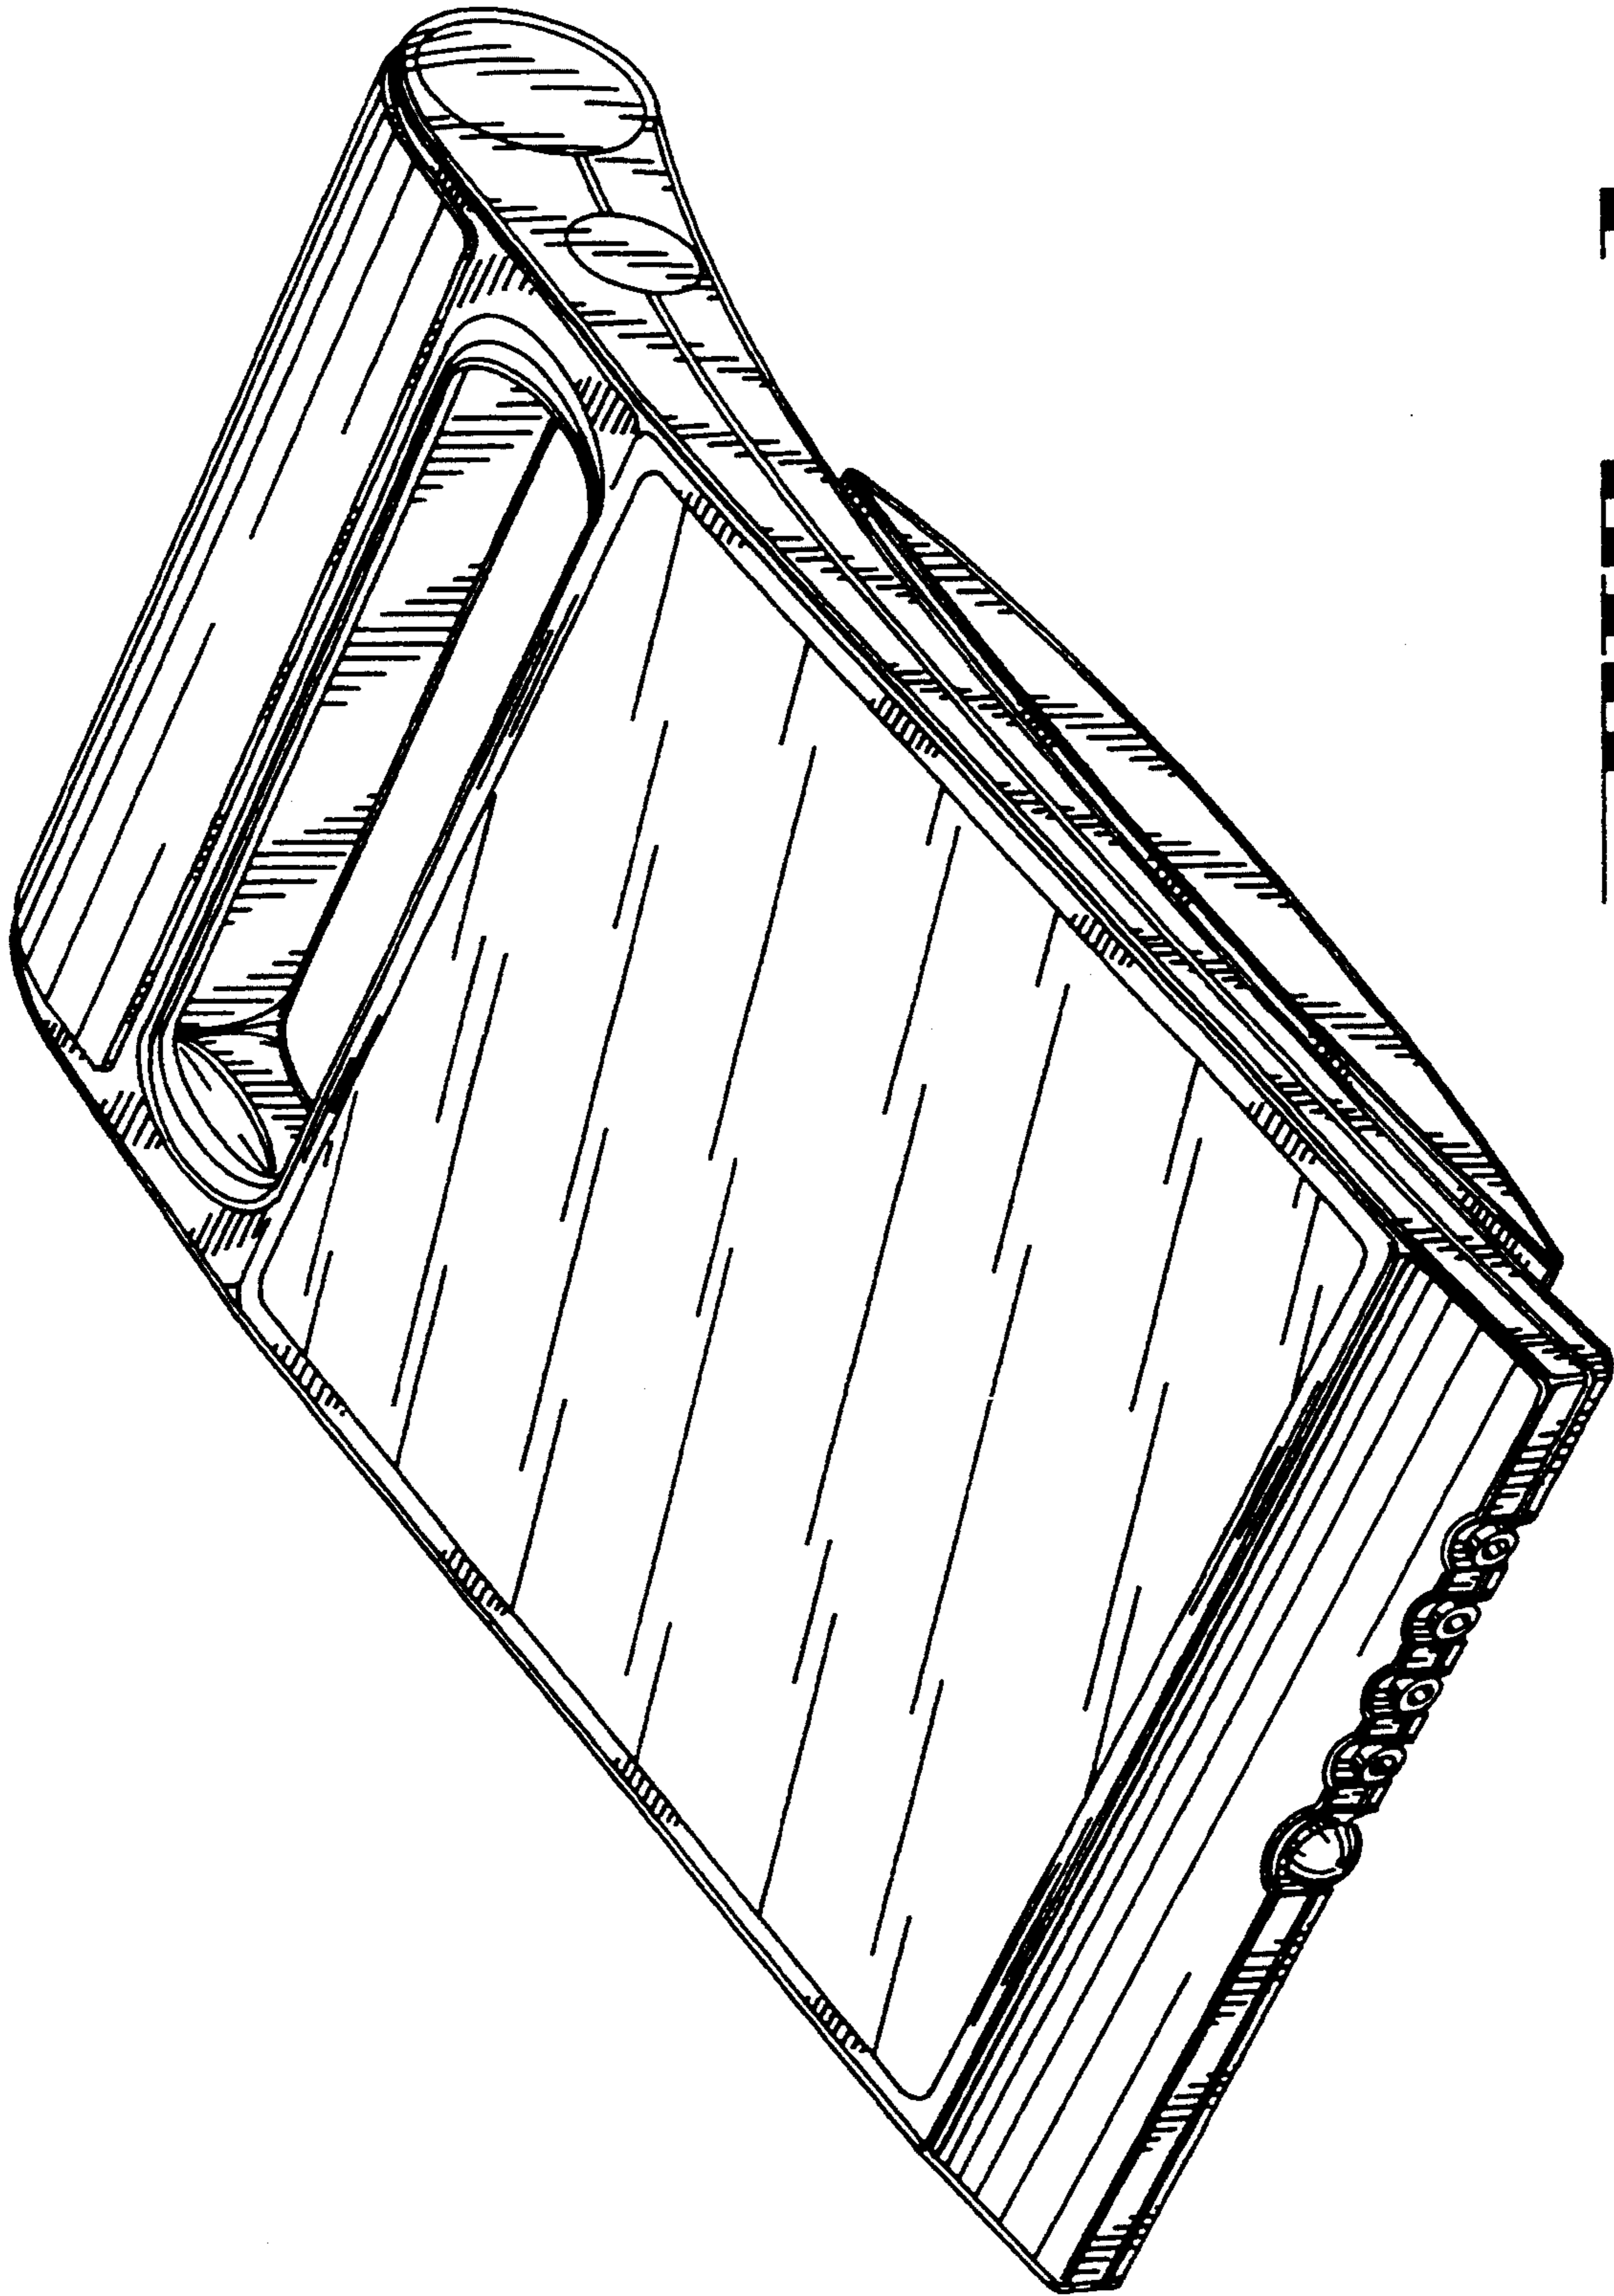

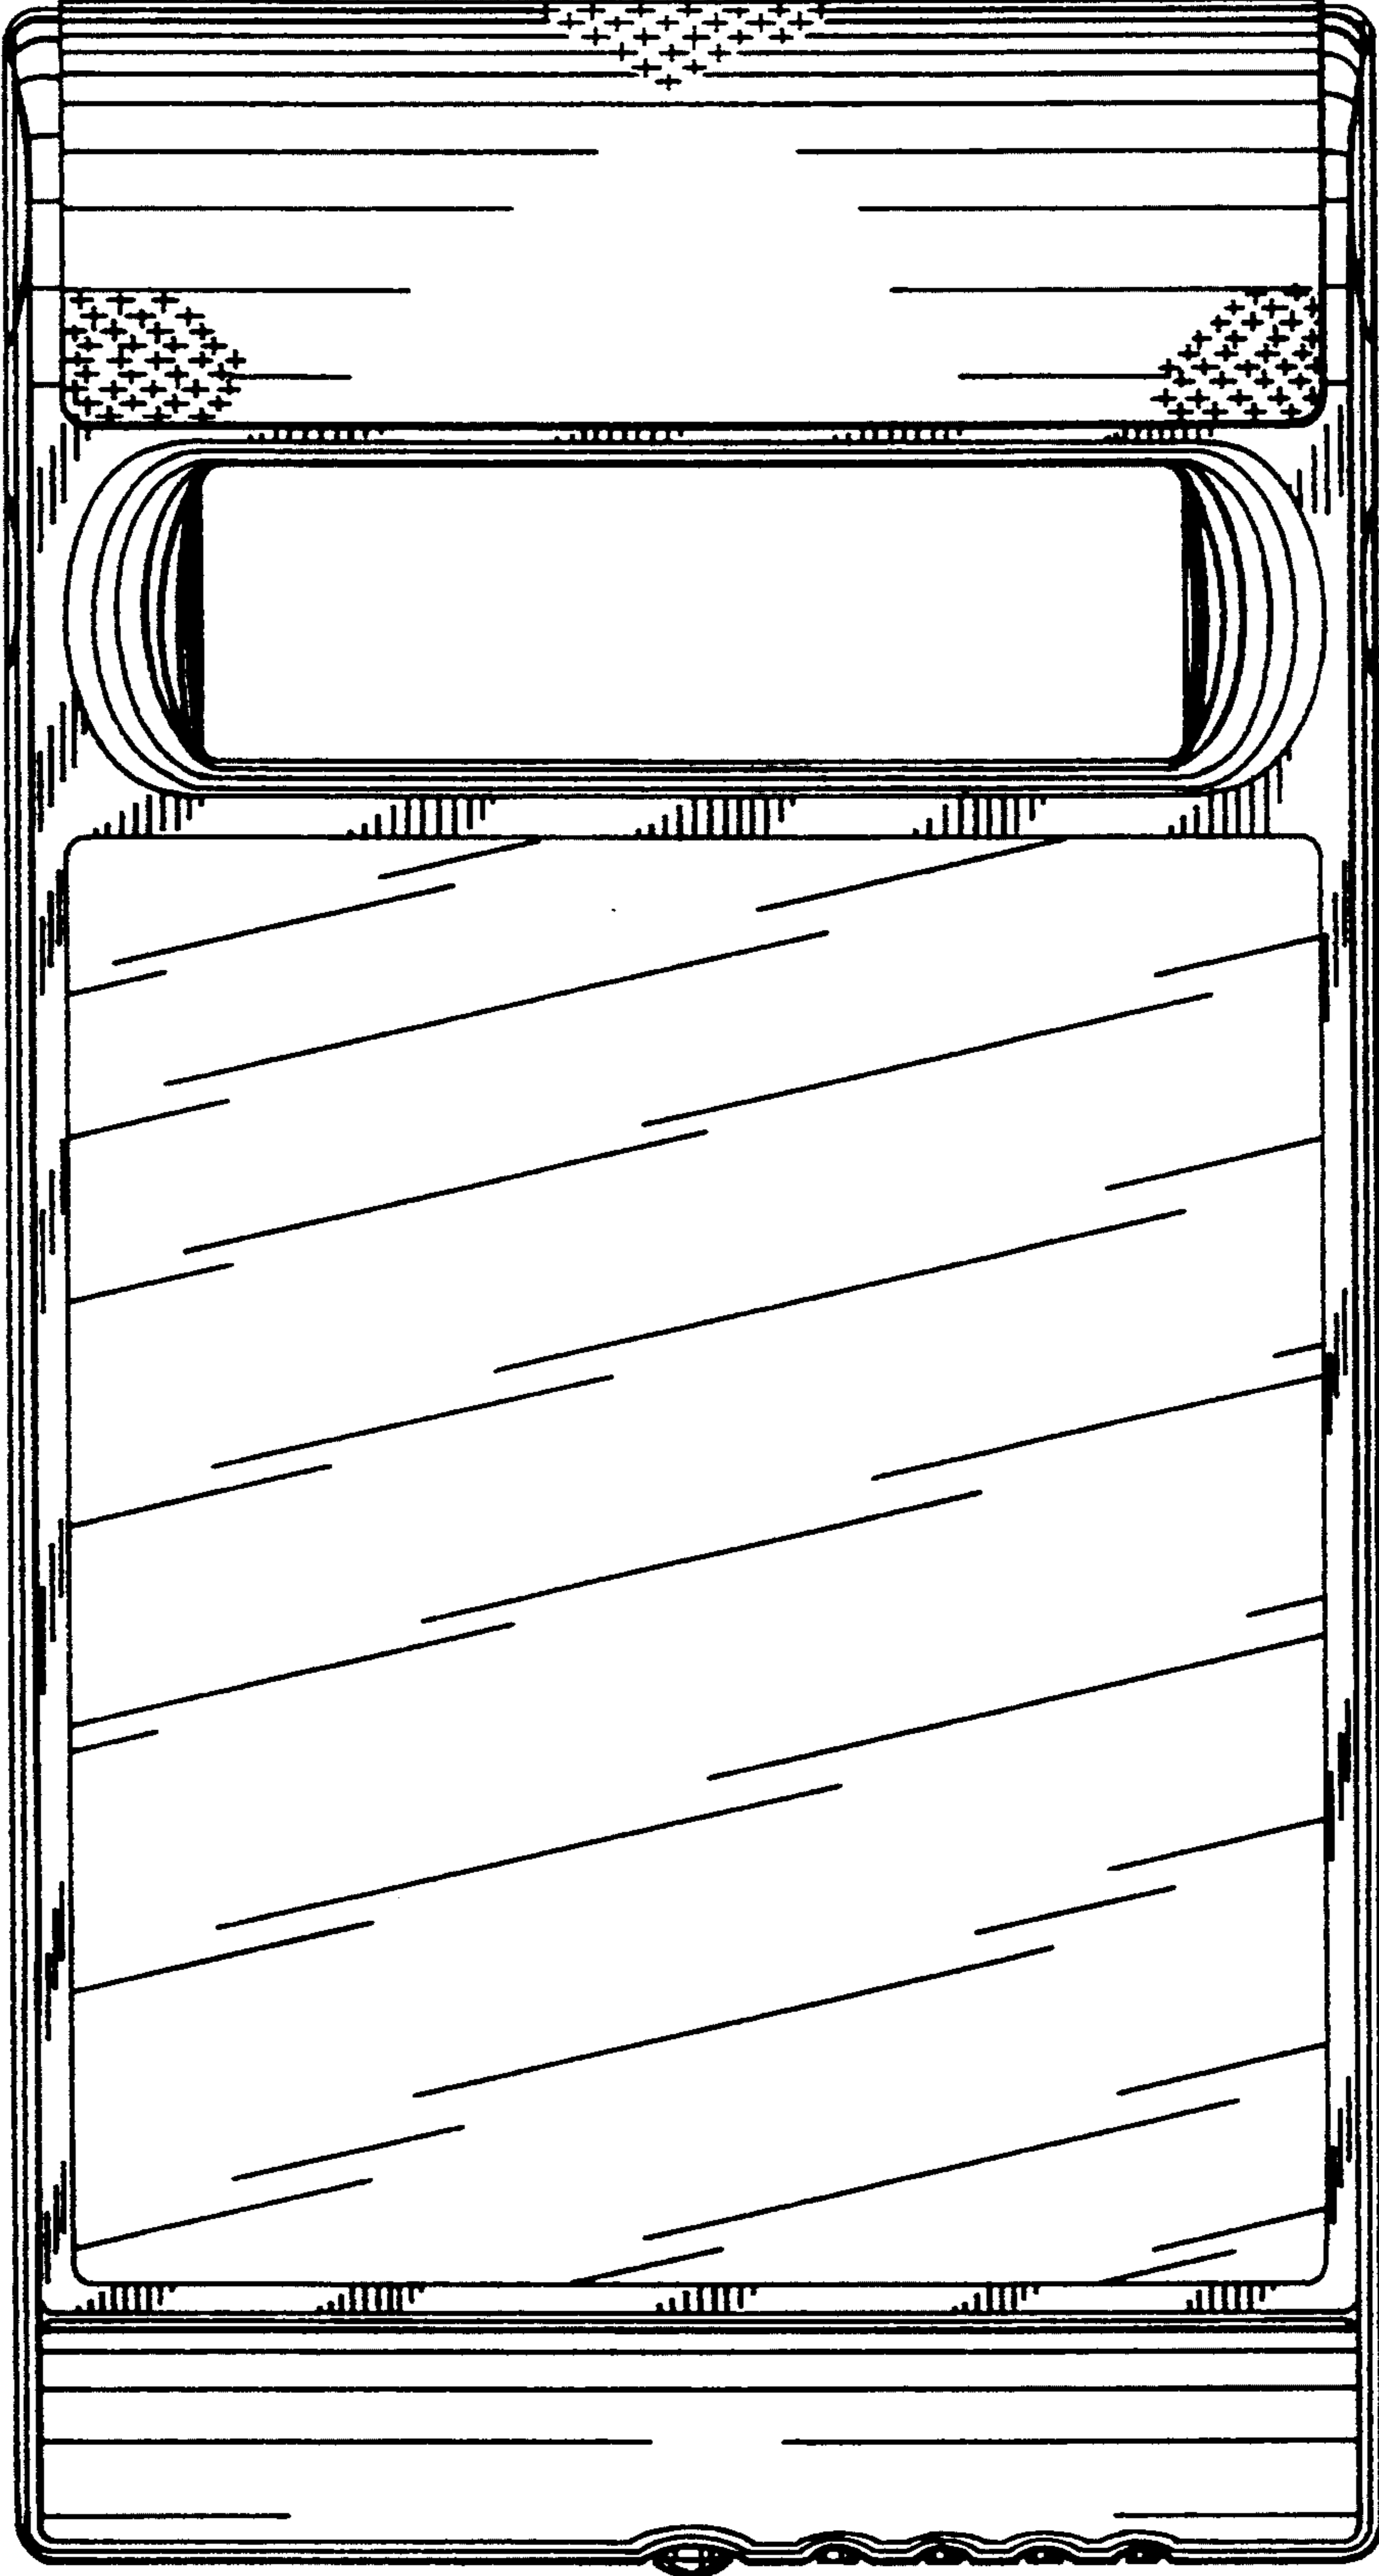

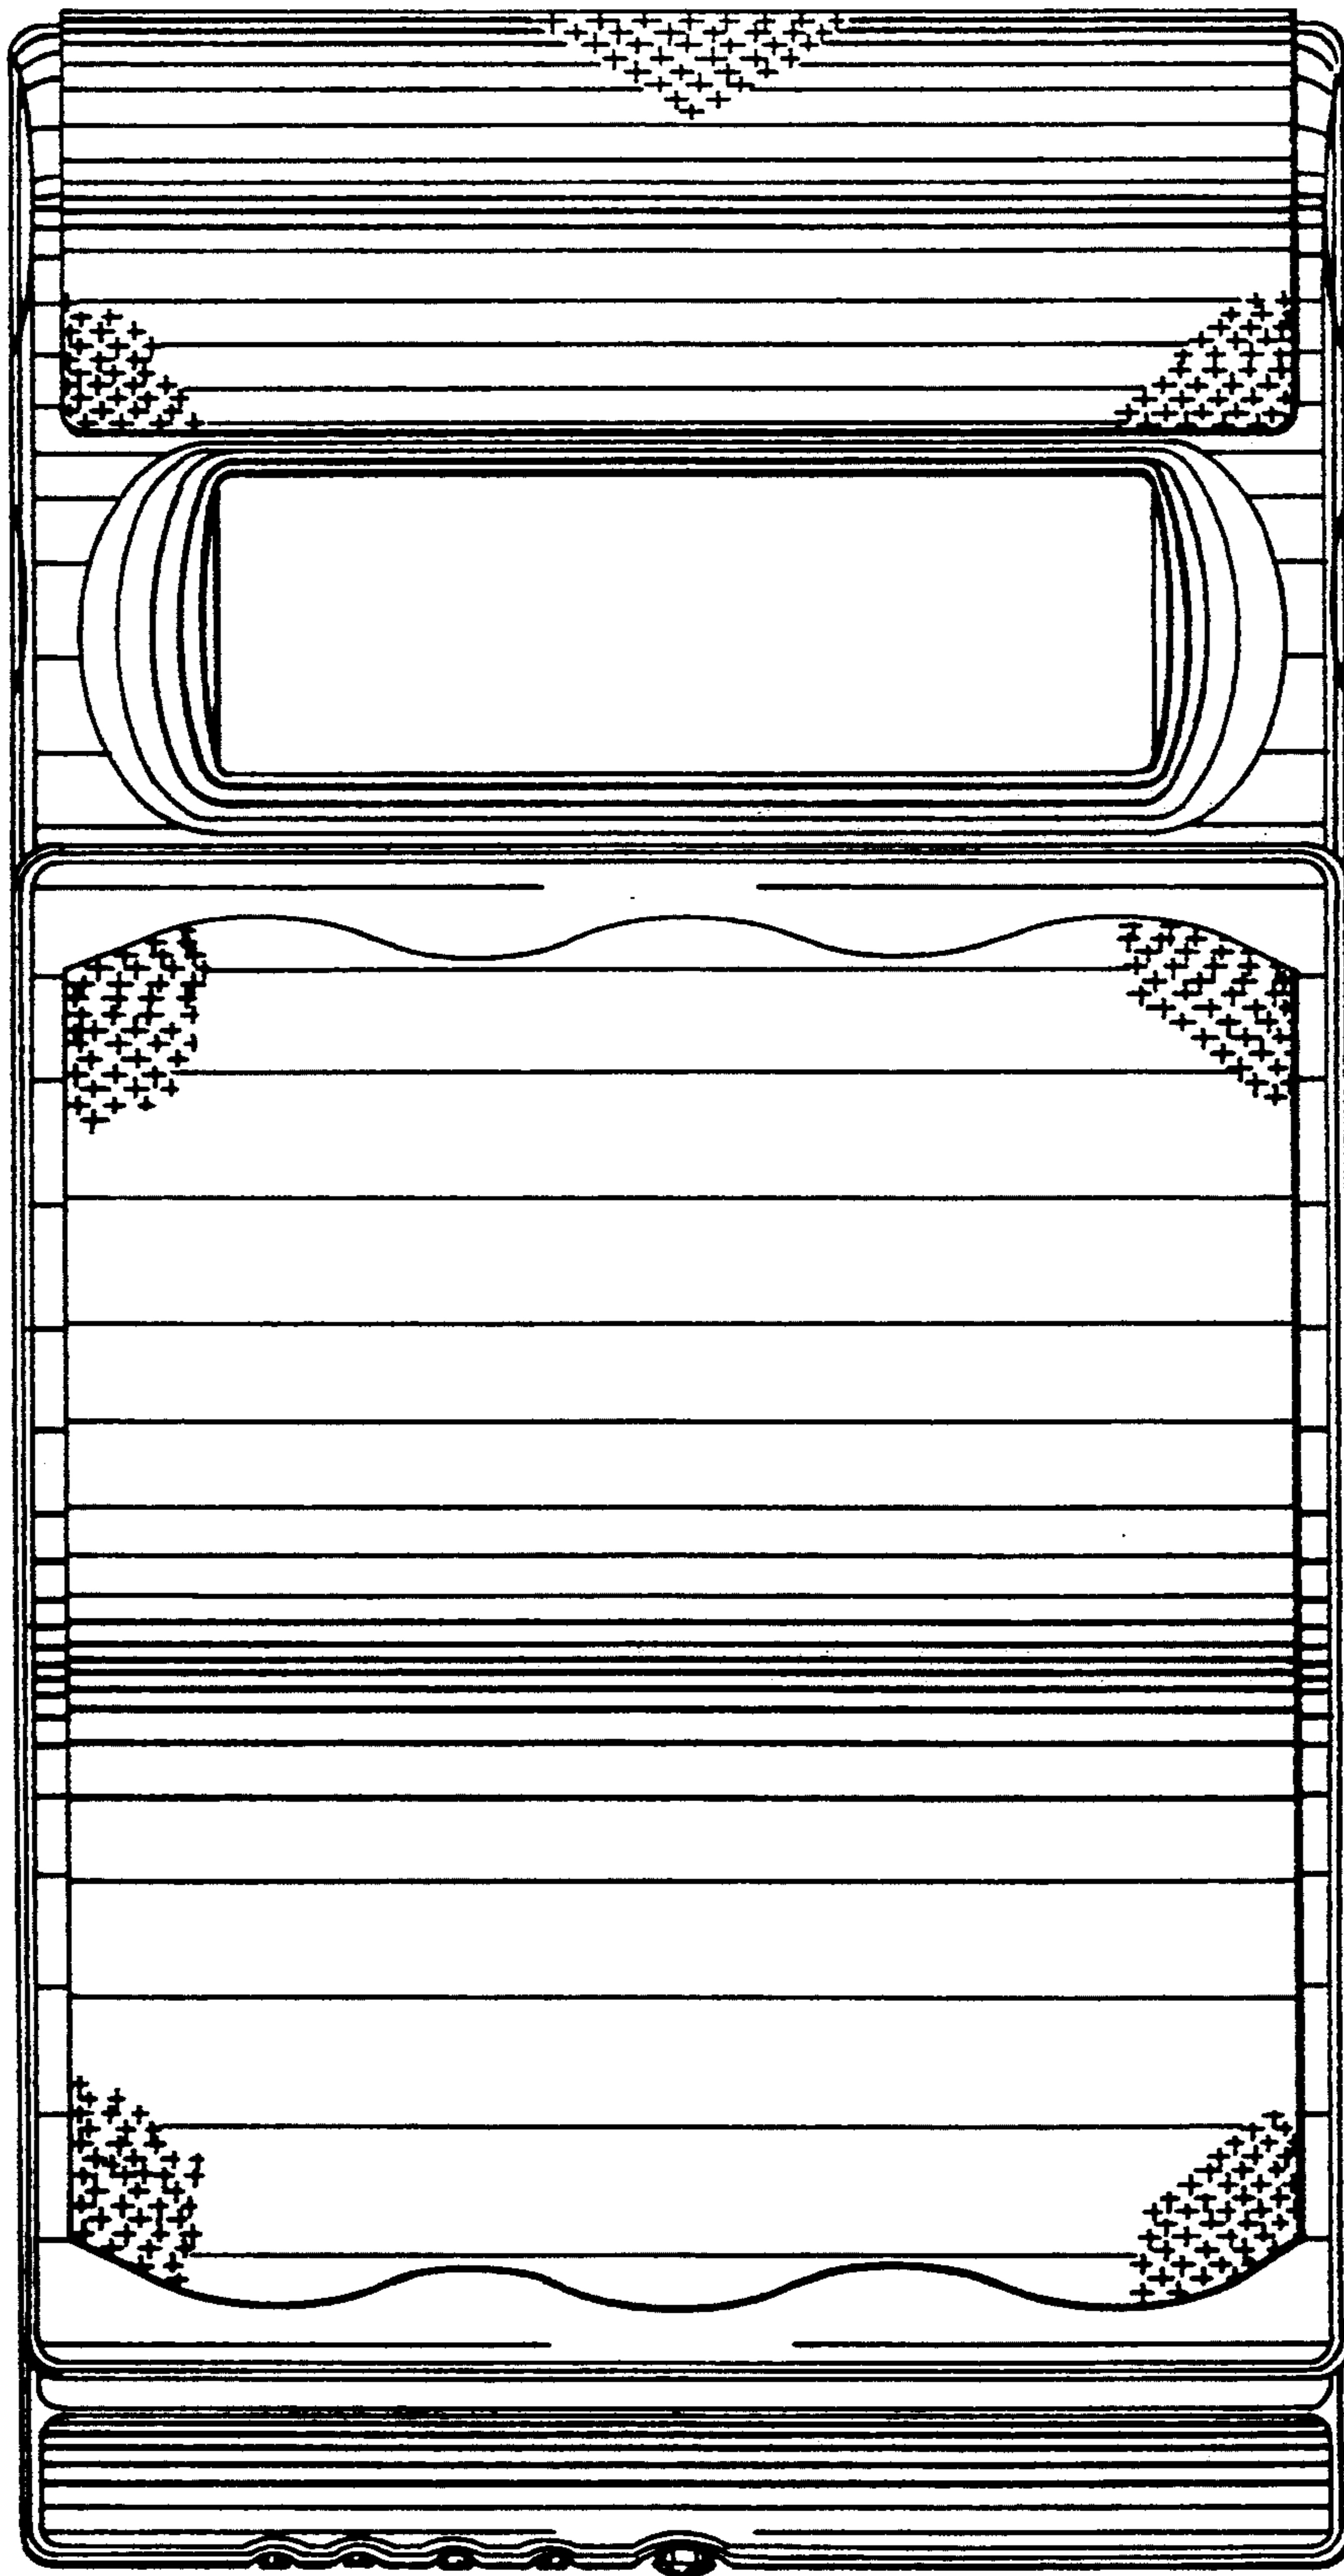

FIG. 1

**FIG 2**

**FIG — 3**

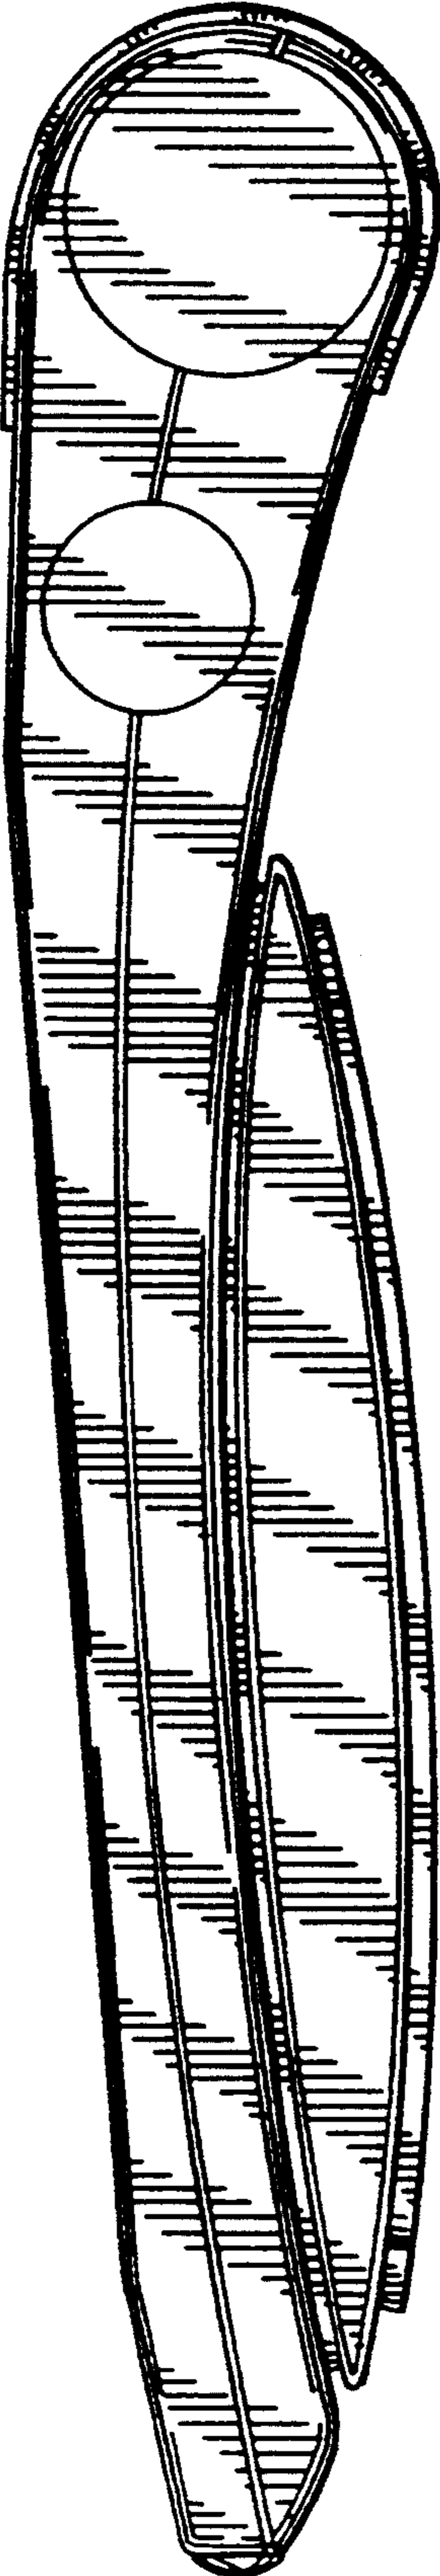

FIG. 4

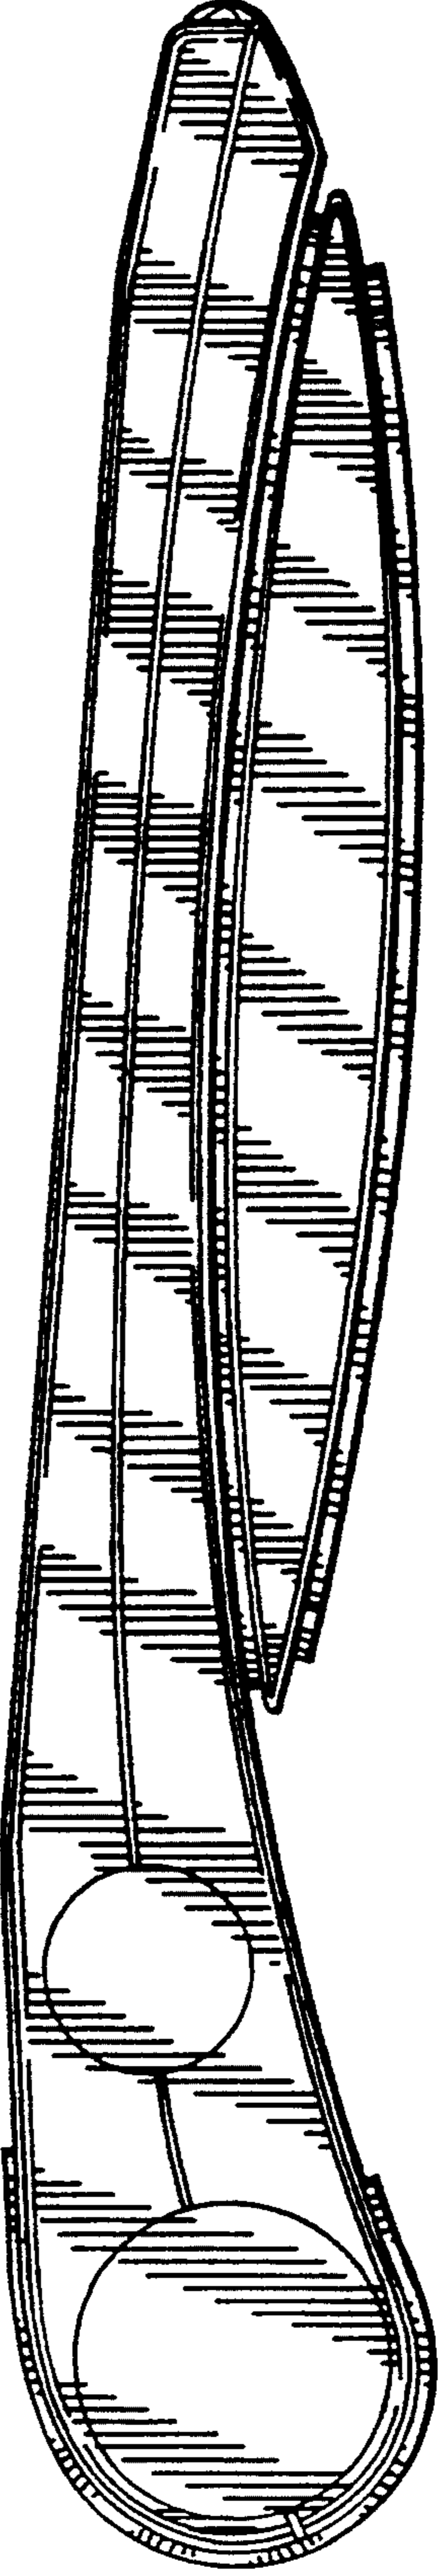

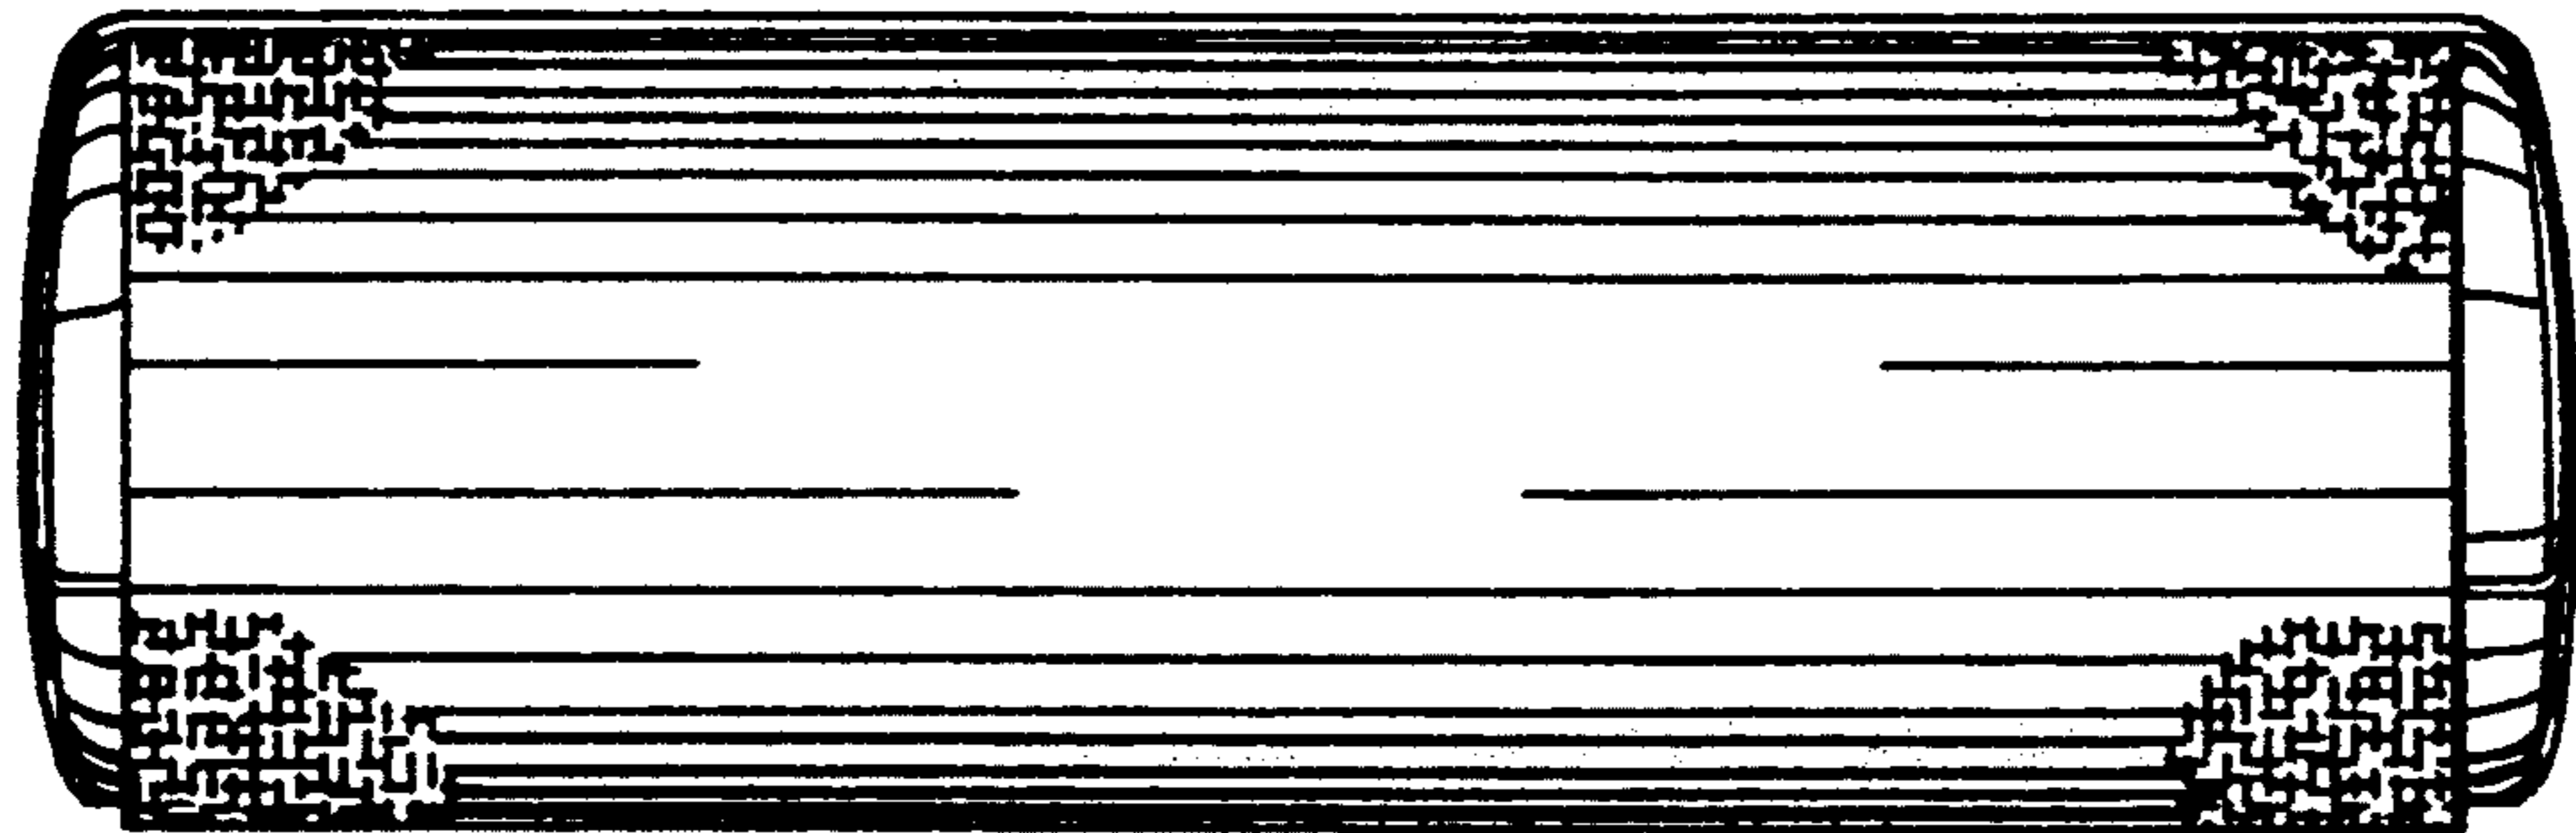

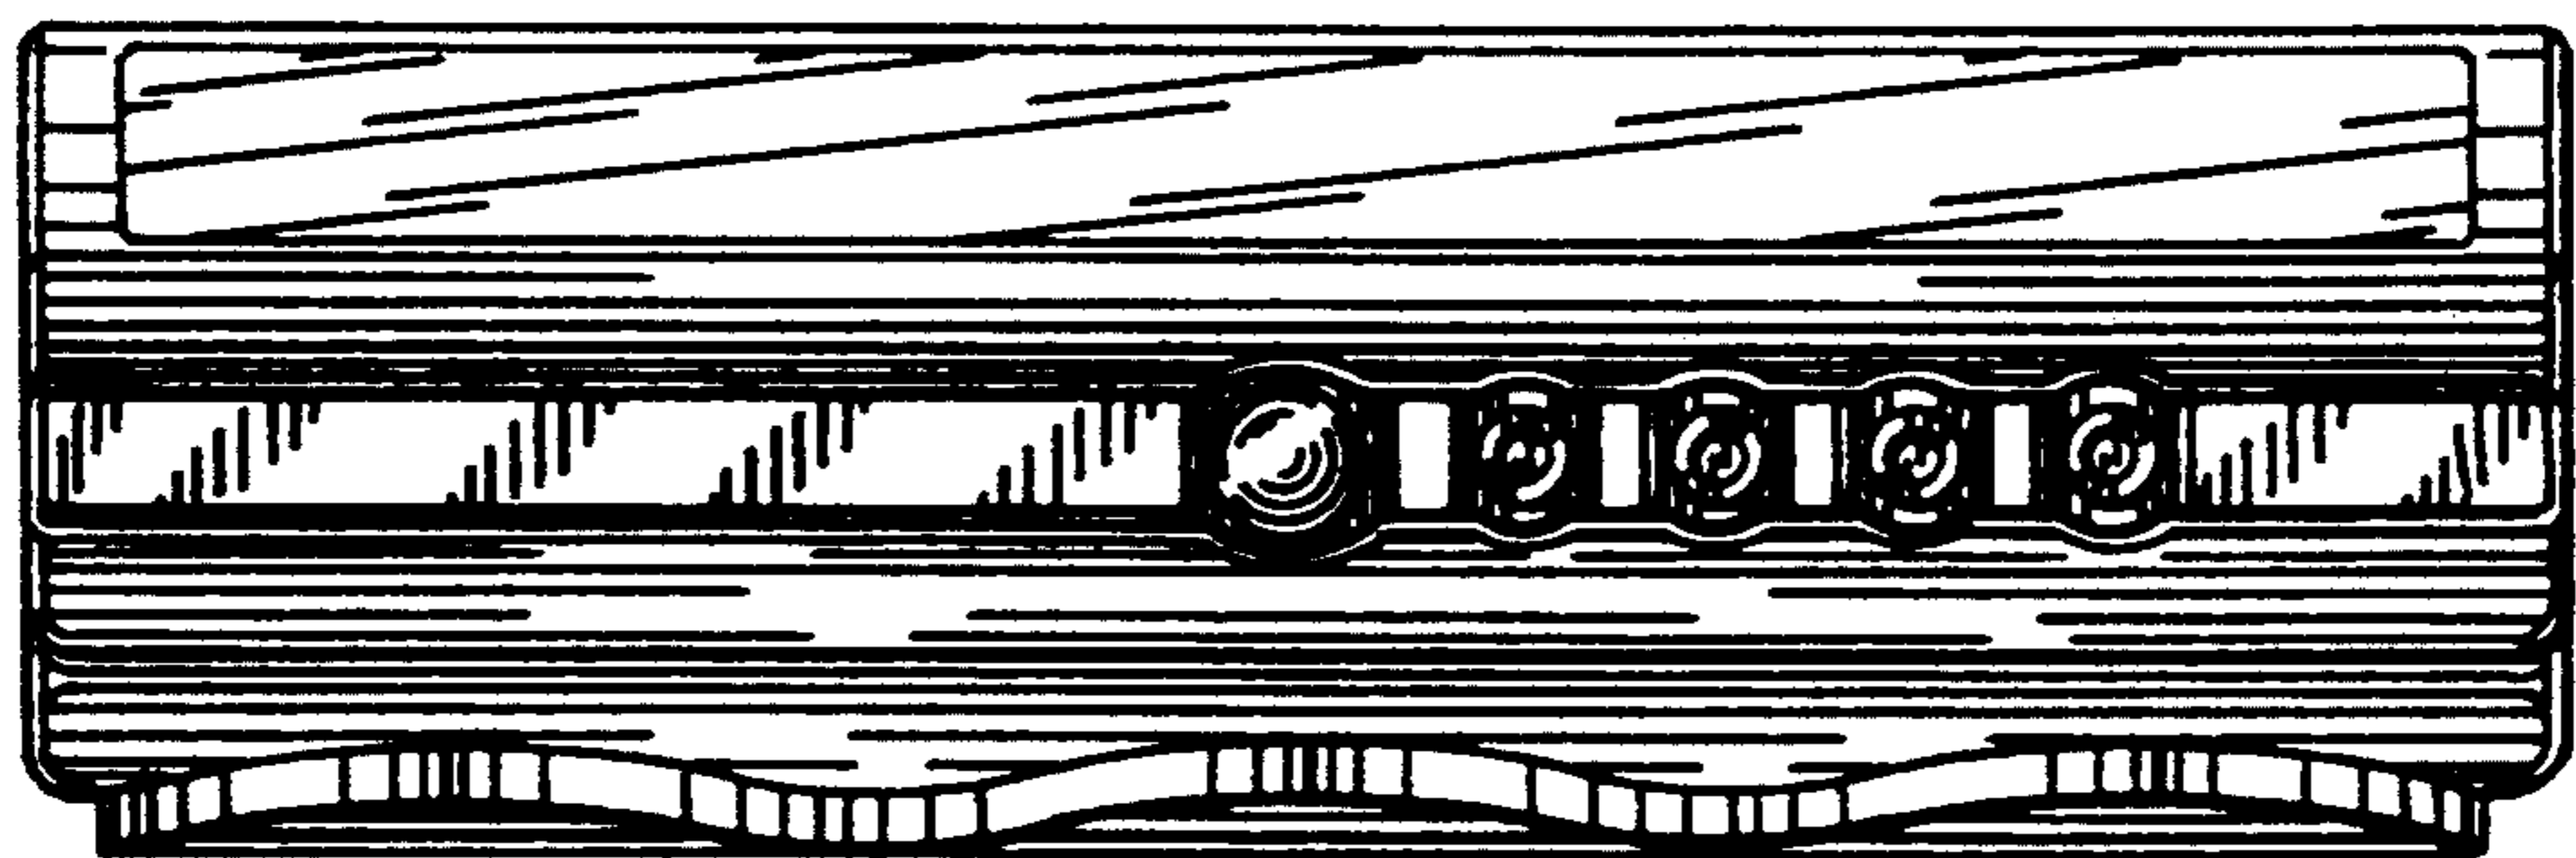

FIG. 5

**FIG 6**

**FIG 7**
