[57] **CLAIM**

The ornamental design for a horizontal and vertical alignment rebar connector, as shown.

**DESCRIPTION**

FIG. 1 is a perspective view of a horizontal and vertical rebar connector showing my new design therefor. The broken line drawings representing rebar are for purposes of illustration only and form no part of my design; FIG. 2 is a front elevational view; FIG. 3 is a rear elevational view; FIG. 4 is a right side elevational view, the left side elevational view being a mirror image thereof; and, FIG. 5 is a top plan view, the bottom plan view being a mirror image thereof.

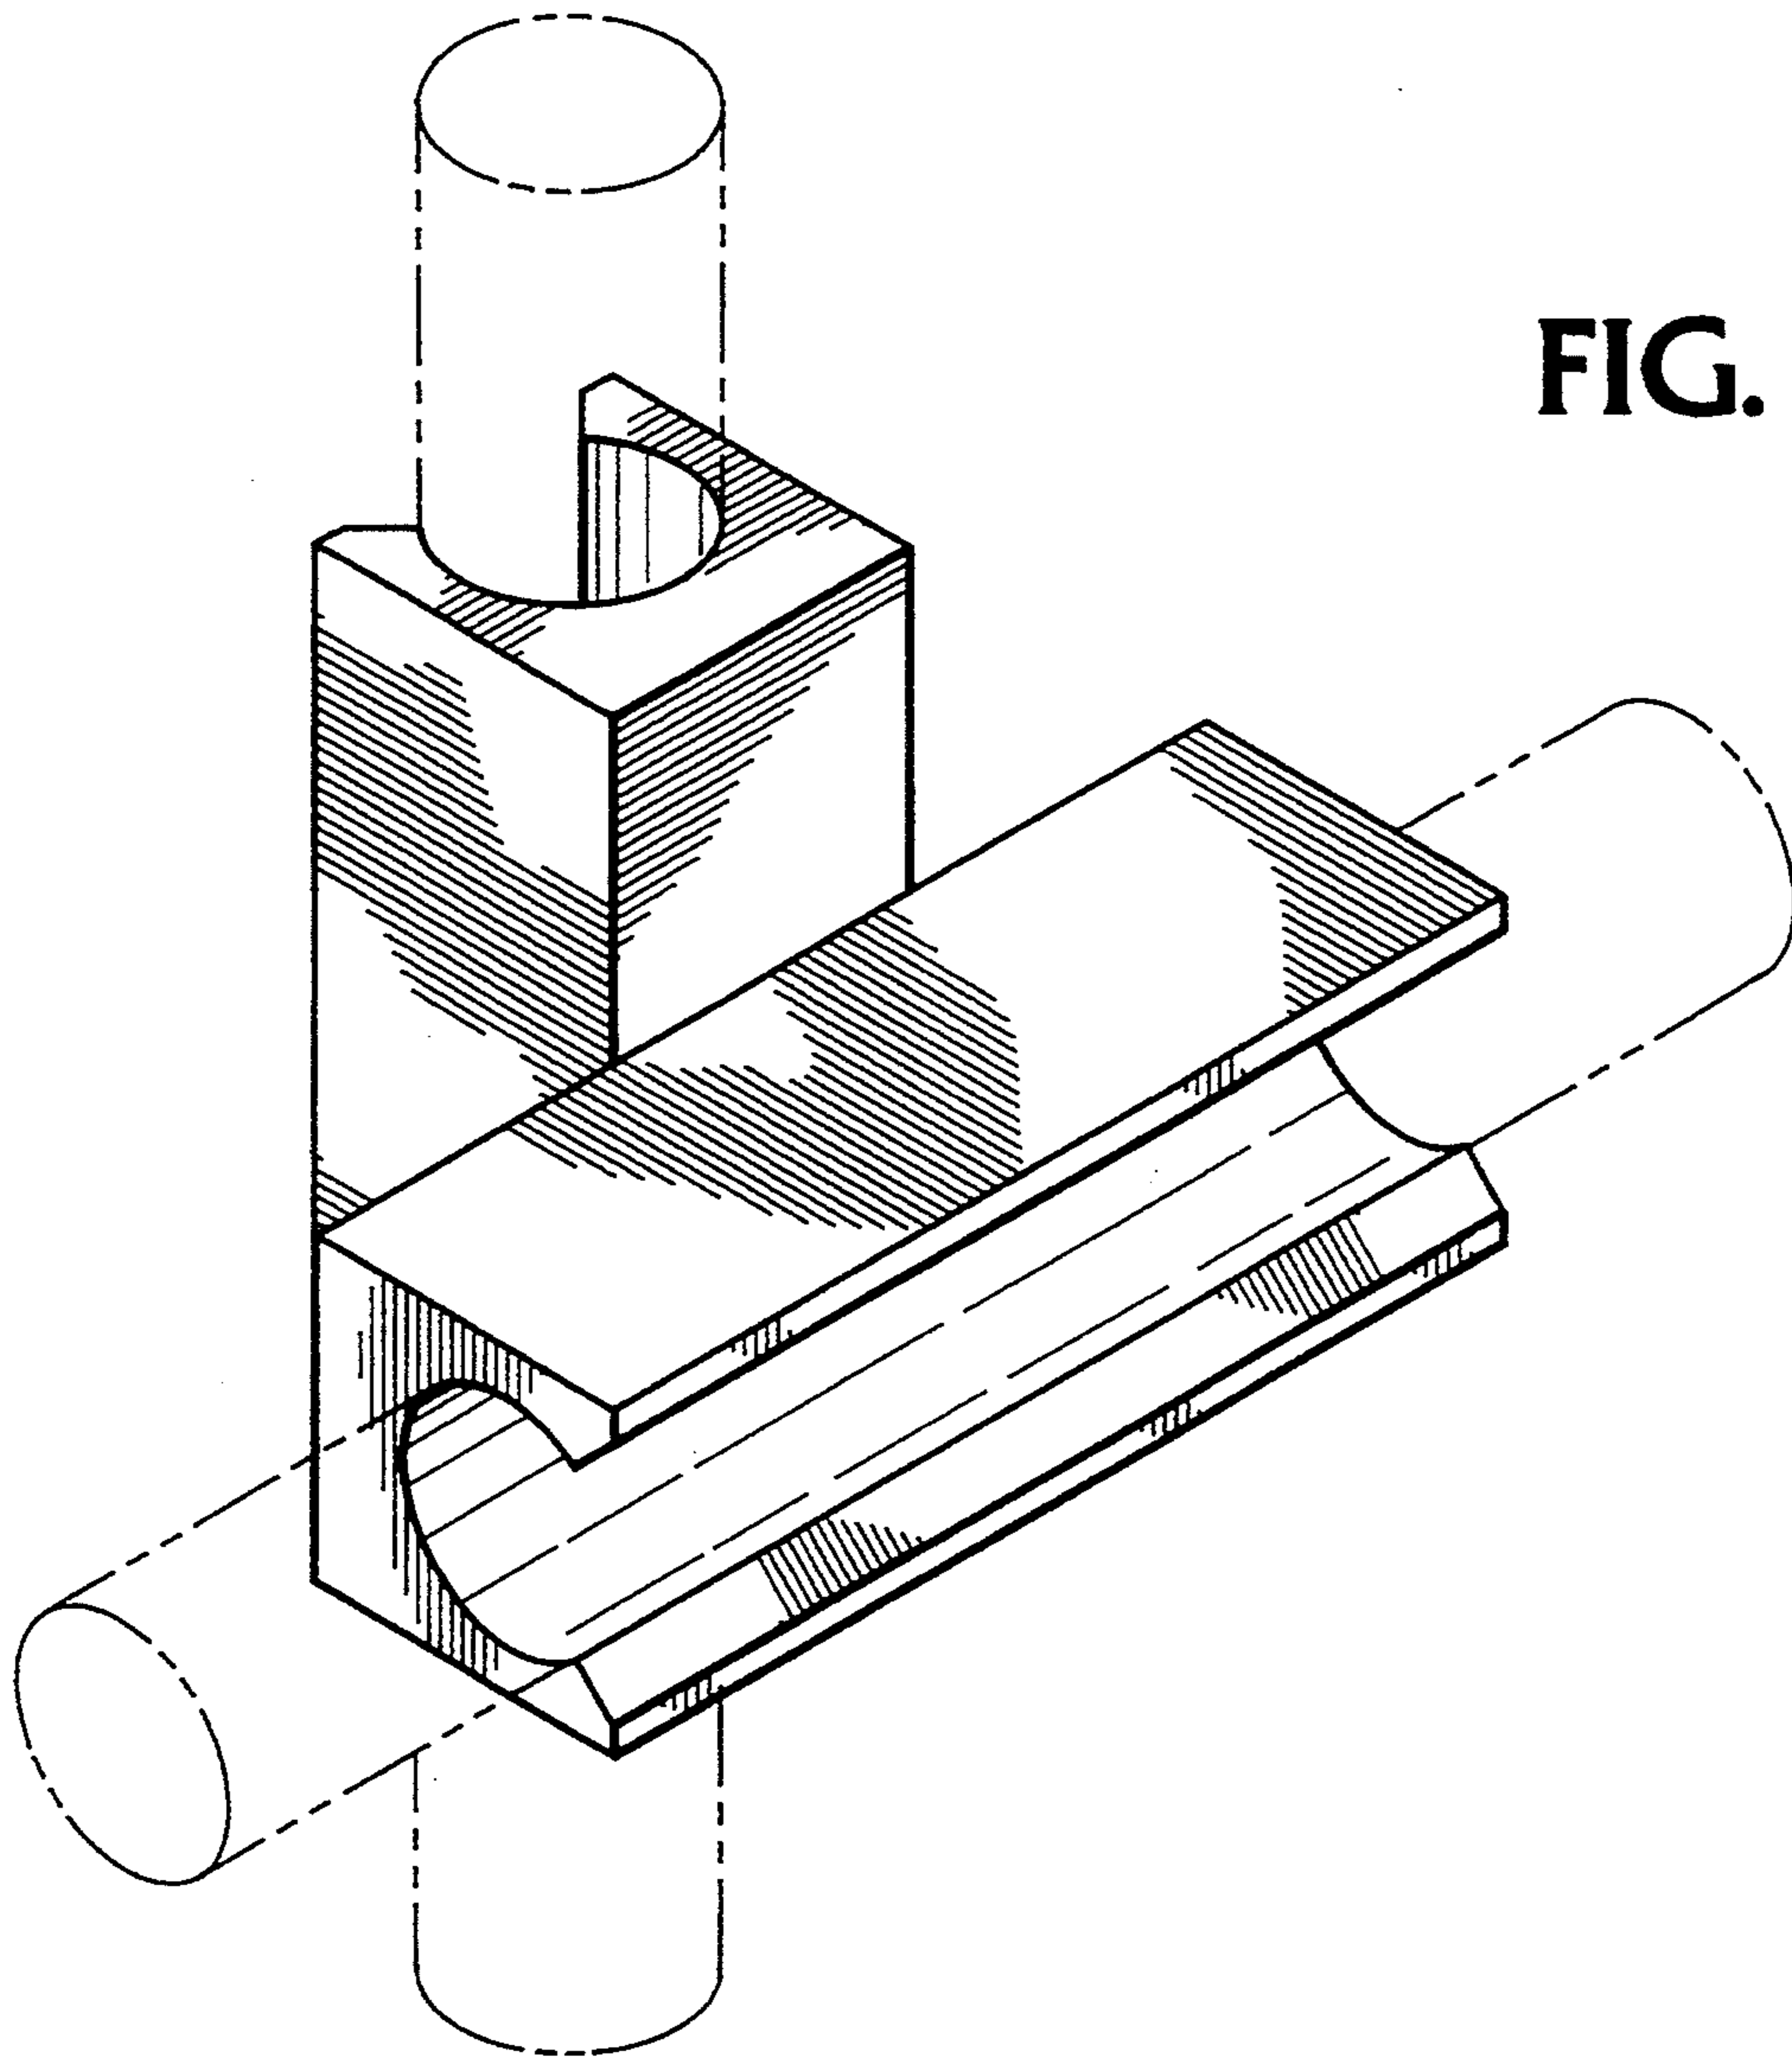

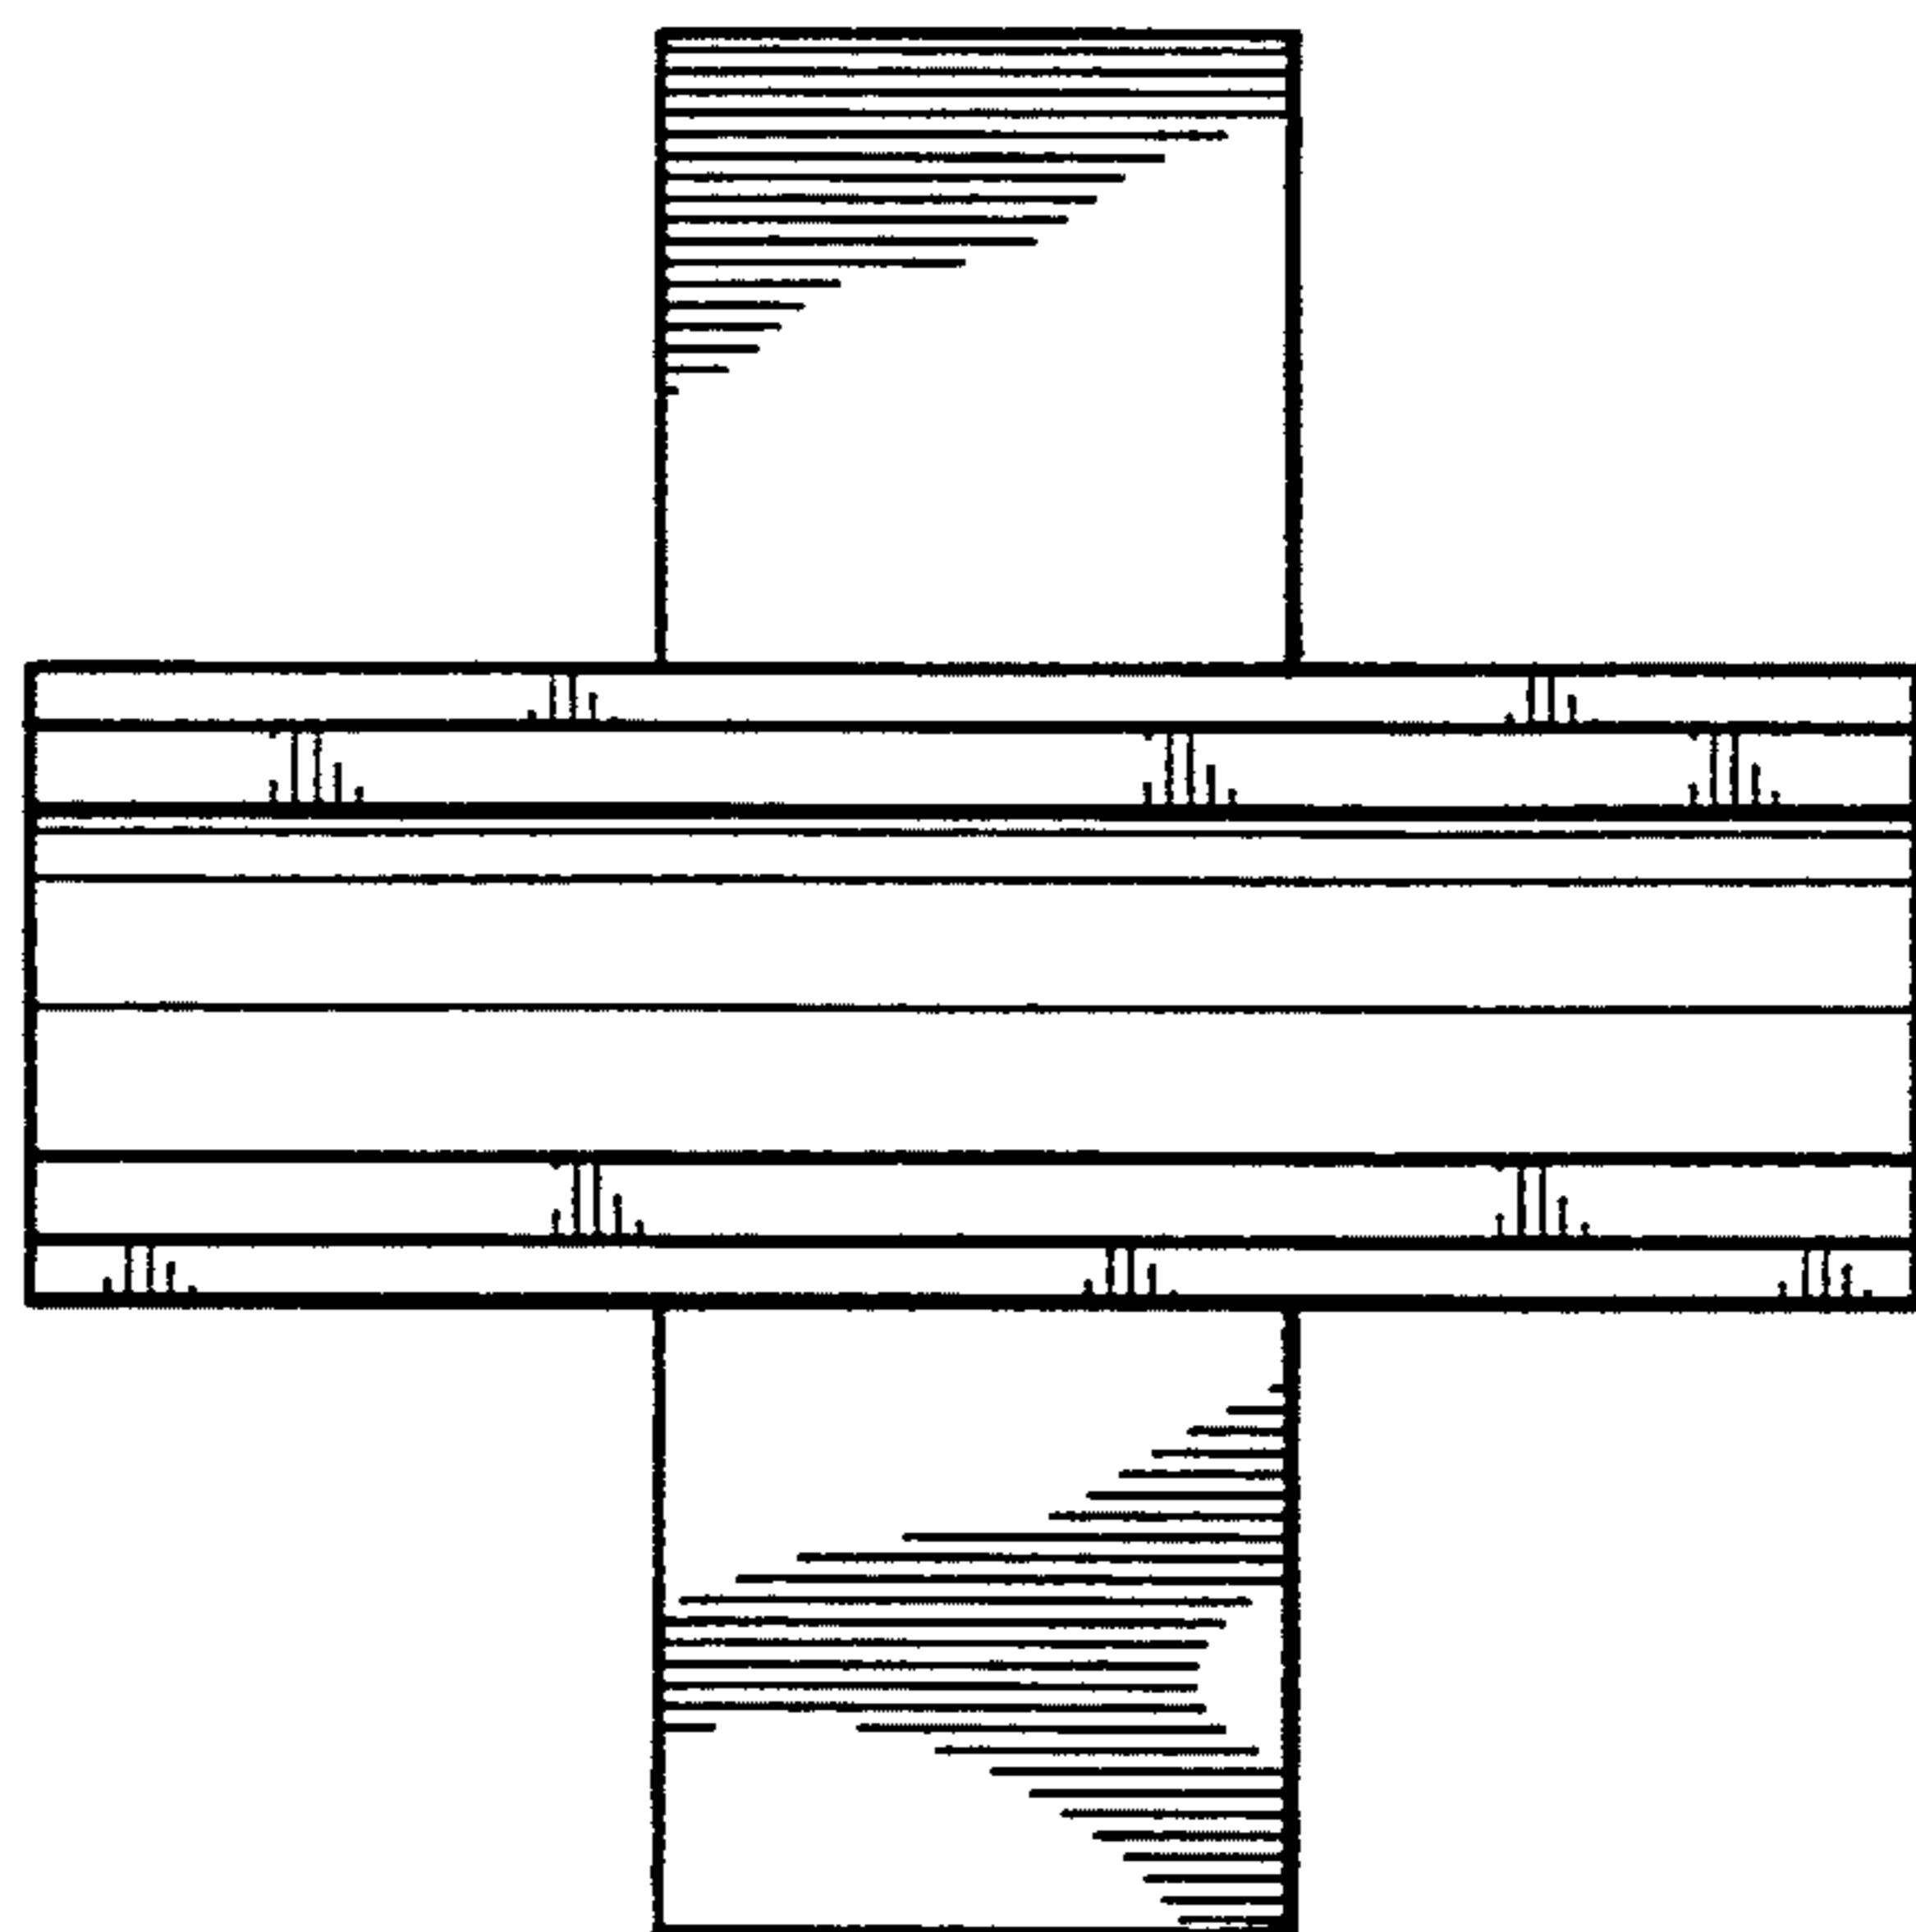

FIG. 1

FIG. 2

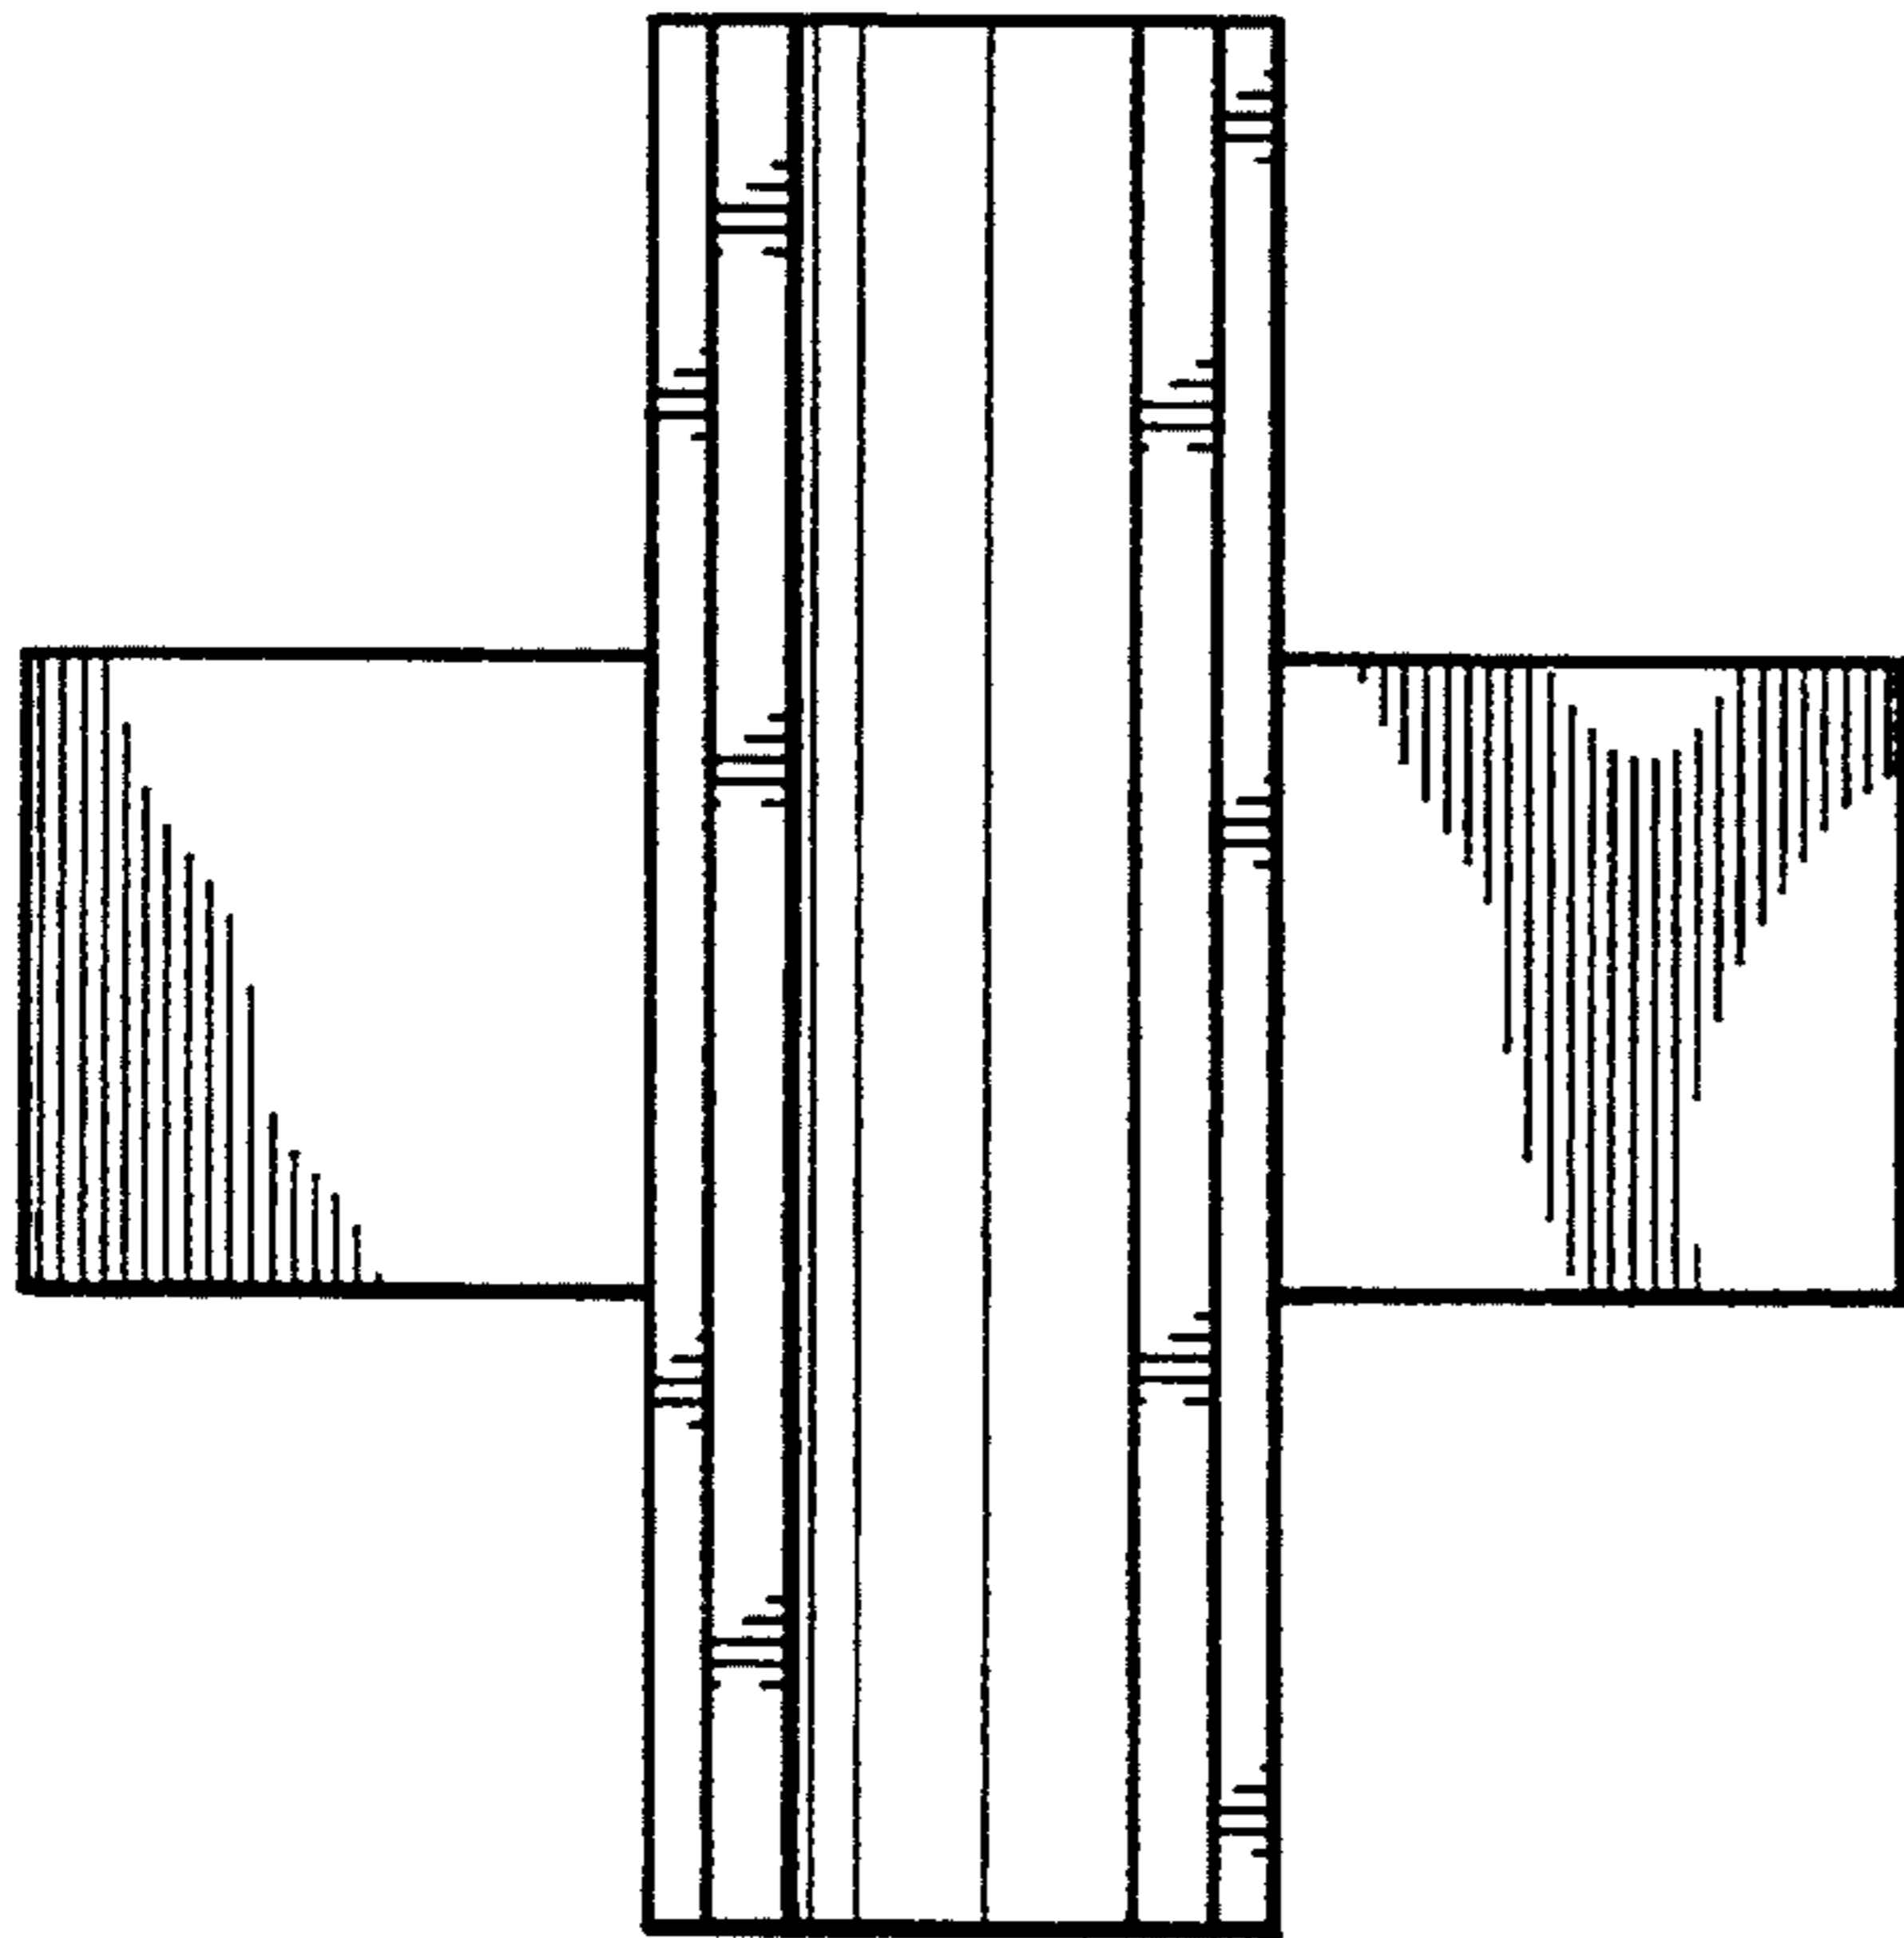

FIG. 3

FIG. 4

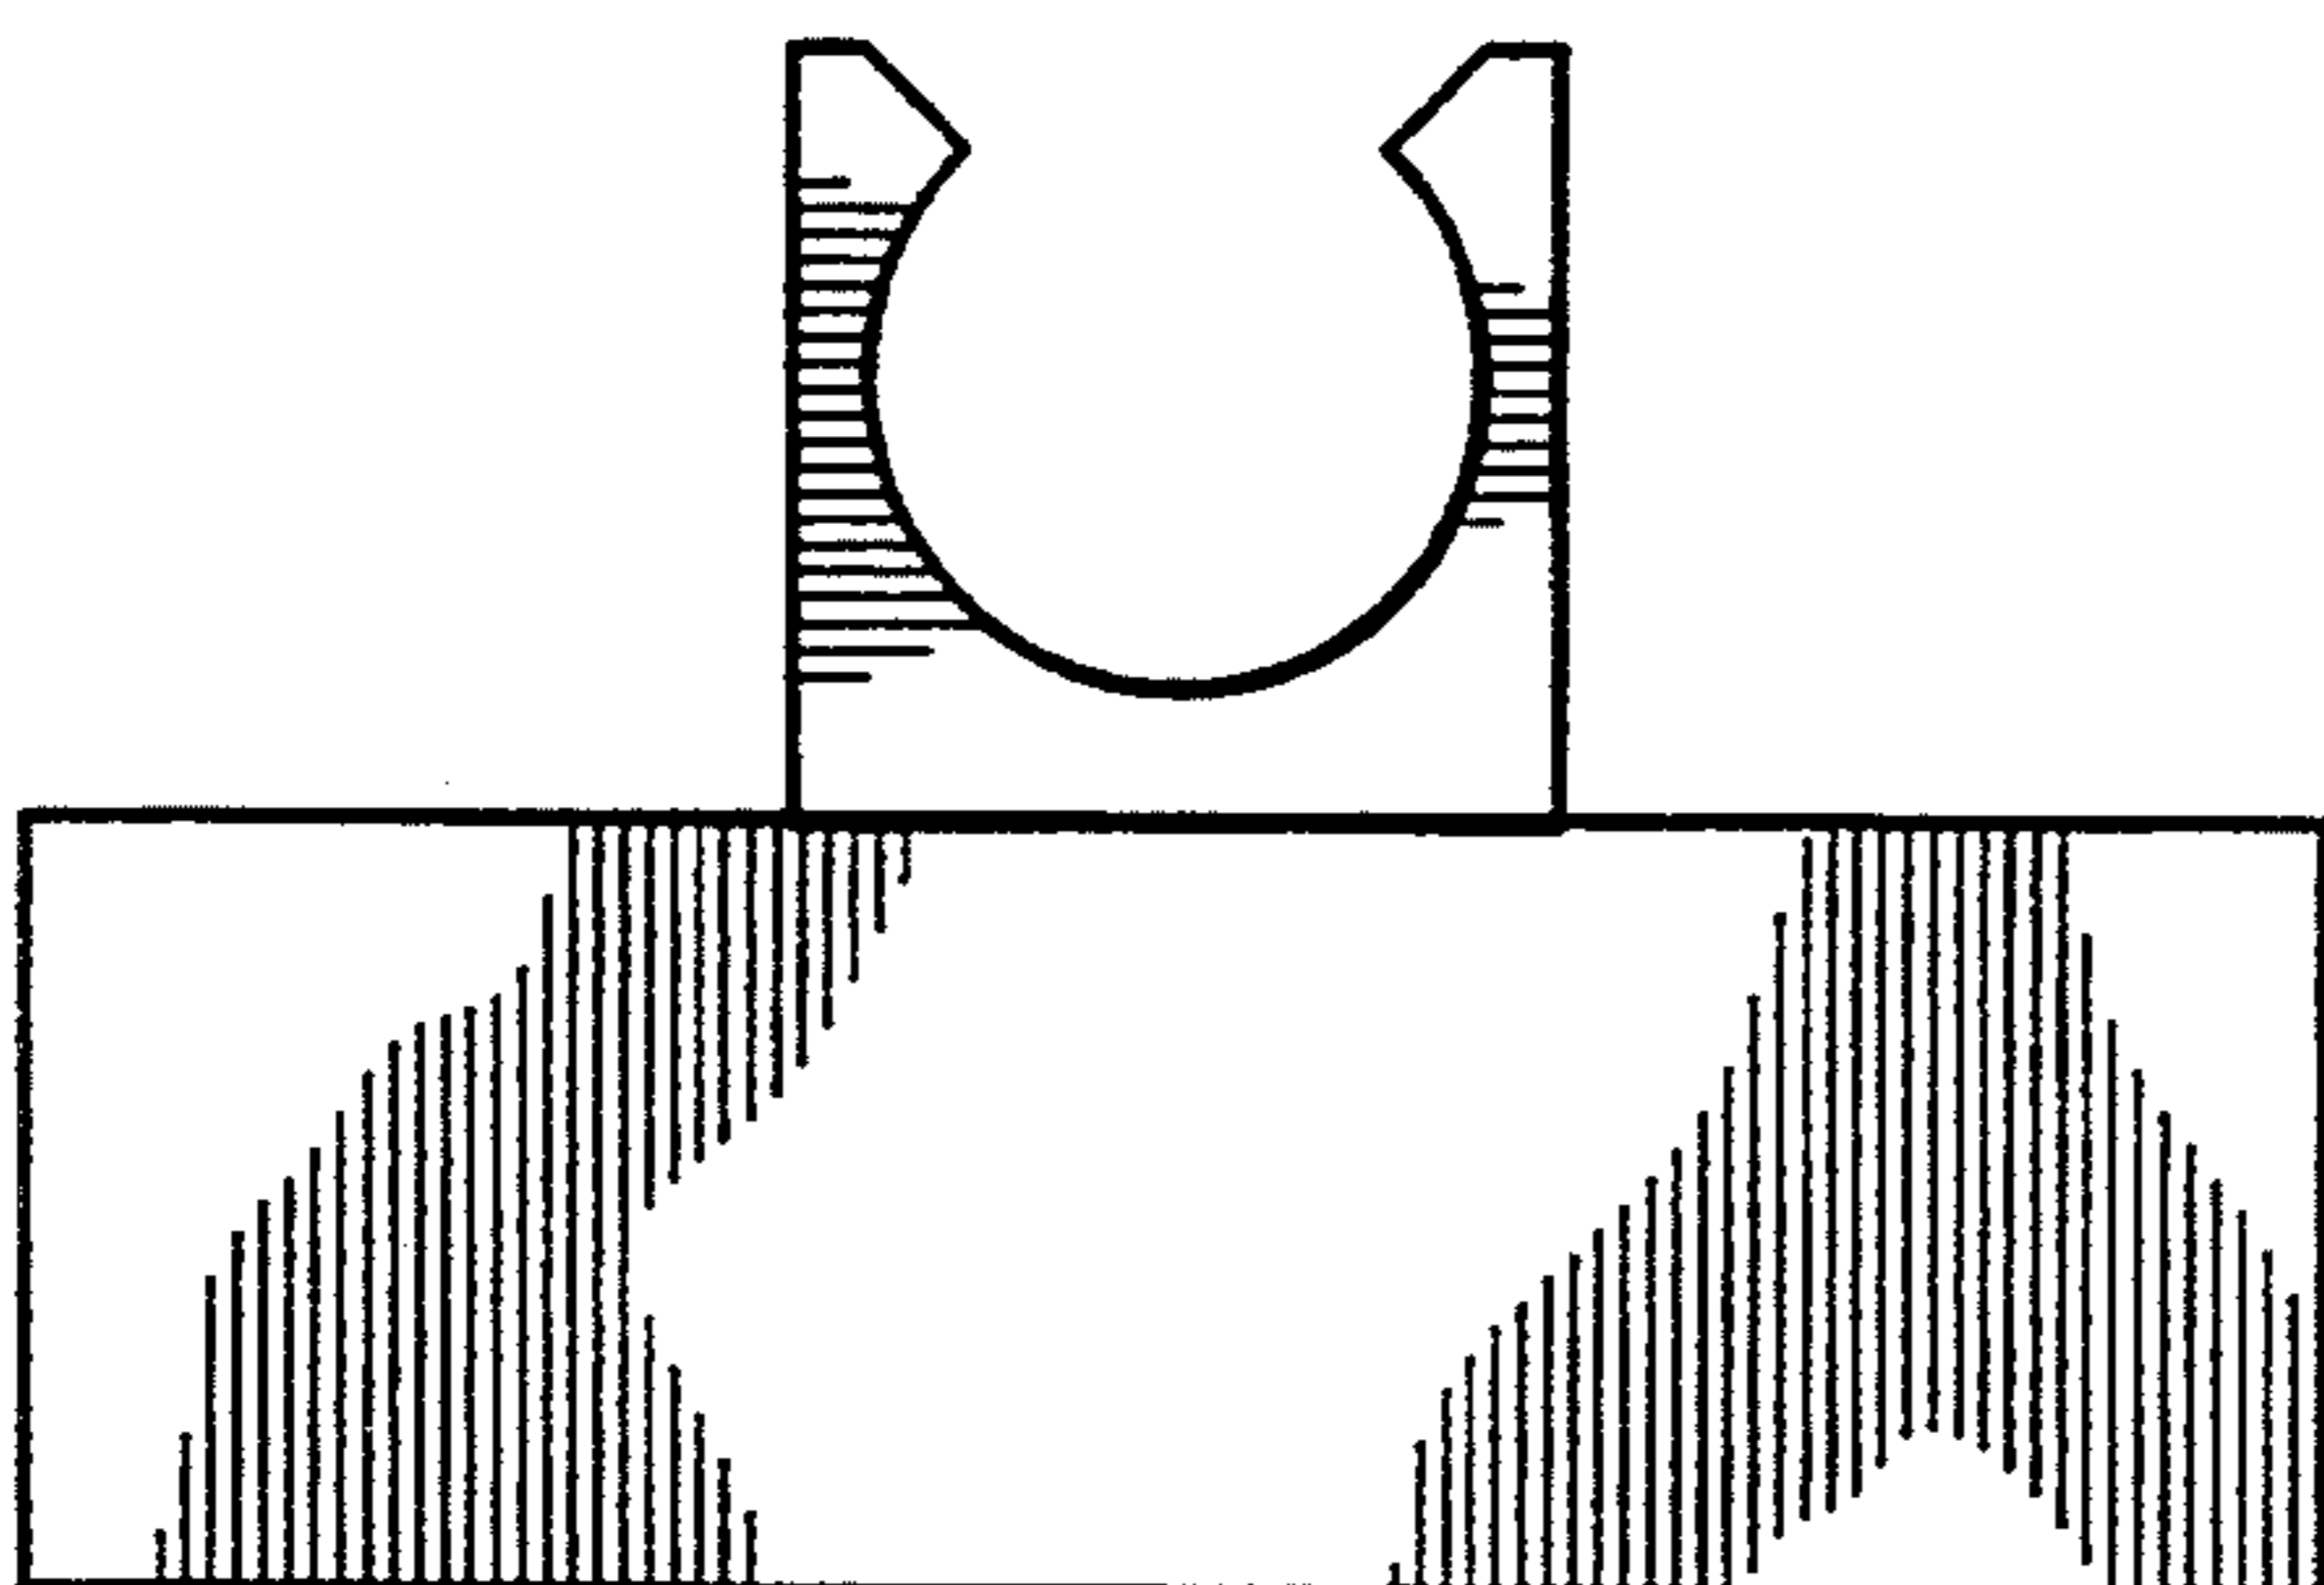

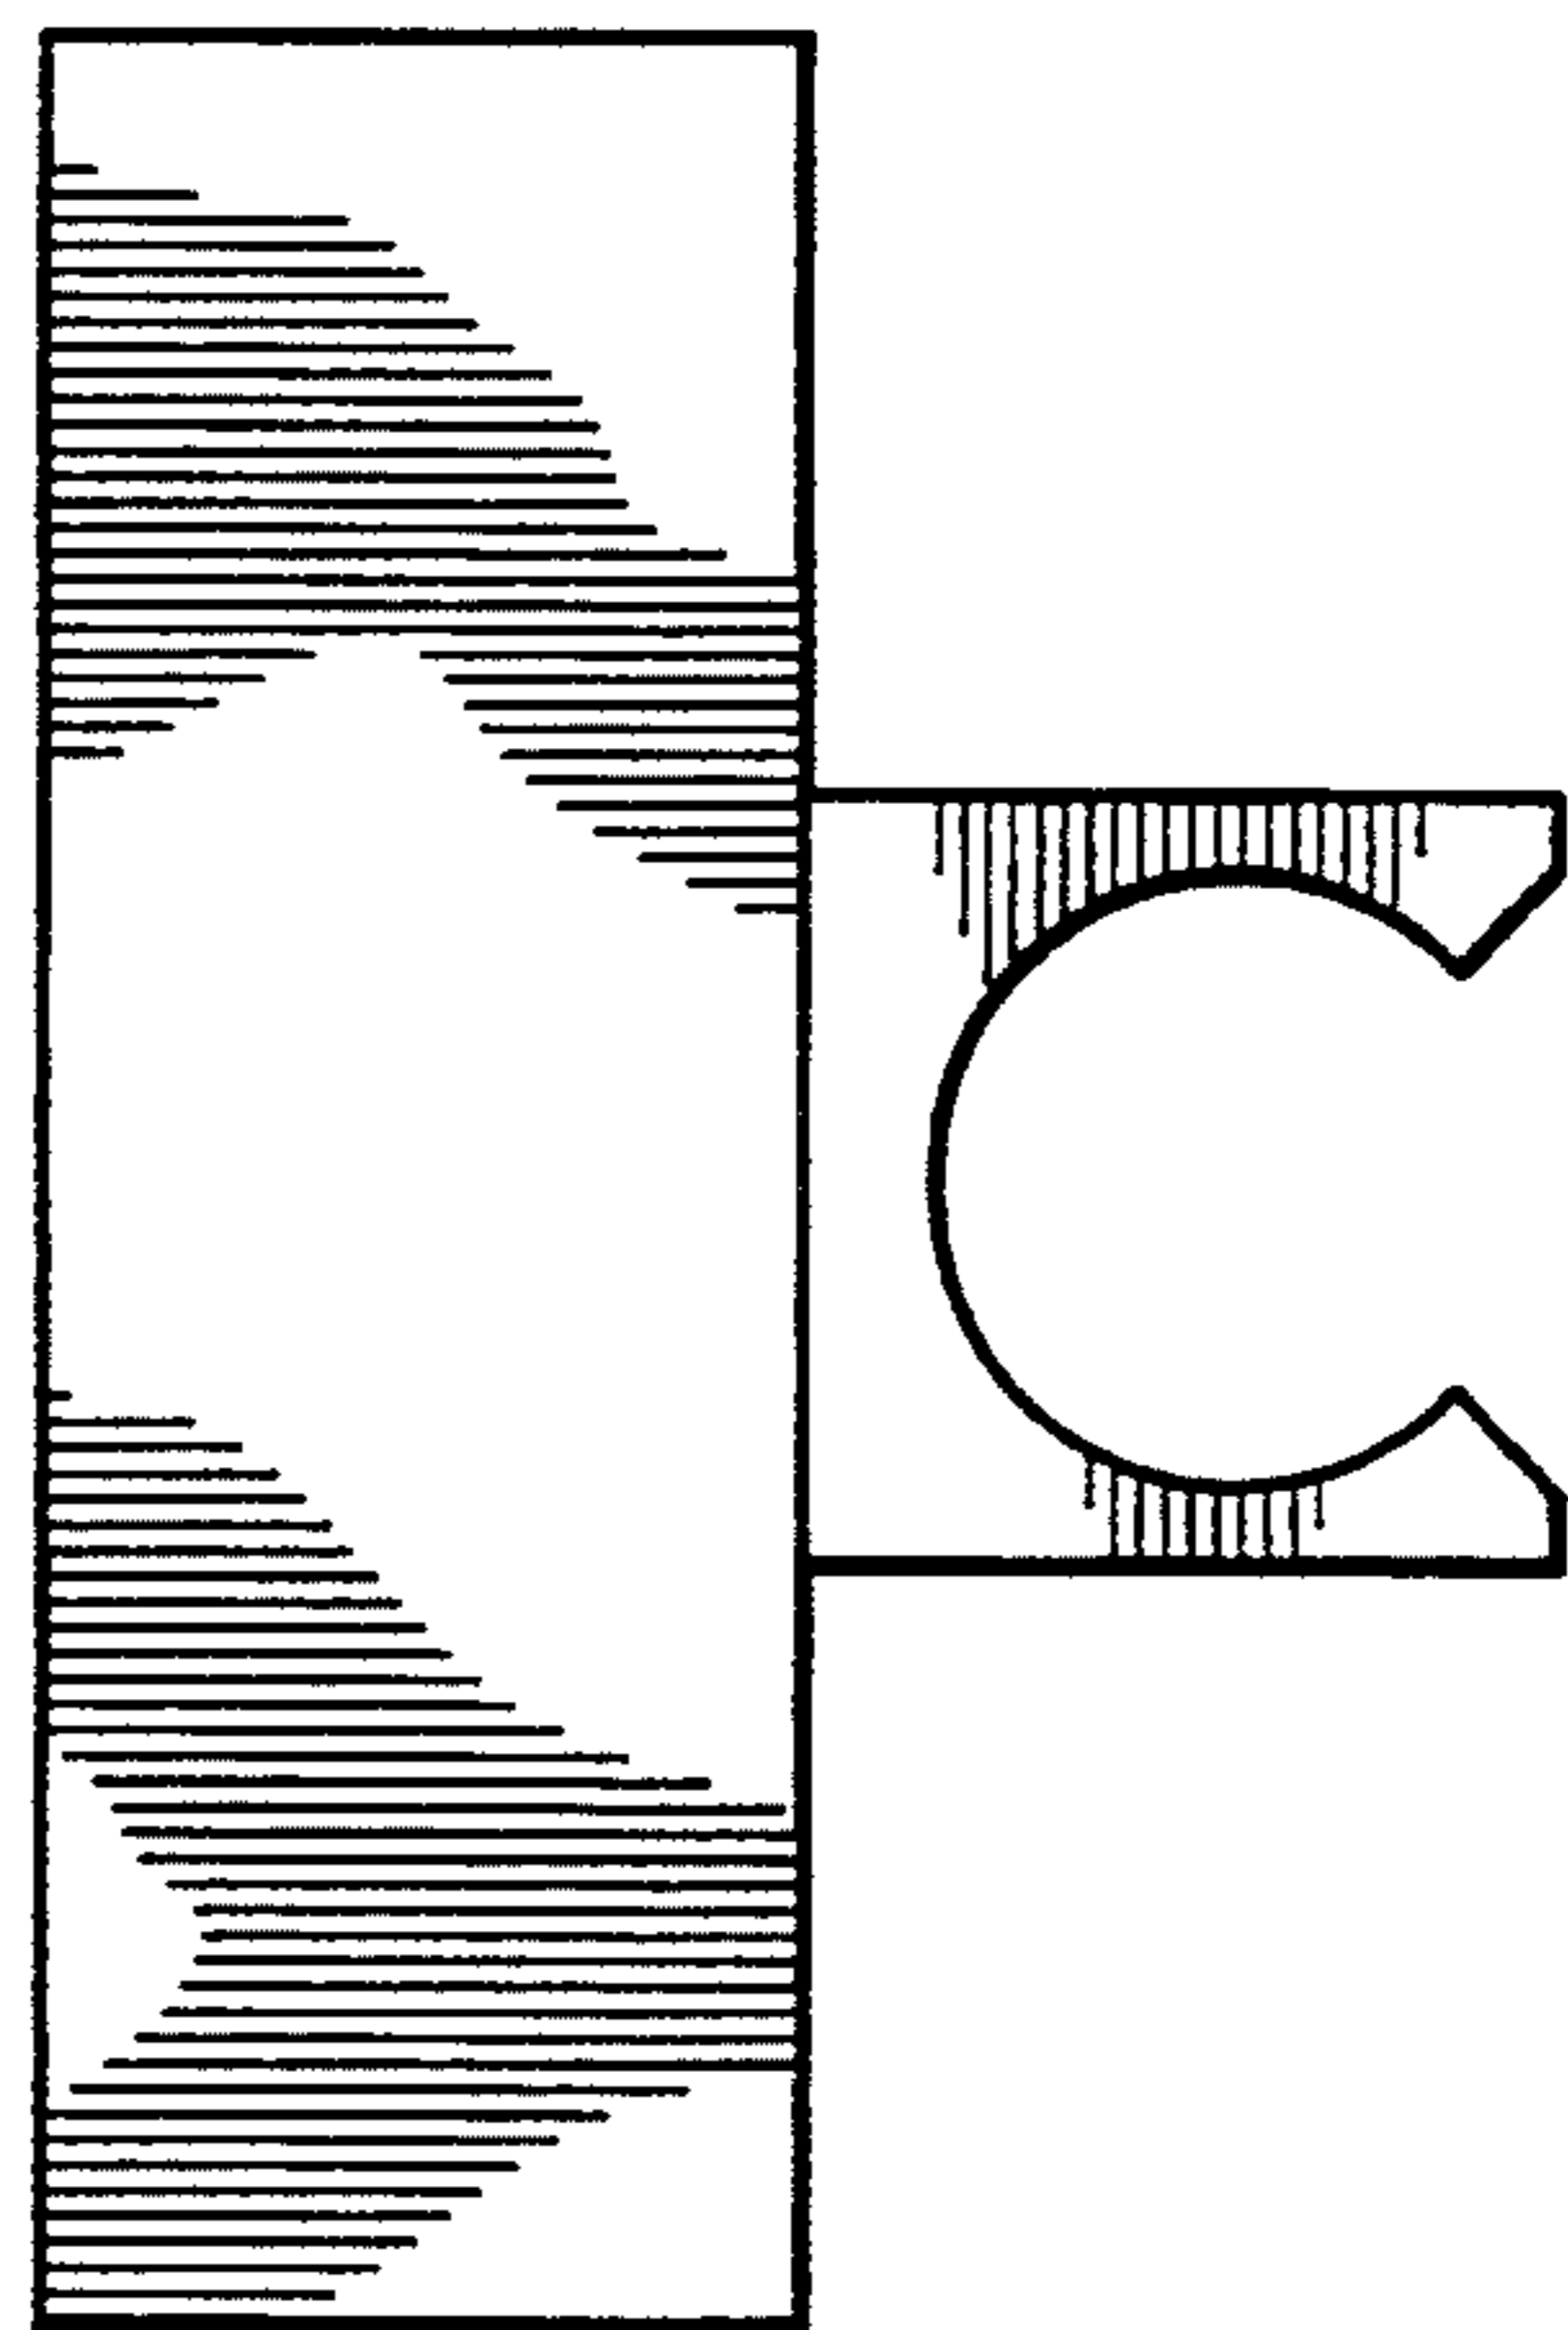

FIG. 5
