[57] **CLAIM**

The ornamental design of a mini fish hook remover, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective of the mini fish hook remover; FIG. 2 is a left side elevation of the mini fish hook remover; FIG. 3 is a front elevation of the mini fish hook remover; FIG. 4 is a right side elevation of the mini fish hook remover; FIG. 5 is a rear elevation of the mini fish hook remover; FIG. 6 is a top plan view of the mini fish hook remover; FIG. 7 is a bottom plan view of the mini fish hook remover; and, FIG. 8 is a perspective view thereof, the broken line showing of environment is for illustrative purposes only and forms no part of claimed design. The drawings disclose the configuration of a mini fish hook remover.
